

Exciting Summer Career Training Opportunity for Barstow's 5th to 8th Grade Students

Barstow Community College is pleased to announce the 10th Annual Summer Youth Program designed specifically for 5th to 8th grade students. This is a **FREE** program which offers students the opportunities to explore a variety of education and career opportunities. Some anticipated components of this year's Summer Youth Program are: **Science Technology, Engineering, Math, Business/Management, Video Production/Photography, Tours, Project-Based Learning, Community Service, BBQ's, and much more.** The program offers participating students a great introduction to Barstow Community College, giving an insight into Career Technical Education (CTE) courses and offering admissions advice and guidance. On completion of this four-week program, students will have gained a wealth of knowledge and experience and will be awarded a "Junior High Certificate" by the Dean of Instruction - CTE/Workforce & Economic Development at Barstow Community College.

Space is limited and registration will be awarded on a first come first served basis. Parents and students are advised to return this form no later than **Friday, May 18, 2018** to either Barstow Junior High School counselor Pete Perez, via email to voced@barstow.edu, or you can hand it in/mail it to us at:
