PARENTAL CONSENT	
<p>I support this request on the part of my child to attend BCC. I understand that the courses are for college credit, and that college courses may contain adult content. I understand and agree that my child is subject to the rules and regulations of BCC as listed in the College Catalog and Student Code of Conduct. I also agree to be responsible for any and all fees incurred by my child in the enrollment process, if enrolled in fewer than 12 units then all fees will be waived for that semester. I am aware that I will not have the right to access my child's college records without his/her written consent or a court order. Once a student has applied to a post-secondary institution, the Family Educational Rights and Privacy Act apply to that student, regardless of age. You will have no access to information about your student, his/her grades, or performance, without his/her express written authorization. Student grades are only released by transcript – request must be made by the student. BCC is NOT responsible for providing transportation, books, or instructional materials. Home-schooled students must provide proof of filing as a private school with the Superintendent of Public Instruction OR obtain sign-off from the local public high school the student would normally be attending. The local high school must be willing to accept home schooling as valid school attendance and determine whether the student has completed coursework sufficient to prepare him/her to undertake college level coursework.</p>
