E. **Officer Reports:** [*Officer Reports to be limited to 3 minutes*]

Executive Reports	
ASG President: Sui Motufau	So as I discussed before we will be working on the annual update, and I will send out what were the student outcomes, and the progress that we made from 2016 until now. We also want to thank everyone who came out to help us throughout the month. ASG will also be helping out Financial Aid with the Scare Fair today in the PAC center from 3 to 5. We also went to our conference in San Jose, where we learned a lot of helpful things such as, Roberts law and the Browns Act. Also we had a great ICC meeting yesterday.
Vice President: Godwin Alozie	
Secretary: Alisa Parks	Umm. The conference was good. We went to the conference in San Jose and I got to participate in 4 different classes. I went to the breaking barriers, and taking action, and student representatives, and one more. I have to look at my sheet, but I do have a written summary if you guys want to

	<p>check that that out, because it's been minute. If you guys have any questions or anything you can just come and ask.</p>
<p>Treasurer: Margie Smith</p>	<p>Umm. For me it was a great experience. I never been to a conference like that out of Barstow. I learned on the Browns Act and how to network. If you guys would like more information on that I also have a summary that I can email to you or give you a hard copy. When we host our conferences I encourage you guys to really attend them because they are so knowledgeable and they will teach you how to speak and how to be a leader.</p>
<p>Region IX Representative: Ariel Aluni</p>	<p>I also attended the conference. I believe the conference was very informative. We went to break out sessions, and one of the classes that stuck out to me was the one the workshop on activity planning. I believe that will help a lot with this school because we do have a lot of places that we can fix so students can be more interactive with other students. We also had a lot of motivational speakers. The one that stuck out to me was Frank Kitchen. If you guys want more information I have his card. The Region 9 conference is going to be November 17 through the 19. We will be attending. That will be in Sacramento.</p>
<p>Student Trustee: Vaa Motufau</p>	<p>First off I would like to thank everyone who attended the conference. Thank you for bringing back all this leadership. I hope you learned something new. I also want to thank Ms. Joann for supervising during the conference. My board meeting went well. I spoke about the DACCA, and I spoke about our new upcoming ASG events in the month of November.</p>

It has been through a committee of like 23 people of the college that looked on it and voted on it yesterday, and we have to by law be voted on by ASG. If you guys want to take a couple of minutes to read through it, and if you have any questions you guys can ask us about it.

Ozell Wilson: So this is what's going to be the plan for the next two years at the college?
