V. Items of Business: *[Discussion and Action Items]*

A. Second discussion regarding ASG Bylaws and Constitution alterations.

Discussion Item. (Secretary Frias).

- **Kevin:** Look over my comments in the Bylaws. I made several additional changes such as removing the ASG Handbook from the bylaws, since Joshua informed me that it does not exist. I removed Item K from the Presidential duties and moved it over to the Secretary duties, since this is something I already do. I also removed the executive and senator meetings from the Presidential duties due to none of these meetings existing. I fixed errors in the Bylaws in which it refers to wrong articles. I changed the 48-hour posting time of the agenda and minutes to 72-hours, so it follows “The Brown Act.” I am hoping to have this approved in the next meeting, so please take a look at the

changes and some of the questions I have in the comments and provide me with feedback.

IX. Advisor Reports: [*Advisor Reports to be limited to 3 minutes*]

Advisor Reports	
<p>Vice President of Student Service: Dr. Khushnur Dadabhoy</p>	<p>I wanted to thank ASG for their support at the Basketball game. I would appreciate it if ASG could support the baseball team as well. The State Chancellor office wants Student Service to be seamless, so ACSK students will not be placed in ACSK classes. ACSK students will be placed in regular classes with more extensive tutoring. The reason for this is due to ACSK having a lower chance to succeed and it also demotivates them to be placed in ACSK classes.</p>
<p>Director of Student Services: Joann Garcia</p>	<p>I am seeing leaders and people graduating now. All of you came in as babies, but I see everyone is doing their part. Everyone will continue to support ASG and we are proud of you all. Elections are just around the corner and the graduating ASG will sit in the front row.</p>
