

Barstow Community College District

JOB DESCRIPTION

DIRECTOR OF CTE GRANTS-TAACCT

BASIC FUNCTION

Under the direction of the Dean of Instruction for Workforce and Economic Development -CTE, the TAACCCT Grant Director will oversee planning and implementation of the TAACCCT grant project initiatives to develop and/or redesign programs and course curricula with online/hybrid, simulations, asynchronous, and personalized instruction platforms to create stacked and latticed credentials. The TAACCCT Grant Director is responsible for engaging and recruiting employers and sector initiative partners into the project.

REPRESENTATIVE DUTIES

- Work with administration, faculty, and industry experts to facilitate the development of courses and training for competency based workforce development certificates through online, hybrid, and technology-enabled modularized delivery, as identified in the grant related to the areas of advanced manufacturing.
- Facilitate in developing relationships and a network of local, state, and regional corporate and community partnerships to establish work-based learning opportunities including internships, job shadowing, and job placements.
- Working closely with industry and training providers, coordinate efforts in creating a pipeline of new workers as well as the skill building of incumbent workers. Responsible for the development and implementation of a comprehensive strategic marketing and recruitment plan for targeted industry job openings and student populations
- Facilitate aligning workforce development programs with industry needs and credentials creating pathways to credit-bearing certificates and degrees.
- Coordinate efforts in developing and implementing tools to assess student's prior learning (PLA-Prior Learning Assessment/CAEL) and manage student data in established tracking system. Increase the number of students who develop integrated academic/career development course plans, including course sequences that are consistent with career pathways. Promote the development and implementation of competency assessments.
- Review all K-12 pathways in the region that have nationally recognized industry standardized certifications. Align any K-12 pathway with postsecondary certificates and pathways
- Host "skills panels" to define student learning outcomes that will inform curriculum development. Design coursework and training to meet industry specific workforce

needs. Evaluate all existing credit-based certificates. Evaluate all existing short-term customized and noncredit certificates.

- Support efforts to monitor, record and report progress on deliverables, including regional team development, training outcomes, competency assessments and certifications.
- Develop opportunities for teachers and faculty to work with business and industry for the hands-on experience in which they can take back lessons learned to students, other teachers and faculty, which may include up-to-date job competencies and requirements and current opportunities.
- Assists the Dean of Instruction in the implementation of any of a variety of duties related to general vocational programs.
- Serve on committees as assigned.
- Performs other duties as assigned

KNOWLEDGE AND ABILITIES

Knowledge of:

- Pertinent federal, state, and local laws, codes, and regulations as they pertain to employment.
- Group dynamics
- Communication skills, both orally and written.
- Demographics of the community and community educational needs.
- Computer software and office machines.
- Marketing and research techniques.
- Project management.
- Curriculum development.
- Student assessment.
- District policies and procedures.

Ability to:

- Plan, organize, and evaluate programs.
- Articulate clearly.
- Prepare and process reports.
- Facilitate group processes.
- Provide direction to staff and students.
- Network and establish relations with community employers and organizations
- Demonstrate sensitivity to and an understanding of the diverse academic, socio-economic, cultural, disability, and ethnic backgrounds of community college students.

EDUCATION & EXPERIENCE

Bachelor's degree from an accredited institution of higher education with at least 2 years of experience directly related to the duties and responsibilities specified.

Desired: Grant management experience. Experience in Career Technical Education at the Post-secondary and Secondary Level. Experience with Workforce and Economic Development. Knowledge of Cooperative Work Experience Education.
