Student Information

The amount of Federal Pell Grant funds a student may receive over his or her lifetime is limited by a new federal law to be the equivalent of six years of Pell Grant funding. Since the maximum amount of Pell Grant funding a student can receive each year is equal to 100%, the six-year equivalent is 600%, this is based off of your enrollment being 12 credits or more each semester.

Complete this form, if you would like to decline your Federal Pell Grant.
