**Please be advised since we have short-term and on-line courses, you should be alerted to the fact that the beginning and ending dates of each individual course will affect the amount of money the VA will send you for the month. We will report these dates to the VA so they can determine what their regulations specify for your monthly pay. When a course ends, it is no longer counted by the VA as part of your enrollment.**

2. Where did you last receive VA benefits?     BCC     Other (List all other colleges attended below.)

3. Are you repeating any courses?  Yes  No    If so, which ones? \_\_\_\_\_

Changes in course enrollment after the last day to drop and add courses may result in the retroactive loss of benefits unless the VA finds mitigating circumstances involved in the change. Loss of benefits could revert back to the first day of class. Courses added during the drop/add period are considered by the VA to begin on the day the course was added, not the first day of the session (as a result, the first VA check for the session may be less than the full amount expected). If you receive an "F" grade for non-attendance or unsatisfactory progress, you will be liable to repay the VA from the date that you stopped participation in the course.
