### UNIVERSITY SPOTLIGHT— CALIFORNIA STATE UNIVERSITY— SAN BERNARDINO

The logo for California State University San Bernardino, featuring a blue mountain range silhouette under a blue arch, with the text 'CALIFORNIA STATE UNIVERSITY SAN BERNARDINO' below it.

## CALIFORNIA STATE UNIVERSITY SAN BERNARDINO

California State University, San Bernardino is a preeminent center of intellectual and cultural activity in Inland Southern California. Opened in 1965 and set at the foothills of the beautiful San Bernardino Mountains, the university serves more than 20,000 students each year and graduates about 4,000 students annually.

CSUSB reflects the dynamic diversity of the region and has the most diverse student population of any university in the Inland Empire, and it has the second highest African American and Hispanic enrollments of all public universities in California. Seventy percent of those who graduate are the first in their families to do so.

#### Admissions Requirements:

The minimum admission requirements for transfer students applying to CSUSB are 60 semester (90 quarter) units of transferable course work taken at a regionally accredited\* community college or university.

Within the 60 semester (90 quarter) units, students must complete the following four basic skills courses with a grade of "C-" or better in each course:

- Freshman Composition
- College Algebra (or baccalaureate level transferable math course equivalent)
- Critical Thinking
- Speech/Oral Communication

The remaining courses for transfer come from the CSU/IGETC General Education Transfer Pattern (at least 30 semester/45 quarter units), and the remaining courses come from the major).
