

Barstow Community College
Board Goals
2014-2015

The Board of Trustees provides governance leadership for Barstow College and has identified the following goals for 2014-2015.

- I. Expect and support local community involvement by board members, the Superintendent/President, and employees, as well as state and national activities that promote district interests.
- II. Expect and monitor that ACCJC/WASC accreditation standards are addressed so that the College maintains full accreditation status, and that efforts to assure ongoing compliance with all accreditation standards are sustainable.
- III. Fulfill the Board's responsibility to maintain the fiscal integrity of the district by expecting that the District finances are managed effectively, including maintaining a budget reserve of at least 15%.
- IV. Expect that Board Policies and Administrative Procedures reflect current law, regulation and practice, and that personnel are knowledgeable about the policies and procedures that pertain to their areas.
- V. Expect and support the College efforts to achieve continuous customer service excellence, and that a culture of civility and collaboration exists amongst all constituency groups.
- VI. Support College professional development opportunities including the Leadership Academy.
- VII. Ensure that the College a) sets appropriate student achievement standards, b) monitors student performance data, and c) provides action plan including benchmarks to remedy unmet standards.
- VIII. Expect that the College's information systems produce accurate data and information to support decision-making, the capacity to monitor institutional effectiveness, and a culture of evidence.
- IX. Support the College's efforts to advance emergency planning and preparedness.
- X. Explore possible funding strategies to support energy efficiency, mission-centric program and facility needs, and student equity and success.
- XI. Monitor that the current construction projects are completed in a timely, cost effective manner. Support community involvement in the continued utilization of the Performing Arts Center.

BCC Mission Statement (Opening Sentence)

Barstow Community College is an open-access learning environment that promotes critical thinking, communication, personal and professional responsibility, and global awareness by offering quality courses, programs, and support services.
