Barstow Community College has made every reasonable effort to determine that everything stated in this catalog is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice as a result of actions of the administration of Barstow Community College District or the California Community Colleges Chancellor's Office and the California State Legislature involving the rules and regulations pertaining to community colleges. The college further reserves the right to add, amend or repeal any of its rules, regulations, policies, or procedures.

The college hosts events that are open to the public, such as, but not limited to: graduation, athletic competitions, job fairs, speakers, and various activities held at the theatre or other campus venues. Those events are considered news events. Such an event may be photographed, videotaped or Webcast. Due to the nature of the events, the college has no means by which to prevent such photographs, videotaping or Webcasting from including a specific student’s image or voice. By attending the event, a person is granting the college the right to use any such still or motion images or voice recordings in future publicity or publications as needed and without compensation. No release shall be required by the college to utilize in an appropriate manner any images captured during a public event.

Greetings From the President

Welcome to Barstow Community College,
Like the Vikings of old, you are embarking on an exciting voyage that promises a wonderful world of amazing opportunities. We are excited that you have chosen Barstow Community College as your institution of higher education and we’re ready to help you reach your academic and career goals.

In June of 2015, the Accrediting Commission for Community and Junior Colleges reaffirmed that Barstow Community College (BCC) meets the high standards of excellence in education and services set forth by the U.S. Department of Education. This accreditation means that BCC provides degrees and certificates that are recognized by other colleges, universities and employers throughout the world.

Whether you are coming to BCC straight from high school, preparing for a career change, returning to college to finish a degree, or laying the foundation for an advanced degree, we have certificate and degree programs that will fit your needs. Our counselors and student services personnel are ready to help you chart your course to the future you desire. All of us are here to support you on your journey. Research shows that six key factors positively impact your chances for success as a student: feeling directed, focused, nurtured, engaged, connected and valued. We’ve worked diligently to improve our student services with an emphasis on these factors. We have expanded academic counseling; improved educational planning; created more focused workshops; produced both on-line and in-person student orientations; and increased tutorial services. I encourage you to take advantage of these resources. I also hope you’ll get involved in student life by joining our clubs, theatre & music groups, and athletics.

What makes BCC different?

People ask, what makes BCC so different from other colleges. My first answer is always our faculty. They have advanced degrees and credentials from a great variety of excellent Universities just like other college professors, but at BCC the small class sizes and caring faculty give you more personalized attention. Our professors take pride in their ability to teach, train and mentor each student.

My second answer would be our environment. Clean air, great open spaces, and a campus that is powered by the sun. More than 90% of our electrical needs our provided by our new 5-acre Solar Array. We also have awesome, beautiful new buildings – The Learning Resource Center, Performing Arts Center, and Wellness Center were all built in the last five years. So while our campus has been around for more than 50 years, we are growing, and developing state-of-the-art facilities to serve our students.

At BCC your success is our #1 goal. It is the driving force behind everything we do. Our entire staff is committed to working with you to help make your time here as enjoyable and productive as possible. Thanks again for selecting the good ship “Barstow Community College.” A vessel that is safe and sound, and ready to take you wherever you want to go.

Let’s Go Vikings!

Dr. Deborah DiThomas
Superintendent/President

Barstow Community College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges (WASC), an institutional accrediting body recognized by the Commission on Recognition of Postsecondary Accreditation and the U.S. Department of Education. WASC can be contacted at 10 Commercial Blvd., Novato, CA 94949, (415) 506-0234. Copies of the accreditation report are available on the college's website or in the President's Office.

HISTORY

The Barstow Community College District was established in September 1959 by the citizens of the upper High Desert region of Southern California. Evening classes began the next year at Barstow High School, followed by the first day of classes in fall 1962 at Barstow First Methodist Church. Two years later, a $3 million, six-building complex was constructed at the present location on Barstow Road, and classes began there in February 1965. There followed a technical building in 1967, an administration building in 1975 and an automotive laboratory in spring 1978. The automotive laboratory was converted into a physical fitness center in 2000 and the 28,000-square-foot, state-of-the-art Learning Resource Center (LRC) opened in the fall of 2004.

In 2005 many campus facilities underwent a Remodel for Efficiency project, a two-phase improvement project that renovated and updated the K Building, S Building and the Norman Smith Center. Phase 1 included the renovation of the K Building (the old library) into the Interim Performing Arts Center (IPAC) which created an open space used primarily by the Performing Arts Department. Due to the opening of the Performing Arts Center, the K Building received minor renovations and now serves as the Student Success Center.

The S Building was updated to be more efficient in use as a co-laboratory by the Science Department for courses that are offered on the Barstow campus. Phase 2 transformed the Norman Smith Center into a One-Stop Services Center for students that include admissions and records, financial aid, counseling services, the Transfer Center, the student lounge, the cafeteria, and the Associated Student Government. The new Norman Smith Student Services Center is the place where students can find all services associated with their academic and career life at BCC conveniently in one location.

In 2007 the cosmetology department found a new home in the D Building, having been located off campus for several years. The building was fully renovated to meet State of California Board Certification for Cosmetology approval, offers several practicum and theory classrooms and also is home to the Viking Bookstore.

In October, 2010, ground was broken on construction for the 750 seat Performing Arts Center. The Grand Opening was in February 2015. The Wellness Center, located behind the current gymnasium, opened for classes in Fall of 2015. In the fall of 2011, the State Street CTE facility started offering classes in workforce and economic development.

Barstow Community College is located off Interstate 15 in the Mojave region of San Bernardino County, California, approximately 120 miles from both Los Angeles and Las Vegas. The college district encompasses a vast area from the Nevada border on the east to Kern County on the west, and from Inyo County in the north to the San Bernardino Mountains. The college serves the communities of Barstow, Lenwood, Newberry Springs, Daggett, Yermo, Hinkley, Ludlow, and Baker. The college also provides on-site programs to military personnel at the U.S. Army National Training Center, Ft. Irwin and to distance education students through its large online program.

An open-admission, public institution, the college serves more than 4,000 students annually in degree and certificate programs with approximately 120 full-time employees and a $18 million budget. It provides the first two years of college or university study as part of the California State Community College System of Higher Education. The college’s educational program includes lower-division course work, general education offerings, transfer degrees and vocational courses for transfer to baccalaureate degree institutions.

The college offers a number of occupational programs designed to prepare students for entry into the workforce. Service learning and self-enrichment classes are also offered to the community.
GENERAL INFORMATION
BARSTOW COLLEGE FOUNDATION

The Barstow College Foundation is a non-profit, tax-exempt 501(c)(3) corporation established to support excellence in education at Barstow Community College. Its mission, “Building alliances for the financial benefit of the Barstow College community,” is accomplished through the various programs the BCF supports such as student scholarships, endowments, student success programs, instructional equipment to name just a few. The Foundation is a vital link to the community and helps the college develop relationships that benefit both the college and the community. Individuals, families, or businesses desiring to make a donation to the BCF are invited to contact the Public Information Office at (760) 252-2411 ext. 7350 or the Foundation at (760) 252-6709. All donations are tax deductible to the extent allowed by law.

OUR VISION

College planning does not rest in a series of documents, but rather in specific actions, directions and processes that foster student learning and pursue institutional excellence.

OUR MISSION

Bartow Community College is an accredited, open access institution of higher learning committed to providing our students, community, and military population with the educational tools to achieve personal goals and professional growth. To accomplish this, the college offers traditional and distance education courses, programs, and pathways designed to enhance student success, leadership development, and career opportunities, enabling all in the community to thrive in a changing global society.

OUR OUTCOMES

- Organize key processes to meet our pledge of quality assurance to our community
- Provide information to improved decision making at all areas of the college
- Facilitate thoughtful reflections and dialogue on student learning and institutional excellence and encourage on-going review and improvement
- Encourage and nurture a culture of inquiry that uses data and evidence to identify and cultivate new opportunities.

GENERAL EDUCATION PHILOSOPHY

Barstow Community College provides a general education for its students. The district seeks to develop the whole person where the individual is greater than the sum of his or her independent educational experiences, a person who will understand the world within and the world without. Barstow Community College’s general education philosophy serves to enhance creativity, reasoning, ethical behavior, and human understanding, which are essential to the attainment of personal goals and effective participation in a rapidly changing society.

The district’s general education philosophy ensures a coherent, interdisciplinary approach in the overall undergraduate curriculum. Students are provided with the breadth and intellectual challenges which stimulate discovery in a world full of different kinds of knowledge and social structures. Students are given the opportunity to develop an integrated overview of the varied components of human knowledge. The college’s general education philosophy calls for student exposure to natural science, technical literacy, health and wellness, citizenship-community involvement, social and behavioral science, arts-humanities, communications-language skills, analytic reasoning, and cultural-ethnic diversity. All of these are basic and necessary to participate in and contribute to a balanced life in a democratic society.
ADMISSIONS AND ENROLLMENT

OPEN ENROLLMENT

The policy of the Barstow Community College District is that, unless specifically exempted by statute, every course, course section, or class that is reported for state apportionment, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to Title 5 of the California Code of Regulations, commencing with Section 55003.

ELIGIBILITY FOR ADMISSION

The following persons are eligible to enroll in Barstow Community College:

- Any high school graduate, OR
- Any person who has passed the High School Proficiency Exam or the General Educational Development (GED) test, OR
- Any person 18 years of age or older who can profit from instruction, OR
- Any K-12 student meeting the criteria listed under “Special Admission of Minor Students.”
- Holders of B (Visitors) Visas are NOT eligible for admissions.

APPLICATION FOR ADMISSION

Admission to Barstow Community College includes the filing of an application for admission by the student. The application for admission may be obtained from Admissions and Records or completed on our website at www.barstow.edu/getting_started.html.

First-time (new) students or transfer students from another college are required to complete the admissions process, consisting of an application for admission, orientation, academic placement test, and counseling (see Student Services for more details).

Students returning to Barstow Community College after a break of more than one semester will be required to complete an application for admission. Orientation and assessment will also be required of those students who have not previously completed the Student Success steps.

Continuing students need only complete a personal information update form if changes to personal information are necessary. Changes to name or social security number require proof such as driver’s license, marriage certificate, social security card, etc. Changes to contact information may be made online through “my Barstow Portal” at www.barstow.edu.

INCOMING TRANSCRIPTS

Official transcripts of all previous college work may be sent to Admissions and Records for inclusion in the student’s permanent file. Transcripts, once submitted, become the property of Barstow Community College and will not be released to anyone including the student.

SPECIAL ADMISSION OF MINOR STUDENTS

Students, who are under the age of 18 and have not graduated high school, may concurrently enroll at Barstow Community College as a special part-time student to supplement their elementary or secondary school education if they meet the requirements outlined in Administrative Procedure 5011. These students can earn both high school and college credit.

Only those students from the District’s service area may apply under this procedure: Baker Valley Unified School District; Barstow Unified School District; Excelsior Charter School (Barstow Campus); and Silver Valley Unified School District. Other students may petition for an exception if they reside within the service area.

Limitations on Enrollment
Students may only enroll for the following:

- Freshman and Sophomore students may enroll in no more than 7 units.
- Junior and Senior students may enroll in no more than 11 units.
- Middle and lower school students may enroll in only one class.

Students may not enroll in a course unless they have availed themselves of all opportunities to enroll in equivalent courses at their schools of attendance. Unless enrolled in an approved transitional college program, students are prohibited from enrolling in the following courses:

- Physical education activity courses
- English as a Second Language
- Remedial courses

Exceptions to limitations on enrollment and attendance of juniors/seniors from outside of the service area may be made by the Vice President of Student Services, whose decision will be final. To apply for an exception the entire Enrollment Process must be completed and a letter must be attached to the Concurrent Enrollment Recommendation explaining the reasons for the request for an exception. The student may only schedule an appointment to meet with the Vice President of Student Services after meeting with a counselor. Concurrent Enrollment Recommendations from outside of the service area must be signed by the principal and cannot be signed by the designee. In addition, the principal must include a typed statement explaining the criteria used to determine the student is highly gifted and can benefit from advanced scholastic/vocational work.

Eligibility for Enrollment

To be eligible to apply for admissions, the student must have a minimum high school grade point average (GPA) of 3.0. Students must maintain a 3.0 grade point average at Barstow Community College to qualify for future enrollment.

Transitional College Students:

Students participating in a Transitional College Program may only enroll in classes offered as part of the program.

Enrollment Process

Students must complete steps 1-4 found online at www.barstow.edu/concurrent-students.html.

Middle and Lower School Students:

For students attending middle and lower schools, the determination shall be made by the Vice President of Student Services. The school must provide transcripts and a letter signed by the principal indicating how in his or her opinion the student can benefit from instruction. The Vice President of Student Services will determine if the student is highly gifted and has the abilities and sufficient preparation to benefit from instruction at a community college, and that the student’s safety and that of others will not be affected. The decision of the Vice President of Student Services shall be final. Once a decision has been made, the student, his/her parent or guardian, and the school principal shall be informed of the decision. The determination may be done by applying one or more of the following options:

- A review of the materials submitted by the student;
- Meeting with the student and his/her parent or guardian;
- Consultation with Director of Enrollment Services and/or counselors;
- Consideration of the welfare and safety of the student and others;
- Consideration of local, state, and/or federal laws;
- Review of the content of the class in terms of sensitivity and possible effects on the minor; and/or
- Times the class(es) meet and the effect on the safety of the minor.
ADMISSIONS AND ENROLLMENT

ADMISSION OF INTERNATIONAL STUDENTS

An international student (F-1 Visa) is defined as a student who has entered the United States temporarily and solely for the purpose of study, and who has a permanent residence in another country that he/she has no intention of abandoning.

An international student who is on probation at another community college or has been disqualified at that college will not be considered for admission to Barstow Community College. A student with an academic deficiency from a four-year college or university may be considered for admission after review of his/her particular circumstances and/or upon recommendation of that college or university.

Prospective students can review international student qualifications and access the application information online at http://www.barstow.edu/international-students.html.

Students who have attended institutions outside the United States must provide an official transcript evaluation from a member of the National Association of Credential Evaluation Services, Inc., which is licensed and bonded to evaluate foreign transcripts. Students with transcripts evaluated by other agencies may appeal to the Vice President of Student Services to have them considered.

RESIDENCY REQUIREMENTS

The residence determination date is that day immediately preceding the opening day of instruction of the semester the student proposes to attend Barstow Community College. Enrollment in late starting classes within a term are subject to this uniform residence determination date. Each term has only one residence determination date by which all applications are measured.

Residence can only be established or changed by union of physical presence and intent. To satisfy the union of physical presence and intent, legal indicia of intent should be acquired and all out of state legal indicia relinquished at least 366 days prior to the term for which a resident classification is requested.

Students who attended a California high school for three years and graduated, please see AB 540: Nonresident Tuition Exemption for eligible high school graduates as non-resident tuition may be waived under certain circumstances.

Military Personnel and Family Members

Military personnel and family members who list California as their home of record are considered residents regardless of duty station. Military personnel and family members not listing California as home of record who are stationed in California for other than educational purposes will be granted residency.

Residency remains in effect as long as the student is continuously enrolled. Continuous enrollment is defined as enrollment for the fall and spring semesters; summer enrollment is not required for continuous enrollment.

Veterans Choice and Accountability Act (VACA)

Students considered “covered individuals” as defined in the VACA Act will be exempt from paying nonresident tuition. Students must submit a copy of the Certificate of Eligibility (COE) issued by Veterans Affairs and a copy of the veteran’s DD214 to Admissions and Records to update residency status if determined to be a non-California resident. More information is available online at http://www.barstow.edu/veteran.html.

RESIDENCY RECLASSIFICATION AND APPEAL PROCEDURES

Barstow Community College notifies students via email of their residence determination upon processing of the students’ application via email to the address listed on the application. If a student feels that the residence determination was made in error, a Residency Determination Checklist along with supporting evidence should be submitted to Admissions and Records within 5 business days.

If a student is considered a nonresident at the time of application, but later establishes California Residency, a Residency Determination Checklist and supporting documentation should be submitted to Admissions and Records. If it is determined
ADMISSIONS AND ENROLLMENT

that a change in residency is warranted, the change will become effective the following term.

Students who miss more than one semesters (excluding summer) will be required to submit an updated admissions application and will be subject to a residency review.

STUDENT SUCCESS STEPS

Information regarding Student Success Steps can be found online at http://www.barstow.edu/Student_Success_and_Support_Program.html.

ORIENTATION

Barstow Community College provides to all students information regarding policies, procedures, and information including:

- Academic expectations and progress and probation standards.
- Maintaining registration priority
- Prerequisite and co-requisite challenge
- Maintaining Board of Governors Fee Waiver eligibility
- Description of available programs, support services, financial aid assistance, and campus facilities, and how they can be accessed
- Academic calendar and important timelines
- Registration and college fees
- Available education planning services

ASSESSMENT

Assessment tests are required of all first-time college students. The test is an important tool measuring your skills for placement into college classes where you will be most successful and will have a positive learning experience. Students scoring at the higher ranges on this assessment demonstrate readiness to succeed in the higher level classes. Assessment tests are administered by Barstow community College test proctors. Prior to completing the assessment test, students must submit an application for enrollment and complete orientation.

Please see Test Proctoring Services for more information.

The following students may be eligible for exception from placement testing.

- Students who have been previously assessed and have written verification of scores from other California Community Colleges.
- Students who have already completed an AA/AS or higher degree.
- Students who have successfully completed degree level English or math classes at another regionally accredited college or university. An official copy of the student’s transcript must be provided.
- Students who are not otherwise being matriculated, except those who plan to register for English or math at Barstow Community College.

STUDENT EDUCATION PLAN

Students must meet with a counselor to develop a student education plan. The plan will detail the classes necessary to complete the declared program of study as well as the necessary timeframe for completion.

Students must have an education plan once they have completed 15 units and an updated plan once 45 units have been completed.
ADMISSIONS AND ENROLLMENT

PREREQUISITES / COREQUISITES

DEFINITION:
A prerequisite is a condition of enrollment that a student is required to meet in order to demonstrate readiness for enrollment into a course or program. A co-requisite is a course that must be taken concurrently with another course. Prerequisites may include courses as well as placement test scores for mathematics, English, and reading. Prerequisites and co-requisites are set forth in the College Catalog. Students who have not satisfactorily completed a course prerequisite through academic placement testing or with a minimum grade of “C” will be denied admission to the course.

Prerequisites are enforced prior to registration; however, enrollment may be permitted pending verification that a student has met a prerequisite. If it is determined that the student has not met the prerequisite, the student shall be involuntarily dropped from the course. Should this occur, enrollment fees are refunded.

PROCEDURE:
Unless you have taken the academic placement test or completed the necessary prerequisite from Barstow Community College (BCC), our computer system cannot determine your eligibility to register for a course that has a prerequisite. If you have taken the necessary prerequisite at another institution or have completed the academic placement test elsewhere you must submit the Prerequisite Validation Registration form for counselor review, available online at www.barstow.edu/AdmissionsRecords/Forms.html. The form may be emailed to bcounselor@barstow.edu or faxed to (760) 252-6754.

Students should initiate this evaluation process at least three weeks prior to the start of the semester in which they plan to register.

PRE/CO-REQUISITE CHALLENGE:
Students may challenge a pre/co-requisite on the basis of any of the following:

• Pre/co-requisite approval did not follow District policy;

• The pre/co-requisite is not necessary for success in the course;

• The pre/co-requisite is discriminatory;

• The pre/co-requisite course has not been made readily available;

• The student has the knowledge and/or skills to be successful in the course.

A prerequisite or co-requisite may be challenged through the following procedures:

• Completion of applicable academic placement testing must occur prior to the challenge process.

• Meet with a counselor to discuss the challenge process and obtain a challenge form if appropriate.

• Student submits challenge form to the counselor with appropriate supporting documentation at least five business days prior to the start of the class.

• The counselor will submit the form to the Vice President of Academic Affairs who will process the form in consultation with the appropriate faculty. Upon completion of processing, the form will be returned to the Manager of Admissions and Records.

• The challenge must be acted upon no later than five working days after the student submits the application form to the counselor. If the review process takes longer, the student must be allowed to enroll in the course.

• If the challenge is approved, the student is allowed to enroll in the course. If denied, the student, if already enrolled, will be administratively withdrawn from the class.

The student may appeal the decision following the normal grievance process set forth in Administrative Procedure 5530.
ADMISSIONS AND ENROLLMENT

PRIORITY REGISTRATION

The district will provide priority registration for students who enroll in a community college for the purpose of degree or certificate attainment, transfer to a four-year college or university, or career advancement for the fall and spring semesters. Summer will not have a priority system for registration.

Priority registration shall only be granted to those students who have completed orientation, assessment, and developed a student education plan. Education plans must be updated at 15 completed units and 45 completed units for continued eligibility for priority registration. Higher priority will be granted to those students who indicated an education goal of:

• Obtain an AA degree and transfer to a 4-year institution
• Transfer to a 4-year institution without an AA degree
• Obtain a two year vocational degree without transfer
• Earn a vocational certificate without transfer
• Improve basic skills in English, reading or math

Students will have the following registration priority, in the order of priority listed below.

• Tier 1: Active Duty Military; Veterans; Foster youth and Former Foster youth; ACCESS; EOPS; CalWORKS
• Tier 2: Athletes; Students who have completed 60-100 units and have an appropriate education goal; students participating in Bridge to College Success.
• Tier 3: Students who have completed 45-60 units and have declared an appropriate education goal; Active duty military family members
• Tier 4: All other continuing and returning students and recent high school graduates (within the past year) from the district; Barstow Unified School District; Excelsior Charter School (Barstow Campus); Silver Valley Unified School District.
• Tier 5: Newly admitted students and those students who did not meet requirements to receive priority registration.

Completed Units include all units evaluated and posted on the student’s BCC transcript.

Registration priority specified above shall be lost at the first registration opportunity after a student:

• Is placed on academic or progress probation or any combination thereof as defined by Board Policy and Procedure 4250 for two consecutive terms; or
• Has earned one hundred (100) or more degree applicable units; or
• Has earned a degree

For this section a unit earned when a student receives a grade of A, B, C, D, or P.
ADMISSIONS AND ENROLLMENT

STUDENT CLASSIFICATIONS

Part-time: A student taking fewer than 12 units
Full-time: A student taking 12 or more units
Freshman: A student who has completed fewer than 30 units
Sophomore: A student who has completed 30 or more units
Graduate: A student who has been awarded an AA or AS, or a higher degree by a recognized collegiate institution

MAXIMUM UNITS

In order to meet graduation requirements in four semesters, students must complete an average of 15 degree-applicable units each semester.

During the fall and spring semesters, students may register for up to 18 units without approval. Students desiring to enroll in more than 18 units must have a 3.0 GPA and complete the Maximum Unit Increase Form (found online at www.barstow.edu/Admissions-andRecords-Forms.html).

During the summer session, students may enroll in 10 units or fewer without approval. Students desiring to enroll in more than 10 units must have a 3.0 GPA and complete the Maximum Unit Increase Form (found online at http://www.barstow.edu/Admissions-and-Records-Forms.html).

REGISTRATION

Registration is the process of becoming officially enrolled in college. Students may register, add and/or drop courses online through the “my Barstow Portal” at www.barstow.edu.

The last day of registration, without instructor permission, for all classes is the Friday before the class begins. Students may continue to add classes after this only by obtaining an add authorization code from the instructor. Instructors may issue add codes for a semester long course for two weeks (14 calendar days) after the course begins or one week (7 calendar days) for nine week courses. Equitable adjustments will be made for other parts of term. Under no circumstances will registration continue beyond census. Add deadlines are posted each semester in the online at www.barstow.edu/Schedule.html. Failure to register prior to these deadlines will result in the student not being allowed to attend classes or receive credit. Drop deadlines are listed on the student’s Schedule and Account Information page by logging in through “my Barstow Portal” at www.barstow.edu.

Add and drop dates are mandated by the State of California and Barstow Community College administrative procedures. Separate deadline dates are listed for fee refunds (10% of the class), dropping without a “W” (20% of the class), and dropping with a “W” (75% of the class). Deadlines must be adhered to and failure to do so may result in a failing grade and/or owing fees.

WAIT LIST POLICY

Once a class is closed, students may add their names to the waitlist until the waitlist becomes full or until the Friday before the course begins, whichever occurs first. If a student drops the class, creating an opening for enrollment, the first student on the waitlist will be sent an automated email with information regarding the deadline by which registration must occur. The student will be allowed 72 hours to login to the web registration system and add the course. If the first student does not successfully add the course within 72 hours, the student will be deleted from the waitlist and the next student will be sent the automated email. If students miss the 72 hour period in which registration may occur, they must login and add their name back to the bottom of the waitlist. It is the student’s responsibility to monitor their email and resolve any issues that may block registration before the 72 hour period expires. The waitlist process will continue even when the college is closed. Notification will go to students automatically via email. After the course begins, only instructors can add students into their classes. The instructor must issue add authorization codes to allow students to add the course. Instructors are encouraged to give priority for add authorization codes to those students who are on the waitlist in the order they appear. Students who are still on the waitlist should attend the first day of class to obtain an add authorization code if they are allowed in the class by the instructor.

Students, who were unable to add their name to the waitlist because of the waitlist being full, are encouraged to attend the first day of class. If space is available, an instructor may consent to allowing the student to add by issuing an add authorization code. The integrity of the waitlist will be kept intact at all times. Students will not be registered into a full class, even with instructor permission.
ADMISSIONS AND ENROLLMENT

AUDITING COURSES

Students may attend regular college classes for no credit. The following conditions apply:

1. The student must be eligible for admission.
2. The instructor must approve.
3. Space must be available. Credit students have priority; therefore, auditing students may register only after the second class meeting.
4. Audit status may not be changed to regular status or vice versa.
5. The $15 per unit audit fee is non-refundable.
6. Audit records will be entered on the transcript and notated with an “AU” grade.
7. Out-of-state tuition is not charged.
8. Students who carry ten or more units will not be charged for auditing three or fewer units.

INDEPENDENT STUDY

Upon petition a student may be allowed to take a course as independent study if the following criteria are met:

• Course is not offered during the current term.
• Course is needed to meet graduation requirements for student’s program of study.
• Student is within one semester of completing graduation requirements.

To begin the petition process a student should meet with a counselor. It is the student’s responsibility to secure an instructor and submit the completed application to the Vice President of Academic Affairs for approval.

ADDING COURSES

After a student has completed registration, the student may add additional classes online through the “my Barstow Portal” at www.barstow.edu.

Once a course has begun, the instructor must issue an add authorization code for the student to register.

CLASS CONFLICTS

Students may not enroll in two or more sections of the same course during the same term unless the sections do not have overlapping dates. Students may not enroll in classes where the meeting time or the start and end times of the courses are the same. Students may petition to the Academic Exceptions Committee through Admissions and Records to enroll in courses with overlapping times, not to exceed ten minutes, if failure to enroll would prevent the student from completing the program of study in a timely manner. Students may not petition for overlapping enrollment for mere scheduling convenience. To petition, students should meet with a counselor to complete the Request for Overlapping Time Override.

DROPPING COURSES

It is the student’s responsibility to participate fully in class (es) once enrollment is complete. Failure to participate prior to census (20% of the class) will result in an instructor drop. Instructors are required to drop all students considered a “no show”. Instructors have the right to determine their own attendance and drop policy. Be sure to review all class syllabi to determine the instructor’s attendance and drop policy. Failure to abide by the policy may result in an instructor drop. If a student is dropped as a no show, the student cannot be added back to the class, unless the drop was a mistake and the student did actually attend the course. If such a circumstance occurs, the student should complete the Late Add Petition found online at www.barstow.edu/Admissions-and-Records-Forms.html and submit it to the instructor.
ADMISSIONS AND ENROLLMENT

Should it become necessary to withdraw from a class, it is the student’s responsibility to drop online. Failure to withdraw officially from a class will result in a failing grade.

Drop deadlines are listed on the student’s Schedule and Account Information page by logging into their personal account.

Drop deadlines are mandated by the State of California and Barstow Community College administrative procedures. Separate deadline dates are listed for fee refunds (10% of the class), dropping without a “W” (approximately 20% of the class), and dropping with a “W”. Deadlines must be adhered to and failure to do so may result in a failing grade or owing fees.

Students may drop classes and still receive a “W” if the drop occurs before 75% of the total days the course meets has elapsed.

“W’s” are considered honorable withdrawals and will not be used in calculating grade point averages. However, excessive “W’s” will be used as factors in determining progress probation and dismissal status.

DROPPING AFTER THE DROP DEADLINE

A student must have documented circumstances beyond his/her control to initiate a drop after the published deadline. Examples of circumstances beyond the control of the student may include, but are not limited to, accident, illness, change in work schedule, or other documented circumstances. Students should complete the Request for Late Withdrawal form and submit it to the Academic Exceptions Committee through Admissions and Records. Requests will not be processed if initiated one year after the end of the semester in question.

SECTION CHANGE

A section change denotes dropping a course and replacing it by transferring to the same course with different hours, days and/or instructor and/or transferring from a lower to a higher OR a higher to a lower level. Section changes require the approval of the instructor of the course being added and the Director of Enrollment Services.

DENIED ADMISSION

A student may be denied admission to a class for failure to meet the prerequisites, attempting to enroll for a fourth time, or when attempting to enroll late if late entrance is inadvisable or past enrollment deadlines.

ADDRESS CHANGES

Changes in address or phone number should be immediately updated online through “my Barstow Portal” at www.barstow.edu.

NAME CHANGES AND DATE OF BIRTH & SOCIAL SECURITY CORRECTIONS

Name changes will be recorded only for students who are currently enrolled. Documentation, such as a marriage license, court order, or naturalization papers, may be required for verifying a legal name change. Requests to have a student’s name changed on official college records are submitted to Admissions and Records.

Submit date of birth and Social Security Number corrections to Admissions and Records. Documentation substantiating correction will be required.

If the student completes a Free Application for Federal Student Aid (FAFSA) name, date of birth, and/or Social Security Number will be updated to reflect correct information provided on the FAFSA.

FEES AND EXPENSES

As a publicly supported community college, Barstow provides low-cost education; students pay nominal fees at registration. To ensure that students are not denied access to a college education, the college offers financial aid to assist with financial obligations.

Fees are assessed each term and are to be paid online or in Admissions and Records at either the Barstow or Ft. Irwin campuses. The deadline to pay fees is the second Friday of the semester or at the time of registration. Fees may be paid to
ADMISSIONS AND ENROLLMENT
Admissions and Records via cash, check, money order, VISA, MasterCard, Discover, or American Express. Failure to pay fees by the deadline will result in a hold on the student’s account. Refer to Outstanding Financial Obligations for more information.

Stopping payment on a check does not constitute a withdrawal from classes and will result in a $10 charge.

All fees are subject to change without notice by action of the California Legislature, the California Community Colleges Board of Governors, or the Board of Trustees of the Barstow Community College District.

ENROLLMENT FEE
The enrollment fee is $46 per unit. All students determined to be California residents by Admissions and Records may apply for the Board of Governor’s Fee Waiver. For more information refer to Financial Aid and Veteran’s Services or contact the Financial Aid Office by e-mail at finaid@barstow.edu or by phone at (760)252-2411 ext. 7205.

Concurrently enrolled students, who are California residents registered in 10.5 or fewer units, are exempt from paying enrollment fees.

NONRESIDENT TUITION
For 2016 – 2017, nonresidents of California and international students will be charged a tuition fee of $211 per unit, in addition to the enrollment fees.

ASSOCIATED STUDENT GOVERNMENT (ASG) FEE
This optional membership fee supports a wide range of student services, activities and programs. Each semester when students register for classes, they are automatically assessed a Student Activities fee. The fee is non-refundable once paid, unless the student’s class is cancelled. If the student wishes to waive the fee, they must complete the Request for Waiver of Student Activities Fee, obtain the signature of the Director of Student Development and Outreach or the President of the Associated Student Government, and submit the form to Admissions and Records by the published deadline to pay fees each semester. This is a partial listing of the benefits of ASG membership.

• Discount at the Viking Bookstore on textbooks.
• Discounts from local merchants and restaurants.
• Free admission to Barstow Community College sporting events.
• Discounted admission to musical, dance, and theatrical programs.

For a complete listing of the benefits available, visit the ASG Office.

STUDENT REPRESENTATION FEE
The Student Representation Fee is used to support students who lobby for legislative issues that benefit community college students or participate in CalSACC (California Student Association of Community Colleges) activities. Students may elect to waive the $1 fee for religious, political, financial, or moral reasons by completing the Request for Waiver of the Student Representation Fee, obtaining the signature of the Director of Student Development and Outreach or the President of the Associated Student Government, and submitting it to Admissions and Records by the published deadline to pay fees each semester. The fee is non-refundable once paid, unless the student’s class is cancelled.

INSTRUCTIONAL MATERIALS FEE
Some classes require a fee for instructional materials, testing, CPR card, etc. Charges vary and are subject to change. Students should consult the current www.barstow.edu/Fees-Refunds.html for fee amounts, which are noted under the appropriate description. Material fees not subject to waiver.

Students enrolled in Standard First Aid and Personal Safety (AHLT 51) and/or, Basic CPR (AHLT 63) will be administratively dropped if fees for the course are not paid by noon the Wednesday before the class meets.
ADMISSIONS AND ENROLLMENT

SUPPLEMENTAL FEES

- Auditing: $15 per unit
- Credit by Examination: Current enrollment fee per unit.
- Returned Check Fee: There is a service charge of $10 for returned checks or stop payment of checks. Returned checks must be paid in the form of cash or money order. Subsequently, checks will no longer be accepted as payment from the student. Fees not resolved in a timely manner will be turned over to the District Attorney’s Office for collection.
- Replacement of diploma or certificate: $9
- Transcript: First two copies are free. Online requests: $6.50 each; Regular services: $7 each; same day rush service: $14 for each address requested.
- CLEP / DANTES Exams: Exam fee is $70 plus a $45 administration fee.

ENROLLMENT FEE WAIVERS

Eligible students may qualify for a waiver of enrollment fees. To apply, complete your Free Application for Federal Student Aid online at www.fafsa.gov, using school code 001119. For more information, see Financial Aid and Veterans Services.

AB 540: NONRESIDENT TUITION EXEMPTION FOR ELIGIBLE HIGH SCHOOL GRADUATES

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition.

- The student must have attended a California high school (public or private) for three or more years.
- High school or attained the equivalent prior to the start of the term (i.e., passing the GED or California High School Proficiency exam).
- The alien student who is without lawful immigration status must file an affidavit with the college stating that he/she has filed an application to legalize his/her immigration status, or will file an application as soon as he/she is eligible to do so.

Students who are nonimmigrant (e.g., those who hold F (student) visas) are not eligible for this exemption.

The student must file an exemption request including a signed affidavit with the college that indicates the student has met the conditions described above. The California Nonresident Tuition Exemption Request is available from Admissions and Records and online at www.barstow.edu/Admissions-and-Records-Forms.html. Student information obtained in this process is strictly confidential unless disclosure is required under law.

Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will not be classified as California residents. They continue to be nonresidents until such time as residency requirements have been met and documentation submitted to Admissions and Records.

AB540 does not provide student federal financial aid eligibility for undocumented students. These students remain ineligible for federal financial aid, including fee waiver and Cal Grants, students should complete the California Dream Application found online at http://www.csac.ca.gov/dream_act.asp.

United States citizens and permanent residents who qualify for AB540 should apply for financial aid using the Free Application for Federal Student Aid online at http://www.fafsa.gov, using school code 001119.

This exemption is not available to students living outside California and taking distance education courses from the college.
ADMISSIONS AND ENROLLMENT

REFUND POLICY

Students who drop a class within the first 10% of class meetings may be eligible for a 100% refund of enrollment fees and nonresident tuition. Refunds are not automatic, except in cases where the college cancelled the class. Students eligible for a refund must submit the refund petition forms to Admissions and Records no later than the last day of the fall or spring semester or by June 30 for summer. For refund drop deadlines for all classes, students should refer to their Schedule and Account Information page by logging into their personal account. It is the student’s responsibility to check these dates immediately after registration, as deadlines can be as early as the first or second day of class. The Student Representation and Student Activities fees are non-refundable once paid.

For students who are active or reserve U.S. military personnel and receive orders compelling withdrawal from courses, Barstow Community College shall, upon receipt of student orders and petition from the student, refund enrollment fees unless a grade has already been granted.

OUTSTANDING FINANCIAL OBLIGATIONS

The college reserves the right to withhold grades, transcripts, diplomas and/or registration privileges, or any combination thereof, from any student or former student who fails to pay a proper financial obligation due the college. A proper financial obligation shall include, but is not limited to: student fees; obligations incurred through the use of facilities, equipment, or materials; library fines; unreturned library books; returned check; materials remaining improperly in the possession of the student; and/or any other unpaid obligation a student or former student owes to the college. A proper financial obligation does not include any unpaid obligation to a student organization. Any item(s) withheld shall be released when the student satisfactorily meets the obligation.

Barstow Community College participates in the Chancellor’s Office Tax Offset Program (COTOP) to collect outstanding student financial obligations through participation in the Franchise Tax Board’s Interagency Tax Offset Program.

Accessibility Coordination Center and Education Support Services (ACCESS)

Barstow Community College is committed to providing support services and special classes to the disabled student population of Barstow Community College. Students who have disabling conditions, such as visual, hearing, orthopedic, learning, developmental, neurological, psychological, or other health impairments should contact ACCESS and become familiar with the support services and educational programs available.

Students with learning disabilities should make arrangements with ACCESS for assessment and possible placement in special courses or individualized programs designed to meet the needs of learning disabled students. Learning disability (LD) is a term used to describe varied brain processing disabilities including dyslexia (reading disorder), dysgraphia (writing disorder), dyscalculia (math disorder), or problems of perception or conceptualization. Often the LD student is cognitively superior, but differs markedly in learning style from the non-disabled student. The important thing to note is that an LD student can become a successful student with proper motivation and the acquisition of appropriate compensatory skills.

The LD program at Barstow Community College provides educational assistance designed to develop and refine these compensatory skills. ACCESS also furnishes counseling, registration assistance, study and life skills instruction, special test administration, and liaison with the Department of Rehabilitation. For more specific information, contact ACCESS by email at access@barstow.edu or by phone at (760) 252-2411 ext. 7225. Hearing impaired students should use the TDD Number (760) 252-6759.

VOCATIONAL REHABILITATION SERVICES

Students who have verified physical, emotional, or other disabilities which handicap them vocationally are eligible for counseling, vocational guidance, and training. Detailed information may be obtained from ACCESS or by calling (760) 252-2411 ext. 7225.

ADMISSIONS AND RECORDS

Admissions and Records admits and registers all students; maintains, retrieves, and distributes student records and transcripts;
ADMISSIONS AND ENROLLMENT

reports attendance data to appropriate agencies; and provides information to students, faculty, administrators, and the community. For more information, e-mail admissions@barstow.edu or call (760) 252-2411 ext. 7236.

ALPHA GAMMA SIGMA

Alpha Gamma Sigma, or AGS as it is often called, is the California Community College Scholastic Honor Society. The Greek Letters in the name were selected because they are the initials from Greek words whose meanings represent the motto of AGS: “Add to good character, knowledge, and judgment.” ALPHA stands for “Arete” meaning “Excellence,” GAMMA stands for “Gnosis” meaning “Knowledge,” SIGMA stands for “Sophrosyne” meaning “Wisdom.” The purpose of AGS is to foster, promote, maintain, and recognize scholarship. The function of the state organization is to encourage local chapters to develop, in themselves or in cooperation with other chapters, programs offering cultural, social, or enrichment experiences as part of the total experience of community college students. The State organization annually awards scholarships to members and also encourages chapters to provide opportunities for participation in service activities and to award scholarships of their own. Temporary membership may be granted to all students entering Barstow Community College and all Life Members of the California Scholarship Federation. In addition, high school graduates who earned a minimum cumulative GPA of 3.5 will be offered a temporary membership in AGS. Continuing membership may be attained by achieving not less than a 3.0 GPA in the previous semester in courses of recognized college standing. Students interested in receiving more information can contact the Student Life and Development Office at (760) 252-2411 ext. 7374 or studentlife@barstow.edu.

ATHLETICS

Barstow Community College is a member of the Western State Athletic Conference and the CCCAA (California Community College Athletic Association). The Vikings compete in men’s baseball, men’s basketball, women’s basketball and women’s softball. Students must be actively enrolled in 12 or more units to be eligible for intercollegiate athletics. To be eligible for the second season of a sport, the student-athlete must complete and pass 24 units beginning from the first semester of competition and ending the day before the second season of competition begins, with 18 of those semester units coming from academic classes. Up to 6 semester units can come from Physical Education classes. Students must maintain a minimum cumulative grade point average of 2.0. Interested students should visit our website at barstowvikings.com.

BOOKSTORE/VIKING SHOP

The Viking Shop is the campus and community resource for textbooks, supplies and other course materials. In addition to required class items, the Viking Shop has a variety of additional study aids available. The campus store offers a selection of college logo items, including clothing, and gift items. An array of snack items can also be purchased at the bookstore. They are now located in the “D” Building, which is the first building from the main campus entrance. The Viking Shop offers new, used and rental books, when available, as a cost saving alternative.

Students who pay the Student Activities fee are eligible to receive a 5% discount on textbooks at the Viking Shop, in store only, one week prior to the start of the fall and spring terms (see store for details, as some restrictions apply). Discounts on Viking spirit apparel and supplies are available all year long. Visit the Viking shop today to find out more about ASG discounts!

RETURNS

Textbooks may be returned on full term classes up to two weeks after the class start date. Textbooks purchased for short term courses may be returned up to one week after the start of classes. Some restrictions may apply. Please contact the Viking Shop for more information.

BOOK BUY BACK

Textbook buy back is available every day. Buy back is an opportunity to receive money back for books used during the term that are not eligible for return. There is no guarantee by the bookstore that a book will be bought back at the end of the term. However, when a book is eligible to be bought back it may be worth up to 50% of the initial purchase price. Visit us online at www.bookstore@barstow.edu.
ADMISSIONS AND ENROLLMENT

RENTALS
Rentals are available to return for a refund for one week after term begins. Rentals eligible for refund must be in same condition as time of purchase.

BUSINESS OFFICE
The Business Office disburses financial aid, payroll checks, processes refund requests, maintains student scholarship accounts, collects fees, fines, and other payments. For other information, email busioffice@barstow.edu or call (760) 252-2411 ext. 7226.

CALWORKS
Barstow Community College CalWORKs is part of the San Bernardino County’s compliance with federal welfare reform. It allows for individuals receiving cash aid Temporary Aid for Needy Families (TANF) to continue attending college if they are:

1. Enrolled in school at the time County CalWORKs makes initial contact;
2. Making satisfactory progress; and
3. Enrolled in an approved course of work.

The individuals must have a total of 32 to 35 hours of “work-related activities” per week (class time work experience, employment, internships, reasonable tutorial time, etc.)

CalWORKs provides short term course work in occupational and vocational areas. The CalWORKs program subsidized employment opportunities. The center also provides support in academic and personal counseling, tutorial services through programs on campus, and personal development workshops.

For more information about how the CalWORKs/WDC may help, students should call (760) 252-2411 ext. 7255 or email SpecialPrograms@barstow.edu.
ADMISSIONS AND ENROLLMENT

CAMPUS TOURS

Tours of the Barstow Community College campus can be arranged through the Student Life and Development Office by calling (760) 252-2411 ext. 7374 or by emailing studentlife@barstow.edu.

COUNSELING SERVICES

Barstow Community College’s professional counseling staff provides essential academic advising, career counseling, and life planning activities to our students. Typical areas of assistance to students may include choosing a major, making career choices, coping with personal issues, and completion of the educational planning process. Counselors also help with course selection to meet degree and transfer requirements or achieve personal goals. Counseling services are available during the day and most evenings either by appointment or on a walk-in basis. Call (760) 252-2411 ext. 7351 or email bcounselor@barstow.edu for an appointment.

EXTENDED OPPORTUNITY PROGRAMS & SERVICES (EOPS)

The Extended Opportunity Programs and Services (EOPS) is a state-funded program designed to provide academic support, financial assistance, and encouragement for eligible low income and educationally disadvantaged students.

ELIGIBILITY REQUIREMENTS

An eligible student is:

- A California resident or an active military service member.
- Enrolled as a full-time student (12 units or more).
- Qualified for the Board of Governors Grant (BOGG) A or B.
- Below 70 transferable college units from any accredited post-secondary institution.
- A member of a low income family or is currently receiving CalWORKS/Cash Aid, SSI, or General Aid (GA), or educationally disadvantaged as defined by the state Chancellor’s Office.

AID FOR SCHOOL (AFS) PROGRAM

The Aid For School program is an equity funded program designed to provide academic support, financial assistance, and encouragement for eligible low income and educationally disadvantaged students. Through various forms of assistance, AFS allows students to focus on success by meeting their educational/vocational goals.

Eligibility
- California Resident’s and Active military service members.
- Registered for a minimum of six (6) units.
- Eligible for Bog A, B or C (with $200 or less of EFC).
- Below sixty (60) college units.
- Maximum of twenty-four (24) evaluated and transcripted units from another accredited post-secondary institution.
- Educationally disadvantaged as defined by the state Chancellor’s Office.
- 2.0 minimum cumulative GPA.
- Has NOT completed an AA/AS or higher degree.
- Is not eligible for the EOPS program.
- Completion of program of study within 90 attempted units.

For more information on the program or to complete an application contact the AFS office is located in the Student Success Center. To reach them by phone, please call (760) 252-2411 ext. 6793 or ext. 6794.
ADMISSIONS AND ENROLLMENT

APPLICATION PROCESS

(1) Complete the Free Application for Federal Student Aid (FAFSA form) online at www.fafsa.gov using school code 001119
(2) Take the Barstow Community College Assessment Test;
(3) Be determined eligible for a Board of Governor’s Waiver (BOGW) A or B by the Financial Aid Office; and
(4) Submit an EOPS application and previous year’s income to the EOPS Office. For more information, contact the EOPS Office by email at specialprograms@barstow.edu or by phone at (760) 252-2411 ext. 7255.

COOPERATIVE AGENCIES RESOURCES FOR EDUCATION (CARE)

The Cooperative Agencies Resources for Education (CARE) is a component of EOPS. CARE is a program designed to provide additional assistance to single parent students receiving cash with at least one child under age 14 living at home. For more information, contact the Special Programs and Services by email at SpecialPrograms@barstow.edu or by phone at (760) 252-2411 ext. 7255.

FINANCIAL AID AND VETERANS SERVICES

FOSTER YOUTH

Barstow Community College has recognized that current and former foster youth sometimes have greater challenges when beginning college. To help address this potential need, Barstow Community College participates in the Foster Youth Success Initiative (FYSI) program outlined by the state Chancellor’s Office.

The goal of the FYSI program is to improve access, retention, completion and transfer rates for current and former foster youth at Barstow Community College. To this end, a Foster Youth (FYSI) Liaison has been established in the Financial Aid Office. Current and former foster youth qualify for priority registration and should contact the Liaison prior to registering.

Students with a verified foster youth status may qualify for the CHAFEE grant or other programs aimed at assisting current and former foster youth transition into college life. To determine eligibility, youth should meet with the FYSI Liaison in order to complete the applications and Needs Analysis Report. For more information, contact the FYSI Liaison by email at mbond@barstow.edu or call (760)252-2411 ext.7306.

SCHOLARSHIP PROGRAM

Each year Barstow Community College awards a number of scholarships ranging in amounts from $100 to $1,600. Awards are made on a competitive basis using the criteria for selection established by the donors of these scholarships. Consideration is given to scholastic achievement, academic promise, financial need, and community and campus involvement. The application deadline is generally in early March. Scholarships are awarded at the annual Honors Day ceremony in July.

Additional information regarding application procedures for scholarships may be obtained from Financial Aid at (760) 252-2411 ext. 7205 or by email at finaid@barstow.edu.

VETERANS SERVICES

Veterans Choice and Accountability Act (VACA)

Students considered “covered individuals” as defined in the VACA Act will be exempt from paying nonresident tuition. Student must submit a copy of the Certificate of Eligibility (COE) issued by Veterans Affairs and a copy of the veteran’s DD214 to Admissions and Records to update residency status if determined to be a non-California resident. More information is available online at http://www.barstow.edu/vaca.html.
ADMISSIONS AND ENROLLMENT

Barstow Community College’s Veterans Services Office provides programs for Veterans and dependents seeking educational and/or vocational training under Title 38, United States Code.

Veterans are urged to take advantage of the counseling service and educational programs offered by Barstow Community College. The Veterans Task Force has created a Veterans Resource Center located in the Interim Performing Arts Center (IPAC) to create a space for the Veterans Club to meet, study, and socialize.

The college cooperates with the Veteran’s Administration and with the California State Bureau of Vocational Rehabilitation in helping veterans. Veterans and dependents are required to comply with Veteran Regulations Sections 21.4135, 21.4235 and 21.4277 in regard to required attendance and progress that the student (veteran or dependent) must meet in order to receive educational benefits under Title 38, United States Code.

Veterans are urged to take advantage of the counseling service and educational programs offered by Barstow Community College. A Veterans Resource Center (VRC), located in the Student Success Building (K), has been established to provide a space where veterans can meet, study, and socialize. The Student Veterans Organization also meets in this space weekly to plan activities, promote veteran involvement on campus, and conduct business. Representatives from VA, Vocational Rehabilitation, Vet Centers of America, and other veteran focused organizations utilize the VRC to meet the needs of veteran students at BCC.

Student veterans and veteran dependents looking to use GI Bill benefits will need to meet with a counselor prior to registration in order to formulate an educational plan. Students are required to choose a major and enroll in classes required for that major. Official transcripts from all previous schools, colleges, and military training. CLEP, DANTES, or AP tests must be submitted to the College for evaluation before the end of the student’s second semester of attendance.

Students receive VA benefits based on their attendance in classes. Upon initial enrollment, GI Bill recipients will need to complete a Request for VE Benefits form and provide a copy of the DD214, Certificate of Eligibility, and updated Educational Plan from their academic counselor. Veterans and veteran dependents wishing to continue receiving GI Bill benefits will need to submit a Request for VA Benefits form each subsequent semester of attendance. An updated educational plan should also be submitted whenever a student changes major.

A 2.0 GPA must be maintained in order to earn an associate degree. Should a veteran fail to make satisfactory progress for two semesters, benefits will be terminated. The veteran will be contacted and an appointment must be made with a counselor. Upon satisfactory completion of one semester of approved courses, benefits will be reinstated.

Satisfactory progress of veterans or eligible dependents is measured by the successful completion of the number of units enrolled. “W”, “NP,” “F,” and “FW” grades are considered punitive grades. “F” and “FW” grades may cause an overpayment if the veteran does not take his/her final. Please refer to Barstow Community College’s Probation and Dismissal Policies.

The veteran or dependent has the responsibility to adhere to these standards of attendance and progress and to notify Veteran’s Services of any change in status that would affect the collecting of VA benefits. Additions, drops, withdrawals, and last day of attendance MUST BE REPORTED IMMEDIATELY by contacting Financial Aid by phone at (760) 252-2411 ext. 7205 or by email at vets@barstow.edu.

CALIFORNIA VETERAN DEPENDENT EXEMPTION

The children and spouses of U.S. veterans with service-connected disabilities or veterans who have died in service or from service-connected disabilities may be eligible for waiver of enrollment fees. To apply for these benefits dependents should visit: http://www.barstow.edu/California-Veteran-Dependent-Exemption.html. For more information, contact the Veteran’s Services Office by e-mail at vets@barstow.edu or call (760) 252-2411 ext. 7205.
ADMISSIONS AND ENROLLMENT

The College takes pride in a personal approach to helping students meet the cost of education. A variety of resources are available including grants, fee waivers, and part-time employment on campus. Application for all Barstow Community College financial aid programs begins by completing the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov, using school code 001119. Information regarding the financial aid programs and resources available at Barstow Community College can be found on the Financial Aid web site at www.barstow.edu/financialaid.

Students are urged to contact Financial Aid when they register to see if they qualify for any type of financial aid. The office has all necessary forms and will assist students in completing them. It is the responsibility of the Financial Aid Office to ensure that students have the necessary knowledge to seek financial aid. For more information or assistance, contact Financial Aid at (760) 252-2411 ext. 7205 or by email at finaid@barstow.edu.

**Pell Grants:** Pell Grants are awarded to undergraduate students who have not earned a bachelor’s or professional degree and have earned a high school diploma, GED, or completed secondary school in a homeschool setting. Students who were enrolled in an eligible educational program of study at a postsecondary institution prior to July 1, 2012 may continue to be considered Title IV eligible under either the ATB test or 6 credit hour standards. The U.S. Department of Education determines eligibility. The actual amount of the grant is based on financial need, cost of attendance, enrollment status, and the federal funds appropriated each year.

**Cal Grants:** Cal Grant awards are state-funded grants given to students to help pay for college expenses. Cal Grant B provides funds for living expenses and is targeted to low-income students. Cal Grant C provides funds for books and supplies for those students enrolled in a vocational program. To apply for either of these grants, students must be California residents and must have filed a FAFSA and a GPA verification form by March 2 for recent high school graduates and September 2 for community college students.

**SEOG (Supplemental Educational Opportunity Grant):** This federally-funded program provides grants to students with exceptional financial need. Due to limited funds, there is no guarantee that every eligible student will receive this grant. To apply for the SEOG, students must complete the FAFSA.

**BOGW (Board of Governors Fee Waiver):** The BOGW is a state program that waives enrollment fees for students who are considered residents of California and meet all eligibility requirements. To apply for a BOGW, students should complete the FAFSA by visiting www.fafsa.ed.gov. Over 60% of Barstow Community College students qualify for an enrollment fee waiver.

**CHAFFEE Grant:** This program provides grants of up to $5,000 to eligible foster youth. An Independent Living Coordinator with the Department of Public Social Services determines whether or not a student is an eligible foster youth. Students must be enrolled in college or vocational school at least half-time (6 units) during the fall and/or spring semester and must meet Satisfactory Academic Progress (SAP) before the Chafee grant can be disbursed. The FAFSA application is required for BCC to verify eligibility for this grant. Disbursement is contingent upon eligibility and funding. An application for this grant can be completed at www.chafee.csac.ca.gov. Paper applications can be picked up in the Financial Aid Office and after completion, mailed to CSAC. This grant will be renewed automatically by CSAC as long as the student meets specific criteria. Each CHAFFEE grant disbursement is released by CSAC during the fall and/or spring semester at which time the SFS office reviews the student’s eligibility prior to the disbursement being released to the student. All disbursement(s) for Chafee grants must be picked up in person with a valid picture ID at the Financial Aid Office.

**California Dream Act:** The California Dream Act allows students with undocumented immigration status or those who have entered the U.S. on a T or U Visa and have attended a minimum of three years of a California High School and graduated from a California High School the ability to apply for the BOG (Board of Governor’s) Fee Waiver and Cal Grants. Students must complete the California Nonresident Tuition Exemption Request and submit it to Admissions and Records to determine eligibility for waiver of out of state tuition. In addition, students who qualify must submit the Dream Act Application online at https://dream.csac.ca.gov/ prior to the financial aid deadlines listed at www.barstow.edu/schedule.
ADMISSIONS AND ENROLLMENT

FWS (Federal Work Study): This federal program provides jobs for students with financial need, allowing them to earn money to help pay educational expenses. The salary is the current minimum wage. Federal Work Study awards depend on application date, level of need, and the funding level of the college. Federal Work Study is available to students with unmet need, who have a minimum GPA of 2.0 and are enrolled in at least 6 units. Students are eligible to work up to three years or until they earn their degree (one additional semester is allowed), whichever comes first. Students must maintain acceptable SAP (Satisfactory Academic Progress) status to be eligible. To apply students must complete the FAFSA and submit a work study application to the Financial Aid Office. Those students selected to work in a department will be awarded FWS funds.

Bookstore Authorizations: Federal financial aid regulations require schools to provide a method for students to purchase books no later than the end of the first week of class if the student is eligible for a financial aid disbursement ten days before the first day of class. BCC meets this federal regulation by authorizing bookstore vouchers at the Viking Shop Bookstore. Students are not obligated to purchase their books from the bookstore, but BCC will not disburse financial aid until the 5th week of the semester. It is the student’s responsibility to procure funds for purchasing books before the actual disbursement date if the choice is made to not utilize the bookstore authorization. For more information view: Disbursing Based on Attending Hours.

Lifetime Eligibility Used (LEU): Effective July 1, 2012 students receiving Federal Pell grants are limited to six years (12 semesters) or full time equivalent (600%) of aid.

- Students who have used more than 500% of LEU, but have not yet reached 600% will have aid awarded at a prorated rate to ensure that the award does not exceed 600%.
- Students may opt to decline receiving Pell grant at Barstow Community College by submitting the Lifetime Pell Eligibility form found online at the Financial Aid Form Website.
- Once a student has received 600% of Pell grant, the student is no longer eligible for additional Pell grant funds at any institution. There is no appeal process.

ELIGIBILITY

To be eligible for federal financial aid, a student must meet the following requirements:

1. Be a United States citizen/national or an eligible non-citizen.
2. Demonstrate financial need.
3. Not have defaulted on any family or student educational loan.
4. Not be in overpayment status on any federal financial aid program.
5. Be enrolled as a regular student in an eligible program.
6. Not receive or plan to receive financial aid at any other institution while attending Barstow Community College.
7. Not to exceed LEU.
8. Satisfy the Ability to benefit requirement through one of the following:
- High school diploma
- General Educational Development (GED) or California Proficiency certificate
- Certificate of completion of a high school home-study program if the program is recognized by the student’s home state.
- A student’s postsecondary school academic transcript if the student has completed a program of at least two years in length that is acceptable for full credit toward a bachelor’s degree.
- Effective with the 2012-13 award year, new students who do not meet one of the Ability to Benefit requirements above are not eligible for title IV funds.
- However, students who were enrolled in an eligible educational program of study at a postsecondary institution before July 1, 2012 may continue to be considered Title IV eligible under either the ATB test or 6 credit hour standards.
- Such students can become eligible by passing an approved “ability-to-benefit” test or by satisfactorily completing at least six credit hours or 225 clock hours of college work that is applicable to a degree.

9. Maintain satisfactory academic progress including all of the following:
   - Minimum cumulative GPA of 2.0
   - Completion of 67% of all units attempted (including all transferred units and units attempted while not receiving financial aid)
   - Completion of program of study within 90 attempted units.

10. Be registered with or exempt from Selective Service.

**TITLE IV REFUNDS**

**Return of Title IV Funds**

Federal financial aid ("Title IV funds") is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws, the student may no longer be eligible for the full amount of Title IV Funds that the student was originally scheduled to receive.

If a recipient of Title IV grants withdraws from Barstow Community College after beginning attendance, the amount of Title IV grant earned by the student must be determined. If the amount disbursed to the student is greater than the amount the student earned, unearned funds must be returned. If the student receives less Federal Student Aid than the amount earned, BCC offers a disbursement of the earned aid that was not received. This is called a Post-withdrawal disbursement.

If a recipient fails to begin attendance, the student will owe the entire amount of receive aid back to the Department of Education.

**Withdrawal Date**

The withdrawal date is the date used by the Financial Aid Office to determine the point in time that the student is considered to have withdrawn so the percentage of the payment period or period of enrollment completed by the student can be determined. The percentage of Title IV aid earned is equal to the percentage of the payment period or period of enrollment completed.

**Process for Calculation of Amount of Title IV aid earned by student**

The amount of Title IV aid earned by the student is determined by multiplying the percentage of Title IV aid earned by the total of Title IV program aid disbursed plus the Title IV aid that could have been disbursed to the student or on the student’s behalf.

If the day the student withdrew occurs before the student completed 60% of the payment period or period of enrollment, the percentage earned is equal to the percentage of the payment period or period of enrollment that was completed. If the day the student withdrew occurs after the student has completed more than 60% of the payment period or period of enrollment, the percentage earned is 100%.

Instructors are required to submit the last date of attendance for all students receiving a substandard grade. When a student fails to earn a passing grade in any of their classes, the date provided by the instructor is used to calculate the withdrawal date.

**Post-Withdrawal Disbursement**

If the student receives less Federal Student Aid than the amount earned, BCC offers a disbursement of the earned aid that was not received. This is called a Post- withdrawal disbursement. BCC first obtains the student’s permission before Title IV grant
ADMISSIONS AND ENROLLMENT

Funds from a Post-withdrawal disbursement are credited to a student’s account to pay for tuition and fees for the term for which the student is eligible for a Post-Withdrawal disbursement or are disbursed directly to the student.

**Title IV aid to be returned: BCC and student**

If the student receives more Federal Student Aid than the amount earned, BCC, the student, or both must return the unearned funds in a specified order as follows:

1. Federal Pell Grants for which a return of funds is required.
2. Federal Supplemental Educational Opportunity Grants (FSEOG) for which a return of funds is required.

When a Return of Title IV funds is due, BCC and the student may both have a responsibility for returning funds. Funds that are not the responsibility of BCC to return must be returned by the student. BCC exercises its option to collect from the student any funds BCC is obligated to return, and funds required for BCC to return will become a debt on the student’s account which the student will be responsible for paying. This charge is not reported to Department of Education and simply remains as a debt on the student’s account with BCC.

Within 30 days of determining that a student who withdrew must repay all or part of a Title IV grant, BCC will notify the student that he or she must repay the overpayment. In its notification BCC will inform the student that the student owes an overpayment of Title IV funds, that the student’s eligibility for additional Title IV funds will end if the student fails to pay BCC during the 45-day period, the student’s overpayment must be reported to the National Student Loan Data System (NSLDS) and referred to the Debt Resolution Services for collection.

Federal regulations for financial aid require that students who withdraw from all their classes before the 60% point of the semester must return part of their financial aid funds to the U.S. Department of Education because the money is unearned if a student is not enrolled in classes.

Withdrawing from classes can happen in two ways. BCC students can withdraw on their own, and instructors also have the choice of dropping a student who does not attend class. (Some instructor choose not to drop students even if they do not attend class.)

The Financial Aid Office will determine the amount of federal financial aid (Pell Grant and FSEOG) that a student earned as of the withdrawal date using federally approved methods to perform the calculations. The order in which Title IV program funds will be returned will follow the federal regulations as outlined in the Federal Student Aid Handbook.

Students will be notified by mail if they are required to repay any portion of the financial aid they received.

Students are given 45 days to repay the amount to BCC. After 45 days, the students will owe either BCC for the institutional portion or the U.S. Department of Education directly.

Students who owe money to the U.S. Department of Education are ineligible to receive federal financial aid from any college or institution until they clear that debt.

Students will become eligible for federal financial aid only after they have repaid the full amount or made arrangements directly with the U.S. Department of Education. BCC does not make repayment agreements directly with students other than allowing students 45 days to repay the full amount owed.

Students who owe a repayment to the College will be allowed to pay the college directly. Any outstanding debt will block a student’s ability to enroll in courses and the College sends any unpaid debt to collections.
ADMISSIONS AND ENROLLMENT

THE VIKING GRILL (Cafeteria)

The Viking Grill (college cafeteria) is located in the Norman Smith Center Student Services. They have home style food with daily specials and warm friendly service. A pre-pay food plan is also available for your convenience. On or off campus catering is available for your club, group, or organization. To check the daily specials, hours of operation, or to phone in your order call (760) 252-2411 ext. 7219. We look forward to feeding you!

INSURANCE

Applications for voluntary insurance may be obtained from the Office of Student Services. All students are insured to provide benefits for accidental injury during regular attendance at the college, while attending college-sponsored activities and while traveling under college supervision to and from such activities. The benefits are secondary and paid after any valid and collectible benefits provided by other insurance plans covering a student, and benefits are paid to the limit of the policy only. Call (760) 252-2411 ext. 7309 for additional information.

PHI THETA KAPPA

Phi Theta Kappa is the international honor society of the community college system worldwide, and its central mission is to encourage scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa provides opportunity for the development of leadership and service, for an intellectual climate for exchange of ideas and ideals, for lively fellowship for scholars and for stimulation of interest in continuing academic excellence. Students achieving a 3.5 cumulative grade point average for a total of 12 or more college transfer-level courses will be invited to join Phi Theta Kappa. As an international organization, members have access to thousands of scholarship opportunities, and many private four-year colleges have specialized programs for the recruitment of Phi Theta Kappa members. Students interested in receiving more information can contact the Student Life and Development Office at (760) 252-2411 ext. 7374 or at studentlife@barstow.edu.

SERVICEMEMBERS OPPORTUNITY COLLEGE SERVICES (SOC)

In recognition of the special efforts extended to meet postsecondary needs of Service members, veterans and their dependents, Barstow Community College has been designated a Service member’s Opportunity College by the American Association of Community and Junior Colleges. As much as 80% of graduation requirements may be completed at other colleges and/or through nontraditional methods. Barstow Community College will honor (SOC) agreements for a period of seven years, thereafter a re-evaluation and current catalog requirements will be imposed. For more information call (760) 252-2411 ext. 7601.

STUDENT GOVERNMENT AND ACTIVITIES

The District believes that participation in student government and activities enhances and enriches the student’s education. To foster participation by students, two distinct and identifiable programs are offered: Student Government and Student Activities.

Student Government at the college is represented by the Associated Student Government (ASG) of Barstow Community College which annually elects its own administrative officers and student senators who are provided with practical leadership training and education in the functions of government and leadership. In addition, the Associated Student Government elects its own student trustee to the District Board of Trustees.

The Student Senate is afforded a variety of opportunities to participate in various college-wide committees and task forces. All these activities serve to provide students with opportunities to participate in the decision and policy-making processes of the college.

Student Activities programs at the college provide a rich variety of opportunities to participate in the planning, development, and implementation of a wide variety of educational, cultural, social, and recreational activities. These activities, whether college-wide or sponsored by a variety of special interest clubs and organizations, provide the student with opportunities for
ADMISSIONS AND ENROLLMENT

exploring and developing talents, making friends, realizing personal potential, and experiencing a sense of community at the college.

Information about student government, student activities, and student clubs and their membership procedures are available in the Student Life & Development Office at (760) 252-2411 ext. 7374 or at studentlife@barstow.edu.

STUDENT HOUSING

Barstow Community College does not maintain student housing.

STUDENT IDENTIFICATION CARD

Students are entitled to receive a free photo identification card. The I.D. card can be obtained from the Student Life and Development Office. It is imperative that all students be in possession of their student I.D. card at all times while on the Barstow Community College campus. This card is required for Library, Fitness Lab, and Computer Lab services. If a student has special circumstances and cannot be available to obtain the I.D. card during regular working hours, special arrangements can be made by calling (760) 252-2411 ext. 7374 or at studentlife@barstow.edu.

TEST PROCTORING SERVICES

Test proctoring services are available at both the Main Campus Computer Commons and the Ft. Irwin Campus Computer Lab. Online course midterms and finals, academic placement tests, and Ability to Benefit (ATB) placement tests are proctored at both campus locations. Typing certificate tests are proctored at the Main Campus. CLEP, DSST, and Pearson VUE Certification Exams are proctored at the Ft. Irwin Campus. Placement tests are required of all first-time college students. See Matriculation for exceptions and more information about academic placement tests. For off campus academic placement or ATB test proctoring, please contact the Computer Commons on the Barstow Campus. For available test proctoring times or further information, please see http://www.bcconline.com/ orient/labhours.htm or contact one of the Test Proctoring Centers: Computer Commons, Barstow Campus (760) 252-2411 ext. 7288 or by email at labtech@barstow.edu, or the Fort Irwin staff at (760)252-2411 ext. 7601.

LEARNING RESOURCE CENTER (LRC)

The mission of the Learning Resource Center is to support the instructional programs of the college and to meet the information needs of the students, faculty and staff. The Learning Resource Center is the center for study, research, and leisure reading.

Approximately 42,000 books, 150 magazine titles, and 1,200 audio-visual materials (DVDs, videotapes, and musical recordings) are available for students, faculty, and staff. In addition, the library offers a selection of electronic databases and e-books that can be accessed remotely. Please contact the library to obtain passwords for remote access to electronic resources. Most books and some DVDs can be checked out. Reserve and reference items cannot be checked out. The library also has textbooks on reserve for student use. The library can assist with research and answer students’ reference questions in person, via email, or over the phone.

For additional information, visit the Learning Resource Center’s web site at www.barstow.edu/Learning-Resource-Center.html/ or call (760) 252-2411 ext. 7270.

TRANSFER & CAREER PLANNING CENTER (TCP)

The Transfer and Career Planning Center offers a variety of services to students who need to learn more about transferring to a four-year college or university. The center also provides services relating to career issues with an emphasis on long-range planning toward career goals.

Services available include: instruction in the use of Project ASSIST, Eureka, and other computer resources; presentations by representatives from four-year institutions; group visits to CSU/UC campuses; assistance with four-year college/university admissions applications; assessment of aptitude and career interests; workshops on career exploration, decision-making, and
ADMISSIONS AND ENROLLMENT
planning; instruction in proper resume writing; simulations of job and/or admissions interviews; college admissions test preparation; and job preparedness skills training. For more information, call (760) 252-2411 ext. 7321.

TUTORIAL SERVICES PROGRAM

Tutorial services are available free to students interested in strengthening their academic skills in specific subject areas. The Tutorial Services Program provides: walk-in tutoring services, one-on-one tutoring, group study, a study hall, and online tutoring.

To take advantage of these services, a student must be registered in one or more academic courses at Barstow Community College.

To become a tutor, a student must have completed the course they wish to tutor with a “B” or higher, be referred by the instructor, maintain an overall 2.5 GPA or higher, and complete the required eight module training program.

For more information, visit the Tutorial Center or call (760) 252-2411 ext. 7261.

VOCATIONAL AND TECHNICAL EDUCATION (VTEA)
The VTEA program assists eligible vocational students majoring in any of the following areas: Accounting, Administration of Justice, Allied Health, Automotive Technology, Building Construction Trades Technology, Business, Computer Science, Culinary Arts, Diesel Technology, Early Childhood Education, Electronics Technology, Fire Technology, Management, Photography, Residential Electrical and Welding. Students must be BOGW-eligible and enrolled in a qualified vocational class. VTEA provides book loans, transportation assistance, child care assistance, and academic/vocational counseling. For more information, contact Special Programs and services at specialprograms@barstow.edu or by phone at (760) 252-2411 ext. 7255.

VOTER REGISTRATION

Voter registration materials are available online at http://www.barstow.edu/Admissions-and-Records-Forms.html or in the Admissions and Records and Student Life Offices for those students who wish to register to vote.
RIGHTS AND RESPONSIBILITIES

ACADEMIC ACCOMMODATION

Students with disabilities are strongly recommended to contact the Accessibility Coordination Center and Educational Support Services (ACCESS) to ensure timely accommodations and services. To receive accommodations the student must fill out an application packet, provide appropriate medical documentation, and see the DSPS counselor. Students requesting accommodations must provide their instructor with the Recommendation for Academic Support and Accommodations (RASA) form. It is the student’s responsibility to discuss his/her accommodations with the instructor. The RASA form can be processed in ACCESS located in C48 behind the Norman Smith Student Services building. Students enrolled in online courses are also encouraged to contact DSPS for accommodations and services. For additional information please contact the ACCESS by email at access@barstow.edu or phone at (760) 252-2411 ext. 7225.

COMPUTER USE

Employees and students who use district computers and networks and the information they contain, and related resources, have a responsibility not to abuse those resources and to respect the rights of others. Users must respect software copyrights and licenses, respect the integrity of computer-based information resources, refrain from seeking to gain unauthorized access, and respect the rights of other computer users. Students failing to observe the college’s Computer and Network Use Policy and Procedure 3720 will be subject to disciplinary action.

CRIME AWARENESS AND CAMPUS SECURITY

Barstow Community College is committed to a safe and secure work and learning environment. Information concerning occurrences of criminal and non-criminal acts for which records are required to be kept under the Crime Awareness and Campus Security Act of 1990 (as amended) and Education Code Section 67380 is published www.barstow.edu/Pdf/AbtBCC/Admin_Services/clery15.pdf.

DRUG AND ALCOHOL POLICY

Barstow Community College supports a drug-free environment. Both the abuse and moderate use of alcohol and illegal drugs can result in injury and death. While chronic problems are associated with long-term abuse, damage can occur from moderate or even a single experimental use of a substance. Alcohol and drug use seriously impairs learning and motivation; disrupts the classroom; jeopardizes physical and mental health; subjects the user to criminal penalties; injures families; erodes relationships; and inhibits ability to benefit from an education. Barstow Community College therefore asks for student support to maintain and actively promote a drug-free learning environment by being aware and informing others of college policies, referral sources for help, and the substantial legal, personal, and health consequences associated with use. If you or someone you know is having problems with alcohol or drugs, seek out confidential assistance on-campus, or from one of the community agencies listed below.

District Policy

In accordance with federal and state laws, it is unlawful to manufacture, possess, use, sell or distribute alcohol, narcotics or other controlled substances on college property or at any college-sponsored activities and is subject to disciplinary action.

Health Consequences

• Even experimental use of substances may result in:
  - Impaired learning due to poor concentration, fatigue, drowsiness, anxiety, altered perception, confusion, indifference, depersonalization, memory loss, panic attacks and drug-induced psychiatric problems.
  - Impaired judgment leading to driving under the influence of alcohol/drugs, accidents, violent and abusive behavior, criminal acts, financial troubles, unwanted pregnancy, sexually transmitted diseases, acquaintance rape, attempted or accomplished suicide, permanent injury or death as a result of substance overdose.
• The intravenous use of drugs can result in hepatitis, tetanus, abscesses, and AIDS.
• The use of stimulants can lead to cardiac fibrillation, heart attack, seizures, respiratory arrest, and death.
• The most common negative health consequences from occasional drinking are trauma-related (i.e., auto accidents, violent, and abusive acts) and involve both the drinker and non-drinking victims.
• Long-term alcohol abuse can cause brain damage, cirrhosis of the liver, hepatitis, permanent incordination, ulcer disease, gastritis, pancreatitis, heart disease, stroke, anemia, cancer, and many other health problems.
RIGHTS AND RESPONSIBILITIES

Barstow Community College Legal Sanctions

Barstow Community College students and employees are subject to both college regulations and the laws and penalties of the State of California for alcohol/drug offenses. As a student, if you are under the influence of alcohol and/or drugs, or if you are discovered selling, or dispensing drugs on campus or at any college function, you can be suspended, expelled, and criminally prosecuted. If you are an employee of Barstow Community College, you may be placed on probation, terminated, and criminally prosecuted for the use, sale, or possession of illegal drugs and/or alcohol on campus or at college-sponsored events.

State of California Legal Sanctions

For a first offense of driving under the influence of alcohol and/or drugs, offenders may serve 96 hours to six months in jail and pay a fine. It is unlawful for anyone with a blood alcohol content (BAC) level of .08 percent or above to drive a motor vehicle or ride a bicycle on a highway.

- For possession of marijuana (1 oz. or less), you can be fined up to $100 and receive a criminal citation.
- For possession of marijuana (more than 1 oz.), you may receive up to 6 months in county jail, up to a $500 fine, or both.
- For possession of cocaine, you can be imprisoned in a state prison.
- For sales of any illegal drug, you can be imprisoned in a state prison.
- Any person under the age of 21 years who has any alcoholic beverage in his/her possession on any street or highway or in any public place can be convicted of a misdemeanor.
- It is a misdemeanor crime to sell, give or furnish alcohol to anyone under 21 years of age.
- Carriers of motor vehicle insurance can increase premiums or cancel or deny renewal as a result of driving under the influence convictions.

For Free Confidential Assistance

For assistance off-campus, call:

- Narcotics Anonymous (760) 255-2045
- For a more comprehensive listing of off-campus referrals, contact a counselor.

NON-DISCRIMINATION POLICY

The District is committed to equal opportunity in educational programs, employment and all access to institutional programs and activities.

The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to age, race, religion, creed, color, national origin, ancestry, disability, gender, marital status, or sexual orientation.

Students can present complaints regarding alleged violations of this policy to the Human Resources Director at (760) 252-2411 ext. 7277.

SECTION 504/AMERICANS WITH DISABILITIES ACT POLICY

Barstow Community College supports the idea that no person shall, on the basis of a physical or mental disability, be unlawfully subjected to discrimination under any program or activity offered under the control of the college. Any student or applicant for admission who believes he/she has been subject to a discriminatory action on the basis of a physical or mental disability may file a complaint with the Vice President of Student Services. An employee or applicant for employment may file a complaint with the Human Resources Director.

Inquiries regarding federal laws and regulations concerning nondiscrimination in education or the college’s compliance with those provisions may also be directed to:

Office for Civil Rights, Region IX
U.S. Department of Education
50 Beale Street, Suite 7200
San Francisco, CA 94105
ocr.sanfrancisco@ed.gov
RIGHTS AND RESPONSIBILITIES

PROHIBITION HARASSMENT POLICY

The district is committed to providing an academic and work environment that respects the dignity of individuals and groups. The district shall be free of sexual harassment and all forms of sexual intimidation and exploitation. It shall also be free of other unlawful harassment, including that which is based on any of the following: age, race, color, religion, ancestry, national origin, disability, gender, sexual orientation, or the perception that a person has one or more of the foregoing characteristics.

Sexual harassment violates state and federal laws, as well as this policy, and will not be tolerated. It is also illegal to retaliate against any individual for filing a complaint of sexual harassment or for participating in a sexual harassment investigation, and retaliation constitutes a violation of this policy.

Sexual harassment is further defined as unwelcome sexual advances, requests for sexual favors and other conduct of a sexual nature when:

- submission to the conduct is made a term or condition of an individual’s employment, academic status or progress;
- submission to or rejection of the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
- the conduct has the purpose or effect of having a negative impact upon the individual’s work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment; or
- submission to or rejection of the conduct by the individual is used as the basis for any decision affecting the individual.

Romantic or sexual relationships between supervisors and employees, or between administrators, faculty or staff members and students are discouraged. There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the administrator, faculty, or staff member must evaluate the student’s or employee’s work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. By definition, sexual harassment is not within the course and scope of an individual’s employment with the community District.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities, and compensation.

For more information regarding this policy and the procedures involved, contact the Human Resources Director (for staff) at (760) 252-2411 ext. 7277 or the Vice President of Student Services (for students) at ext. 7353.

SMOKING POLICY

Barstow Community College has been designated as a smoke-free campus.

STUDENT CONDUCT

A student admitted to Barstow Community College has an obligation to conduct him/herself in a manner compatible with the social and educational functions of this institution. The following conduct shall constitute good cause for discipline, including but not limited to the removal, suspension or expulsion of a student. With regard to disciplinary action, all students shall be entitled to due process in accordance with Education Code Sections 66017 and 76037 and Board Policy and Procedures 5800.

1. Causing, attempting to cause, or threatening to cause physical injury to another person.

2. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including but not limited to any facsimile firearm, knife or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from a district employee, which is concurred in by the District President.
3. Unlawful possession, use, sale, offer to sell, or furnish, or being under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.

4. Committing or attempting to commit robbery or extortion.

5. Causing or attempting to cause damage to district property or private property on campus.

6. Stealing or attempting to steal district property or private property on campus, or knowingly receiving stolen district property or private property on campus.

7. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the college or the district.

8. Committing sexual harassment as defined by law or district policies and procedures.

9. Engaging in harassing or discriminatory behavior based on race, sex, (i.e., gender) religion, age, national origin, disability, sexual orientation, or any other status protected by law, including but not limited to verbal or written slurs or threats, physical attacks, or defacing property.

10. Willful misconduct which results in injury or death to a student or to college personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the district or on campus.

11. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, college personnel. Stalking, harassing, hazing or abusing physically or verbally any college employee, any other student or visitor, or threatening to use force or violence against any member of the college community.

12. Cheating, plagiarism (including plagiarism in a student publication) or engaging in other academic dishonesty.

13. Dishonesty; forgery; alteration or misuse of college documents, records or identification; or knowingly furnishing false information to the district.

14. Unauthorized entry upon or use of college facilities.

15. Lewd, indecent, or obscene conduct on district-owned or controlled property, or at district-sponsored or supervised functions.

16. Engaging in expression which is obscene, libelous or slanderous, or which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful district administrative procedures, or the substantial disruption of the orderly operation of the district.

17. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.

18. Violation of published college rules, policies and/or procedures.

19. Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any district policy or administrative procedure.

20. Failure to comply with directions of college officials or law enforcement officers acting in the performance of their duties; failure to identify oneself or provide identification to these persons when requested to do so.

21. Violating college or California Education Code regulations pertaining to student organization, distribution of literature and place and manner of public expression.

22. Unauthorized use of the name of Barstow Community College.

23. Failure to pay financial obligations to the college or to agencies for which the college acts as agent, or failure to return
RIGHTS AND RESPONSIBILITIES

college property.

24. Solicitation of funds for political action or political party campaigns in violation of Board policy.

25. Failure to appear at a disciplinary hearing after being cited as a defendant or as a witness by a college administrator on behalf of either a plaintiff, or by a defendant under citation.

26. Disobeying traffic or parking regulations.

27. Attending or attempting to attend class (es) when not enrolled in the college or in the class (es).

28. Interfering with the instructional process, administrative duties, or other college activities or programs.

29. Abuse of computing facilities or computer time, including but not limited to unauthorized entry into a file to use, read or change the contents or any other purpose; unauthorized transfer of a file; unauthorized use of another individual’s identification or password; use of computing facilities to interfere with the work of another student, faculty member or college official; use of computing facilities to interfere with a college computing system; and/or violation of the Barstow Community College “Computer Use Contract.”

STUDENT GRIEVANCES

Barstow Community College encourages a prompt and equitable method of open communication between students, faculty, and staff. A student may file a grievance when he/she believes that a college faculty or staff member has violated written campus policies or procedures, or acted in a manner that constitutes arbitrary, capricious, or unequal application of written campus policies or procedures. For additional information or a copy of the Student Rights and Grievance Policy and related procedures, contact the Office of Student Services.

STUDENT RECORDS AND PRIVACY RIGHTS

Pursuant to the Family Educational Rights and Privacy Act of 1974 (FERPA) and California Education Code, a student may request to inspect all his/her official school records, files, and related data that are classified as student records. The records will be available for review at a mutually convenient time during regular working hours. If information in the file is inaccurate, misleading, or inappropriate, a student may request removal of the information or include a statement disputing the material that is challenged. All documents provided to Barstow Community College become the property of the college.

Students have a right to consent to disclosures of personally identifiable information contained in their education records, except to the extent that FERPA authorizes disclosure without consent. FERPA permits disclosures without consent to “school officials” with “legitimate educational interests.” “School officials” include Barstow Community College employees; agents of the College (such as an attorney or collection agent); or individuals, including students serving on official committees or assisting a school official perform his/her tasks. A school official has a “legitimate educational interest” if the official needs to review an education record to fulfill his/her professional responsibility. Upon request, Admissions and Records discloses education records without consent to officials of another school in which a student seeks to enroll.

Barstow Community College has designated as “directory” information a student’s name, major field of study, participation in officially recognized activities and sports, dates of attendance, degrees and awards received and level of enrollment (number of units enrolled).

The college may release directory information at any time to any requesting party, including the military program and for the development of any college affiliated marketing programs. Students may contact Admissions and Records to restrict the release of directory information. Upon restriction of directory information, student’s information will not appear on the posted President’s or Dean’s list or in the commencement program.

STUDENT RIGHT-TO-KNOW DISCLOSURE

In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of Barstow Community College to make available its completion and transfer rates to all current and prospective students.

Information about Student Right-to-Know rates for Barstow Community College and how they can be interpreted is published in the Student Handbook and can also be found at the California Community Colleges’ web site, "Student Right-to-Know
RIGHTS AND RESPONSIBILITIES

TITLE IX POLICY
Barstow Community College is committed to support all regulations under Title IX of the Education Amendments of 1972. “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.” Questions regarding Title IX policies can be directed to the Vice President of Human Resources.

TRAFFIC AND PARKING REGULATIONS
Parking permits are not required, except all vehicles utilizing disabled parking must have a state-issued placard, i.e. Department of Motor Vehicle issued placard, DP or DV plates.

The speed limit unless otherwise posted is 25 MPH on campus roads and 10 MPH in campus parking lots.

Repeated violations of Barstow Community College’s traffic and parking regulations may result in disciplinary action.
ACADEMIC STANDARDS

ACADEMIC FREEDOM

Academic freedom is essential to the mission of higher education, which is to allow and promote free inquiry into the environment of human endeavor. The faculty and administration of Barstow Community College jointly accept the responsibility for maintaining an atmosphere in which scholars may freely teach, conduct research, publish, and engage in other scholarly activities. This responsibility includes maintaining the freedom for the examination of controversial issues throughout the college, including classroom discussion when such issues are germane to the subject matter of the course. The college does not attempt to control the personal opinion, nor the public expression of that opinion, of any member of the faculty or staff of the institution. Indeed, the faculty and administration of Barstow Community College feel a responsibility to protect the right of each employee to express his or her personal opinion, but in doing so, employees have an obligation to avoid any action which purports to commit the institution to a position on any issue without appropriate approval.

ACADEMIC HONESTY

Academic honesty is expected from all students at Barstow Community College. Cheating, plagiarism, or knowingly furnishing false information to the college, or in the classroom, are all grounds for discipline.

ATTENDANCE

Instructors have the authority to establish attendance standards in classes, and it is the student’s responsibility to meet these requirements. It is also the student’s responsibility to drop a class that he/she no longer plans to attend. Failure to officially withdraw from a class may result in a failing grade. Failure to attend a class once enrolled does not absolve the student from payment of fees. Students will be held accountable for all fees incurred unless classes are dropped by the specified refund deadline.

It is the student’s responsibility to keep your instructors informed of any need for absence, there is no such thing as an “excused absence” in college. Anticipated absences should be reported to instructors in advance in order to complete assigned work by due dates. All other absences should be reported to instructors immediately upon returning to class. Messages may be left for instructors by voice mail, email, or in their mailboxes (located in the Administration Building).

It is extremely important that you attend classes on time so that you do not interrupt class. Check the course syllabus for each instructor’s policy.

If there isn’t a notice on the classroom door, and if no administrative representative appears to advise you of changed location or otherwise, it is generally required for you to wait 10-15 minutes. If no one shows at that point, contact the Academic Affairs Office in the Administration Building.

ATTENDANCE AT FIRST CLASS MEETING

It is the student’s responsibility to participate fully in class (es) once enrollment is complete. Failure to participate prior to census (20% of the class) will result in an instructor drop. Instructors are required to drop all students considered a “no show” per state regulations. Instructors have the right to determine their own attendance and drop policy. Failure to attend the first class meeting may result in an instructor drop. If a student is unable to attend the first class meeting, it is the student’s responsibility to notify the instructor before that class meeting and request that the seat be held. The instructor is under no obligation to honor this request.

Be sure to review all class syllabi to determine the instructor’s attendance and drop policy. Failure to abide by the policy may result in an instructor drop. If a student is dropped as a no show, the student cannot be added back to the class, unless the drop was a mistake and the student did actually attend the course. If such a circumstance occurs, the student should complete the Late Add Petition found online at http://www.barstow.edu/Admissions-and-Records-Forms.html and submit it to the instructor; after verifying attendance, the instructor should submit the form to Admissions and Records for processing.
ACADEMIC STANDARDS

CLASS SCHEDULE

Barstow Community College publishes a Schedule of Classes prior to each term that contains detailed information concerning registration, enrollment, and related administrative deadlines. Schedules are available online at www.barstow.edu/schedule. The college reserves the right to make additions or deletions to the class schedule. Any class in which the enrollment is too small to justify continuance may be cancelled.

Barstow Community College classes are based on a 50-minute academic hour followed by a ten-minute break. Classes meet from one to five days per week (Mon – Sat). Day classes begin at 6:00 a.m. and run to 4:50 p.m., evening classes from 5:00 p.m. to 10:00 p.m.

COURSE OFFERINGS

Barstow Community College offers courses which lead to occupational certificates in several areas and the Associate of Arts for Transfer (AAT), Associate of Arts (AA) and Associate of Science (AS) degrees. Many of the courses will apply toward Bachelor’s degrees at colleges and universities. The offerings allow a student to prepare for a vocation, prepare for transfer to an upper-division college or university, to gain a general education, or to explore areas of personal interest.

Classes are offered both on and off campus. The amount and quality of the content and academic requirements are the same wherever the courses are offered. When there is sufficient demand, the college will attempt to conduct special short-term classes. A balanced offering of summer session classes enables students to accelerate their programs, to satisfy course or curricular requirements or to explore areas of special interest.

FIELD TRIPS

Field trips may be required in courses where it is not noted in the course description. Liability release forms must be completed by each student and filed with the Academic Affairs Office prior to the field trip.

COOPERATIVE WORK EXPERIENCE EDUCATION

Cooperative Work Experience Education is a process of education which combines work experience with regular college instruction as an integral part of the community college curriculum. It is called Cooperative Work Experience because it is dependent upon employers and educators cooperating to form a more complete design to develop skills and knowledge to improve self-understanding by integrating classroom study with planned, supervised work experience.

Cooperative Education is based on the principle that well-educated individuals develop most effectively through an education pattern which incorporates work experience. Through these structured experiences in business, industry, government and human services, the students bring enrichment to their college studies which enhance their total development.

Upon completion of the Cooperative Work Experience Education Program, the student will be able to do the following:

Identify organizational objectives and contribute to their achievement through the utilization of a business model similar to Management by Objectives. This requires a written agreement between a supervisor and employee, to accomplish measurable on-the-job learning objectives by completing work-based projects involving problem solving and the application of academic theory, skills and knowledge while undertaking a new or expanded workplace responsibilities.

There are two types of Cooperative Work Experience Education Programs:

1. General Work Experience Education Programs. This is supervised employment intended to “assist students in acquiring desirable work habits, attitudes and career awareness.” General Work Experience Education Programs need not be related to a student’s specific educational goal. A maximum of six semester credit hours may be earned in General Work Experience Education.

2. Occupational Work Experience Education programs. This is supervised employment extending classroom-based occupational learning at an on-the-job learning station relating to the student’s education goal. A maximum of eight units may be earned in occupational work experience education during one enrollment period for a total of 16 semester units.
ACADEMIC STANDARDS

Cooperative Education credits are degree-applicable and transferable to the CSU system. Credit is awarded on the basis of objectives completed and the number of hours worked. The student needs a minimum of 75 hours of paid work for each unit of credit or 60 hours of volunteer work for each unit of credit. Students must have a prearranged work site. They may utilize their present work sites.

TECH PREP EDUCATION

Tech Prep Education provides technical preparation beyond high school with occupational and academic learning so that students will have the capacity to grow and change in the workplace. The Barstow Community College District, Barstow Unified School District, and Silver Valley Unified School District have created a combined secondary and post-secondary program to provide technical preparation in business and industrial technology. The articulation provides a means for students to get college credit for equivalent classes successfully completed at the secondary school, avoiding unnecessary repetition of course work.

UNIT OF CREDIT

A unit of credit is earned on the basis of one hour of lecture-recitation per week or on three hours of laboratory per week for one 18-week semester. In some physical education, art, drama and music courses, a unit of credit is earned for each two hours of class time. In courses composed of learning activities resulting in combinations of lecture and recitation, independent and tutorial study or directed and individual laboratory experiences, the hours are equated with units of credit. The terms semester unit or hour and credit hour are synonymous.

CONVERSION OF UNITS

Quarter units of credit are converted to semester units by dividing the number of quarter units by one and one-half (1.5). Semester units of credit are converted to quarter units by multiplying the number of semester units by one and one-half.

CREDIT BY EXAMINATION

Granting unit credit by examination for a course is based on the principle that previous experience, training, or instruction is the equivalent of a specific course taught by the college. If an examination shows that the student possesses adequate equivalency and mastery of the subject, credit is granted.

- Students may petition for credit by examination in courses currently listed in the College Catalog for which the student has not previously earned a grade.
- A maximum of 25 units may be applied toward graduation through this process.
- No more than 15 units per semester may be authorized.
- A fee equivalent to the current per unit change will be assessed for each examination administered.
- The student must select the grading mode (if the pass/no pass option is available) prior to taking the exam.
- Units earned through Credit by Examination cannot be used to meet the 12 unit residency requirement for graduation.

Credit by Examination forms must be obtained from a counselor. All fees must be paid to Admissions and Records prior to the examination being given.

TRANSFER OF CREDIT FROM OTHER COLLEGES

Courses listed on official transcripts from regionally accredited colleges may be accepted for transfer to a degree or certificate program.

Prior to submitting official transcripts, students should meet with a counselor to review unofficial transcripts to determine if any coursework is applicable to the current program of study. Once a counselor has affirmed that coursework is applicable, a student should submit official transcripts to Admissions and Records along with a Request for Transcript Evaluation form, found online at http://www.barstow.edu/Admissions-and-Records-Forms.html.

- Students must register in a minimum of 6 units with Barstow Community College before requesting evaluation of official transcripts or MOS (military occupational specialty).
- Only classes applicable to the student’s program of study will be evaluated and posted.
ACADEMIC STANDARDS

- Remedial coursework may be used to meet prerequisites, but will not be included on the transcript.
- Only those classes with a passing grade will be included on the transcript.
  - Passing is defined as “D” or better for general education courses and “C” or better for major courses.

Students may clear prerequisites without submitting official transcripts by submitting the Prerequisite Validation Form found online at [www.barstow.edu/Admissions-and-Records-Forms.html](http://www.barstow.edu/Admissions-and-Records-Forms.html).

CREDIT FOR FOREIGN SCHOOLS

Students who have attended institutions outside the United States must provide an official transcript evaluation from a member of the National Association of Credential Evaluation Services, Inc., which is licensed and bonded to evaluate foreign transcripts. Students with transcripts evaluated by other agencies may appeal to the Vice President of Student Services to have it considered. Students should meet with a counselor to determine if evaluation of foreign transcripts will assist them in their educational endeavors at Barstow Community College prior to paying for the evaluation service.

CREDIT FOR MILITARY SERVICE

In accordance with the American Council on Education (ACE) Guide, Barstow Community College will allow a maximum of 30 semester units for military experience and training. Such units will be posted as “Military Credit” on the student’s transcript following the completion of six units at the college. To apply for these units, the student must submit an official AARTS, SMART or DD214 transcript to Admissions and Records.

CREDIT FOR TEST EQUIVALENCIES

Advanced Placement Test scores are accepted by Barstow Community College for college credit in certain classes. A student scoring a 3, 4 or 5 on College Board Advanced Placement (AP) exams should contact a counselor for more information. See page 34 for more details.

The CLEP (College Level Examination Program) / DANTES (Defense Activity for Non Traditional Education Support) is a national program of examination to evaluate, confirm and assess academic achievement of people who have reached a college level of education through either traditional or non-traditional methods of study. There are five General Examinations in the basic liberal arts areas. Subject Examinations are also available in various areas. Equivalency credit is entered on the student’s permanent record for successful achievement on the CLEP and/or DANTES Tests. Students will not receive CLEP/DANTES credit for courses in which they have already earned college credit. Fees are as follows: CLEP $70 exam fee and $45 administration fee. DANTES - $70 exam fee and $45 administration fee. The fees are waived for active duty personnel and National Guardsmen.

Please refer to the following pages for details regarding how standardized test score credit is currently applied / awarded at Barstow Community College.

*NEC (No Equivalent Course) ** The essay section will not be scored by The Chauncey Group. It will be forwarded upon request to colleges and universities for use in determining the award of credit.
ACADEMIC STANDARDS

LIMITS ON REMEDIAL COURSEWORK

Enrollment in pre-collegiate basic skills (remedial) course work is limited to 30 semester units, except for students enrolled in English as a Second Language (ESL) courses or who are identified as having a verified learning disability. The 30 unit limit may be waived if students show significant, measurable progress toward the development of skills appropriate to their enrollment in college-level courses. Students having exhausted the unit limitation will be referred for further remedial coursework to appropriate adult noncredit education services. Students may petition for a waiver of the 30 unit limitation by submitting the Remedial Coursework Request for Waiver of Basic Skills Limitation Petition form (found online at www.barstow.edu/Admissions-and-Records-Forms.html) to Admissions and Records.

FINAL EXAMINATIONS

Formal written and/or performance examinations will be given at the end of each course and as frequently during the semester as sound evaluation practice dictates. Final examinations are required in all courses and must be given according to the schedule provided at www.barstow.eduSchedule.html. No student may be excused from final examinations.

GRADING SYSTEM

Evaluation of student achievement relates to the attainment of specified course objectives. At the beginning of each course, student learning objectives, along with the basis for the determination of the grades, are specified in the course syllabus.

The following symbols shall be used:

A Excellent
B Good
C Satisfactory
D Less than satisfactory
F Failing
P Pass: At least satisfactory; units awarded not counted in GPA. Has the same meaning as “CR” as that symbol was defined prior to June 30, 2007.
NP No Pass: Less than satisfactory or failing; units not counted in GPA. Has the same meaning as “NC” as that symbol was defined prior to June 30, 2007.
UG Ungraded
W Withdrawal: Not used in calculating GPA, but shall be used in determining probation and dismissal.
MW Military Withdrawal: Occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol will be assigned after 30 percent of the class. Military withdrawals shall not be used in calculating GPA or in determining progress probation and dismissal calculations.
‘I’X’ Incomplete: Incomplete academic work for unforeseeable, emergency and justifiable reasons at the end of the term may result in an “Incomplete” symbol being entered in the student’s record. For more information, review the tutorial: Petition for Incomplete Grade, found online at http://www.barstow.edu/student_services_tutorial.html.
IP In Progress: Used only in those courses that extend beyond the end of the normal academic term. It indicates that the work is in progress, but the assignment of a grade must await its completion. The “IP” symbol shall not be used in calculating grade point averages.
**ACADEMIC STANDARDS**

**RD Report Delayed:** Assigned by Admissions and Records when there is a delay in reporting a grade due to circumstances beyond the control of the student. The “RD” symbol shall not be used in calculating grade point averages.

**PASS / NO PASS (P/NP):** Petitions to be graded on a “P”/“NP” basis must be submitted to Admissions and Records prior to 30% of class meetings.

“P”/“NP” grades may not be converted to a letter grade after the deadline. Students electing “P”/“NP” grading must meet all course requirements. Units earned on a “P” basis satisfy college requirements for degrees and certificates but are disregarded in computing the grade point average (GPA). No more than 50% of all transcript classes may be graded as “P”/“NP.” Students planning to transfer to a four-year institution are urged to check with a counselor to be units earned as “P”/“NP” are acceptable for transfer.

**GRADE POINTS**

Academic achievement is reported in terms of grade point average (GPA). This is derived from the following weighting system:

<table>
<thead>
<tr>
<th>Letter</th>
<th>Grade Points per Unit Earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
</tbody>
</table>

**GRADE POINT AVERAGE**

All units and grade points are counted on a cumulative basis. A student’s grade point average (GPA) is calculated by dividing the total number of grade points earned by the total number of units attempted in which a grade was assigned.

“W,” “MW,” “P,” “NP,” “IP,” “RD” and incomplete grades are not used in computing grade point average but the “W,” “NP,” and “Incomplete” are used in determining progress probation and dismissal status.

**GRADE NOTIFICATION**

Grades are available approximately two weeks after the end of each term. Students may receive grades in one or more of the following ways:

- By Web: Login to “my Barstow Portal” at www.barstow.edu.
- In Person: Request an unofficial transcript in Admissions and Records or from any counselor.

**TRANSCRIPTS**

Transcripts of work at Barstow Community College will be furnished upon written request by the student. Students should allow up to ten (10) working days for processing. Students who attended Barstow Community College prior to 1993 should allow fifteen (15) working days to process. The first two official transcripts requested are provided without charge; if requested by paper, additional copies may be obtained at $7 per copy. Students may also request same day rush service for $14.

Students may request transcripts online at [www.barstow.edu/Transcripts](http://www.barstow.edu/Transcripts). Transcripts requested online are $6.50. When requested online, transcripts are typically mailed within 3 business days.

Transcript charges are due and payable at the time of the request. Official sealed transcripts are sent to colleges,
ACADEMIC STANDARDS

Employers, government, or other agencies. Unofficial transcripts are available for student use and may be obtained online or from a counselor.

GRADE CHANGES

In order to protect the student from an arbitrary change of a grade earned in a course, Education Code Section 76224 states:

“When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor, and in the absence of mistake, fraud, bad faith, or incompetence, shall be final.”

A student who thinks there is a grade error should first confer with the instructor concerning the error. Students having a grievance relative to a grade received from an instructor should follow the Student Rights and Grievance Procedure (AP 5530) available from the Office of Student Services.

In accordance with Title 5 (section 55024) a “W” shall not be assigned, or if assigned shall be removed, from a student’s academic record, if a determination is made that the student withdrew from the course due to discriminatory treatment or due to retaliation for alleging discriminatory treatment or that the student withdrew because he or she reasonably believed that remaining in the course would subject him or her to discriminatory treatment or retaliation for alleging discriminatory treatment.

INSTRUCTOR OFFICE HOURS

Full-time instructors’ office hours are posted on the doors to their offices. Instructor schedules, including office hours, are also available in the Academic Affairs Office.

STUDENT HONORS

At the close of the fall and spring semesters, the President’s and Vice President’s Lists are compiled. Students who have earned six or more graded units and have achieved a semester GPA of 3.5 or higher are placed on the Dean’s List. Students who have earned 12 or more graded units and have achieved a semester GPA of 3.75 or higher are placed on the President’s List.

The following graduation honors are granted to those who fulfill the requirements for an Associate degree and earn the following cumulative GPA for all units applied toward the degree:

- **Summa Cum Laude** - 3.75 or higher GPA
- **Magna Cum Laude** - 3.50 to 3.74 GPA
- **Cum Laude** - 3.25 to 3.49 GPA

The GPA used to determine the student’s honors status for commencement shall be based on the student’s cumulative GPA at the end of the semester preceding graduation for spring graduates and the end of the semester of graduation for summer and fall graduates. The GPA used to determine the honors reflected on the student’s diploma and academic transcript shall be based on the student’s cumulative GPA as of the end of the semester of graduation.

PROBATION

Students who fail to maintain satisfactory scholarship may be placed on academic or progress probation:

**Academic Probation**: A student who has attempted a minimum of 12 semester units at Barstow Community College shall be placed on academic probation if he/she has not earned a minimum cumulative GPA of 2.0 in all graded units.
ACADEMIC STANDARDS

Progress Probation: A student who has enrolled in a minimum of 12 or more semester units at Barstow Community College shall be placed on progress probation when the percentage of all units enrolled, and for which entries of “FW,” “W,” “NP” and incompletes are recorded, reaches or exceeds 50%. Grading symbols of “MW,” “IP,” and “RD” shall not be considered in calculating either academic or progress probation.

Unit Limitations: Students on probation will be subject to unit limitations when enrolling. First level probation (Academic or Progress Probation): 13 units. Second level probation (Academic or Progress Probation): 7 units.

Notification of Probation Status: A student who is subject to academic or progress probation shall be notified in writing at the end of the semester in which the probation status is calculated.

Removal from Probation: A student on academic probation shall be removed from probation when the student’s cumulative GPA is 2.0 or higher.

A student on progress probation shall be removed from probation when the cumulative percentage of entries of “W,” “FW,” and “NP” no longer exceeds 50%.

DISMISSAL

A student who is on academic probation shall be subject to dismissal if the student has not earned a minimum cumulative grade point average of at least 2.0 in all units attempted at Barstow Community College in two consecutive semesters.

A student who is on progress probation shall be subject to dismissal if the cumulative percentage of units enrolled for which entries of “W,” “FW,” and “NP” are recorded in two consecutive semesters reaches or exceeds 50%.

Notification of Dismissal: A student who is subject to dismissal shall be notified in writing at the end of the semester in which the dismissal status was calculated.

Appeal of dismissal: First Dismissal Status: The student must meet with a counselor prior to the Friday before classes begin to be readmitted and continued on probation. If the student fails to meet with a counselor prior to the Friday before classes begin, the student will be dismissed and administratively dropped from any classes for which enrollment has occurred for the upcoming semester.

Subsequent Dismissal Status: If a student has previously been continued on probation after dismissal, but does not make significant academic progress, the student will be dismissed. If the student feels that acts exist that warrant an exception to the dismissal action, the student must file a written petition to Admissions and Records within one week after the dismissal letter is mailed. Petitions will be reviewed by the Academic Exceptions Committee.

COURSE REPETITION

Generally students may take a course only once. Students may repeat a course:

1. If the course is required to meet a legally mandated training requirement as a condition of paid or volunteer employment.
2. If the student has earned a substandard grade (‘D’, ‘F’, or ‘NP’), or was assigned a withdrawal, the student may attempt the course two additional times in an effort to successfully complete the course. A third enrollment may be granted by the Academic Exceptions Committee if the student has documented extenuating circumstances. In cases where the student earns a letter grade in the subsequent attempt, the most recent grade earned will be computed in the cumulative GPA and the student’s record so notated.
3. If there has been a significant lapse of time of no less than 36 months.
ACADEMIC STANDARDS

Courses in which an incomplete has been recorded may not be repeated until an evaluative grade has been recorded.

Student permanent records shall reflect all work attempted so that the student’s transcripts is a true and complete academic record.

Students must submit the Petition to Repeat a Class form found online at www.barstow.edu/Admissions- and-Records-Forms.html to Admissions and Records.

ACADEMIC RENEWAL (without course repetition)

Academics renewal provides students the opportunity to reverse the negative impact of past academic failures at Barstow Community College without course repetition. Academic renewal may only be requested by students enrolled at BCC and only units taken at BCC may be disregarded in the computation of the student’s cumulative GPA. A maximum of 30 units in no more than three semesters may be alleviated.

To qualify for academic renewal, a period of twelve months must have elapsed between the period for which renewal is petitioned and the time of submission of the petition and the student must meet one of the following requirements after the work to be disregarded:

1. Completion of a minimum of 15 semester units with a minimum grade point average of 3.0; or
2. Completion of a minimum of 30 semester units with a minimum grade point average of 2.5; or
3. Completion of a minimum of 45 semester units with a minimum grade point average of 2.0.

Academic renewal is irreversible. Action taken under this regulation will not remove the courses, units, grades, or any other information from the official transcript. Academic renewal granted at BCC does not guarantee that other institutions will recognize such action.

To request academic renewal, the student should complete the Academic Renewal petition and meet with a counselor.
**DEGREE AND TRANSFER PROGRAMS**

Barstow Community College offers the following degrees:

<table>
<thead>
<tr>
<th>Associates of Arts/Associate of Science (Non-Occupational)</th>
<th>Associate Degrees for Transfer (ADT’s)</th>
</tr>
</thead>
<tbody>
<tr>
<td>AA – Social Science</td>

</tr>
<tr>
<td>Diesel Technology</td>
<td></td>
</tr>
</tbody>
</table>

**CATALOG RIGHTS**

Degree requirements may change from one catalog to the next. Students have the right to graduate under the terms of any of the catalogs that are published while in continuous enrollment, prior to eligibility for graduation.

Continuous enrollment is defined as attendance in at least one semester within an academic year. A student who has a break in attendance must use the catalog that is in effect at the time of readmission or a subsequent catalog for the period of continuing enrollment. If a student’s major includes course work that has been discontinued, the student must petition the Academic Exceptions Committee through a counselor for the authorization of course substitutions.
DEGREE REQUIREMENTS

The following requirements apply to all the degree options offered by Barstow Community College:

Unit Requirements: A minimum of 60 semester units to include 18 units (Humanities/Social Science) - 20 units (Natural Science/Math) in the chosen program of study, specified units in general education, competency requirements, and any remaining units in elective course work.

Scholarship Requirement: An institutional and cumulative GPA of 2.0 or higher in all work attempted and grades of “C” or better in course work for the major.

Residence Requirement: Completion of a minimum of 12 semester units at the college. No more than 9 units completed after last attendance at the college. This requirement may be waived under the provisions of the Service members Opportunity College or by petition.

Competency Requirements: Demonstrate competency in reading, writing and math. See the individual degree options for writing and math requirements. The reading proficiency may be met by one of the following:

- Grade of “P” in READ 102
- Satisfactory reading assessment test score
- Grade of “C” or better in ENGL 1A
- Grade of “C” or better in 9 units of general education course work: Natural Sciences–3 units, Social and Behavioral Sciences–3 units and Humanities–3 units (except participatory courses such as ARCH 5, 50, 51, 52, 53ABCD, ARTS 3, 7, 9, 16, 17, 18, 19, MUSI 5ABC, 6ABC, 7, 8ACD, 12ABC, all PHOT courses, PSYC 30, TART 1, 4, 5, 6, 12, 13)
- Basic Skills Proficiency: must complete basic skills area with a grade of “C” or better.
  - Math skills: Math 55 or higher
  - Written communications: English 1A
  - Oral communications: Speech 1, 3

Course Limitations: Students should be aware that MATH 101, READ 100–102 and ENGL 101–102 are NOT degree applicable.
DEGREE AND TRANSFER PROGRAMS

PETITIONING FOR GRADUATION

Degrees are granted three times a year – at the end of the fall, spring, and summer terms. Petitions for degrees should be filed with Admissions and Records early in the semester in which the requirements will be completed so students can be notified of evaluation results. Students must have completed or be registered in all courses needed for graduation when petitioning. The deadline for petitioning for graduation is posted in the Schedule of Classes and the Catalog.

COMMENCEMENT

Commencement exercises are held annually at the end of the spring semester. A student may participate in commencement exercises when all degree requirements have been met upon completion of his/her final semester of enrollment in required courses. Exceptions will be considered upon written petition to the Vice President of Student Services.

MULTIPLE DEGREES

Students may earn more than one Associate’s degree by meeting the following conditions:

- Completion of additional major requirements for the subsequent degree.
- Courses used to fulfill major requirements for the first degree will fulfill major requirements for subsequent degree; however, additional electives must be completed to fulfill the required number of units for the subsequent degree (18 units or more are required for AA and AAT and 20 units are required for AS and ADT’s).
## BARSTOW COMMUNITY COLLEGE CORE COMPETENCIES

### I. Communication

<table>
<thead>
<tr>
<th>A. Write</th>
<th>B. Speak and/or Converse</th>
<th>C. Read</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Communicate thoughts, ideas, information, and messages in writing.</td>
<td>1. Organize ideas and communicate verbal or non-verbal messages appropriate to the audience and the situation.</td>
<td>Comprehend and interpret various types of written information in (1) prose and in (2) Documentation, such as manuals and graphs.</td>
</tr>
<tr>
<td>2. Compose and create documents, such as: letters, reports, memoranda, manuals and graphs with correct grammar, spelling, punctuation, and appropriate language, style and format.</td>
<td>2. Participate in conversations, discussions, and group activities.</td>
<td></td>
</tr>
<tr>
<td>3. Check, edit, and revise written work for correct information, appropriate emphasis, form, style, and grammar.</td>
<td>3. Speak clearly and ask questions.</td>
<td></td>
</tr>
</tbody>
</table>

### II. Critical Thinking and Questioning

<table>
<thead>
<tr>
<th>A. Analyze</th>
<th>B. Compute</th>
<th>C. Research</th>
<th>D. Solve Problems</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Apply rules and principles to new situations.</td>
<td>1. Use basic numerical concepts, such as: whole numbers, percentages, estimates of math without a calculator.</td>
<td>1. Identify the need for information and data.</td>
<td>1. Recognize whether a problem exists.</td>
</tr>
<tr>
<td>2. Discover rules and apply them to solve problems.</td>
<td>2. Use tables, graphs, charts, and diagrams to explain concepts or ideas.</td>
<td>2. Obtain data from various sources.</td>
<td>2. Identify components of the problem or issue.</td>
</tr>
<tr>
<td>3. Use logic to draw conclusions from information given.</td>
<td>3. Use basic geometrical shapes, such as: lines, angles, shapes, and space.</td>
<td>3. Organize, process, and maintain records of the information collected.</td>
<td>3. Create a plan of action to resolve the issue.</td>
</tr>
<tr>
<td>4. Differentiate between facts, influences, assumptions, and conclusions.</td>
<td></td>
<td>4. Analyze the information for relevance and accuracy.</td>
<td>4. Monitor, evaluate, and revise when necessary.</td>
</tr>
</tbody>
</table>
### BARSTOW COMMUNITY COLLEGE CORE COMPETENCIES

#### III. Global Awareness

**A. Scientific Processes**
1. The Scientific Method: Apply scientific processes to solve problems and measure and observe natural phenomena.
2. Scientific Observation: Design, perform and analyze experiments and scientific observations.
3. Interconnectivity: Analyze the major differences and connections between social, natural and physical sciences.

**B. Global Systems and Civics**
1. Cultural: Interface with people from a variety of backgrounds and analyze different cultural beliefs and behaviors.
2. Political, Social and Economic: Recognize important economic and political issues and values in one’s own community, state, country and the world.
3. Environmental: Analyze the importance of the natural environment to human wellbeing and the impact of human activity on the wellbeing of global environmental systems.
4. Integrated Systems: Assess and analyze the interconnectivity between social, political, economic, and ecological systems and activities.
5. Action: Develop and evaluate strategies and plans for addressing global systems and civics issues.

**C. Artistic Variety**
1. Arts Awareness: Assess the visual arts, dance, music and literature of one or many cultures.
2. Critical Analysis: Analyze the methods used to create art and interpret its literal and/or symbolic meaning.
3. Creativity: Engage in artistic creative endeavors.

#### IV. Personal and Professional Development

**A. Self Awareness:**
1. Accurately assess his/her own knowledge, skills, and abilities.
2. Self-motivate and set realistic goals.
3. Accept that taking feedback well is important to success.
4. Respond appropriately to challenging situations.

**B. Social and Physical Wellness**
1. Manage personal health and wellbeing.
2. Demonstrate appropriate social skills in group settings.

**C. Workplace Skills**
1. Be dependable, reliable, and accountable.
2. Meet deadlines and complete tasks.
3. Maintain a professional attitude.
4. Work as a productive member of a team.

(Revised 9/10)
BARSTOW COMMUNITY COLLEGE ASSOCIATE DEGREE REQUIREMENTS (NON OCCUPATIONAL)

Designed for students who may plan to transfer. However, 1) completion of an associate’s degree does not guarantee admission into another college or university and 2) admissions requirements for intended receiving institutions may vary. Therefore, it is the student’s responsibility to ensure that all requirements are fulfilled prior to transferring. It is critical to meet with a counselor to discuss educational goals early in a student’s academic career to select coursework that will help to achieve all stated goals. In general, adherence to the IGETC or CSU GE Breadth pattern is a good program to follow if intending to transfer into a baccalaureate program.

In addition to the General Education requirements listed below students are also required to complete a minimum of 18 units in the area of emphasis for the Associate of Arts in Humanities or Social Science degrees and a minimum of 20 units in the area of emphasis for the Associate of Science in Natural Science/Math degree.

Please refer to the following pages for specific information pertaining to the area emphasis requirements for each degree.
BARSTOW COMMUNITY COLLEGE ASSOCIATE DEGREE REQUIREMENTS (NON OCCUPATIONAL)

See Degree Requirements for additional requirements that must be met for all Barstow Community College degree options.

Associate of Arts, Humanities

These courses emphasize the study of cultural, literary, humanistic activities, and artistic expression of human beings. Students will evaluate and interpret the ways in which people through the ages in different cultures have expressed themselves and responded to the world around them in artistic and cultural creation.

This program requires 18 units in Humanities including a minimum of 3 units in at least three different departments from the list below.

Program Outcomes

Humanities graduates examine and interrogate the human spirit and will manifest these behaviors through the expression of uniquely human activities. Upon completion of an Associate of Arts in Humanities a student will be able to do the following.

Communication: Demonstrate communication skills in written, musical, verbal and visual forms.

Critical Thinking: Analyze the cultural and historical foundation of contemporary human experiences; recognize the interconnectedness of all things; historical context, writing, composing poetry, creating art, singing, acting, and have developed a healthy curiosity about the world and its peoples.

Global Awareness: Analyze different historical/artistic/literary movements throughout history and how those movements developed; demonstrate skills to become more historically and culturally literate; and demonstrate a deeper appreciation of people’s use of history, language and cultural mediums.

Personal and Professional Growth: Demonstrate the willingness to explore and discover through writing, performing or creating works of art; demonstrate respect and appreciation for humans’ place in the world and the diversity of the human experience; and demonstrate an appreciation for history, art, music, literature, culture and philosophy.

ASSOCIATE OF ARTS, SOCIAL SCIENCE

These courses emphasize the study of humankind and the individual as viewed within a historical, sociological, and psychological perspective. Students will evaluate and interpret the ways in which individuals through the ages and in different cultures respond to themselves and the world around them within past, present, and future contexts. This program requires 18 units in Social Science including a minimum of 3 units in at least three different departments from the list below.

Program Outcomes:

Upon completion of the Social Sciences AS Program, the student will be able to do the following.

1. Evaluate and interpret the ways in which individuals through the ages and in different cultures respond to themselves and the world around them within past, present, and future contexts. (Global Awareness)

2. Analyze/identify the relationship between themselves and the various social, political, and/or economic institutions. (Critical Thinking)

3. Read, interpret, comprehend, and apply the theories of social sciences.

ORIE 1
Associates in Arts in Art History for Transfer Degree

The Associate in Arts in Art History for Transfer (AA-T) prepares students for transfer to four-year colleges and universities and for careers in education, museums, research, and related fields. The program prepares the student to further their studies of the history of the practice and production of visual arts and uses the study of art history as the study of objects within their historical, cultural and stylistic context. This is complemented by the requirement of two studio classes where the art history student learns the basic skills and concepts inherent in creating a work of art.

Program Learning Outcomes

Upon successful completion of this program, students should be able to:

- Develop critical interdisciplinary thinking, both in oral and written from, through comparative analysis and development of visual acuity.
- Discern and appreciate the wide range of ethnically, culturally, and socially diverse art forms, representations, and practices.
- Apply art history terminology in the analysis and evaluation of works of art and architecture through written tests, presentations, and oral discussions, the intersection of form, content, and patronage in the formation of visual culture.

**Total Degree Units (maximum)** 60
**Associate in Arts in English for Transfer Degree**

The Associate in Arts in English for Transfer Degree (AA-T) will help prepare students for transfer to a 4 year institution by developing strong writing and re-visioning skills, research skills, critical thinking and problem solving skills, discussions skills, and the overall ability to organize, and analyze and present ideas. In addition, the skills and abilities cultivated by the study of English are excellent preparation for any field which requires wide literacy and solid writing ability, including teaching/education, advertising, law, public relations, and work in print and electronic media.

**Program Learning Outcomes**

Upon successful completion of this program, student should be able to:

- Understand the relationship between purpose and audience in texts.
- Apply writing process techniques such as invention, outlining, organizing, revision, and editing to any given writing assignment in academics as well as professional settings.
- Respond critically to a variety of texts.
- Develop and apply critical thinking skills in multiple genres

Associate in Arts in History for Transfer Degree

The Associate in Arts in History for Transfer (AA-T) is intended for history majors who seek a bachelor's degree in a similar major at a CSU campus. The Associate Degree for Transfer (AA-T or AS-T) is a special degree offered at California Community Colleges. Students who complete an AA-T or AS-T are given priority consideration when applying to a particular program that is similar to the student's community college major.

This is consistent with the mission of the community colleges as established by the Legislature in Education Code section 66010.4. This course offers academic instruction and will grant an associate's degree. In addition, it is our goal to assist students in seamlessly transferring to a Political Science baccalaureate degree program at a CSU.

Program Learning Outcomes
Upon successful completion of this program, student should be able to:

- Demonstrate the ability to write narrative and critical thought essays, book reviews, and research papers.
- Exhibit proficiency in the oral reporting of research.
- Analyze data for interpretation and analysis.
- Understand the association of history with the humanities and social sciences.
- Differentiate primary from secondary sources.

**Associate in Arts in Political Science for Transfer Degree**

The Associates in Arts in Political Science for Transfer (AA-T) helps students learn about the operation of political authority at the local, national, and international levels. Besides studying American political institutions, students will examine other governments, their civil codes, policy issues, and decision making. In addition appreciation will be gained for the growing role of international actors, and importance of global issues. The AA-T in political science is intended for political science majors who seek a bachelor’s degree in a similar major at a CSU campus. The Associate Degree for Transfer (AA-T or AS-T) is a special degree offered at California Community Colleges. Students who complete an AA-T or AS-T are given priority consideration when applying to a particular program that is similar to the student’s community college major. Students completing the AA-T are guaranteed admission, but not necessarily to the major or campus of their choice. Students are advised to consult with a counselor to verify transfer requirements.

This program will be a general preparation for careers in government, conflict resolution, criminal justice, civil service, international organizations or corporations, education, journalism, law, public administration, public service, and research.

ASSOCIATE IN ARTS IN PSYCHOLOGY FOR TRANSFER

A diverse field of academic study and practical application, psychology deals with personal behaviors, such as a single individual’s mental life and personal development, abstract and philosophical issues such as the nature of knowledge, and how that knowledge depends on individual and cultural experience and biological variables. Students investigate how humans adapt to everyday problems, and how maladaptive behavior creates personal, interpersonal, cultural, and species difficulties, and how these difficulties can be avoided or removed. Students completing Associate in Arts in Psychology for Transfer degree will fulfill general education requirements for Psychology to be prepared to transfer into the CSU system. Students are required to complete a minimum of 18 semester units in the major with a grade of “C” or better while maintaining a minimum grade point average (GPA) of at least a 2.0 in all CSU transferable coursework.

**NOTE: Courses can be double counted for General education**
**ASSOCIATE IN ARTS IN SOCIOLOGY FOR TRANSFER**

Sociology is the study of human social behavior, groups, and how environments influence behavior. Sociologists focus on the origins, organization, institutions, and developments of society. Students take courses to prepare for a sociology major or to fulfill general education requirements. Career options include social work, human services, law enforcement, legal professions, business, and teaching. This program requires 18 units in the major with a grade of “C” or better while maintaining a minimum grade point average (GPA) of at least 2.0 in all SCU transferable coursework.

**NOTE:** Courses can be double counted for General education
ASSOCIATE OF SCIENCE, NATURAL SCIENCE/MATH

These courses encompass a broad exposure to the major science disciplines of biology, chemistry, the earth sciences, and mathematics. The multidisciplinary and broad education in the areas of science and math obtained within this degree is a plus for applicants to programs in conservation, teaching, nursing, dentistry, veterinary, allied health, and pharmacy. This program requires 20 units in Natural Sciences/Math as outlined below.

Program Outcomes:

1. Demonstrate knowledge of natural phenomena and recognize the processes that explain them.
2. Demonstrate knowledge of scientific methodologies when solving a problem.
3. Apply formal systems of reasoning, critical thinking, and mathematical methods in solving or analyzing problems.

Math 3 Units
MATH 1, 2, 3, 4A, 4B, 4C, 5, 55

Integrated Science Emphasis 13 Units
Select a minimum of one course from each area below with one being a Lab course.

Biology 3 Units
BIOL 1, 2, 10, 10L, 11/PSYC 11

Physical Science 3 Units
CHEM 1, 2A, 2B; PHSC 1; PHYS 1, 2A, 2B, 4A, 4B

Earth Science 3 Units
ASTR 1, 1L; GEOG 1, GEOL 1L, 2, 3, 4, OCEA 1, PHSC 2
Select 8 additional units from the lists above and/or from the following courses
ANTH 3, BIOL 4, 5, 8, 11; PSYC 11.
ASSOCIATE OF SCIENCE, PHYSICAL EDUCATION

Designed for students who wish to obtain the foundation of knowledge expected of one entering the field of physical education.

Program Outcomes:

Upon completion of the Physical Education AS Program, the student will be able to do the following:

- Demonstrate an understanding of the concepts and principles of Physical fitness and specific sport skills; value physical activity and become a lifelong participant in physical activity; achieve a health-enhancing level of physical fitness; and perform the specific activity with an adequate degree of proficiency.
- Demonstrate orally, and in written form, understanding of the theory and concepts of Physical Education and their application within the field.

Barstow Community College Associate Degree Requirements (Occupational)

This degree option is designed for non-transfer, occupational major only. Under this plan, a student may earn an Associate of Science degree in one of the following major:

For the Associate of Science degree in an occupational field of study, students must satisfactorily complete all required courses within the major along with the general education requirements listed below. Refer to pages 51–55 for a list of required courses for each occupational major. General education course work can be used to satisfy the units of the major.

ASSOCIATE OF SCIENCE, ACCOUNTING

Prepares students for entry level positions in industry and service occupations, such as payroll, accounts receivable, accounts payable, and management.

Program Outcomes:

Upon completion of the Accounting Certificate Program, the student will be able to do the following:

1. Understanding the role of accounting and apply basic accounting information to business decision-making.
2. Demonstrate the ability to analyze, interpret, and prepare financial statements and reports in accordance with generally accepted accounting procedures.
3. Demonstrated ethical conduct in accounting functions.

Associates in Science in Business Administration for Transfer Degree

The Associate in Science in Business Administration for Transfer degree is intended for students who plan to complete a bachelor’s degree in Business Administration at a California State University campus. This degree includes lower division coursework that is required for transfer and provides students with solid, foundational insight into the complexities of the contemporary business environment. Coursework in the areas of accounting, business law, and economics will equip students to recognize and analyze business, ethical, and financial issues in order to make informed decisions. Students who transfer to a California State University campus will be able to pursue degrees in areas such as accounting, finance, human resources management, international business, management, operations management, and marketing.

Barstow Community College Associate Degree Requirements (Occupational)

Associates in Science in Early Childhood Education for Transfer Degree

The AS-T in Early Childhood Education is designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to the Early Childhood Education major. This priority does not guarantee admission to specific majors or campuses. Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester units.

Program Learning Outcomes

Upon successful completion of this program, student should be able to:

- Students will apply research theories, social interrelationships and developmentally age appropriate curriculum based on their observations and assessments as to the why and reasoning behind the specific activities that contribute toward the development of the young child.
- Students will advocate the needs for support for young children and the best practices for their education. Students will create a high quality learning environment that facilitates the emotional, cognitive, language, physical and social domains.
- Students will embrace the value of higher (further) education to enhance opportunities in the future.

ASSOCIATE OF SCIENCE, COSMETOLOGY

Designed to provide students with the knowledge and skills to pass the state test and obtain a License in Cosmetology.

Program Outcomes:

Upon completion of the Cosmetology Program, the student will be able to do the following:

1. Demonstrate proficiency in state Board regulation in sanitation and safety; perform appropriate cosmetology procedures with emphasis in all aspects of hair, skin, and nails.
2. Demonstrate logic and critical thinking when presented with difficult situations such as color correction, customer service, handling difficult clients and/or contraindications.
3. Demonstrate a commitment to their education and understanding the value of advancement of education; students will assess by participation level.
4. Enter the job market with clear knowledge of current trends, standard, and technology.

ASSOCIATE OF SCIENCE, PHOTOGRAPHY

Provides the student with a broad base of technical skills in photography with additional emphasis on visual communication. It prepares students to enter the photographic field in a variety of positions such as production printer, studio photographer, photo lab technician, and free-lance photographer.

Program Outcomes:

Upon completion of the Photography AS Program, the student will be able to do the following:

1. Demonstrate the technical knowledge for using the photographic digital camera.
2. Define digital photography terminology and identifies image editing software features and their proper use.
3. Create photo-based artwork that demonstrates proficiency in digital photography techniques giving completer the skill to enter or advance in the work force in the field photography.

ASSOCIATE OF SCIENCE, RESIDENTIAL ELECTRICAL

Provides entry-level marketable skills that give the student a basic understanding of terminology, tools, National Electric Code (NEC), and blueprints used in residential electrical wiring. Students will have fundamental skills required to gain employment in residential electrical trades.

Program Outcomes:

Upon completion of the Residential Electric AS Program, the student will be able to do the following.

1. Demonstrate the technical knowledge necessary to achieve a satisfactory score on the “California Residential Electrical License” exam.
2. Demonstrate the ability to recognize and understand the use of the electrical industry tools and equipment necessary to achieve “trainee” level under the “California Residential Electrical License” program.
3. Demonstrate the knowledge necessary to be successful in dealing with the associated fields of expertise required by the building trades to qualify as a “Residential Electrician Trainee.”

ASSOCIATE OF SCIENCE, WELDING

Designed to provide the student with the knowledge and basic skills common to the welding trade.

Program Outcomes:

Upon completion of the Welding Program, the student will be able to do the following:

1. Weld, for personal pursuits using Oxy-Fuel Gas, Shielded Metal Arc, Metallic Inert Gas, Tungsten Inert Gas, and other welding processes.
2. Demonstrate skills for entry level welding employment in the local economy.

Major Core Requirements (21 units)               Units
WELD 50 Oxyacetylene Welding and Cutting        3
WELD 51 Shielded Metal ARC Welding              3
WELD 52 Position Welding (ARC Welding)          3
WELD 53 Soldering, Brazing, and Braze Welding   3
WELD 54 Gas Metal-ARC Welding                   3
WELD 55 Gas Tungsten-ARC Welding                3
WELD 56 Blueprint Reading (Metal Trades)        3

Minimum Units Required in Major                 21
General Education Requirements                  27
Electives                                       12
Total Units Required                             60
This option is designed for a student wanting to earn an Associate of Arts degree in Humanities or Social Science from Barstow Community College and then transfer to California State University. In addition to completing the requirements listed on page 43 and a minimum of 18 units in the Social Science or Humanities area of emphasis, students must complete the following course work. General education course work can be used to satisfy the units in the area of emphasis.

<table>
<thead>

Students must have a minimum of 60 transferable semester units to transfer to CSU, which can include general education requirements. Students choosing to transfer are strongly encouraged to see a counselor since four-year College requirements vary widely and are subject to change.

This list of courses is designed to satisfy the CSU breadth requirements at most of the California State University campuses. Students who meet the minimum requirements in all areas will receive a General Education Certification from the college indicating that they have met all CSU lower division requirements.

### Communication in the English Language and Critical Thinking (A minimum of one course in A1, A2, and A3; 9 Units: Note: CSU San Bernardino and certain others require an upper division writing course under area 1.)

**Area A**
- A - 1 - Oral Communication - SPEECH 1
- A - 2 - Writing Communication - ENGL 1A, 1C
- A - 3 - Critical Thinking - ENGL 1C, PHIL 3

### Physical Universe and Its Life Forms (A minimum of one course in each group with one being a lab course; 9 units)

**Area B**
- B - 1 - Physical Sciences - ASTR 1, 1L, CHEM 1(L), 2A(L), 2B(L), GEOG 1(L), 2, 3(L), 5(L)
  - CHEM 4, 4A(L), 4B(L), 4C(L), 5(L)
  - OCEA 1, PHSC 1(L), 2
- B - 2 Life Science - ANTH 3, BIOL 1, 2(L), 4(L), 5(L), 8(L), 10(L), 11 GEOL4, OCEA 1
- B - 3 - Laboratory Activity - Any (L) class in Area B1, B2 or B4
- B - 4 - Mathematical Concepts, Quantitative Reasoning - MATH 1, 2(L), 3, 4ABC, 5

### Arts, Literature, Philosophy and Foreign Language (At least one course in C1 and one course in C2; 9 Units)

**Area C**
- C - 1 - Arts - ARTS 1, 2, 3, 7, 10, 16, 17, 18, HUMA 1, 4, MUSI 2, 3, 7, 12ABC, PHOT 1AB, 2AB, TART 1, 5, 6
- C - 2 Humanities - ENGL 1B, 2, 3, 4, 5, 6, 11, HIST 1AB, 8AB, HUMA 1, 4, 5, PHIL 1, 4, 5, 6, 7
- RLGS 1, 5, 10, SPAN 1A, 1B, SPCH 3, TART 3
- C - 3 One additional course from area C1 or C2

### Social, Political and Economic Institutions and Behavior; Historical Background (A minimum of two courses in at least two disciplines)

**Area D**
- D - 1 U.S. History - HIST 2A, 2B*, 4
- D - 2 U.S. Constitution/American Ideals Requirement - POLI 1*
  *Sequence required for CSU graduation, may be taken at the CSU
- D - 3 Students may use any 9 units from this section to fulfill Area D requirements, yet they encourage to complete the above U.S. History, Constitution/American Ideals requirement as part of Area D. All CSU campuses, except Chico State, permit these courses to also satisfy Area D. ADJU 1, 3, 5, 8, ANTH 1, 4, ARCH 1, 5, BADM 5, CHLD 4, 6, ECON 1, 2, ETHN 1, GEOG 1, 2, HIST 1AB, 2AB, 4, 5, 8AB, PELC 1, POLI 2, 3, PSYC 1, 2, 3, 6, 8, SOCI 1, 2, 3, 6, 8

### Lifelong Understanding and Self Development (3 units)

**Area E**
- BIOL 11, CHLD 4, HEAL 1, 2, PEAC 11 - 16, 22, PELC 2, PSYC 3, 4, 5, 11, 14, SOCI 4, 14

See Degree Requirements for additional requirements that must be met to earn a degree from Barstow Community College and to transfer under this certification pattern.
INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) REQUIREMENTS FOR STUDENTS TRANSFERRING TO CSU OR UC

Completion of all requirements in the Intersegmental General Education Transfer Curriculum (IGETC) plus additional transferable course work to total 60 semester units will permit a student to transfer from a community college to a campus in either the California State University or University of California system without the need, after transfer, to take additional lower-division, general education courses to satisfy UC or CSU general education requirements. If you choose not to follow the IGETC or you do not complete it before you transfer, you may need to complete campus-specific general education/breadth requirements after you transfer. IGETC is most helpful to students who know they want to transfer but have not yet decided on a particular institution, campus or major. The IGETC is not ideal for certain majors that require extensive major preparation, particularly those in sciences and mathematics. Students choosing to transfer are strongly encouraged to see a counselor since four-year College requirements vary widely and are subject to change. The course requirements for Areas 1 through 5 must be completed before the IGETC can be certified. All courses must be completed with grades of C or better. Although courses may be listed in more than one area, they may be used to satisfy the requirement in only one area. UC certification requires that Areas 1 through 5 and the foreign language requirements be completed. The last community college the student attends before transferring to UC or CSU is responsible for certifying completion of the student’s IGETC course work. Partial IGETC certification is available

See Degree Requirements for additional requirements that must be met to earn a degree from Barstow Community College and to transfer under this certification pattern.
CERTIFICATE PROGRAMS

Barstow Community College offers Certificates of Achievement, Certificates of Achievement (Low Unit), and Certificates of Career Preparation. Certificates of Achievement are presented to students who satisfactorily complete certain business, vocational and technical programs (18 units or more that are part of the programs approved by the California Community Colleges Chancellor’s Office). Certificates of Achievement (Low Unit) are awarded by the Division for programs of at least 12 units, but less than 18 units. Both certificates will be posted to the transcripts. The length of time and number of units required to complete a program varies. Certificates of Career Preparation are awarded for programs of at least 3, but less than 12 units. Certificates of Career Preparation are not posted to student transcripts.

CATALOG RIGHTS

The requirements for a certificate program may change from one catalog to the next. Students have the right to graduate under the terms of any of the catalogs that are published while in continuous enrollment, prior to eligibility for graduation.

Continuous enrollment is defined as attendance in at least one semester within an academic year. A student who has a break in attendance of one year or more must use the catalog that is in effect at the time of readmission or a subsequent catalog for the period of continuing enrollment. If a student’s major includes course work that has been discontinued, the student will consult with a counselor.

CERTIFICATE REQUIREMENTS

Barstow Community College shall award a Certificate of Achievement to students who fulfill the following requirements:

- Completion of all course work in a designated certificate program with a “C” or better.
- Completion of a minimum of 12 units at Barstow Community College.
- Completion of English 50 with a grade of “C” or better or eligibility for English 1A.
- Completion of MATH 101 or Business Math 51 with a grade of “C” or better; or eligibility for Math 50.
- Meet the computer literacy requirement with any one or more unit course in Computer and Business Information Systems (CBIS); or equivalency credit through ACE/PONSI/or other national certification program(s); or credit-by-examination; or demonstrated ability equivalent to any Computer and Business Information Systems (CBIS) course in the catalog (0-1 unit).

Barstow Community College shall award a Certificate of Achievement (Low-Unit) to students who fulfill the following requirements:

- Completion of all course work in a designated certificate program with a “C” or better.
- Completion of a minimum of 12 units at Barstow Community College.

Barstow Community College shall award a Certificate of Career Preparation to students who fulfill the following requirements:

- Completion of all coursework in a designated certificate program with a “C” or better.
Certification Programs

Petitioning for a Certificate

Certificates are granted three times a year – at the end of the fall, spring and summer terms. Students must file a Petition for Graduation with a counselor during the term in which they are completing the final course work for the certificate. The petition deadline is posted in the Schedule of Classes and in the College Catalog.

Commencement

Commencement exercises are held annually at the end of the spring semester. A student may participate in commencement exercises when all certificate requirements have been met upon completion of his/her final semester of enrollment in required courses. Exceptions will be considered upon written petition to the Vice President of Student Services.

Accounting Certificate of Achievement

Prepares students for entry level positions in industry and service occupations, such as payroll, accounts receivable, accounts payable, and management accounting. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Accounting Certificate Program, the student will be able to do the following:

1. Understanding the role of accounting and apply basic accounting information to business decision-making.
2. Demonstrate the ability to analyze, interpret, and prepare financial statements and reports in accordance with generally accepted accounting procedures.
3. Demonstrated ethical conduct in accounting functions.

Certificate Programs

Administration of Justice Certificate of Achievement

Designed for those who wish to enter the law enforcement field and related employment or to provide in-service training for employed officers. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Administration of Justice Certificate Program, the student will be able to do the following:

1. Evaluate and analyze the political and public administrative aspects of criminal justice organizations. Understand and apply principles and procedures of the justice system, from law enforcement to courts and corrections.
2. Demonstrate an understanding of the functions of police, courts and corrections.
3. Analyze various forms of evidence and evaluate how it is obtained, evaluated, and presented in trial.

CERTIFICATE PROGRAMS

AUTOMOTIVE TECHNOLOGY CERTIFICATE OF ACHIEVEMENT

Provides entry-level marketable skills that give the student a basic understanding of terminology, tools, equipment, materials and techniques used in automotive repair. Students will have the fundamental skills required to gain employment in the automotive industry. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Automotive Technology Certificate Program, the student will be able to do the following:

1. Possess skills for entry-level placement utilizing the laboratory/shop requirements identified by NATEF standards.
2. Successfully complete the ASE certification examination.
3. Develop effective communication and interpersonal skills and future continuing education.

BLUEPRINT READING CERTIFICATE OF ACHIEVEMENT (LOW UNIT)

Provides entry-level and upgrading marketable skills that give the student a basic understanding of terminology, concepts, and procedures used in blueprints and specifications. Students will be able to extract information required on construction sites. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Blueprint Reading Certificate Program, the student will be able to do the following:

1. Understand graphic methods used by the designer to illustrate details of design in light construction. He/she will understand blueprints and specification as a part of contract documents.
2. Extract detailed information from construction drawings and use that information on construction sites and projects.
3. Perform materials take-offs and provide estimates based upon their construction skills and experience.

BUSINESS INFORMATION SYSTEMS – COMPUTER APPLICATIONS
SPECIALIST CERTIFICATE OF ACHIEVEMENT

The Office Services certification prepares students for entry-level positions in the clerical field and as a receptionist or typist. Entry-level duties include general clerical duties, filing, and basic computer-related tasks. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Office Services Certificate Program, the student will be able to do the following:

1. Apply and problem-solve computer applications to run or operate a business.
2. Use the computer to solve real world problems.
3. Embrace the value of higher (further) education to enhance opportunities in the future.

BUSINESS INFORMATION SYSTEMS – ADMINISTRATIVE ASSISTANT CERTIFICATE OF ACHIEVEMENT

The Administrative Assistant certification prepares students for employment in business/industry/government in higher-level office positions. Duties include office supervision and maintaining office records and accounts. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Administrative Assistance Certificate Program, the student will be able to do the following:

1. Apply and problem-solve computer applications to run or operate a business.
2. Use the computer to solve real world problems.
3. Embrace the value of higher (further) education to enhance opportunities in the future.

CERTIFICATE PROGRAMS

CHILD DEVELOPMENT CERTIFICATE

Level II Certificate of Achievement

The Level II certificate fulfills the educational and practical requirements for students interested in working with children from infancy through third grade. Upon completion of 24 units of ECE/CD including core courses, 16 general education units and work experience, allows for the recipient to be eligible to apply for the California: “Child Development Teacher Permit” (on the Matrix Level). It also provides a sound framework for the attainment of the Associate of Science Degree. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Child Development Certificate Program Level II, the student will be able to do the following:

1. Students will observe, assess, and interact with children building on their knowledge that scaffolds them to their next developmental level.
2. Students will articulate the role of the teacher and the value of developing relationships and partnering with families to define their contributions in their child’s development.
3. Embrace the value of higher (further) education to enhance opportunities in the future.

COSMETOLOGY CERTIFICATE OF ACHIEVEMENT

This program is designed to exceed minimum Board of Cosmetology standards. A combination of lecture and laboratory instruction includes personal hygiene and grooming; salesmanship and skills in serving the public; antisepsis, bacteriology, sterilization, and principles of sanitation; safety requirements in operation of a beauty salon; principles of chemistry; laws and administrative regulations. Proficiencies to be developed include hairstyling, chemical waving and straightening, haircutting and shaping, hair coloring, scalp and hair treatments, facials, manicuring (including acrylic nails), and operation of a beauty salon. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Cosmetology Program, the student will be able to do the following:

1. Demonstrate proficiency in state Board regulation in sanitation and safety; perform appropriate cosmetology procedures with emphasis in all aspects of hair, skin, and nails.
2. Demonstrate logic and critical thinking when presented with difficult situations such as color correction, customer service, handling difficult clients and/or contraindications.
3. Demonstrate a commitment to their education and understanding the value of advancement of education; students will assess by participation level.
4. Enter the job market with clear knowledge of current trends, standard, and technology.

CERTIFICATE PROGRAMS

DIESEL TECHNOLOGY CERTIFICATE OF ACHIEVEMENT

Courses in Diesel Technology prepare students for employment in diesel service and repair management services. Upon completion of the courses, the student is prepared to pass the National Institute for Automotive Service Excellence (ASE) exam for Diesel Certification. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Automotive Technology Certificate Program, the student will be able to do the following:

1. Possess skills for entry-level placement utilizing the laboratory/shop requirements identified by NATEF standards.
2. Successfully complete the ASE certification examination.
3. Develop effective communication and interpersonal skills and future continuing education.

FAMILY DAYCARE CERTIFICATE OF ACHIEVEMENT (LOW UNIT)

Meets the training needs of family day care providers, individuals who are licensed to care for children in their homes. The following course of study will prepare the student to meet the competency standards for the Family Daycare Provider’s permit. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Family Daycare Certificate Program, the student will be able to do the following:

1. Observe, assess, and develop curriculum and supervise children. Students will develop a classroom environment that supports the various cultural and ethnic diverse needs to include full-inclusion students and their families.

2. Understand and apply research theories, social inter-relationships and developmentally appropriate teaching strategies as they pertain to guiding the child in the four developmental domains.

3. Embrace the value of higher (further) education to enhance opportunities in the future.

MANAGEMENT INFORMATION SYSTEMS CERTIFICATE OF ACHIEVEMENT

This program will prepare students to acquire basic knowledge in developing skills needed to analyze and solve business problems using the tools of information technology. Areas of interest include information system methodologies, system hardware and software, system analysis and design, system database development, and system Web development. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon Completion of the Information Systems Management Program, the student will be able to do the following:

1. Demonstrate proficiency for analyzing and developing information systems.
2. Use the computer to solve real world problems.
3. Embrace the value of higher (further) education to enhance opportunities in the future.

MANAGEMENT CERTIFICATE OF ACHIEVEMENT

Provides entry-level, marketable employment skills that equip the student with a basic understanding of the terminology and basic concepts/procedures used in management and acquaints the student with the various sub-functions within the overall career field of management. See Certificate Programs for additional information and/or requirements for this certificate type.

Program outcomes:

Upon completion of the Management Program, the student will be able to do the following.

1. Apply a comprehensive understanding of 21st century workforce skills as they relate to success in the modern business environment.
2. Collaborate successfully and develop successful group or team relationships that support organizational goals in both the public and private sectors.
3. Implement of Emotional intelligence/Soft skills for managing themselves and others in the work environment.

PHOTOGRAPHY CERTIFICATE OF ACHIEVEMENT

Provides the student with a broad base of technical skills in photography with additional emphasis on visual communication. Prepares students to enter the photographic field in a variety of positions such as production printer, studio photographer, photo lab technician, and free-lance photographer. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Photography Certificate Program, the student will be able to do the following:

1. Demonstrate basic technical knowledge for using the photographic digital camera.
2. Define digital photography terminology and identifies basic image editing software features and their proper use.
3. Create photo-based artwork that demonstrates proficiency in the beginning level digital photography techniques covered in course materials.

RESIDENTIAL CARPENTRY–ROUGH CERTIFICATE OF ACHIEVEMENT (LOW UNIT)

Provides entry-level marketable skills that give the student a basic understanding of terminology, tools, blueprints, materials and techniques used in exterior and interior residential construction. Students will have the fundamental skills required to gain employment in the construction industry.

Program Outcomes:

Upon completion of the Residential Carpentry – Rough Certificate Program, the student will be able to do the following:

1. Decide the correct tools and materials to use on a given construction project and demonstrate the ability to safely and effectively use them.
2. Diagnose and evaluate the common safety hazards on construction sites and recommend ways to avoid them.
3. Demonstrate effective and appropriate communication skills when interacting with trade associates, design associates, vendors, and consumers.

RESIDENTIAL ELECTRICAL CERTIFICATE OF ACHIEVEMENT

Provides entry-level marketable skills that give the student a basic understanding of terminology, tools, National Electric Code (NEC), and blueprints used in residential electrical wiring. Students will have fundamental skills required to gain employment in the construction industry. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Residential Electrical Certificate Program, the student will be able to do the following:

1. Demonstrate the technical knowledge necessary to achieve a satisfactory score on the “California Residential Electrical License” exam.
2. Demonstrate the ability to recognize and understand the use of the electrical industry tools and equipment necessary to achieve “trainee” level under the “California Residential Electrical License” program.
3. Demonstrate the knowledge necessary to be successful in dealing with the associated fields of expertise required by the building trades to qualify as a “Residential Electrician Trainees.”

WEB MASTER CERTIFICATE OF ACHIEVEMENT

This course of study prepares those interested in entering the fields of Web authoring, development, and maintaining websites. Areas of interest include writing web pages, web development including advanced concepts like Multimedia and graphics, as well as Database concepts. See Certificate Programs for additional information and/or requirements for this certificate type.

Program Outcomes:

Upon completion of the Web Master Program, the student will be able to do the following:

1. Understand the different Internet and Network protocols.
2. Design a simple webpage using HTML. The webpage must include the following: text, Hypertext, pictures, frames, a table, forms, CSS.
3. Design a webpage that include multimedia elements and animations.

COURSE INFORMATION

Courses are designated by subject matter area, number, course title, and units of credit. Lecture and laboratory hours refer to the number of hours the course will meet per week during the semester (based on 18 weeks). Course subjects are listed in alphabetical order. Students planning to transfer units to a four-year institution should consult the articulation agreement with the four-year college (see a College counselor), or consult the institution’s catalog to determine specific requirements. Barstow Community College does not offer all the courses listed each semester or year. Some are scheduled only when there is sufficient demand and a qualified instructor is available. Others may be offered in a planned sequence of alternate semesters or years. For current offerings, consult the class schedule that is available in the Academic Affairs Office, Student Services Office, as well as online.

ONLINE COURSES
These courses allow students to do their work from home computers through the use of a commercial Internet provider. Students who do not have these facilities will be able to make use of the college labs to connect to the courses.

Exams will be conducted under the guidance of an instructor-approved proctor on campus, through the Internet, or off campus. Student identity must be verified by photo ID to whoever is giving the exam. If the student cannot attend the exam meeting, he/she will have to find an instructor-approved proctor, for example, a librarian, minister, or education officer at an approved site to proctor the exams. Students will remain in contact with the instructor through weekly E-mail, discussion group, telephone, or mail. For further information, please refer to the online schedule of classes.

COURSE OUTLINE OF RECORD AND COURSE SYLLABUS
Course outlines and course syllabi are made available to students to provide them with information about courses at Barstow Community College. The course outline of record is mandated by state law and is of a generic nature. The syllabus is distributed to students during the first week of school by the instructor and gives specific details about the course. A master file containing all outlines and syllabi is maintained by the Academic Affairs Office and is available to students.

NUMBERING OF COURSES
1 through 49 are designated baccalaureate level courses. These courses are designed to transfer to other colleges or universities and meet Barstow Community College graduation requirements and are therefore degree applicable. Students should be aware that these courses will require writing, reading, and/or mathematical skills commensurate with or surpassing those normally associated with English 50, Reading 60, and Math 50.

50 through 99 meet associate degree and certificate program requirements. These courses may transfer based upon institutional evaluation.

100 through 149 may meet associate degree requirements. These courses are generally non-transferable courses emphasizing remediation and/or specific community needs.

150 through 199 are non-transferable developmental courses. Courses which are specifically transferable to the California State University system (CSU) and to the University of California (UC) system are noted as such with a statement to that effect in the course description.
48, 98, 148 are special topics courses and offer an in-depth investigation of topics not covered by the existing curriculum. Course content and units of credit are determined by each department/instructor and approved by the Curriculum Committee. Special topics courses may be offered as either lecture or laboratory courses. Consult the schedule of classes for special topics courses.

1 through 199 – Independent Study Courses: Regular Course
A student may, because of special circumstances, petition to take a course listed in the catalog on an individual independent-study basis. For more information refer to the Admissions and Records portion in the front of the catalog under the listing for Independent Study. Independent Study – Regular Courses, may also be designed to meet the needs for classes which will not produce minimum enrollments.

49, 99, and 149 – Independent Study Courses: Individual Project
Independent study provides students, on an individual basis, an opportunity for a challenging and in-depth study on approved topics within instructor approved subject areas. The area to be studied must be decided by the student and the instructor before the student enrolls in the course. Independent study proposals must be submitted, in writing, for approval by an appropriate instructional vice-president. It is expected that the study will not duplicate existing curriculum, rather, it will be of an advanced nature and extend current courses or series of courses. Consult individual instructors for specific information on course development and procedure.

CSU may limit the number of Independent Study units accepted.

UC maximum credit allowed: three and one-third semester credits per term, six units total, in any or all appropriate subject areas combined. Granting of course credit is contingent upon an evaluation of the course outline by a UC campus.

127 – Computer-Assisted Basic Skills Courses
Computer-Assisted Basic Skills courses are taught in one unit modules in a laboratory setting. Credit received in these courses will meet financial aid requirements.

TRANSFERABILITY OF COURSES
Courses that transfer to the California State University System and/or the University of California System are so designated following the course description:

- UC – Transfer to University of California System
- CSU – Transfer to California State University System
- UC/CSU – Transfer to both systems

Students must understand that some courses designated as baccalaureate level may not meet certain requirements at the transferring institution; however, they may be used for elective credit at the discretion of the transfer school.
BCC English Sequence

ENGL 5
Intro to Child Lit
UC/CSU

ENGL 11
Graphic Novel as Literature

ENGL 101
English Skills
Non Degree Applicable

ENGL 102
English Skills
Non Degree Applicable

ENGL 50
Basic English

ENGL 101
English Skills
Non Degree Applicable

ENGL 102
English Skills
Non Degree Applicable

ENGL 1B
Intro to Literature
UC/CSU

ENGL 1C
Critical Thinking & Composition

ENGL 2
Survey of English Literature

ENGL 3
Survey of English Literature

ENGL 4
Intro to Shakespeare
UC/CSU

ENGL 7
Creative Writing
UC/CSU

ENGL 10
Intro to Linguistics
UC/CSU

Shaded areas indicate possible course placements

All prerequisites must be completed with a “C” grade or better.

For students entering BCC in Fall 2009 or later, the minimum requirement for the Associate’s Degree will be ENGL 1A or higher.

*Be sure to check transfer institution for specific details on what classes are needed.
BCC Math Sequence

General Recommendations:

MATH 1
Trigonometry

MATH 2
Intro to Statistics

MATH 3
College Algebra

MATH 4A
Calculus I

MATH 4B
Calculus II

MATH 4C
Calculus III

MATH 5
Ideas of Math

For students entering BCC in Fall 2009 or later, the minimum requirement for the Associate’s Degree will be MATH 55 or higher.

Both Math 1 and Math 3 are prerequisites for Math 4A

Math 3 – Recommended for majors in Math, Science and Business
Math 3 – Recommended for majors in Liberal Arts and Teaching

*Be sure to check transfer institution for specific details on what classes are needed.

</table>
ACSK 156  BEG I N N IN G  R E A D I N G  E S S E N T I A L S  
3 Units  
Lecture:  3 hours; Lab:  1 hour  
Progressive, individualized instruction in fundamentals of reading: phonics, word attack skills, vocabulary building, spelling, and improvement of reading comprehension. Designated “special class” (Title 5, section 56028). Grades: P/NP. Non Degree Applicable Credit.

ACSK 157  I N T E R M I D I A T E  R E A D I N G  E S S E N T I A L S  
3 Units  
Lecture:  3 hours; Lab:  1 hour  
Prerequisite: ACSK with a “P” grade  
Review of word attack skills, as needed, and concentrated instruction in vocabulary building, spelling, and development of techniques and strategies for improvement of reading comprehension at the literal and interpretive levels of understanding. Designated “special class” (Title 5, section 56028). Grades: P/NP. Non Degree Applicable Credit.

ACSK 158  A D V A N C E D  R E A D I N G  E S S E N T I A L S  
3 Units  
Lecture:  3 hours; Lab:  1 hour  
Prerequisite: ACSK 157 with a “P” grade  
Continued instruction in vocabulary building and spelling, improvement of reading rate and reading comprehension, and basic instruction in reading and understanding literature. Designated “special class” (Title 5, section 56028). Grades: P/NP. Non Degree Applicable Credit.

A C C O N T I N G  ( A C C T )

ACCT 1A  P R I N C I P L E S  O F  A C C O U N T I N G  
3 Units  
Lecture:  3 hours; Lab:  1 hour  
Also available online  
Basic principles and procedures of accounting, accounting cycle, deferrals, accruals, receivables, inventories, plant assets, payroll, partnerships and corporations. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. UC/CSU

ACCT 1B  P R I N C I P L E S  O F  A C C O U N T I N G  
3 Units  
Lecture:  3 hours; Lab:  1 hour  
Prerequisite: ACCT 1A with a “C” grade or better  
Also available online  
Continuation of Accounting 1A. Partnership, corporation and branch accounting, funds statements, statement analysis, manufacturing, cost accounting and budgeting. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. UC/CSU

ACCT 4  M A N A G E R I A L  A C C O U N T I N G  
3 Units  
Lecture:  3 hours; Lab:  1 hour  
Prerequisite: ACCT 1A with a “C” grade or better  
Also available online  

ACCT 5  P E R S O N A L  F I N A N C I A L  P L A N N I N G  
3 Units  
Lecture:  3 hours  
Also available online  
Management of personal and family economic affairs. Budgeting, money management, and commercial record keeping. The principles of good buying, analysis of advertising, insurance and investment planning, taxation and consumer protection. The American economic system and citizenship responsibilities in this system. May be taken as Economics 5 – credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU
ACCT 68  
FEDERAL TAX 1
3 Units
Lecture: 3 hours
Also available online
Designed to serve as an introduction to Federal Taxes as they relate to individuals. Aspects of figuring individual income tax and methods to maximize deductions and credits. Covers filing status, gross income, capital gains, personal deductions, bad debts, and tax credits. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

ACCT 82  
OCCUPATIONAL WORK EXPERIENCE IN ACCOUNTING
1-8 Units
Also available as a hybrid course
See Cooperative Work Experience Education listing.

ADMINISTRATION OF JUSTICE (ADJU)

ADJU 1  
INTRODUCTION TO THE ADMINISTRATION OF JUSTICE
3 Units
Lecture: 3 hours
Also available online
History and philosophy of administration of justice in America. Description of system and identification with various sub-systems. Role expectations and inter-relationships, theories of crime, punishment and rehabilitation. Ethics, education and training for professionalism in the system. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major, Area of Emphasis, and Gen Ed Applicable. UC/CSU

ADJU 2  
PRINCIPLES AND PROCEDURES OF THE JUSTICE SYSTEM
3 Units
Lecture: 3 hours
Also available online
Role and responsibilities of law enforcement, judicial, and corrections segments within the administration of justice system. Examination of each sub-system and the relationship each segment maintains with its system members. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

ADJU 3  
CONCEPTS OF CRIMINAL LAW
3 Units
Lecture: 3 hours
Also available online
Historical development, philosophy and constitutional provisions of criminal law. Definitions and classifications of crime and their application to the administration of justice system. Legal research, study of case law, methodology and concepts of law as a social force. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major and Area of Emphasis Applicable. UC/CSU

ADJU 4  
LEGAL ASPECTS OF EVIDENCE
3 Units
Lecture: 3 hours
Also available online

ADJU 5  
COMMUNITY RELATIONS OF THE JUSTICE SYSTEM
3 Units
Lecture: 3 hours
Also available online
Roles of administration of justice practitioners and their agencies. Interrelationships and role expectations among various agencies and the public. Professional image of the system and the development of positive relationships between system members and the public. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major and Area of Emphasis Applicable. UC/CSU
ADJU 6  CONCEPTS OF ENFORCEMENT SERVICES  
3 Units  
Lecture: 3 hours  
Also available online  
Theories, philosophies, and concepts related to the role expectations of the line enforcement officer. Patrol, traffic, and public service responsibilities and their relationship to the administration of justice system. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU. Non-Repeatae.

ADJU 7  PRINCIPLES OF INVESTIGATION  
3 Units  
Lecture: 3 hours  
Also available online  
Principles of all types of investigations utilized in the justice system. Dealing with the public, handling crime scenes, interviews, evidence, surveillance, follow-up, technical resources and case preparation. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

ADJU 8  JUVENILE CRIME AND DELINQUENCY  
3 Units  
Lecture: 3 hours  
Also available online  
Major types of juvenile crime, role careers of offenders and factors which contribute to production of criminality or delinquency. Methods for dealing with justice system violators and the changing role of police and the courts. Aftercare process of sentence, probation, prisons and parole. Changes of law in crime control and treatment processes. May be taken as Sociology 8 – credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major, Area of Emphasis, and Gen Ed Applicable. CSU

ADJU 14  INTRODUCTION TO CORRECTIONS  
3 Units  
Lecture: 3 hours  
Also available online  
History and trends of corrections. Legal issues, general laws (i.e., codes, statues, case law, etc.) and general operations in correctional institutions. Relationship between corrections and other components of the criminal justice system will also be examined. Employment opportunities and entry requirements in the criminal justice field. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

ADJU 15  LEGAL ASPECTS OF CORRECTIONS  
3 Units  
Lecture: 3 hours  
Also available online  
Historical framework, concepts and precedents that guide correctional practice. Corrections environment, civil rights of prisoners and responsibilities of corrections staff. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

ADJU 16  CONTROL AND SUPERVISION IN CORRECTIONS  
3 Units  
Lecture: 3 hours  
Also available online  
Methods, practices, and theory related to the custodial supervision of incarcerated persons in Federal, State, and local correctional facilities. Issues of custodial control from day-to-day institutional living through crisis situations. Interaction between the offender and the correctional employee. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

ADJU 17  CORRECTIONAL INTERVIEWING AND COUNSELING  
3 Units  
Lecture: 3 hours  
Also available online  
Techniques in counseling and interviewing available to practitioners in corrections. Techniques and theories in confidence building used by correctional employees in interviews and counseling. For students planning to enter or already employed in the correctional science field. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU
ADJU 18  FUNDAMENTALS OF PROBATION AND PAROLE

3 Units
Lecture: 3 hours
Also available online

Overview of the history and philosophical foundations of probation and parole. Organization and operations of probation. Issues and problems relating to the pre-sentence report, determinate versus indeterminate sentencing, role of the probation and parole officer, legal decisions affecting probation and parole practice. May be taken as Sociology 18 – credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

ADJU 54  CAREER OPPORTUNITIES AND JOB SEARCH SKILLS IN LAW ENFORCEMENT

1.5 Units
Lecture: 27 hours total

Designed to orient serious law enforcement candidates toward career choices in local, county, state and federal agencies; pitfalls and politics of the jobs. Preparation for required examinations for different agencies. Grades: Option (A-F), P/NP. Degree Applicable Credit.

ADJU 55  SEARCH AND RESCUE

.5 Unit
Lecture: 18 hours total
Lab: 9 hours total

Training sessions for search and rescue technicians that will enable them to remain well informed, sharpen their skills and increase their knowledge. An opportunity to exchange information and develop contacts and resources. Open to all who are interested in search and rescue. Grades: P/NP. Degree Applicable Credit. Non-Repeatable.

ADJU 82  OCCUPATIONAL WORK EXPERIENCE IN ADMINISTRATION OF JUSTICE

1 - 8 Units
Also available as a hybrid course

See Cooperative Work Experience Education listing.

ALLIED HEALTH (AHLT)

AHLT 51  STANDARD FIRST AID AND PERSONAL SAFETY

.5 Unit
Lecture: 9 hours total

Techniques of emergency treatment to be used by lay persons when medical assistance is not immediately available. Study of accident prevention and causes. Course will be taught using the current standards. Includes adult CPR and American Red Cross Standard First Aid Course Completion Cards. Course may be repeated as needed for recertification. Nine hours total. Card and instructional material fees are required. Grades: P/NP. Degree Applicable Credit. Major and Gen Ed Applicable. UC/CSU

AHLT 52  MEDICAL TERMINOLOGY

3 Units
Lecture: 3 hours
Also available online

Study of medical terminology which describes the body’s anatomical systems. Emphasis on medical terms and their use, English translation, pronunciation, and spelling. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

AHLT 55A  EMERGENCY MEDICAL TECHNICIAN BASIC (EMSA CERTIFICATION)

8 Units
Lecture: 145 hours total;
Lab: 15 hours total
Prerequisite: Minimum state age requirement is 18 years of age – must have current “Healthcare Provider” or equivalent CPR card prior to enrolling

Successful completion of this course will qualify the student for National Registry of EMT’s Testing/Certification which is required by the state of California and the Inland Counties Emergency Medical Agency (ICEMA). 130 hours total (includes a minimum of 10 hours clinical). Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.
AHLT 56  HOME HEALTH AIDE
1.5 Units
Lecture:  20 hours total
Lab:  24 hours total
Prerequisites:  Current California Nursing Assistant Certification. Concurrent semester enrollment allowed, CNA Certification must be complete by the start of class
Nursing skills needed for competent nursing care of patients. Physical and a PPD required. 44 hours total. May be taken again as needed for recertification.
Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

AHLT 57  PHARMACOLOGY
3 Units
Lecture:  3 hours
Also available online
Basic and current concepts in pharmacology. The mechanisms of drug action, metabolism, excretion and toxicity. Drug dosage and calculation, patient care and medical-legal aspects with respect to nursing and allied health. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

AHLT 58  BASIC ARRHYTHMIA
3 Units
Lecture:  3 hours
Prerequisite:  Current CPR card or concurrent enrollment in Allied Health 63
Review of general anatomy and physiology of the heart and coronary system. Complications associated with acute myocardial infarction with strong electrophysiological/arrhythmogenic component. Certificate in Basic Electrocardiography and Arrhythmia Interpretation issued upon completion of course. Continuing Education credit given to licensed nurses. Grades:  Option (A-F), P/NP. Degree Applicable Credit.

AHLT 60  MEDICAL INSURANCE
3 Units
Lecture:  3 hours

AHLT 61A  MEDICAL OFFICE PROCEDURES-FRONT OFFICE
3 Units
Lecture:  3 hours
Part of a two course introduction designed to provide basic skills necessary for employment in a physician’s office. Includes medical law/ethics and procedures to assist the physician in the front office. Development of proficiency in typing medical correspondence, case histories, insurance reports, telephone techniques, appointment scheduling, receptionist duties, filing, billing, and verbal communications with patients and other personnel.

AHLT 61B  MEDICAL OFFICE PROCEDURES-BACK OFFICE
3 Units
Lecture:  3 hours
Part of a two course introduction designed to provide basic skills necessary for employment in a physician’s office. Includes medical law/ethics and procedures to assist the physician in the back office. Development of proficiency in clinical procedures, conducting patient interview, assisting in medical exam, integrating a broad knowledge base into practice and verbal communications with patients and other personnel.

AHLT 61C  MEDICAL OFFICE PROCEDURES-PRACTICUM
2 Units
Lecture:  1.5 hours; Lab:  1.5 hours
Prerequisite:  Allied Health 61A and Allied Health 61B with a “C” grade or better and a current American Heart Association or an American Red Cross Professional Provider Level CPR certificate
Designed to provide the externship component of Allied Health 61, Medical Office Procedures. Each student will complete a total of 216 hours. This will be broken out as 27 hours of lecture, 27 hours of lab,
and 162 hours of practical clinical experience. The practical clinical experience will be performed in rotational sequence in the offices and clinics of qualified physicians as well as medical facilities meeting externship criteria located throughout the high desert. Each student must provide a CPR card and proof of a negative PPD or chest X-ray at the first meeting. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

**AHLT 62A**  
**EMERGENCY MEDICAL TECHNICIAN BASIC REFRESHER-EMSA CERTIFICATION**

2 Units  
Lecture: 24 hours total  
Activity: 8 hours total  
Prerequisite: Current EMT Certification and CPR Card-Level C

Required for renewal of Emergency Medical Technician I certificate. Approved by the Department of Public Health, Bureau of Medical Services, and Inland Counties Emergency Medical Authority. 32 hours total. May be repeated as needed (once every 2 years) for recertification through EMS Agency. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

**AHLT 63**  
**BASIC CPR (CARDIO-PULMONARY RESUSCITATION)**

.5 Unit  
Lecture: 9 hours total

Combination of prudent heart living and emergency first aid procedure that consists of recognizing respiratory and cardiac arrest and starting the proper application of cardiopulmonary resuscitation to maintain life until life support is available. Course will be taught using the current standards. Upon successful completion of the course the student will receive a Health Care Provider CPR card from the American Red Cross, valid for a one-year period. Card and instructional material fees are required. Grades: P/NP. Degree Applicable Credit. Major and Gen Ed Applicable. UC/CSU

**AHLT 64**  
**BASIC CPR REFRESHER**

.5 Unit  
Lecture: 9 hours total  
Prerequisite: CPR Certificate

Designed to prepare students for renewal of the Healthcare Provider CPR Certificate of successful completion from the American Red Cross. Course will be taught using the current standards. Same content as Allied Health 63. May be repeated as needed for certification. Card and instructional material fees are required. Grades: P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU

**AHLT 65**  
**PREVENTATIVE HEALTH CARE PRACTICES FOR CHILD AND FAMILY DAY CARE CENTERS**

1 Unit  
Lecture: 18 hours total

Allied Health 65 is a course in preventative health care for personnel in child day care centers and family day care homes. This course meets the licensing requirements for the state of California. Card fee required. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. Non-Repeatable.

**AHLT 66**  
**MEDICAL CODING**

3 Units  
Lecture: 3 hours

**AHLT 70**  
**PHYSIOLOGICAL EFFECTS OF ALCOHOL AND DRUGS**

3 Units  
Lecture: 3 hours  
*Also available online*

Examines the physiological effect of alcohol and other drugs on the human body. Includes aspects of tolerance, habituation, cross tolerance, and synergistic effect. Grades: Option (A-F), P/NP.
Degree Applicable Credit. Major and Gen Ed Applicable. CSU

**AHLT 71**  
**ALCOHOL/DRUG COMMUNITY EDUCATION AND PREVENTION OUTREACH PROGRAM**

3 Units  
Lecture: 3 hours  
*Also available online*

Reviews history, theories, models, and state of the art approaches to the prevention field. Examines identified risk factors, cultural/ethnic consideration, and community prevention strategies. Grades: Option (A-F), P/NP. Degree Applicable Credit. CSU

**AHLT 72**  
**ALCOHOL / DRUG ABUSE: INTERVENTION, TREATMENT, AND RECOVERY**

3 Units  
Lecture: 3 hours  
*Also available online*

Examines and analyzes the tools and techniques necessary to move the chemically dependent individual into the treatment process, the varying types of treatment programs, and the essentials of effective recovery. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. CSU

**AHLT 74**  
**ALCOHOL / DRUG ABUSE: FAMILY AND OTHER GROUP DYNAMICS**

3 Units  
Lecture: 3 hours  
*Also available online*

Introduces the theory and practice of family counseling. Topics include family systems and dynamics, effects of chemical dependency, co-dependency, and counseling techniques. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. CSU

**AHLT 77**  
**MEDICAL TRANSCRIPTION**

3 Units  
Lecture: 2 hours; Lab: 3 hours  
*Recommended: Ability to type 40 words a minute*

Development of a marketable skill in producing documents and other types of medical communications through listening to dictation tapes. Emphasis on excellence in keying and proficiency in the use of medical terminology and English skills: spelling, grammar, and punctuation. May be taken as Computer and Business Information Systems 77 - credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

**AHLT 82**  
**OCCUPATIONAL WORK EXPERIENCE IN ALLIED HEALTH**

1-8 Units  
*Also available as a hybrid course*

See Cooperative Work Experience Education listing.

**ANTHROPOLOGY (ANTH)**

**ANTH 1**  
**INTRODUCTION TO CULTURAL ANTHROPOLOGY**

3 Units  
Lecture: 3 hours  
*Also available online*

Introduction to the study of human culture and the concepts, theories, and methods used in the comparative study of socio-cultural systems. Subsistence patterns, social and political organization, language and communication, family and kinship, religion, the arts, social inequality, ethnicity, gender, and culture change. Applies anthropological perspectives to contemporary issues. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**ANTH 3**  
**INTRODUCTION TO PHYSICAL ANTHROPOLOGY**

3 Units  
Lecture: 3 hours

Concepts, methods of inquiry, and theory of biological evolution and their application to the human species. Specific focus on molecular, Mendelian and population genetics, mechanisms of evolution, primatology, paleoanthropology, biocultural adaptations, human variation, and current bioethical issues. The philosophy of science and the scientific method serve as foundations to the course. Grades: Option (A-F), P/NP. Degree Applicable
ANTH 4  PRE-COLUMBIAN CIVILIZATIONS OF MESOAMERICA
3 Units
Lecture: 3 hours
Introduction to the Pre-Columbian peoples and cultures of Mexico and Central America. An archaeological and ethno historical survey of the origin and development of civilizations in ancient Mesoamerica from Paleo-Indian times to the Spanish conquest. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ARCHAEOLOGY (ARCH)

ARCH 1  INTRODUCTION TO ARCHAEOLOGY
3 Units
Lecture: 3 hours
An introduction to the science of Archaeology, its development, methods, theories and objectives. The interdisciplinary nature of modern archaeological research will be emphasized through a review of dating techniques, methods of survey and excavation, analysis and explanation. Models of cultural evolution through prehistory and history in both the Old and New Worlds will be evaluated in terms of the archaeological evidence. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ARCH 50  ARCHAEOLOGY OF THE SODA SPRINGS AREA
1 Unit
Lecture: 9 hours total
Activity: 18 hours total
Origin of the geology of the area, Indians of the area (customs, tools, rock art), early white men in the area, significance of the Mojave River, area mining and railroads, the Mojave and Mormon trails, the Dr. Springer Era and tour facilities, present-day usage of the area and field-work experience. 27 hours total.

ARCH 51  INDIAN ROCK ART OF THE SODA SPRINGS AREA
1 Unit
Lecture: 10 hours total
Activity: 16 hours total
Basics of archaeological dig procedures. Visit to Early Man Site dig, Dr. Springer Era of Zzyzx. Indians of the area, food they used and rock art of the area around Baker, Cima and Granite Mountains. Tour of Mitchell Caverns and limestone formations. Nominal course fee required. 26 hours total. Grades: P/NP. Degree Applicable Credit. Area of Emphasis Applicable.

ARCH 52  INDIAN ROCK ART OF THE CHINA LAKE-RANDSBURG AREA
1 Unit
Lecture: 10 hours total
Activity: 17 hours total (overnight)
Indians of the area, food they used and the rock art around the China Lake Military Reservation and Randsburg. 27 hours total. Grades: P/NP. Degree Applicable Credit. Area of Emphasis Applicable.

ARCH 53A  HUMAN HISTORY OF THE MOJAVE DESERT
1 Unit
Lecture: 11 hours total
Activity: 20 hours total (overnight)
Natural history of the central Mojave Desert. This two-day field trip class will provide first-hand experience seeing remains of archaeological and historic sites from the Pleistocene (ice age) to the present including petroglyph sites, Newberry Cave, Camp Cady, Spanish Canyon, Early Man Site, and old trails from Indian footpaths to the Mormon Road. 31 hours total including field trip. Grades: P/NP. Degree Applicable Credit. Area of Emphasis Applicable.

ARCH 53B  HUMAN HISTORY OF THE MOJAVE DESERT
1 Unit
Lecture: 11 hours total
Lab: 20 hours total
Human history of the Western Mojave Desert and the San Bernardino Mountains. This two-day field trip class will provide a first-hand experience seeing remains of archaeological and historic sites, stressing the relations between the San Bernardino Mountains and the Mojave desert and the role the Cajon Pass played in desert history. 31 hours total including field trip. Grades: P/NP. Degree Applicable Credit. Area of Emphasis Applicable.

ARCH 53C  HUMAN HISTORY OF THE MOJAVE DESERT
1 Unit
Lecture:  11 hours total
Lab:  20 hours total

Human history of the forgotten western frontier—the Owens Valley. This two-day field trip class will provide a first-hand experience seeing remains of archaeological and historic sites in another part of the desert. This fascinating area has all the elements of the westward movement: explorers, mining, range wars, Indian wars, water wars, recreation, and the Japanese relocation camp of World War II Manzanar. 31 hours total including field trip. Grades: P/NP. Degree Applicable Credit. Area of Emphasis Applicable.

ARCH 53D  HUMAN HISTORY OF THE MOJAVE DESERT
1 Unit
Lecture:  11 hours total
Lab:  20 hours total

Human History of the Mojave Desert from the 49ers mining scandals to ghost towns in the Shoshone/Tecopa area. This two-day field trip class will provide first-hand experience seeing remains of historic sites in the Shoshone/Tecopa area: the Old Spanish Trail, parts of the 49er/Mormon Roads and mining ghost towns create “Artifacts in Place” an interesting way to study history of the west. 31 hours total including field trip. Grades: P/NP. Degree Applicable Credit. Area of Emphasis Applicable.

ART (ARTS)

ARTS 1  ART HISTORY AND APPRECIATION
3 Units
Lecture:  3 hours
Also available online

Primitive features of art and the aesthetic experience. Understanding of resources and value of the arts and significance of taste and style. The history of painting, sculpture and architecture from earliest times to Gothic Art. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ARTS 2  ART HISTORY AND APPRECIATION
3 Units
Lecture:  3 hours
Also available online

Understanding of the resources and value of the arts and the significance of taste and style. History of painting, sculpture and architecture from Gothic Art to the present. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ARTS 3  BASIC DESIGN
4 Units
Lecture:  3 hours; Lab:  3 hours

Fundamental elements and principles of the visual arts. Problems in line, shape, value, color, texture, and space theories in two dimensions. Experimental techniques in the use of media both traditional and non-traditional for artistic expression. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ARTS 7  DRAWING AND COMPOSITION
4 Units
Lecture:  3 hours; Lab:  3 hours

Materials and methods of basic drawing. Black, white and color rendering. Short-term and sustained drawing techniques developed through the use of gesture, scribble and action drawing with stress on composition. Techniques of drawing through use of mixed media, chalk, pencil, charcoal and conte.
Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU. Non-Repeatable.

ARTS 9 INTRODUCTION TO ADOBE PHOTOSHOP
3 Units
Lecture: 2 hours; Lab: 3 hours
Prerequisite: Computer and Business Information Systems 1 or 2 with a "C" grade or better

This course is designed to introduce the student into the world of digital imaging and computer graphics. The student will learn photo editing, text overlays, multi-layer imaging, graphic design, and layouts. Adobe Photoshop will develop hands-on skills to produce professional quality photographs and presentations for private and business applications. May be taken as Computer and Business Information Systems 9 or Photography 9 – credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. CSU. Non-Repeatable.

ARTS 10 PAINTING
3 Units
Lecture: 2 hours; Lab: 4 hours

ARTS10B INTERMEDIATE PAINTING
3 Units
Lec: 2 hours; Lab: 4 hours
Prerequisite: ARTS 10 with a grade of “C” or better

Continued study of materials and techniques in painting with oils and pastels. Grades. Option (A-F), P/NP. UC/CSU. Non-Repeatable.

ARTS 13A ASIAN ART HISTORY: EARLY CULTURES
3 Units
Lec: 3 hours

Survey of art as an integral part of Asian culture: India and SE Asia, China, and Japan from earliest times to C.1200. Grades. Option (A-F), P/NP. UC/CSU.

ARTS 16 FREEHAND SKETCHING
3 Units
Lecture: 2 hours; Lab: 3 hours

ARTS 17 WATERCOLOR PAINTING
3 Units
Lecture: 2 hours; Lab: 3 hours

Transparent and opaque water-based media including but not limited to watercolor, gouache, water-based inks, various other media and compositional methods. Development of technique and personal expression. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis Applicable. UC/CSU. Non-Repeatable.

ARTS 18A CERAMICS
4 Units
Lecture: 3 hours; Lab: 3 hours

Introductory level studio course in ceramics. Provides broad understanding of ceramic techniques and aesthetics through demonstrations and visual aids. Includes hand-building, wheel throwing, basic theories of clay and glazes, and firing techniques. Strong emphasis on developing a personal, artistic vision. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis Applicable. UC/CSU. Non-Repeatable.

ARTS 18B INTERMEDIATE CERAMICS
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Arts 18A with a “C” grade or better

Intermediate level studio course in ceramics. Provides continuing education and design projects in hand-building and wheel throwing with the addition of alternative firing techniques. Includes glaze and firing techniques for pit firing, saggar firing, raku
firing, and barrel firing. The techniques learned are similar to ceramic processes used by indigenous peoples and the early creators of ceramic technique. Grades: Option (A-F). Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable.

**ARTS 18C Advanced Ceramics-Wheel**

**Throwing**

**7 Units**

**Lec: 3 hours; Lab: 3 hours**

Advanced level studio course in ceramics. Provides continuing education and design project with an emphasis on wheel throwing and the combination of wheel thrown and hand-built techniques. Students will play a large role in designing their own projects. Grades: Option (A-F). Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**ARTS 19 SCULPTURE**

**4 Units**

**Lecture: 3 hours; Lab: 3 hours**

Introductory level studio course in Sculpture. Provides broad understanding of sculptural techniques and aesthetics through demonstrations and visual aids. Includes modeling a relief in clay, terra cotta figure sculpting and portrait sculpting, assemblage and an introduction carving. Firing and finishing techniques are also included. Strong emphasis on developing a personal, artistic vision. Grades: Option (A-F). Degree Applicable Credit. Area of Emphasis Applicable. UC/CSU. Non-Repeatable.

**ASTRONOMY (ASTR)**

**ASTR 1 INTRODUCTION TO ASTRONOMY**

**3 Units**

**Lecture: 3 hours**

*Also available online*

Principles of astronomy, including motions of the earth, time measurement, the solar system, stellar and galactic phenomena and cosmology. Star and constellation identification. Viewing of telescopic objects. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**ASTR 1L OBSERVATIONAL ASTRONOMY**

**1 Unit**

**Lab: 3 hours**

Prerequisite: Astronomy 1 with a “C” grade or better

Laboratory course which examines the major principles of astronomy, and utilizes observations through the telescope to explore the planets and moons of the solar system, stars, nebulas, and galaxies. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**ATHLETICS (ATHL)**

**ATHL 1 INTERCOLLEGIATE BASKETBALL (Men)**

**2 Units**

**Activity: 175 hours total**

All intercollegiate athletic courses provide an opportunity for inter-conference, invitational, sectional or state competition. Advanced techniques and strategies of the individual sport and the development of mental, muscular and cardiovascular endurance will be stressed. May be taken four times for credit for a total of up to eight units. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU

**ATHL 2 INTERCOLLEGIATE BASKETBALL (Women)**

**2 Units**

**Activity: 175 hours total**

All intercollegiate athletic courses provide an opportunity for inter-conference, invitational, sectional or state competition. Advanced techniques and strategies of the individual sport and the development of mental, muscular and cardiovascular endurance will be stressed. May be taken four times for credit for a total of up to eight units. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU
ATHL 3  INTERCOLLEGIATE BASEBALL  
(Men)  
2 Units  
Activity:  175 hours total  
All intercollegiate athletic courses provide an opportunity for inter-conference, invitational, sectional or state competition. Advanced techniques and strategies of the individual sport and the development of mental, muscular and cardiovascular endurance will be stressed. May be taken four times for credit for a total of up to eight units. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU

ATHL 4  INTERCOLLEGIATE VOLLEYBALL  
(Women)  
2 Units  
Activity:  175 hours total  
All intercollegiate athletic courses provide an opportunity for inter-conference, invitational, sectional or state competition. Advanced techniques and strategies of the individual sport and the development of mental, muscular and cardiovascular endurance will be stressed. May be taken four times for credit. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU

ATHL 7  INTERCOLLEGIATE CROSS-COUNTRY (Men)  
2 Units  
Activity:  175 hours total  
Provides advanced preparatory instruction in men’s intercollegiate cross country. The students will have multiple opportunities to apply running strategies to actual racing situations. Running performance will be assessed and evaluated by the students to improve performance. Tryouts and out of season conditioning and training will be integral components of the class. May be taken four times for credit. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU

ATHL 8  INTERCOLLEGIATE CROSS-COUNTRY (Women)  
2 Units  
Activity:  175 hours total

ATHL 10  INTERCOLLEGIATE SOFTBALL  
(Women)  
2 Units  
Activity:  175 hours total  
All intercollegiate athletic courses provide an opportunity for inter-conference, invitational, sectional or state competition. Advanced techniques and strategies of the individual sport and the development of mental, muscular and cardiovascular endurance will be stressed. May be taken four times for credit. Grades: Option (A-F), P/NP. Degree Applicable Credit. CSU

ATHL 20  BASKETBALL (Men)  
1 Unit  
Activity:  3 hours  
Fundamentals of shooting, passing, dribbling, pivoting, rebounding and tipping. Basic play patterns, defenses, team play and rules interpretation. May be taken four times for credit. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU

ATHL 21  INDIVIDUAL BASIC SKILLS OF BASKETBALL (Women)  
.5 or 1 Unit  
Activity:  1.5 or 3 hours  
Basic fundamentals of basketball including shooting, ball handling, rebounding, foot-work, and one-on-one skills. Basic full-court concepts including setting screens and team defense. Rules of play will be reviewed and discussed. May be taken four times for credit. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU
ATHL 22  TEAM STRATEGIES BASKETBALL (Women)
.5 or 1 Unit
Activity: 1.5 or 3 hours
Basic team skills and concepts of basketball, in a group setting. Basic motion offense, fast break concepts, transition defense, full-court press, press-breakers, scrimmage situations, out-of-bounds sets, zone defenses, and player-to-player defense. Rules of basketball, with respect to team skills. May be taken four times for credit. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU

ATHL 23  BASEBALL
1 Unit
Activity: 3 hours
Fundamentals of game including throwing, catching, base running, and hitting. Off-season conditioning will also be stressed. May be taken four times for credit. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU

ATHL 25  WOMEN'S SOFTBALL
1 Unit
Activity: 3 hours
Fundamental skills and techniques of softball. Includes a study of the rules and strategies of the game. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU

ATHL 31  SPORTS CONDITIONING FOR INTERCOLLEGIATE ATHLETES
1 Unit
Activity: 3 hours
For men and women athletes. Specific physical fitness related to intercollegiate athletic participation in advanced exercise programs contributing to the advancement of athletic performance. Emphasis placed on individual and group activities that contribute to specific sport advancement. May be taken four times for credit. Grades: Option (A-F). Degree Applicable Credit. UC/CSU

AUTO MECHANICS TECHNOLOGY (AUTO)

AUTO 51  BASIC AUTOMOTIVE MAINTENANCE
3 Units
Lecture: 3 hours
Designed for the novice who wants to understand how an automobile works and how to make it safer and more reliable. Automotive terminology, minor maintenance and repairs, warranty coverage, consumer protection and roadside emergencies. Grades: Option (A-F), P/NP. Degree Applicable Credit.

AUTO 51A  INTRODUCTION TO AUTOMOTIVE TECHNOLOGY
4 Units
Lecture: 3 hours; Lab: 3 hours
Designed for a student’s first exposure to all areas of automotive technology based upon the National Automotive Technicians Education Foundation (NATEF’s) General Service Standards. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

AUTO 52  AUTOMOTIVE ELECTRICAL SYSTEMS
4 Units
Lecture: 3 hours; Lab: 3 hours

AUTO 53  AUTOMATIC TRANSMISSIONS AND TRANSAXLES
4 Units
Lecture: 3 hours; Lab: 3 hours
AUTO 54 AUTOMOTIVE BRAKES
4 Units
Lecture: 3 hours; Lab: 3 hours
Basic Skills for Automotive Service Excellence (ASE) certification in Automotive Brakes (A5), including diagnosing and repairing problems related to automotive brakes. Preparation for Automotive Service Excellence (ASE) certification test in Automotive Brakes (A5). Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

AUTO 55 SUSPENSION AND STEERING
4 Units
Lecture: 3 hours; Lab: 3 hours
Basic skills for Automotive Service Excellence (ASE) certification in suspension and steering (A4), including diagnosing problems related to suspension and steering. Preparation for Automotive Service Excellence (ASE) certification test in suspension and steering (A4). Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

AUTO 56 ENGINE PERFORMANCE
4 Units
Lec: 3 hours; Lab: 3 hours
Basic skills for Automotive Service Excellence (ASE) certification in automotive engine performance (A8), including diagnosing problems related to automotive engines. Preparation for Automotive Service Excellence (ASE) certification test in automotive engine performance (A8). Grades: Option (A-F), P/NP. Degree Applicable Credit.

AUTO 58 BASIC AUTOMOTIVE ENGINES
4 Units
Lecture: 3 hours; Lab: 3 hours

AUTO 62 BASIC MOTORCYCLE SERVICING
4 Units
Lecture: 3 hours; Lab: 3 hours
Maintenance, trouble diagnosis, and light service operations on two and four-stroke cycle street and off-highway motorcycles. Grades: Option (A-F), P/NP. Degree Applicable Credit.

AUTO 63 DIESEL ENGINE FUNDAMENTALS
4 Units
Lecture: 3 hours; Lab: 3 hours
Designed to provide the student with a working knowledge of diesel engines. The development, uses, advantages/disadvantages, design, components, operating principles (two-stroke and four-stroke cycle), diesel fuels, and the combustion process and exhaust emissions will be covered. The student will perform pre-operational services, start and stop a diesel engine, identify engine components and systems, and develop a hands-on knowledge of tools and test equipment used in the repair of diesel engines. Grades: Option (A-F), P/NP. Degree Applicable Credit.

AUTO 64 DIESEL FUEL INJECTION SYSTEMS
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Automotive 63 with a “C” grade or better
Designed to provide the student with a working knowledge of diesel fuel-injection systems. It includes: types of fuel systems, requirements of fuel systems, safety precautions, basic operation principles, hands-on repair, service procedures for several different types of fuel injectors and nozzles, and hands-on testing of selected fuel injectors. It also provides the student with a hands-on knowledge of fuel-injection equipment, tools, and test equipment. Grades: Option (A-F), P/NP. Degree Applicable Credit.

AUTO 65 DIESEL TRUCK STARTING, CHARGING, AND ELECTRICAL SYSTEMS
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Automotive 63 with a “C” grade or better
Designed to provide students with a working knowledge of diesel engine starting and charging systems, including basic electrical principles, batteries and battery service, electronic devices, AC and DC charging systems, and cranking systems. Emphasis will be placed on theory, use of test
equipment, diagnosis of electrical problems, and repair/replacement of charging and starting systems and their components. This course will prepare the student to enter the diesel job market with a working knowledge of diesel engine starting and charging systems. Grades: Option (A-F), P/NP. Degree Applicable Credit.

AUTO 66  DIESEL ENGINE SERVICE
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Automotive 63 and 64 with a “C” grade or better

Designed to provide the student with a working knowledge of diesel engine service procedures, troubleshooting and diagnostic, test equipment, fuel injection pump and service, tune-up, governors, fuel pump and injector timing, and valve adjustment. Emphasis will be placed on tune-up, governor and rack adjustment, valve timing, and fuel pump service and calibration. Grades: Option (A-F), P/NP. Degree Applicable Credit.

AUTO 67  DIESEL ENGINE AUXILIARY SYSTEMS
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Automotive 63 with a “C” grade or better

Designed to provide the student with a working knowledge of the diesel engine auxiliary system. It includes component identification, function, designs, on-engine inspection, component removal/replacement, and troubleshooting and repair of the air induction and exhaust system, cooling system, and lubrication system. It also includes an overview of diesel fuel-injection systems and governors, and starting and charging systems used on diesel engines. Grades: Option (A-F), P/NP. Degree Applicable Credit.

AUTO 70  DIESEL BRAKE, STEERING, AND SUSPENSION SYSTEMS
4 Units
Lecture: 3 hours; Lab: 3 hours

Nomenclature, theory of operation, and service procedures involved in the brake system, the use of the brake drum lathe, bleeder, and other equipment necessary to effect brake repairs. Emphasis on power brake, dual brake systems, hydraulic systems, and PN systems. A working knowledge of hydraulic and hydraulic principles as well as an understanding of the function, theory of operation, maintenance, diagnosis, and service procedures involved in the steering and suspension system. Grades: Option (A-F), P/NP. Degree Applicable Credit.

BIOL (BIOL)

BIOL 1  ENVIRONMENTAL BIOLOGY
3 Units
Lecture: 3 hours
Also available online

Interaction of man with the living world around him. Biological effects of the environment on him and his effects on it. Problems of over-population and environmental deterioration. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

BIOL 2  CONCEPTS IN BIOLOGY
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Mathematics 55 with a “C” grade or better

BIOL 3  INTRODUCTION TO PLANT BIOLOGY
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: MATH 55 with a “C” grade or better

Study of the major divisions of the plant kingdom with emphasis on morphology, physiology, ecology, and taxonomy. Laboratory includes experiments, observations, and field trip. Grades: Option (A-F),
P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**BIOL 4**  HUMAN ANATOMY
5 Units
Lecture:  3 hours; Lab:  6 hours
Prerequisite:  Biology 2 or equivalent with a “C” grade or better

Introduction to the study of the gross and microscopic structures of the human body using a systemic approach. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**BIOL 5**  HUMAN PHYSIOLOGY
5 Units
Lecture:  4 hours; Lab:  3 hours
Prerequisite:  Biology 2 or 4 and Chemistry 1 or equivalent with a “C” grade or better

Basic functioning of the organ systems of the human body, including the brain and nervous system, vision and hearing, heart and circulation, blood and immunity, respiration, digestion and metabolism, muscles, excretory, endocrine, and reproductive systems. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**BIOL 8**  MICROBIOLOGY
5 Units
Lecture:  3 hours; Lab:  6 hours
Prerequisite:  Chemistry 1 or 2A and Biology 2 with a “C” grade or better

Introduction to bacteria and parasitic forms of protozoa, helminthes, and fungi. The examination of morphological, physiological, and epidemiological characteristics of these organisms and of immune response produced by their hosts. Laboratory procedures for the culture identification of pathogenic bacteria and with instruction in basic serological and immunological technique. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**BIOL 10**  INTRODUCTION TO BIOLOGY
3 Units
Lecture:  3 hours
*Also available online*

Basic foundation and concepts of biology to promote the understanding of the human body and the environment in which we live. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major, Area of Emphasis, and Gen Ed Applicable. UC/CSU

**BIOL 10L**  INTRODUCTION TO BIOLOGY LAB
1 Unit
Lab:  3 hours

A biology laboratory as it relates to the human species. This laboratory complements the Biology 10 Introduction to Biology lecture course. It contains lab exercises to accompany a one-semester human biology course. Labs include the scientific method, chemistry of cells, structure of cells and tissues, cardiovascular system, respiratory system, muscular system, skeletal system, lymphatic and immune system, urinary system, reproductive system, genetics, molecular biology, evolution, and ecology. This course may be taken concurrently with BIOL 10. Grades:  Option (A-F). Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable.

**BIOL 11**  HUMAN SEXUALITY
3 Units
Lecture:  3 hours
*Also available online*

Human anatomy, physiology and behavior as related to sexual reproduction, including fertilization, pregnancy, child birth and birth control. Consideration will also be given to genetics, homosexuality, sexually transmitted diseases, and sexual intercourse and response. May be taken as Psychology 11 – credit granted for one course only. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU
# BUILDING CONSTRUCTION TRADES TECHNOLOGY (BCTT)

**BCTT 50A**  
**BASIC CONSTRUCTION SAFETY AND RIGGING**  
2 Units  
Lecture: 2 hours  
*Also available online*

Basic construction safety using OSHA approved standards, stressing safe work practices and procedures, proper inspection of safety equipment before use, and the proper use of safety equipment. Grades: Option (A-F). Degree Applicable Credit. Major Applicable.

**BCTT 50B**  
**INTRODUCTION TO HAND AND POWER TOOLS**  
1 Unit  
Lecture: 1 hour  
Recommended: Building Construction Trades Technology 50A with a “C” grade or better  
*Also available online*

Basic hand and power tools used in construction and maintenance, and the importance of their care and use. Valuable safety information for each type of tool discussed. Grades: Option (A-F). Degree Applicable Credit. Major Applicable.

**BCTT 50C**  
**INTRODUCTION TO BLUEPRINT READING**  
1 Unit  
Lecture: 1 hour  
*Also available online*

Introduction to basic blueprint terms, components, symbols, different types of construction drawings commonly used on job sites and the importance of each type. Grades: Option (A-F). Degree Applicable Credit. Major Applicable.

**BCCT 50 D**  
**Basic Communication and Employment Skills**  
2 Units  
Lecture: 2 hours  
*Also available online*

Techniques for communicating effectively with coworkers and supervisors. Critical thinking and problem solving skills, effective relationship skills, effective presentation, and key workforce issues such as sexual harassment, stress, and substance abuse. Pass/No Pass Only (P/NP); Non Repeatable/Non Activity Course (May be repeated two times with a grade of less than “P” or “C”)

**BCTT 50E**  
**CONSTRUCTION TECHNOLOGY CORE PERFORMANCE TESTING**  
.5 Unit  
Lab: 1.5 hours  
Prerequisite: BCTT 50A, 50B, and 50C with a “C” grade or better

Designed to allow the students to demonstrate their understanding of the techniques and procedures learned in BCTT 50A, BCTT 50B, and BCTT 50C. Students will be required to successfully pass the National Center for Construction Education and Research (NCCER) Performance Profiles. Grades: Option (A-F). Degree Applicable Credit. Major Applicable.

**BCTT 51**  
**CONSTRUCTION QUANTITATIVE SKILLS**  
3 Units  
Lecture: 3 hours  
*Also available online*

Basic mathematical procedures commonly used in the construction and maintenance crafts, such as multiplication, subtraction, addition, division, working with fractions, measuring areas, and volume. Not to be used to meet any math requirement. Grades: Option (A-F). Degree Applicable Credit. Major Applicable.

**BCTT 52A**  
**BLUEPRINT READING FUNDAMENTALS**  
3 Units  
Lecture: 3 hours  
*Also available online*

Basic blueprint terms, components, and symbols commonly used in residential drawings. Different types of construction drawings commonly used on the job sites and the importance of each type. Grades: Option (A-F). Degree Applicable Credit. Major Applicable.
BCTT 52B  RESIDENTIAL BLUEPRINT READING
3 Units
Lecture: 2 hours; Lab: 3 hours
Prerequisite: BCTT 52A with a “C” grade or better
Also available online
Terms and techniques used in residential
construction drawings including extraction of
information and math used on residential job-sites.
Grades: Option (A-F). Degree Applicable Credit.

BCTT 54  SAFETY ORIENTATION
1 Unit
Lecture: 1 hour
Also available online
Provides participants with a general overview of the
most common job-site hazards and their related
safety guidelines. Meets requirements for OSHA 10-
hour course. Grades: Option (A-F). Degree
Applicable Credit.

BCTT 55  INTRODUCTORY SKILLS FOR THE CREW LEADER
1 Unit
Lecture: 1 hour
Also available online
Basic leadership skills in crew supervision. Grades:
Option (A-F). Degree Applicable Credit.

BCTT 57  INTRODUCTION TO CA TITLE 24, ENERGY STANDARD
1 Unit
Lecture: 18 hours
Also available online
Introduction to “the California Building Energy
Efficiency Stand, (Title 24).” The Building Energy
Efficiency Standards were first adopted in 1978, t set
energy standards for California’s home and business
energy usage. This course is intended to help owner,
builder, contractors, and inspectors to understand
and comply with the ever changing, California
standards for low-rise residential buildings. Grades:
Option (A-F), P/NP. Degree Applicable Credit.

BCTT 60A  MATERIALS AND TOOLS USED IN THE TRADE
2 Units
Lecture: 2 hours
Recommended: Building Construction Trades Technology 50E with a “C” grade or better
Also available online
Covers various materials used in construction,
including many kinds of fasteners and adhesives
used with wood and masonry construction, and
expands on the hand and power tools. Grades:
Option (A-F). Degree Applicable Credit.

BCTT 60B  FLOOR SYSTEMS, WALL AND CEILING FRAMING
1 Unit
Lecture: 1 hour
Recommended: Building Construction Trades Technology 60A with a “C” grade or better
Also available online
Framing basics as well as the procedures for laying-
out and constructing wood floors, framing walls and
ceilings, including roughing-in doors and window
openings, construction corners and partition T’s,
bracing walls and ceilings, and applying sheathing.
Grades: Option (A-F). Degree Applicable Credit.

BCTT 60C  ROOF FRAMING AND WINDOW AND EXTERIOR DOORS
1 Unit
Lecture: 1 hour
Recommended: Building Construction Trades Technology 60B with a “C” grade or better
Also available online
Various kinds of roofs and instructions for laying out
rafters for gable roofs, hip roofs, and valley
intersections, including both stick built and truss
built roofs and various types of windows, skylights,
and exterior doors, weather stripping and locksets.
Grades: Option (A-F). Degree Applicable Credit.
**BCTT 60D  INTRODUCTION TO CONCRETE MATERIALS AND FORMS**

1 Unit  
Lecture: 1 hour  
*Also available online*

Covers various types of cement and materials used in concrete construction including reinforcement materials such as rebar, bar supports, and welded-wire fabric, concrete volume estimates, concrete tests, and concrete curing methods. Grades: Option (A-F). Degree Applicable Credit.

**BCTT 60E  RESIDENTIAL CARPENTRY LEVEL ONE PERFORMANCE TESTING**

2 Units  
Lab: 6 hours  
Prerequisite: Building Construction Trades Technology 60A, 60B, 60C, and 60D with a “C” grade or better

Demonstration of the skills learned in the classroom, performed under the guidance of journeyman and/or qualified personnel on the jobsite. Grades: Option (A-F). Degree Applicable Credit.

**BUSINESS ADMINISTRATION (BADM)**

**BADM 1  BUSINESS LAW 1**

3 Units  
Lecture: 3 hours  
*Also available online*

**BADM 2  BUSINESS LAW II**

3 Units  
Lecture: 3 hours  
*Also available online*

Law as applied to business transactions, personal property and bailments, sales, commercial paper, secured transactions, creditors’ rights, insurance agency, and employment. Study of the Uniform Commercial Code and California law through representative cases. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major, Area of Emphasis, and Gen Ed Applicable. UC/CSU

**BADM 5  INTRODUCTION TO BUSINESS**

3 Units  
Lecture: 3 hours  
*Also available online*

Survey of functions, objectives, organization, and structure of business within the American free enterprise system. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**BADM 6  BUSINESS COMMUNICATIONS**

3 Units  
Lecture: 3 hours  
Recommendation: English 50 with a “C” grade or better or assessment recommendation for English 1A  
*Also available online*

A survey of the principles and techniques of business communications as a tool for business decision making. Focus is on effective oral and written business communications. Methods of investigating, organizing, and presenting business data and ideas are developed through practical involvement. Ethical and legal implications as well as other critical thinking techniques are emphasized. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU
BADM 19  MARKETING
3 Units
Lecture: 3 hours
*Also available online*
Survey of major marketing methods, institutions and practices, distribution of goods and services from producer to consumer. Trade channels, agencies of distribution, trends in marketing practices. Role of the consumer in marketing process. Market research, product planning, pricing, marketing costs, and marketing legislation. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

BADM 51  BUSINESS MATH
3 Units
Lecture: 3 hours
*Also available online*
Application of basic arithmetic to business transactions and activities. Improve computational skills (addition, subtraction, multiplication, division) working number and word problems using whole numbers, fractions, decimals, percents, interest, and equations to solve problems. Grades: Option (A-F). Degree Applicable Credit.

BADM 82  OCCUPATIONAL WORK EXPERIENCE IN BUSINESS ADMINISTRATION
1-8 Units
*Also available as a hybrid course*
See Cooperative Work Experience Education listing.

BADM 100  CUSTOMER SERVICE TRAINING
1 Unit
Lecture: 16 hours total
*Also available online*
This course is designed to provide the student with certain key skills and attitudes that are needed to effectively meet the needs of customers. The student will be introduced to the concept of internal and external customers, customer satisfaction and customer retention. Topics will also include communicating with customers, developing a positive attitude, and handling complaints and sales skills. Grades: P/NP. Non Degree Applicable Credit.

BADM 101  Attitude in the Workplace
1 Unit
Lecture: 1 hour
*Also available online*
This course is designed to provide the participant with certain key skills in the area of attitude so that they may effectively maintain a positive attitude in the workplace and at home. The participant will be introduced to the concepts of how attitudes are communicated, the three types of attitudes, and how to adjust ones attitude. Topics will also include the primary causes of bad attitude, turnaround strategies to battle them, and specific techniques to raise the attitudes of others. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

BADM 102  Dealing with Difficult People
1 Unit
Lecture: 1 hour
*Also available online*
This course will explore the causes and impact that conflict can have on customer service. Students will learn strategies and techniques for resolving though issues, and how to turn a difficult customer into a loyal one. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.
BADM 106  Managing Change

1 Unit
Lecture: 1 hour
Also available online

This course will explore the natural tendency of employees and customers to resist change. Students will learn techniques for handling workplace change, and how to introduce change to their customers. Furthermore, change management techniques will be explored. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

BADM 107  Team Building

1 Unit
Lecture: 1 hour
Also available online

This course explores how working as teams in business can increase productivity, enhance project management, reduce business conflicts, and create superior customer service. Students will learn the roles in a team and how to be both a leader and team player. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

BADM 108  Business Ethics

1 Unit
Lecture: 1 hour
Also available online

This course will explore the importance of ethics in the workplace. Students will discuss ethical lapses often displayed in commercial environments and how to correct them. Additionally, students will craft a personal philosophy of ethics and values important to their business and social dealings. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

CHEMISTRY (CHEM)

CHEM 1  INTRODUCTORY CHEMISTRY

4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Mathematics 50 with a “C” grade or better or assessment recommendation for Mathematics 55

A survey of the principles of chemistry primarily for pre-nursing, liberal arts, and home economics students. Topics covered: atomic structure, chemical bonding, stoichiometry, periodic table, states of matter, solutions, equilibrium, acids and bases, nuclear chemistry, and basic organic chemistry. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

CHILD DEVELOPMENT (CHLD)

CHLD 4  CHILD GROWTH AND DEVELOPMENT

3 Units
Lecture: 3 hours
Also available online

This course examines the major physical psycho-social, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences and analyze characteristics of development at various stages. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major and Area of Emphasis Applicable. UC/CSU (Cross-listed with SOCI 6)
CHLD 6 CHILD, FAMILY, COMMUNITY
3 Units
Lecture: 3 hours
*Also available online*

An examination of the developing child in a societal context focusing on the interrelationship of family, school and community and emphasizes historical and socio-cultural factors. The processes of socialization and identity development will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major and Area of Emphasis Applicable. UC/CSU

CHLD 9 INTRODUCTION TO EARLY CHILDHOOD CURRICULUM
3 Units
Lecture 3 hours
Prerequisite: ENG 50 and CHLD4/PSYC4 with a Grade of “C”

This course presents an overview of knowledge and skills related to providing appropriate curriculum and environments for young children from birth to age 6. Students will examine teacher’s role in supporting development and fostering the joy of learning for all young children using observation and assessment strategies emphasizing the essential role of play. An overview of content areas will include but not be limited to language and literacy, social and emotional learning, sensory learning, art and creativity, math and science. Grade: Option (A-F). Degree Applicable. CSU

CHLD 11A PRINCIPLES AND PRACTICES IN EARLY CHILDHOOD EDUCATION
3 Units
Lecture: 3 hours; Lab: 3 hours
*Also available online*

Curriculum planning and evaluation; discipline and guidance techniques; instructional methods; cooperative relationships with staff, parents and children; professional ethics and job search skills. 54 hours of supervised experience working with young children in a licensed program. Students not currently working with children may volunteer at a licensed program of their choice. A TB clearance is required to work with children in centers. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CHLD 12A CREATIVE ACTIVITIES FOR EARLY CHILDHOOD EDUCATION
3 Units
Lecture: 3 hours

This course is designed to offer students an understanding of developmentally age appropriate activities as they relate to literature, dramatization, finger plays, puppetry, and presentation of language experiences. Leads towards a Certificate Level II and or Child Development Teacher Permit (Matrix) Applicable. Grades: Option (A-F), P/NP. Degree Applicable. Major Applicable. CSU

CHLD 14 CHILD HEALTH, SAFETY, AND NUTRITION
3 Units
Lecture: 3 hours
*Also available online*

Introduction to the laws, regulations, standards, policies and procedures and early childhood curriculum related to child health, safety, and nutrition. The key components that ensure physical health, mental health, and safety will be identified along with the importance of collaboration with families and health professionals. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CHLD 15 INFANTS AND TODDLERS: CURRICULUM AND TEACHING
3 Units
Lecture: 3 hours
*Also available online*

This course is designed to explore the cognitive/language, emotional, physical, social and theoretical contributions toward the development of children from birth to three years. The course reviews the practical approaches to program planning, the role of the caregiver, curriculum and environment, health and safety, and working with families. This course fulfills the California licensing requirements for Infant Center personnel. Leads towards a Certificate Level II and or Child
Development Teacher Permit (Matrix) Applicable.
Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CHLD 15A   INFANTS AND TODDLERS: CURRICULUM
3 Units
Lecture: 3 hours
Also available online
Designed to enhance the teacher’s roll in all aspects of a developmentally appropriate program. Explores the process of planning and implementing a curriculum framework that support learning and development. Supports Infant/Toddler Specialization. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CHLD 17    PROGRAMS FOR SCHOOL-AGE CHILDREN: CURRICULUM AND TEACHING
3 Units
Lecture: 3 hours
Also available online
Programs and curriculum for the school-age child in a before-and-after school environment. Establishing an appropriate environment, planning activities, and interacting with children. Leads towards a Certificate Level I and or Child Development Associate Teacher Permit (Matrix) Applicable. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CHLD 17A   ACTIVITIES FOR SCHOOL-AGE CHILDREN
3 Units
Lecture: 3 hours
Also available online
Designed to create, implement and evaluate developmentally appropriate activities for school-age children (K-8). Emphasizes instruction in providing activities for individuals and groups that stimulate growth, discovery, and learning. Supports School-Age Children Specialization. Grades: (A-F), P/NP. Degree Applicable Credit. Major applicable. CSU

CHLD 19A   ADMINISTRATION OF EARLY CHILDHOOD EDUCATION I
3 Units
Lecture: 3 hours
Prerequisite: Child Development 4 or Psychology 4, Child Development 6 or Sociology 6, and Child Development 10, 11A and 14 with a “C” grade or better
Also available online
An overview of organization and management of preschool programs, including program planning, budgeting, and regulations. Leads towards a Certificate Level III and or Child Development Master Teacher, and/or Site Supervisor, and/or Program Director Permit (Matrix) Applicable. Grades: Option (A-F), P/NP. Degree Applicable Credit. CSU

CHLD 19B   ADMINISTRATION OF EARLY CHILDHOOD EDUCATION II
3 Units
Lecture: 3 hours
Prerequisite: Child Development 19A with a “C” grade or better
Also available online
Examine the dynamics of management behavior and the communication process within early childhood education programs. Leads towards a Certificate Level III and or Child Development Master Teacher, and/or Site Supervisor, and/or Program Director Permit (Matrix) Applicable. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CHLD 19C   MODELS AND METHODS IN MENTOR/ADULT SUPERVISION
3 Units
Lecture: 3 hours; Lab: 10 hours total
Also available online
The Mentor Teacher/Adult Supervision. This course is designed to study methods of supervising early childhood teachers and mentoring student teachers in early childhood programs. Various components of the Child Development profession will be addressed such as leadership roles, evaluations, communication, and other areas related to early childhood. Leads towards a Certificate Level III and or Child Development Master Teacher, and/or Site Supervisor, and/or Program Director Permit (Matrix)
CHLD 20  OBSERVATION AND ASSESSMENT
3 Units
Lecture: 3 hours
Prerequisite: Child Development 4 with a “C” grade or better
Also available online
This course will focus on appropriate use of assessment and observation strategies to document development growth, play and learning in order to join with families and professionals in promoting children’s success and maintaining quality programs. Recording strategies, rating systems, portfolio, and multiple assessment methods are explored. Leads towards a Certificate Level II and or Child Development Teacher Permit (Matrix) Applicable. Grades: Option (A-F). Degree Applicable Credit. CSU

CHLD 25  TEACHING IN A DIVERSE SOCIETY
3 Units
Lecture: 3 hours
Also available online
Examination of the development of social identities in diverse societies including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms and teaching. Various classroom strategies will explored emphasizing culturally and linguistically appropriate anti-bias approaches supporting all children in becoming competent members of diverse society. Course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media and schooling. Grades: Option (A-F). Degree Applicable Credit. CSU

CHLD 30  CHILD LANGUAGE DEVELOPMENT
3 Units
Lecture hours 3 hours
Previously CHLD 54
Available online
This course will examine communicative and linguistic development of children, with emphasis upon development of various levels; vocabulary, sentences, discourse structures, and metalinguistic awareness. Children’s knowledge of phonology, semantics, syntax, and pragmatics will be addressed, with attention to individual, gender, and cultural differences and special issues such as bilingualism. Empirical descriptions and contrastive theoretical approaches to language development will be covered. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CHLD 30A  EARLY CHILDHOOD LITERACY
3 Units
Lecture: 3 hours
Previously CHLD 54A
Recommended: English 50
Also available online
Explore techniques that support building a foundation for reading, writing, listening, and speaking using a developmentally appropriate approach. Develop activities and an environment that promotes language and literacy in young children. Research literature suitable for children up to eight years old, with emphasis on techniques of selection and presentation of books. Supports Literacy Specialization. Grade: (A-F), P/NP. Degree Applicable Credit. CSU

CHLD 35  THE CHILD WITH SPECIAL NEEDS
3 Units
Lecture 3 hours
Previously CHLD 60
Also available online
Develop a knowledge of children with mild to significant disabilities. Explore and research educational trends, early intervention, resources and strategies for the inclusion of young children with disabilities in the classroom and supporting family involvement. Leads towards a Certificate Level II and or Child Development Teacher Permit (Matrix) Applicable. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU
CHLD 35A  CHILDREN WITH CHALLENGING BEHAVIORS
3 Units
Lecture:  3 hours
Previously CHLD 60A
Recommended:  English 50
Also available online
Effective strategies for working with children who have challenging behaviors in the early childhood classroom environment. Emphasis on teacher’s role in working with parents and supporting children through emotional difficulties. Supports Special Needs Specialization. Grades: Option (A-F), P/NP. Degree Applicable Credit. CSU

CHLD 49  PRACTICUM FIELD EXPERIENCE
Previously CHLD 80
4 Units
Lecture:  2 hours; Lab:  2 hours
Prerequisite:  ENG 1A, CHLD4/PSYC4, CHLD9, and CHLD 20 with a grade of “C”.
This course is designed for students to demonstrate developmentally appropriate early childhood teaching competencies under guided supervision. Students will utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Child centered, play-oriented approaches to teaching, learning, and assessment; and knowledge of curriculum content areas will be emphasized as student teachers design, implement and evaluate experiences that promote positive development and learning for all young children.
Grade:  Option (A-F).  Degree Applicable.  CSU

NOTE:  The state requires proof of immunization for Measles, Whooping cough, Influenza as well as TB.

CHLD 61  FAMILY DAY CARE PROVIDER
3 Units
Lecture:  3 hours
Also available online
Factors involved in providing quality child care in one's home. Establishment of a safe, healthy, and stimulating environment; refining or developing business policies and parent contracts. First Aid and CPR training. Grades:  Option (A-F), P/NP. Degree Applicable Credit.

CHLD 82  OCCUPATIONAL WORK EXPERIENCE IN CHILD CARE & TEACHER AID
1-8 Units
Also available as a hybrid course
See Cooperative Work Experience Education listing.

COMMUNICATIONS (COMM)

COMM 160  BASIC SKILLS EDUCATION PROGRAM
0 Units
FORT IRWIN:
Lecture:  76 hours total
Testing:  4 hours total (80 combined total hours)
MCLB:
Lecture:  112 hours total
Testing:  4 hours total (116 combined total hours)
A study of mathematics, reading, and vocabulary skills. Mathematics skills include mathematical concepts, whole numbers, fractions, decimals, percents, and story problems. Reading skills include main idea, restatement, inference, supporting details, and vocabulary in context. Vocabulary skills include:  Latin and Greek roots and prefixes and vocabulary lists. Grades:  Non-credit.  Non-Degree Applicable Non Credit.

COMPUTER AND BUSINESS INFORMATION SYSTEMS (CBIS)

CBIS 2  WINDOWS AND THE INTERNET
3 Units
Lecture:  2 hours; Lab:  3 hours
Also available as a hybrid course
Examine the fundamental concepts of a computer, Windows Operating Systems, and the Internet. This course is meant to be for beginners. Students learn how to configure, set, and use Windows and the Internet for maximum productivity and efficiency. Emphasis is placed on skills development. Grades:  Option (A-F), P/NP. Degree Applicable Credit. CSU
CBIS 3  PROGRAMMING IN VISUAL BASIC
3 Units
Lecture: 2 hours; Lab: 3 hours
Recommended: Computer and Business Information Systems 1 with a “C” grade or better

An introductory course in the BASIC programming language. Analysis of problems for computer solution using BASIC language. Applications drawn from business, mathematics, and physical science.
Grades: Option (A–F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 6  PROGRAMMING IN JAVA
3 Units
Lecture: 2 hours; Lab: 3 hours
Also available online

Introduction to computer programming using JAVA. Writing and using new objects, calling standard JAVA libraries, calling JAVA applets with HTML that will execute over the World Wide Web, and integrating JAVA with VRML and JAVASCRIPT. Emphasis on practical applications of programming. Laboratory instruction includes program development and execution.
Grades: Option (A–F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 9  INTRODUCTION TO ADOBE PHOTOSHOP
3 Units
Lecture: 2 hours; Lab: 3 hours
Prerequisite: Computer and Business Information Systems 1 or 2 with a “C” grade or better

This course is designed to introduce the student into the world of digital imaging and computer graphics. The student will learn photo editing, text overlays, multi-layer imaging, graphic design, and layouts. Adobe Photoshop will develop hands on skills to produce professional quality photographs and presentations for private and business applications. May be taken as Arts 9 or Photography 9 – credit granted for one course only.
Grades: Options (A – F), P/NP. Degree Applicable Credit. Non-Repeatable.

CBIS 10  COMPUTER ARCHITECTURE
3 Units
Lecture: 2 hours; Lab: 3 hours

Introduction to computer architecture hardware and its background, concepts and functions of modern computer operating systems, disassembly and reassembly of microcomputers, and identification of its components.
Grades: Option (A–F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 13  MANAGEMENT INFORMATION SYSTEMS
3 Units
Lecture: 2 hours; Lab: 3 hours
Also available online

Introduces the student to management information systems concepts. The course will present a variety of data processing facilities. Course topics include: The computer as an organizational information system, systems methodologies, and the computer as a problem-solving tool, the computer-based information system, and organizational information systems.
Grades: Option (A–F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 14  INTERNET SECURITY
3 Units
Lecture: 2 hours; Lab: 3 hours
Prerequisite: Computer and Business Information Systems 1 with a “C” grade or better
Also available online

This course will provide an overview of the field of information security and assurance. A spectrum of security activities, methods, methodologies, and procedures will be covered. Additional topics include inspection and protection of information assets, detection of and reaction to threats to information assets, and examination of pre and post incident procedures, technical and managerial responses, an overview of the information security planning and staffing functions, cryptographic techniques and applications, and security ethical and legal issues.
Grades: Options (A – F), P/NP. Degree Applicable

CBIS 15  INFORMATION NETWORKING
3 Units
Lecture: 2 hours; Lab: 3 hours
Prerequisite: Computer and Business Information Systems 1 with a “C” grade or better
Also available online
An introduction to the data communication field for the information technology student. Covers the introductory topics of hardware, software, protocols, channels, modems, local area networks, wide area networks, and various applications. Student will gain hands-on experience with current popular communications systems. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

CBIS 16  
Network Security  
3 Units  
Lecture: 2 hours; Lab: 3 hours  
Prerequisite: Computer and Business Information Systems 15 with a “C” grade or better  
Also available online

This course is a comprehensive guide for anyone wishing to take the Comp TIA Security + 2008 exam. This course introduces students to various security concepts, issues, and countermeasures in computer networks. The course covers newly covered exam topics including cross site scripting, SQL injection, rootkits, and virtualization, as well as topics of increasing importance in the industry as a whole, like the latest breeds of attackers, Wi-Fi Protected Access 2, and Microsoft Windows security. Grades. Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis Applicable. CSU

CBIS 19  
SYSTEMS ANALYSIS AND DESIGN  
3 Units  
Lecture: 2 hours; Lab: 3 hours  
Prerequisite: Computer and Business Information Systems 1 with a “C” grade or better  
Also available online

Traditional systems analysis and design methods and tools. Topics include role of the systems analyst, feasibility studies, modeling technique systems design, reporting and documentation, and implementation strategies. Computer-aided software engineering (CASE) tools will be utilized to design and develop information systems. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 22A  
BUSINESS OPERATING SOFTWARE, USING UNIX  
3 Units  
Lecture: 2 hours; Lab: 3 hours  
Also available online

This course introduces students to the UNIX operating system. Topics include common UNIX commands; file manipulation; editing; and the UNIX file structure. This hands-on class is designed for the computer novice or for the UNIX novice who wants to get productive with the UNIX operating system in the shortest time possible. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 22C  
WINDOWS SERVER  
1.5 Units  
Lecture: 1 hour; Lab: 1.5 hours  
Also available online

This course introduces students to the basics of establishing and managing a WINDOWS Server. Topics include internal architecture, system security, network configuration (with a focus on TCP/IP), the registry and services, domains and system policies, user accounts and group management, disk backup and maintenance, troubleshooting and performance optimization. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU
CBIS 29A  INTRODUCTION TO WRITING WEB PAGES
3 Units
Lecture: 2 hours; Lab: 3 hours
Recommended: Computer and Business Information Systems 1 or 2 with a “C” grade or better
Also available online
Fundamentals of Hyper-Text Markup Language (HTML) and electronic publishing on the Web. Students will learn how to produce a multi-page Web site with images, text and links; tables, frames, forms and simple multimedia; uploading and modifying Web documents to a Web server. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 29B  ADVANCED WEB DEVELOPMENT
3 Units
Lecture: 2 hours; Lab: 3 hours
Prerequisite: Computer and Business Information Systems 29A and 17 with a “C” grade or better
Also available online
Introduction and fundamentals of web programming to include advanced Markup Languages and Scripting Languages. Hands-on experience in producing Dynamic HTML (Hypertext Markup Language), Javascript, XML, PHP, and ASP web-type applications/sites. Develop skills for web user interfaces to manage files, databases, and extracting and reporting information. Along with basic client/server Web serving concepts and an introduction to database middleware concepts. Use of popular web development programs such as Macromedia DreamweaverMX and Microsoft Front Page. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 33  COMPUTER SCIENCE 1 with C++
3 Units
Lecture: 2 hours; Lab: 3 hours
Prerequisite: Computer and Business Information Systems 1 with a “C” grade or better
Also available online
Computer software design, implementation, methods, and environment using a current high-level language. Survey of computers, applications, and other areas of computer science. Program design, coding, debugging, and documentation using techniques of good programming style. Program development in a powerful operating environment. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. UC/CSU

CBIS 33B  Object Oriented Programming with C++
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Computer and Business Information Systems 6 and 33 with a “C” grade or better
Also available online
The second C++ computer programming course in a sequence. Develops an understanding of object-oriented programming. Students will be introduced to classes, objects, constructors and destructors, operator overloading, inheritance, multiple-inheritance, polymorphism, function templates and standard template library. Students also will be introduced to data structure concepts such as lists and dynamic memory allocation. Grades: Option (A-F), P/NP. Degree Applicable Credit.
CBIS 40  SPREADSHEET APPLICATIONS  
4 Units  
Lecture:  3 hours; Lab:  3 hours  
Recommended:  Computer and Business Information Systems 1 with a “C” grade or better  
Also available online  

An introductory course in the principles of spreadsheets. The student will develop skill in the use of spreadsheets to create and print computerized spreadsheets data in the solutions of common business problems. Current software in place includes Microsoft for Pentium Computers. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 41  BEGINNING WORD PROCESSING  
4 Units  
Lecture:  3 hours; Lab:  3 hours  
Recommended:  Working familiarity with Windows  
Also available online/hybrid  

Students will learn to use word processing software for creating, formatting, editing, enhancing, and printing appropriate business letters, envelopes, bound and unbound reports, memorandums, tables, charts, templates, and other business documents. Current software in place includes Microsoft & Corel. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 42  ADVANCED WORD PROCESSING  
4 Units  
Lecture:  3 hours; Lab:  3 hours  
Recommended:  Computer and Business Information Systems 41 with a “C” grade or better  
Also available online/hybrid  

Designed for students with word processing experience. Assimilate word processing features that are used to enhance the visual display of business documents with graphic elements. Other topics include newsletter layout, creating electronic forms, macros, mail merge, advanced tables, footnotes, endnotes, outlines, indexes, table of contents, master documents, hyperlinks, and web pages. Current software in place includes Microsoft & Corel. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 43  PRESENTATION APPLICATIONS AND MEDIA  
3 Units  
Lecture:  2 hour; Lab:  3 hours  
Recommended:  Working familiarity with Windows  
Also available online  

Microsoft PowerPoint program. Design, create, and edit business presentations. Topics include creating presentations with graphics, publishing presentations on the Internet and adding multimedia elements such as sound and video. Import files and graphics into PowerPoint from other programs. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

CBIS 60  DATA ENTRY I  
1.5 Units  
Lecture:  1 hour; Lab:  1.5 hours  
Also available online  

Operation of the computer keyboard and an introduction to word processing software with emphasis upon developing basic keyboarding techniques required to develop speed and accuracy on straight copy. Instruction will include the alphabetic keys, numeric keys, and special symbol keys. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

CBIS 64  BUSINESS AND LEGAL TRANSCRIPTION  
3 Units  
Lecture:  2 hours; Lab:  3 hours  
Prerequisite:  Computer and Business Information Systems 60 with a “C” grade or better  

Development of a marketable skill in the transcription of verbal information to an appropriate written format. Business communication skills will be enhanced by listening to dictation and transcribing information accurately. Transcription techniques and writing skills necessary to prepare proper business documents will be applied using word processing applications. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

CBIS 65  ELECTRONIC CALCULATIONS  
1.5 Units  
Lecture:  1 hour; Lab:  1.5 hours
Study of math procedures and drill on the operation of the electronic printing calculator and the electronic display calculator. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

CBIS 66      OFFICE ADMINISTRATION
3 Units
Lecture: 3 hours
Prerequisite: Computer and Business Information Systems 60 with a “C” grade or better or equivalent experience
*Also available online*

Topics include organization concepts, skills and procedures; traditional and electronic information resources; decision making and communications systems. Office simulation may be included. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

CBIS 74      INFORMATION MANAGEMENT APPLICATIONS
1.5 Units
Lecture: 1 hour; Lab: 1.5 hours
Recommended: Working familiarity with Windows
*Also available online*

Instruction in the use of Microsoft Outlook, a personal information management program used to communicate with others, schedule appointments and tasks, record information about personal and business contacts, and organize files. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

CBIS 77      MEDICAL TRANSCRIPTION
3 Units
Lecture: 2 hours; Lab: 3 hours
Recommended: Ability to type 40 words per minute

Development of a marketable skill in producing documents, and other types of medical communications through listening to dictation tapes. Emphasis on excellence in keying and proficiency in the use of medical terminology and English skills: spelling, grammar, and punctuation. May be taken as Allied Health 77 - credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

CBIS 82      OCCUPATIONAL WORK EXPERIENCE IN COMPUTER AND BUSINESS INFORMATION SYSTEMS
1-8 Units
*Also available as a hybrid course*

See Cooperative Work Experience Education listing.

**COMPUTER AND INFORMATION SCIENCE (CSIS)**

CSIS 1     COMPUTER CONCEPTS
4 Units
Lec: 3 hours; Lab: 3 hours
Previously CBIS 1
*Also available online*

Overview of computer technology, theory, and concepts for multidisciplinary majors. Introduction to micro-computer and super-computer terminology including history, societal impact, and peripherals. Functions and capabilities of word processors, spreadsheets, databases and graphics are covered through lecture, discussion, and hands-on assignments. Concepts include types of software and hardware, data structure and management, communications and network fundamentals, and an introduction of basic programming language.

Grades. Option (A-F), P/NP. Degree Applicable Credit. Major and Gen Ed Applicable. CSU

**COOPERATIVE WORK EXPERIENCE EDUCATION (COOP)**

COOP 80     INTRODUCTION TO EMPLOYMENT
1 Unit
Lecture: 1 hour

Exploration of employer expectations and on-the-job problems. Applications, interviews, personality assessment and human relations. Grades: P/NP. Degree Applicable Credit.

COOP 82     OCCUPATIONAL WORK EXPERIENCE
1-8 Units depending on whether student enrolls under parallel or alternate plan.
Activity: 75 hours of paid work per unit of credit or 60 hours of volunteer work per unit of credit (Title 5, Section 55256.5)

Prerequisite: Enrollment each semester in one of the following vocational fields: Accounting, Administration of Justice, Air Conditioning (HVAC) Allied Health, Auto Mechanics Technology, Building Construction Trades Technology, Business Administration, Child Development, Computer and Business Information Systems, Cosmetology, Culinary, Drafting, Electrical Technology, Electronics, Fire Technology, Logistics/Warehousing, Management, Photography, Real Estate, Theatre Arts, or Welding Also available as a hybrid course

Designed to coordinate the student’s occupational on-the-job training with related instruction in work related skills. Determination of the appropriate work experience is made by the instructor, with input from the student, based upon several factors, including the number of hours worked during the semester, occupational program requirements, and type of work in which the student is involved. Student must have a position, paid or non-paid, available. A maximum of eight credits may be earned in occupational work experience education during one enrollment period for a total of 16 semester units (Title 5, Section 55253) Grades: P/NP. Degree Applicable Credit. CSU

COSMETOLOGY (COSM)

COSM 50A BEGINNING COSMETOLOGY 6 Units
Lecture: 36 hours total
Lab: 216 hours total

Beginning Cosmetology (COSM 50A) is an introduction to the basic fundamentals of cosmetology. Theory in rules, regulations, and sanitation, professional image, bacteriology, basic procedures of draping, shampooing, and wet hairstyling are taught by lecture and demonstration with supervised work practice. In order to meet state requirements for testing, students must have a high school diploma or its equivalent (GED) or have completed 10th grade and passed an ability to benefit (ATB) and be at least 17 years old. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

COSM 50B BEGINNING COSMETOLOGY 6 Units
Lecture: 30 hours total
Lab: 199.5 hours total

Prerequisite: Cosmetology 50A with a “C” grade or better

Beginning Cosmetology (COSM 50B) is a continuation of basic fundamentals of cosmetology. Theory in rules, regulations, and sanitation, professional image, bacteriology, basic procedures of draping, shampooing, haircutting, thermal iron techniques, and hair augmentation are taught by lecture and demonstration with supervised work practice. In order to meet state requirements for testing students must have a high school diploma or its equivalent (GED) or have completed 10th grade and passed an ability to benefit (ATB) and be at least 17 years old. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.
COSM 50C  BEGINNING COSMETOLOGY  
6 Units  
Lecture: 30 hours total  
Lab: 199.5 hours total  
Prerequisite: Cosmetology 50B with a “C” grade or better  

Beginning Cosmetology (COSM 50C) is completion to basic fundamentals of cosmetology. Theory in rules, regulations, and sanitation, professional image, bacteriology, basic procedures of draping, shampooing, permanent waving and hair coloring are taught by lecture and demonstration with supervised work practice. In order to meet state requirements for testing, students must have a high school diploma or its equivalent (GED) or have completed 10th grade and passed an ability to benefit (ATB) and be at least 17 years old. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

COSM 51A  INTERMEDIATE COSMETOLOGY  
6 Units  
Lecture: 30 hours total  
Lab: 199.5 hours total  
Prerequisite: Cosmetology 50C with a “C” grade or better  

Intermediate Cosmetology (COSM 51A) Intermediate studies of cosmetology. Theory in nail growth, structure, diseases and disorders. Nail technology including manicuring/pedicuring, wraps, acrylic (methacrylate), tips, and gel nails are taught by lecture and demonstration with supervised work under instructor on clients. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

COSM 51B  INTERMEDIATE COSMETOLOGY  
6 Units  
Lecture: 30 hours total  
Lab: 199.5 hours total  
Prerequisite: Cosmetology 51A with a “C” grade or better  

Continuation of Cosmetology 51 sequence. Theory in cells, anatomy, physiology, and chemistry. Basic facials, acne facials, facials with scrubs, dermal light treatments, hair removal, and makeup procedures. Practice all salon industry techniques learned in 50 sequence; working under instructor supervision on clients and doll heads. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

COSM 51C  INTERMEDIATE COSMETOLOGY  
6 Units  
Lecture: 30 hours total  
Lab: 199.5 hours total  
Prerequisite: Cosmetology 51B with a “C” grade or better  

COSM 52  ADVANCED COSMETOLOGY  
6 Units  
Lecture: 32 hours total  
Lab: 192 hours total  
Prerequisite: Cosmetology 51C with a “C” grade or better  

Completion of all Cosmetology theory hours and all practical operations required for state board testing. Timed practice for state board testing. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

COSM 82  OCCUPATIONAL WORK EXPERIENCE IN COSMETOLOGY  
1-8 Units  
Also available as a hybrid course  
See Cooperative Work Experience Education listing.

DRAMA  
See Theatre Arts
ECONOMICS (ECON)

ECON 1  PRINCIPLES OF ECONOMICS (MACRO)
3 Units
Lecture: 3 hours
Also available online

ECON 2  PRINCIPLES OF ECONOMICS (MICRO)
3 Units
Lecture: 3 hours
Also available online

ECON 5  PERSONAL FINANCIAL PLANNING
3 Units
Lecture: 3 hours
Also available online
Management of personal and family economic affairs. Budgeting, money management, and commercial record keeping. The principles of good buying, analysis of advertising, insurance and investment planning, taxation and consumer protection. The American economic system and citizenship responsibilities in this system. May be taken as Accounting 5 – credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. CSU

EDUCATION (EDUC)

EDUC 150  TUTORIAL SUPPORT
0 Units
Activity: 1-200 hours
Tutoring assistance in academic and vocational subjects. Assists students in mastery of subject matter and improvement of study skills necessary for academic success and retention. Supervised tutoring provided through individual, and/or small group sessions, CD Rom, or lab settings. Students may enroll in course up to 200 hours. Open Entry/Open Exit. Non Degree/Non Credit. Students are encouraged to sign up each semester. Weekly hours by arrangement.

EDUC 151  INTRODUCTION TO TUTORING
1 Units
Lec/activity: 18 hours
Explores theories of learning and communication with practical applications to tutorial contexts. Emphasis on tutoring students from diverse backgrounds with focus on psychological and social factors fundamental to learning, orientation to materials and resources, and development of effective interpersonal skills. Open Entry/Open Exit. Non Degree/Non Credit. Weekly hours by arrangement.

ELECTRICAL TECHNOLOGY (ELCT)

ELCT 61A  INTRODUCTION TO PHOTOVOLTAIC SYSTEMS
1 Unit
Lecture: 18 hours
Introduces Photovoltaic (PV) systems, the direct conversions of solar energy into electricity. Give students an understanding of solar radiation, as it relates to the design of a functional renewable energy resource (photovoltaics). Grades: Option (A-F), P/NP.
ELCT 61B  SOLAR SITE SURVEY AND PERMITTING
1 Unit
Lecture: 18 hours
Also available online
Course will enable the student to understand the requirement for the design and installation of a solar system, including the system elements required, configuration, permitting and final inspection of the completed installation. Grades: (A-F), P/NP.

ELCT 61C  SOLAR CELLS, MODULES AND ARRAYS
1 Unit
Lecture: 18 hours
Also available online
This course will introduce the student to the mechanical components required for a PV system, including; Solar cells, modules, arrays, battery back-up, and charging controls. Grades: Option (A-F), P/NP.

ELCT 61D  ELECTRICAL INVERTORS AND SYSTEM SIZING
2 Units
Lecture: 36 hours
Prerequisite: ELCT 70 E with a “C” grade or better.
Introduce the student to electrical invertors, including; sizing of the invertor, electrical integration with the grid, and commissioning of the system. Grades: Option (A-F), P/NP.

ELCT 61E  PHOTOVOLTAIC SYSTEM PERFORMANCE & TROUBLESHOOTING
2 Units
Lecture: 36 hours
Lab: 54 hours
Prerequisite: ELCT 61D with a “C” grade or better.
This course is designed for the student to get hands on experience working with Photovoltaic system, including system installation, troubleshooting and commissioning.

ELCT 70A  ELECTRICAL SAFETY AND HAND BENDING
1 Unit
Lecture: 1 hour
Also available online
Safety rules as applied to handling and working with electrical systems and circuits. Precautions to take for various electrical hazards found on the jobsite and required OSHA mandated lockout/tag out procedure. Methods and procedures used in cutting, bending, and reaming conduit. Grades: Option (A-F). Degree Applicable Credit.

ELCT 70B  FASTENERS AND ELECTRICAL THEORY
1 Unit
Lecture: 1 hour
Also available online
Applications and installation procedures for various types of fasteners and anchors. Basic electrical theory. Circuit calculations involving the application of Ohm’s and Kirchoff’s laws. Grades: Option (A-F). Degree Applicable Credit.

ELCT 70D  INTRODUCTION TO ELECTRICAL BLUEPRINTS AND RESIDENTIAL AND COMMERCIAL WIRING
1 Unit
Lecture: 1 hour
Recommended: Electrical Technology 70C with a “C” grade or better
Also available online
Electrical blueprint reading, including the interpretation of various types of scales, drawings, schedules, and specifications. Various types of switches and receptacles used in residential, commercial, and industrial wiring, along with their basic installation procedures and NEC requirements. Grades: Option (A-F). Degree Applicable Credit.
ELCT 70E  ELECTRICAL LEVEL ONE PERFORMANCE TESTING

1 Unit
Lab: 3 hours
Prerequisite: Electrical Technology 70A, 70B, 70C & 70D with a “C” grade or better

Opportunity to demonstrate the skills learned in the classroom under the guidance of journeyman and/or qualified personnel on the jobsite. Grades: Option (A-F). Degree Applicable Credit.

ELCT 72A  ALTERNATING CURRENT, MOTORS, AND GROUNDING

2 Units
Lecture: 2 hours
Prerequisite: Electrical Technology 70A, 70B, 70C & 70D with a “C” grade or better
Recommended: Electrical Technology 70E with a “C” grade or better
Also available online

Principles of alternating current and operation and applications of various types of motors. Grades: Option (A-F). Degree Applicable Credit.

ELCT 72D  CIRCUIT BREAKERS, FUSES, CONTACTORS, RELAYS, AND ELECTRICAL LIGHTING

1 Unit
Lecture: 1 hour
Prerequisite: Electrical Technology 70A, 70B, 70C & 70D with a “C” grade or better
Recommended: Electrical Technology 72C with a “C” grade or better
Also available online

Methods and procedures used in selection and installation of circuit breakers, fuses, contactors, and relays. Methods and procedures used in the installation of different types of lamps and lighting fixtures. Grades: Option (A-F). Degree Applicable Credit.

ENGLISH (ENGL)

ENGL 1A  ENGLISH COMPOSITION AND READING

3 Units
Lecture: 3 hours
Prerequisite: English 50 with a “C” grade or better or assessment recommendation for English 1A
Also available online

English composition and reading using descriptive, narrative, expository, argumentative, essay and research techniques. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU

ENGL 1B  INTRODUCTION TO LITERATURE

3 Units
Lecture: 3 hours
Prerequisite: English 1A with a “C” grade or better
Also available online

ENGL 1C  CRITICAL THINKING AND COMPOSITION

3 Units
Lecture: 3 hours
Prerequisite: English 1A with a “C” grade or better
Also available online

Reading and evaluation of English prose in a critical and logical way. The emphasis will be on critical analysis and research as well as the student’s development of effective written arguments. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU

EMERGENCY MEDICAL TECHNICIAN

See Allied Health 55 A & B and 62 A & B
ENGL 2  SURVEY OF ENGLISH LITERATURE

3 Units
Lecture: 3 hours
Prerequisite: English 1A with a “C” grade or better
Also available online

Reading and critical analysis of 8th through 17th Century English literature. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ENGL 3  SURVEY OF ENGLISH LITERATURE

3 Units
Lecture: 3 hours
Prerequisite: English 1A with a “C” grade or better
Also available online

Continuation of English 2 covering representative works in 18th through 20th century English literature. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ENGL 4  INTRODUCTION TO SHAKESPEARE

3 Units
Lecture: 3 hours
Prerequisite: English 1A with a “C” grade or better
Also available online

Reading, analysis and discussion of representative Shakespearean comedies, histories, tragedies and poems. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ENGL 5  INTRODUCTION TO CHILDREN’S LITERATURE

3 Units
Lecture: 3 hours
Prerequisite: English 50 with a “C” grade or better
Recommended: English 1A with a “C” grade or better

Survey of historical and cultural development of children’s literature. Course will use critical approaches to analyzing themes, genres and evolution of literature. This course will introduce students to a wide range of children’s literature with the goal of inspiring appreciation of the literature and an understanding of the cultural effects on young readers. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. CSU

ENGL 6  BIBLE AS LITERATURE

3 Units
Lecture: 3 hours
Also available online

Introduction to the literature of the Bible, including the Apocrypha. A study of the literary and human dimension of scripture through selected readings in English from the various books of the Old and New Testaments and the Apocrypha. May be taken as Religious Studies 5 - credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ENGL 7  CREATIVE WRITING

3 Units
Lecture: 3 hours
Prerequisite: English 1A with a “C” grade or better
Also available online

An introductory course to the creative writing process in which students produce a body of creative fiction: poetry, short story and drama. Grades. Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis Applicable. UC/CSU. Non-Repeatable.

ENGL 11  GRAPHIC NOVEL AS LITERATURE

3 Units
Lecture: 3 hours
Prerequisite: Eligibility for English 1A
Advisory: English 1A with a “C” grade or better
Also available online

An introduction to the graphic novel as a literary form. Course will cover the evolution of sequential art through the present, focusing on themes of autobiography, biography, identity, society, culture, history, and intertextuality. The course will also include visual analysis necessary for understanding the medium and the formation of literary canon. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. CSU

</table>
ENGLISH AS A SECOND LANGUAGE (ESL)

ESL 102  FUNDAMENTALS OF ESL READING
3 Units
Lecture 3 hours
Prerequisite: ESL 192 with a “P” grade or assessment recommendation for ESL 102

This intermediate ESL course focuses on the development of fundamental reading and vocabulary building skills. Through access to intermediate personal, academic, and vocational texts, emphasis is on developing general comprehension, identifying main ideas and significant details, distinguishing fact from opinion, and building reading and vocabulary building strategies. Grade: P/NP. Non Degree Applicable.

ESL 104  FUNDAMENTALS OF ESL WRITING
3 Units
Lecture: 3 hours; Lab 1 hour
Prerequisite: ESL 192 with a “P” grade or assessment recommendation for ESL 104.

This low-intermediate ESL course focuses on the development of fundamental grammar and writing skills. Course emphasis is on sentence structure, verb tenses, questions, mechanics, and paragraph development. Students will explore social, vocational, and academic topics as they learn to develop and connect their ideas. Grades: P/NP. Non Degree Applicable.

ESL 106  FUNDAMENTALS OF ESL ORAL COMMUNICATION
3 Units
Lecture 3 hours
Prerequisite: ESL 192 with a “P” grade or assessment recommendation for ESL 106

This intermediate ESL course focuses on the development of fundamental oral communication skills. Course emphasis is on conversation, small and whole group discussions, short informal speeches, and listening comprehension. Students will explore social, vocational, and academic topics. Grade: P/NP. Non Degree Applicable.

ESL 107  PRONUNCIATION OF AMERICAN ENGLISH
3 Units
Lecture: 3 hours; Lab 1 hour
Prerequisite: ESL 106 with a “P” grade or assessment recommendation for ESL 107

This course provides intensive instruction in the oral production of American English, targeted to intermediate and advanced ESL students. Course emphasis is on speaking and pronunciation skills to improve fluency and clarity of the sounds common to American English. Topics include sound systems of consonants and vowels, pitch and intonation patterns, rhythm and phrasing, and sound reductions. Grades: P/NP. Non Degree Applicable.

ESL 112  INTERMEDIATE ESL READING
3 Units
Lecture: 3 hours
Prerequisite: Assessment recommendation for ESL 112 or successful completion of ESL 102

This high intermediate ESL course focuses on the continued development of reading and vocabulary building skills. Students read high-intermediate personal, academic, literary, and vocational texts. Course emphasis is on independent reading, strengthening comprehension, analysis of main ideas and significant details, response to facts and opinions, and reading and vocabulary strategy enrichment. Grade: P/NP. Non Degree Applicable.

ESL 114  INTERMEDIATE ESL WRITING
3 Units
Lecture 3 hours; Lab 1 hour
Prerequisite: ESL 104 with a “P” grade or assessment recommendation for ESL 114

This high-intermediate ESL course focuses on the continued development of grammar and writing skills. Course emphasis is on the writing process, paragraph development and organization, purpose, audience, and sentence types. Students will explore social, vocational, and academic topics as they assert and connect their ideas. Grade: P/NP. Non Degree Applicable.
ESL 116  INTERMEDIATE ESL ORAL COMMUNICATION

3 Units
Lecture 3 hours
Prerequisite: ESL 106 with a “P” grade or assessment recommendation for ESL 116

This high-intermediate ESL course focuses on the continued development of oral communication skills. Course emphasis is on building fluency in conversations, small and whole group discussions, short informal speeches, beginning note taking, and listening comprehension. Students will continue to explore social, vocational, and academic topics.

Grades: Grade: P/P. Non Degree Applicable.

ESL 122  ADVANCED ESL READING

3 Units
Lecture 3 hours
Prerequisite: ESL 112 with a “P” grade or assessment recommendation for ESL 122

This advanced ESL course focuses on the continued development of reading and vocabulary building skills. Students read advanced personal, academic, literary, and professional texts. Course emphasis is on independent reading, strengthening comprehension, evaluation of main ideas and significant details, analysis and evaluation of facts and opinions, search for bias, and reading and vocabulary strategy enrichment.

Grade: P/NP. Non Degree Applicable.

ESL 124  ADVANCED ESL WRITING

3 Units
Lecture 3 hours; Lab 1 hour
Prerequisite: ESL 114 with a “P” grade or assessment recommendation for ESL 124

This advanced ESL course focuses on essay writing. Course emphasis is on the writing process, essay development and organization, purpose, audience, and sentence types. Students will explore social, vocational, literary, and academic topics as they assert and connect their ideas.

Grades: P/NP. Non Degree Applicable.

ESL 126  ADVANCED ESL ORAL COMMUNICATION

3 Units
Lecture 3 hours
Prerequisite: ESL 116 with a “P” grade or assessment recommendation for ESL 126

This low-advanced ESL course focuses on the development of oral communication skills in academic and professional settings. Students listen and respond to lectures, presentations, and discussions on advanced academic, literary, and professional topics. Course emphasis is on critical discussions, strengthening of comprehension and fluency, analysis of main ideas and details, analysis and evaluation of facts and opinions, search for bias, effective note taking strategies, and vocabulary enrichment.

Grade: P/NP. Non Degree Applicable.

ESL 132  BRIDGE TO ACADEMIC READING

3 Units
Lecture 3 hours
Prerequisite: ESL 122 with a “P” grade or assessment recommendation for ESL 132

This high-advanced ESL course is designed to prepare students for college-level coursework. Through the reading and analysis of academic and literary texts, students will build their reading comprehension and fluency in English. Study and research skills are also covered in this course.

Grade: P/NP. Non Degree Applicable.

ESL 134  BRIDGE TO ACADEMIC WRITING

3 Units
Lecture: 3 hours; Lab: 1 hour
Prerequisite: ESL 124 with a “P” grade or assessment recommendation for ESL 134

This high-advanced ESL course focuses on essay structure and development. Course emphasis is on developing thesis statements, building paragraphs into essays, refining approach to the writing process, purpose, audience, and advanced sentence production. Students will respond to social, professional, literary, and academic texts as they assert and connect their ideas. Prepares the student for college-level coursework.

Grades: P/NP. Non Degree Applicable.
ESL136  
**BRIDGE TO ACADEMIC ORAL COMMUNICATION**

3 Units  
Lecture 3 hours  
Prerequisite: ESL 126 with a “P” grade or assessment recommendation for ESL 136

This high-advanced ESL course focuses on the expansion of oral communication skills in academic and professional settings. Students listen and respond to lectures, presentations, and discussions on advanced academic, literary, and professional topics. Course emphasis is on critical discussion, strengthening of comprehension and fluency, evaluation of presented ideas, analysis of bias, expanding effective note-taking strategies, and vocabulary enrichment. Designed to prepare students for degree applicable courses. Grades: P/NP. Non Degree Applicable.

ESL 190  
**DEVELOPING LITERACY**

0 Units  
Lecture: 4 hours; Lab: 1 hour

Beginning course in English as a Second Language that focuses on developing literacy. This course focuses on survival English skills through building vocabulary and developing speaking, listening, reading, and writing skills. Students are introduced to common practices in the American classroom and norms of social exchanges in the United States. This course, in conjunction with ESL 192, will prepare students for credit courses in ESL. Grade: Credit/No Credit (CR/NC). Non Credit. Non Degree Applicable.

ESL 192  
**EXPANDING FOUNDATIONS IN ESL**

0 Units  
Lecture: 4 hours; Lab 1 hour  
Prerequisite: ESL 190 with a “P” grade or assessment recommendation for ESL 192

English as a Second Language that focuses on expanding the foundations of literacy. This course continues to build on the use of language in everyday contexts through focus on vocabulary development, pronunciation, speaking practice, listening comprehension, and fundamental reading and writing skills. This course, in conjunction with ESL 190, is designed to prepare students for credit ESL coursework. Grade: Credit/No Credit. Non Credit. Non Degree Applicable.

**ETHNIC STUDIES (ETHN)**

ETHN 1  
**INTRODUCTION TO ETHNIC STUDIES**

3 Units  
Lecture: 3 hours  
*Also available online*

Introduction to ethnicity in the United States with emphasis on major ethnic minorities. Focus on ancestral, religious, linguistic and cultural differentiation. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ETHN 4  
**LATINO STUDIES**

3 Units  
Lecture: 3 hours  
*Also available online*

**GEOGRAPHY (GEOG)**

GEOG 1  
**INTRODUCTION TO PHYSICAL GEOGRAPHY**

4 Units  
Lecture: 3 hours; Lab: 3 hours

An introduction to the physical world we live in, focusing on a global understanding of earth-sun relationships, seasonal change, storms and weather processes, climate and its influence on vegetation, soils, water, and landforms. The lab includes the interpretation of geographic information from maps, graphs, and field observations. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU
GEOG 2  INTRODUCTION TO CULTURAL GEOGRAPHY
3 Units
Lecture: 3 hours
A study of the world’s cultural landscape, focusing on an understanding of population dynamics, migration, agriculture, industrialization, urbanization, and religious, economic, and political patterns. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

GEOL 1L  PHYSICAL GEOLOGY
4 Units
Lecture: 3 hours; Lab: 3 hours
Introduction to the science of the earth with emphasis on: minerals and rocks, plate tectonics, volcanic activity, earthquakes, geologic processes which shape the earth’s surface, and structure of the earth. The lab includes the identification of common rocks and minerals and the interpretation of geologic features from maps, aerial photos, and field observations. One day field trip required. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

GEOL 2  GEOLOGY OF CALIFORNIA
3 Units
Lecture: 3 hours
An introduction to the development of California’s varied landscape with emphasis on the geologic features of the state and their relationship to large-scale crustal movement (plate tectonics) of western North America. Special consideration will be given to the occurrence and distribution of earthquakes in the state. One-day field trip required. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

GEOL 3  NATURAL DISASTERS
4 Units
Lecture: 3 hours; Lab: 3 hours
A study of the inter-relationship between man and his geologic environment, focusing on the causes and consequences of such natural hazards as earthquakes, volcanic eruptions, landslides, and flooding. The lab includes the interpretation and investigation of geologic hazards from topographic maps and field observations. One-day field trip required. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

GEOL 4  THE AGE OF DINOSAURS
3 Units
Lecture: 3 hours
Also available online
The historical geology and paleontology of the Mesozoic era including dinosaur evolution, ecology, lifestyles, habitat and extinction. Current controversies in dinosaur research will also be discussed. One day field trip required. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HEAL 1  HEALTH EDUCATION
3 Units
Lecture: 3 hours
Also available online
Introduction to health topics which include: health care systems; substances including alcohol, tobacco, caffeine, narcotics and other drugs; ecology; birth to death cycle; self-awareness; effective consumer practices; nutrition, physical conditioning. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major and Gen Ed Applicable. UC/CSU

HEAL 1L  HEALTH EDUCATION
3.5 Units
Lecture: 3 hours
Lab: 9 hours total
Introduction to health topics which include: health care systems; substances including alcohol, tobacco, caffeine, narcotics and other drugs; ecology; birth to death cycle; self-awareness; effective consumer practices; nutrition, physical conditioning and CPR. This course fulfills the teaching credential requirements. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU
HEAL 2  NUTRITION
3 Units
Lecture: 3 hours
Also available online
Fundamentals of nutrition, roles of proteins, fats, carbohydrates, vitamins, minerals and water in the human body. Food choices, nutritional needs, energy and body weight. May be taken as Home Economics 2 - credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major and Gen Ed Applicable. UC/CSU

HEAL 7  HEALTH AND BODY IMAGE
3 Units
Lecture: 3 hours
Also available online
An introduction to cultural beauty standards and how it affects our physical, mental, and emotional health. Emphasis on the history of physical ideals, eating disorders, and media influence, including activities to enhance a healthy body image. May be taken as Theatre Arts 7 – credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. CSU

HISTORY (HIST)

HIST 1A  SURVEY OF WESTERN CIVILIZATION
3 Units
Lecture: 3 hours
Also available as online
Political, cultural and philosophical development of western civilization from the origins of civilization to Renaissance. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HIST 1B  SURVEY OF WESTERN CIVILIZATION
3 Units
Lecture: 3 hours
Also available online
Political, cultural and philosophical development of western civilization from the Renaissance to the present. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HIST 2A  SURVEY OF U.S. HISTORY
3 Units
Lecture: 3 hours
Also available online
Development of the United States from the founding of the colonies through the Reconstruction Period. This course includes an in-depth study of the U.S. Constitution. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HIST 2B  SURVEY OF U.S. HISTORY
3 Units
Lecture: 3 hours
Also available online
Political, economic, and social development of the United States since the end of the Civil War. Foreign policy and America's part in the international arena of the 20th Century. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HIST 3  HISTORY OF MEXICO
3 Units
Lecture: 3 hours
Social, economic and political history of Mexico from pre-Columbian period to the present. Structure of Mexico's development and its position in the world community. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HIST 4  THE UNITED STATES IN THE TWENTIETH CENTURY
3 Units
Lecture: 3 hours
Economic, political and social problems faced by the United States. Historic causes and future trends. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU
HIST 5  HISTORY OF CALIFORNIA
3 Units
Lecture:  3 hours
Also available online
History of California from the Ice Age to the present. Early Man, historic Indians, Spanish and Mexican occupations, American trappers and the 49ers, and developments which make it a unique state. One Saturday field trip required. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HIST 7  UNITED STATES MILITARY HISTORY
3 Units
Lecture:  3 hours
Also available online
A survey of U.S. military history from the colonial era to the present day, including the military’s role as an agent of change in society. Diplomatic, cultural, and societal developments will be considered in relation to the military in war and peace. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HIST 8A  WORLD CIVILIZATIONS
3 Units
Lecture:  3 hours
Also available online
World Civilizations 8A surveys world history from the dawn of humans to the 14th century. The course will emphasize major forces, trends, and developments that have shaped human history. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HIST 8B  WORLD CIVILIZATIONS
3 Units
Lecture:  3 hours
Also available online
World Civilizations 8B surveys world history from the 14th century to the present. The course will emphasize major forces, trends and developments that have shaped human history. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HIST 12  THE VIETNAM WAR
3 Units
Lecture:  3 hours
Also available online
The history of the Vietnam War to include the roots of American involvement, military campaigns, Vietnamization, and U.S. policy before, during and after the war. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HOME ECONOMICS (HOME)

HOME 2  NUTRITION
3 Units
Lecture:  3 hours
Also available online
Fundamentals of nutrition, roles of proteins, fats, carbohydrates, vitamins, minerals and water in the human body. Food choices, nutritional needs, energy and body weight. May be taken as Health 2 - credit granted for one course only. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. UC/CSU (Cross-listed with HEAL 2)

HUMANITIES (HUMA)

HUMA 1  HUMANITIES THROUGH THE ARTS
3 Units
Lecture:  3 hours
Also available online
Introduction to the humanities through study of the elements and historical significance of films, drama, music, literature, painting, sculpture, and architecture. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

HUMA 4  SURVEY OF FILM
3 Units
Lecture:  3 hours
Major films, including classics, from 1900 to the present, will be viewed and discussed. Director's techniques, cinematography, filmic means, and grammar of film, philosophy, and literary value will
be studied. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**HUMA 5**  MULTI-CULTURAL MYTHOLOGY  
3 Units  
Lecture: 3 hours  
*Also available online*

An introductory survey course in comparative mythology. Students will read, discuss, and write about basic myths as they have appeared in different civilizations. Basic myths, such as those dealing with creation, earliest times, the flood, tales of love, tales of heroes, journeys to other worlds, and some examination of the concept of myth itself and its values in today's society will be explored. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**INDUSTRIAL MAINTENANCE MECHANIC TECHNOLOGY (IMMT)**

**IMMT 60**  FUNDAMENTALS OF INDUSTRIAL MAINTENANCE MECHANICS  
1 Unit  
Lec: 1 hour  
Designed to give the students the fundamental tools necessary to increase success in the workforce. Covered in this course are orientation to the trade, tools of the trade, fasteners and anchors, and introduction to test instruments. Grades: Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

**IMMT 62**  OXYFUEL CUTTING  
1 Unit  
Lec: 1 hour  
Designed to give the student the fundamental skills necessary to use oxyfuel cutting equipment safely. Grades: Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

**IMMT 64**  CRAFT RELATED QUANTITATIVE SKILLS  
1 Unit  
Lec: 1 hour  
Designed to give the student the fundamental quantitative skills commonly used by industrial maintenance mechanics. Grades: Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

**IMMT 66**  CONSTRUCTION DRAWINGS  
1 Unit  
Lec: 1 hour  
Designed to give the student the fundamental skills to read commonly used blueprints by industrial maintenance mechanics. Grades: Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

**IMMT 68**  GASKETS, PACKING, DRIVERS, VALVES, AND LUBRICATION  
1 Unit  
Lec: 1 hour  
Designed to give the student the fundamental skills in gaskets, packing, pumps, drivers, valves, and lubrication used industrial maintenance mechanics. Grades: Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

**IMMT 69**  MATERIAL, HANDLING, HAND RIGGING, MOBILE AND SUPPORT EQUIPMENT  
1.5 Unit  
Lec: 1.5 hours  
Designed to give the student the fundamental skills in material handling, hand rigging, mobile and support equipment used industrial maintenance mechanics. Grades: Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.
IMMT 70  BASIC LAYOUT
1 Unit  
Lec:  1 hour
Designed to give the student the fundamentals skills necessary to do basic layout on the jobsite. Covered in this course are layout tools, basic layout including scribing, and using quantitative skills required in layouts. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 71  INTRODUCTION TO PIPING
1 Unit  
Lec:  1 hour
Designed to give the student the fundamental skills necessary to work with various types of piping on the jobsite. Covered in this course are copper and plastic piping and introduction to ferrous metal piping. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 73  IDENTIFY, INSTALL, AND MAINTAIN VALVES
1 Unit  
Lec:  1 hour
Designed to give the student the fundamental skills necessary to work with various types of valves, and perform basic hydrostatic and pneumatic testing on the jobsite. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 74  INTRODUCTION TO BEARINGS
1 Unit  
Lec:  1 hour
Designed to give the student the fundamental skills necessary to work with various types of bearings on the jobsite. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 75  INTRODUCTION TO STEAM SYSTEMS
2 Units  
Lec:  2 hours
Designed to give the student the fundamental skills necessary to work with various types of steam systems commonly found on the jobsite. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 76  DISTILLATION TOWERS AND VESSELS
1 Unit  
Lec:  1 hour
Designed to give the student the fundamental skills necessary to work with various types of distillation towers and vessels commonly found on the jobsite. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 77  HEATERS, FURNACES, HEAT EXCHANGERS, COOLING TOWERS, AND FIN FANS
2 Units  
Lec:  2 hours
Designed to give the student the fundamental skills necessary to work with various types of heaters, furnaces, heat exchangers, cooling towers, and fin fans commonly found on the jobsite. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 80A  E & I HAZARDOUS LOCATIONS
2 Units  
Lec:  1.5 hours  Lab:  1.5 hours
Prerequisite:  E & I Level I
May be repeated two times with a grade less than “C”.
Designed to give the student the fundamental skills necessary to understand alternative current. Covered in this course are calculations used for AC waveforms, resistive and inductive AC circuits, and various types of AC circuits. Grade Option (A-F), P/NP, Non-Credit. Degree Applicable Credit. Area of emphasis applicable.
IMMT 80B  E & I Test Equipment
1 Unit
Lecture: .75
Lab: .25
Prerequisite E&I Level I
May be repeated two times with a grade of less than “C”.
Designed to give the student the fundamental skills necessary to use testing equipment used in the field covered in his course are test instruments, troubleshooting, meter polarity, reading and converting scales, use of a frequency meter, and use of digital and analog meters. Grade Options (A-F), P/NP, Non-Credit. Degree Applicable Credit. Area of Emphasis.

IMMT 80C  Flow, Pressure, Level & Temperature
1 Unit
Lecture: .75
Lab: .25
Prerequisite E&I Level I
May be repeated two times with a grade of less than “C”.
Designed to give the student the fundamental skills necessary to understand various measurements used in the field Covered in this course are flow, pressure, level, and temperature. Grade Options (A-F), P/NP, Non-Credit. Degree Applicable Credit. Area of Emphasis.

IMMT 80D  Process Quantitative Skills
2 Unit
Lec: 1.5 hours Lab: 1.5 hours
Prerequisite: E & I Level I
May be repeated two times with a grade less than “C”.
Designed to give the student the fundamental skills necessary to perform various mathematical operations used in the field. Covered in this course are basic mathematical operations necessary in instrumentation, pressure measurement, and factor conversion. Grade Options (A-F), P/NP, Non-Credit. Degree Applicable Credit. Area of Emphasis.

IMMT 80E  Tubing Installation and Testing
2 Units
Lec: 1.5 hours Lab: 1.5 hours
Prerequisite: E & I Level I
May be repeated two times with a grade of less than “C”.
Designed to give the student the fundamental skills necessary to perform various mathematical operations used in the field. Covered in this course are basic mathematical operations necessary in instrumentation, pressure measurement, and factor conversion. Grade Options (A-F), P/NP, Non-Credit. Degree Applicable Credit. Area of Emphasis.

IMMT 80F  Introduction to Instrument Drawings & Documents
2 Units
Lec: 1.5 hours Lab: 1.5 hours
Prerequisite E&I Level I
May be repeated two times with a grade of less than “C”.
Designed to give the student the fundamental skills necessary to extract and use information found on drawings and documents commonly used in the field. Covered in this course are standard Instrument Society of America (ISA) instrument symbols and abbreviations, instrument indexes, general instrument specifications, general notes and details, installation detail drawings, and location drawings. Grade Options (A-F), P/NP, Non-Credit. Degree Applicable Credit. Area of Emphasis.

IMMT 90A  E & I HAZARDOUS LOCATIONS
.5 Unit
Lec: .5 hour
Prerequisite: E & I Level II
May be repeated two times with a grade less than “C”.
Designed to give the student an understanding of hazardous locations commonly found in the field. Covered in this course are various classifications of hazardous locations, wiring methods permitted, use of seals and drains, wiring methods for Class I, Class II and Class III hazardous locations, and NEC requirements of installing explosion-proof fittings in specific hazardous locations. Grades. Option (A-F),
P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 90B  ELECTRICAL COMPONENTS & DRAWINGS
1 Unit
Lec: 1 hour
Prerequisite: E & I Level II
May be repeated two times with a grade less than “C”.

Designed to give the student and understanding of electrical components and drawings commonly found in the field. Covered in this course are electronic system components of solid-state devices including transistors, diodes, rectifiers, uses, leads, integrated circuits, pin numbers, and logic gates. Additionally, common types of electrical and instrumentation diagrams and drawings including wiring, ladder, one-line, motor controller, P & ID, loop, and raceway diagrams. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 90C  E & I MOTOR CONTROLS
1 Unit
Lec: 1 hour
Prerequisite: E & I Level II
May be repeated two times with a grade less than “C”.

Designed to give the student and understanding of motor controls commonly found in the field. Covered in this course are contactors, relays pilot devices, and motor control wiring. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 90D  E & I DISTRIBUTION SYSTEMS AND TRANSFORMER APPLICATION
2 Units
Lec: 2 hours
Prerequisite: E & I Level II
May be repeated two times with a grade less than “C”.

Designed to give the student an understanding of distribution equipment and transformer applications commonly found in the field. Covered in this course are overcurrent protection, fuses and circuit breakers, switchgear, visual and mechanical inspections, ground faulty relay systems, three-phase transformers, specialty transformers, NEWC requirements, and harmonic derating. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 90E  E & I CONDUCTOR SELECTION & CALCULATIONS APPLICATIONS
2 Units
Lec: 2 hours
Prerequisite: E & I Level II
May be repeated two times with a grade less than “C”.

Designed to give the student an understanding of conductor selection and calculations commonly found in the field. Covered in this course are selection of electrical conductors for specific applications, calculation of voltage drop, NEC regulations, calculate and apply NEC tap rules, conductor sizing, conductor derating, and selection of conductors for various temperature ranges and atmospheres. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 90F  E & I TEMPORARY GROUNDING
2 Units
Lec: 2 hours
Prerequisite: E & I Level II
May be repeated two times with a grade less than “C”.

Designed to give the student an understanding of conductor selection and calculations commonly found in the field. Covered in this course are purpose of temporary grounding, temporary grounding devices requirement, temporary grounding equipment, installation and removal of temporary grounding devices. Grades. Option (A-F), P/NP, Non-Credit. Degree Applicable Credit. Area of Emphasis Applicable.
IMMT 90G  LAYOUT & INSTALLATION OF TUBING & PIPING SYSTEMS
2 Units  
Lec: 2 hours  
Prerequisite: E & I Level II  
May be repeated two times with a grade of less than “C”.

Designed to give the student an understanding of layout & installation of tubing & piping systems commonly found in the field. Covered in this course are scope of the layout, proper methods for routing piping or tubing, application of fitter’s math, cut piping and tubing, accurately bend piping or tubing, installation of various piping, fittings, and tubing supports. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 90H  MACHINE BENDING OF CONDUIT
2 Units  
Lec: 2 hours  
Prerequisite: E & I Level II  
May be repeated two times with a grade of less than “C”.

Designed to give the student an understanding of machine bending of conduit commonly found in the field. Covered in this course are the process of conduit using power tools, parts of electric and hydraulic benders, offsets, kicks, saddles, segmented, and parallel bends, quantitative skills required to end conduit. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 90I  HYDRAULIC AND PNEUMATIC CONTROLS
1 Unit  
Lec: 1 hour  
Prerequisite: E & I Level II  
May be repeated two times with a grade of less than “C”.

Designed to give the student an understanding of hydraulic and pneumatic controls commonly found in the field. Covered in this course are hydraulic system safety, principles of hydraulics devices and symbols and explain their functions, hydraulics systems in a process application, pneumatic system safety, physical characteristics of gases, compressing gases, pneumatic transmission of energy, principles of compressors, compressed air treatment, pneumatic system components and symbols. Grades. Option (A-F), P/NP, Non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

IMMT 90J  MOTOR OPERATED VALVES
1 Unit  
Lec: 1 hour  
Prerequisite: E & I Level II  
May be repeated two times with a grade of less than “C”.

Designed to give the student an understanding of motor operated valves commonly found in the field. Covered in this course are safety regulations associated with motor-operated valves (MOVs), operating principles of various types of MOVs, applications of MOVs, setting up a MOV, removing and replacing a limit switch. Grades. Option (A-F), P/NP, non-credit. Degree Applicable Credit. Area of Emphasis Applicable.

MANAGEMENT (MGMT)

MGMT 1  INTRODUCTION TO MANAGEMENT
3 Units  
Lecture: 3 hours  
Also available online  
Management theory and practice, including the role that planning, organizing, leading, and controlling play in contemporary management. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

MGMT 3  HUMAN RESOURCE MANAGEMENT
3 Units  
Lecture: 3 hours  
Also available online  
Personnel techniques: selection, placement, testing, orientation, training, counseling, merit rating, promotion, transfer, and training for responsibility. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU
MGMT 4  LABOR-MANAGEMENT RELATIONS
3 Units
Lecture: 3 hours
Also available online

MGMT 5  ORGANIZATION AND MANAGEMENT
3 Units
Lecture: 3 hours
Also available online

Examination of supervisor's responsibility for planning, organizing, staffing, directing, controlling, and coordinating activities. Functions of the organization and the supervisor's role in meeting the firm's objectives. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

MGMT 6  PSYCHOLOGY OF MANAGEMENT
3 Units
Lecture: 3 hours
Also available online

Consideration and application of psychological principles basic to good employer/employee relations. Motivational factors in human behavior. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major Applicable. CSU

MGMT 7  SMALL BUSINESS MANAGEMENT
3 Units
Lecture: 3 hours
Also available online

Introduction to management techniques used by small businesses in the free enterprise system. Product ideas, evaluations, planning, start-up problems, structuring, financing, purchasing inventory, location, hiring, business law, taxes, permits, and insurance. Preparation of a comprehensive business plan project. Grades: Option (A-F), P/NP. Degree Applicable Credit. CSU

MGMT 82  OCCUPATIONAL WORK EXPERIENCE IN MANAGEMENT/SUPERVISION
1-8 Units
Also available as a hybrid course

See Cooperative Work Experience Education listing.

MATHEMATICS (MATH)

MATH 1  PRECALCULUS TRIGONOMETRY
4 Units
Lecture: 4 hours
Prerequisite: MATH 55 with a “C” grade or better
Also available online

Fundamental properties of functions; generating inverse functions and reciprocal functions; circular functions, angular measure; trigonometric functions; use of trigonometric functions in solving problems involving triangles; fundamental identities. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. CSU

MATH 2  INTRODUCTION TO STATISTICS
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: MATH 55 with a “C” grade or better
Also available online

Data collection, graphical displays of data, S-Plus software; Minitab, or Excel; descriptive statistics, correlation and regression; design of experiments, basic concepts of probability and sampling distributions; discrete and continuous distributions including normal and t-distribution. Estimation and hypothesis testing small and large samples. The Chi-square goodness and fit test. Students use S-Plus statistical, Minitab, or Excel software with statistical applications. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU
MATH 3  COLLEGE ALGEBRA
3 Units
Lecture: 3 hours
Prerequisite: MATH 55 with a “C” grade or better or assessment recommendation for Mathematics 3
Also available online
Equations and inequalities including quadratic and rational inequalities; functions and graphs including combining functions and inverse functions; Polynomial functions including finding real and complex zeros; Exponential and logarithmic functions; Rational functions including graphing and finding asymptotes; Systems of equations including systems in three variables, partial fractions, and nonlinear systems; Matrices and determinants: Sequences including arithmetic and geometric sequences, and the binomial theorem; Counting principles; Conic sections. Grades: Option (A-F). Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

MATH 4A  ANALYTICAL GEOMETRY AND CALCULUS I
5 Units
Lecture: 5 hours
Prerequisite: Mathematics 1 and Mathematics 3 with a “C” grade or better
Also available online
Limits, continuity, derivatives, applications of the derivative, and the integral. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

MATH 4B  ANALYTICAL GEOMETRY AND CALCULUS II
5 Units
Lecture: 5 hours
Prerequisite: Mathematics 4A with a “C” grade or better
Also available online
Techniques of integration, applications of the integral, sequences and series, conic sections, polar coordinates, vectors and the geometry of space. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

MATH 4C  ANALYTICAL GEOMETRY AND CALCULUS III
5 Units
Lecture: 5 hours
Prerequisite: Mathematics 4B with a “C” grade or better
Also available online
Vector valued functions, partial derivatives, multiple integrals, calculus of vector fields. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

MATH 5  THE IDEAS OF MATHEMATICS
3 Units
Lecture: 3 hours
Prerequisite: Mathematics 55 with a “C” grade or better or assessment recommendation for Mathematics 5
Sets, propositional logic, and their application to topics of discrete mathematics including enumeration techniques, and finite probability spaces. Satisfies college transfer requirements. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

MATH 50  ELEMENTARY ALGEBRA
4 Units
Lecture: 4 hours
Prerequisite: Mathematics 101 with a “C” grade or better or assessment recommendation for Mathematics 50
Operations on signed numbers; solving linear equations and inequalities in one variable; graphing linear equations in two variables; properties of integral exponents; operations with polynomials (with emphasis on factoring) and rational expressions; operations with radical expressions; solution of elementary word problems. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable.
MATH 55  INTERMEDIATE ALGEBRA  
4 Units  
Lecture: 4 hours  
Prerequisite: Mathematics 50 with a “C” grade or better or assessment recommendation for Mathematics 55  
Also available online  
Introduction to functions and linear functions; systems of linear equations in two and three variables; inequalities including compound and absolute value inequalities; polynomial functions and factoring; rational expressions, functions, and equations including division; radicals, radical functions, and integral and rational exponents including complex numbers; quadratic equations and functions including graphing. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable.

MATH 101  ARITHMETIC  
3 Units  
Lecture: 3 hours  
Also available as a hybrid course  
Computations with whole numbers, fractions and decimals; meanings of fractions, decimals and percents; translations of verbal problems into mathematical statements; rounding, approximation and numerical estimation; use of basic arithmetic properties, graphs and tables; computation with positive integral exponents and square roots of perfect squares; computation of perimeters, areas and volumes; operations with signed numbers. Grades: Option (A-F), P/NP. Non Degree Applicable Credit.

MUSI 3  MUSIC APPRECIATION-AMERICAN MUSIC  
3 Units  
Lecture: 3 hours  
Also available online  
Survey of American music from the American Revolution to the present. Presentation, history, and analysis of traditional, country, blues, rock, jazz, musical theatre, classical, and commercial popular music. Examination of the historical and sociological influences on the music. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

MUSI 4  BEGINNING COLLEGE CHOIR  
.5 -1 Unit  
Lab: 3 hours  
Introduction to the study and performance of choral music from early classics to contemporary works. No experience or sight reading skills necessary. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU. Non-Repeatable

MUSI 4B  INTERMEDIATE COLLEGE CHOIR  
.5-1 Unit  
Lab: 15 – 3 hours  
Prerequisite: MUSI 4 with a grade of “C” or better.  
Continued study and performance of choral music from early classics to contemporary works. No audition required. Grades. Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen ED Applicable. CSU. Non-Repeatable.

MUSI 4C  ADVANCED COLLEGE CHOIR  
.5-1 Unit  
Lab: 1.5 – 3 hours  
Prerequisite: MUSI 4B with a grade of “C” or better.  
Continued study and performance of choral music from early classics to contemporary works at an advanced level. No audition required. Grades. Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen ED Applicable. CSU. Non-Repeatable.
MUSI 4D  
MASTERS COLLEGE CHOIR  
.5 - 1 Unit  
Lab: 1.5 – 3 hours  
Prerequisite: MUSI 4C with a grade of “C” or better.  
Continued study and performance of choral music from early classics to contemporary works at the mastery level. No audition required. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. Grades. Option (A-F), P/NP. CSU. Non-Repeatable.

MUSI 5A  
BEGINNING CONCERT BAND  
1 Unit  
Lab: 3 hours  
Beginning study and performance of band literature from early classics to contemporary works. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU. Non-Repeatable.

MUSI 5B  
INTERMEDIATE CONCERT BAND  
1 Unit  
Lab: 3 hours  

MUSI 5C  
ADVANCED CONCERT BAND  
1 Unit  
Lab: 3 hours  
Advanced study and performance of band literature from early classics to contemporary works. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU. Non-Repeatable.

MUSI 6A  
BEGINNING SYMPHONIC BAND  
1 Unit  
Lab: 3 hours  
Beginning study and performance of band literature from early classics to contemporary works. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU. Non-Repeatable.

MUSI 6B  
INTERMEDIATE SYMPHONIC BAND  
1 Unit  
Lab: 3 hours  

MUSI 6C  
ADVANCED SYMPHONIC BAND  
1 Unit  
Lab: 3 hours  
Advanced study and performance of band literature from early classics to contemporary works. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU. Non-Repeatable.

MUSI 7  
JAZZ ENSEMBLE  
1 Unit  
Lab: 3 hours  
Prerequisite: Advanced level instrumental abilities  
Rehearsal and performance of standard commercial orchestra literature, including original and published arrangements for dance bands, radio, television, and motion picture orchestras. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU. Non-Repeatable.

MUSI 8A  
Beginning Chamber Singers  
05 – 1 Unit  
Lab: 1.5 hours - 3 hours  
Introduction to the performance of choral music from various periods and styles of the choral repertoire by a select group of singers. Admission with consent of the instructor based on an audition (student must contact instructor for audition appointment). Must be concurrently enrolled in College Choir (MUSI 4/B/C/D). Grade Option (A-F), P/NP. Degree Applicable Credit. Non-repeatable.
MUSI 8C  Advanced Chamber Singers
05 – 1 Unit
Lab: 1.5 hours - 3 hours
Continued performance of choral music from various periods and styles of the choral repertoire by a select group of singers. Admission with the consent of the instructor based on an audition (student must contact instructor for audition appointment). Must be concurrently enrolled in College Choir (MUSI 4, B, C, D).

MUSI 8D  Master Chamber Singers
05 – 1 Unit
Lab: 1.5 hours - 3 hours
Performance of choral music from various periods and styles of the choral repertoire by a select group of singers at a mastery level. Admission with the consent of the instructor based on an audition (student must contact instructor for audition appointment). Must be concurrently enrolled in College Choir (MUSI 4, B, C, D).

MUSI 12A  BEGINNING PIANO
2 Units
Lecture: 1 hour; Lab: 2 hours
Prerequisite: Students must have a keyboard available for regular practice
Class instruction in basic keyboard techniques and theory, including scales, chords, selected solos, and studies. Developing skills in reading music, familiarization with keyboard, and hand and finger control. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

MUSI 12B  BEGINNING PIANO
1 Unit
Lecture: 1 hour; Lab: 1 hour
Prerequisite: Music 12A or equivalent with a “C” grade or better and access to a piano for practice purposes
Continued class instruction in piano and theory techniques. Emphasis on phrasing, extended hand positions, and increased hand and finger control. Grades: Option (A-F), P/NP. Degree Applicable

MUSI 12C  INTERMEDIATE PIANO
1 Unit
Lecture: 1 hour; Lab: 1 hour
Prerequisite: Music 12B or equivalent with a “C” grade or better and access to a piano for practice purposes
Continuation of Music 12B. Basic keyboard technique, including music reading, keyboard harmony, transposition, and improvisation. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU. Non- Repeatable.

OCEANOGRAPHY (OCEA)
OCEA 1  INTRODUCTION TO THE MARINE ENVIRONMENT
3 Units
Lecture: 3 hours
The ocean and its effect on the Earth’s weather, its size and diversity of contained life forms and its contributions to the physical and historical development of man. The ocean’s impact on geographical and economic matters. The impact of oceanic pollutants and potential exploitation of marine resources. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

ORIENTATION (ORIE)
ORIE 1  COLLEGE SUCCESS
3 Units
Lecture: 3 hours
Academic skills necessary to succeed in college and provide an orientation to college life. Structured self-awareness activities to identify goals, interests, skills, values and lifestyles, and to make sound educational and career choices. Time and stress management, learning styles, study techniques, and effective interpersonal communication skills, to improve student performance, retention and instructor-student relations. Emphasis on life-long success in
PHILOSOPHY (PHIL)

PHIL 1  INTRODUCTION TO PHILOSOPHY
3 Units
Lecture: 3 hours

PHIL 2  SURVEY OF PHILOSOPHY
3 Units
Lecture: 3 hours
Critical investigation of major schools and developments and analysis of outstanding thinkers in the Western tradition from pre-Socratics to the 18th century. Methods and techniques of the discipline. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

PHIL 3  LOGIC
3 Units
Lecture: 3 hours
An introduction to the principles of sound reasoning with emphasis on propositional logic, deduction, induction, language, fallacies. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

PHIL 4  ETHICS
3 Units
Lecture: 3 hours
Examination of classical ethics. Comparison with competing viewpoints and systems and consideration of current ethical issues. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

PHIL 5  COMPARATIVE RELIGION
3 Units

PHIL 6  INTRODUCTION TO THE BIBLE
3 Units
Lecture: 3 hours
Also available online
A preparation for informed study of the Bible. Contemporary interpretive stances, history, methods, and major themes will be examined. Significant portions of the Bible will be studied in the process. May be taken as Religious Studies 1 - credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

PHIL 7  Pre-Modern Philosophy
3 Units
Lecture: 3 hours
Critical investigation of major thinkers in the ancient and medieval periods of Western Philosophy. From pre-Socratics to St. Thomas Aquinas. Associate degree applicable. Graded Option (ABCDEF) and Pass/No Pass (P/NP); Non Repeatable/Non Activity Course (May be repeated two times with a grade of less than “P” or "C") CSU/UC
PHOTOGRAPHY (PHOT)

PHOT 1C  INTRODUCTION TO DIGITAL PHOTOGRAPHY
4 Units
Lecture: 2 hours; Lab: 6 hours
Introduction to the world of photography through the lens of the digital camera. Students will learn the operations of the digital camera (exposure, framing, cropping, white balance, megapixels, and printing), the different imaging controls, and production of professional quality photographs using digital imaging software. Students are required to provide their own digital camera. Grades: Option (A-F). Degree Applicable Credit. Major, Area of Emphasis, and Gen Ed Applicable. CSU

PHOT 2A  ADVANCED PHOTOGRAPHY
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Photography 1B with a “C” grade or better
A continuation of basic photography with greater emphasis on the technical process of fine photographic expression. Light management, negative manipulation, and the creative print are examined as the basics of black and white photography. An adjustable camera with flash is required. A field trip may be required. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major, Area of Emphasis, and Gen Ed Applicable. CSU

PHOT 2B  ADVANCED PHOTOGRAPHY
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Photography 2A with a “C” grade or better
Photography through the development of esthetic and philosophical attitudes, individual photographic vision and a personal “style”. A finished portfolio will form the basis of student achievement. An adjustable camera with flash is required. A field trip may be required. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major, Area of Emphasis, and Gen Ed Applicable. CSU

PHOT 2C  DIGITAL PHOTOGRAPHY
4 Units
Lecture: 3 hours; Lab: 4 hours
Prerequisite: Photography 1C with a “C” grade or better
Continuation in investigation of the digital camera. Students will learn the operations of the digital camera (lighting, shutter speed, apertures, ISO setting, and camera exposure setting) and imaging controls in digital imaging software. Grades: Option (A-F). Degree Applicable Credit. Gen Ed Applicable.

PHOT 3  COLOR PHOTOGRAPHY
4 Units
Lecture: 3 hours; Lab: 4 hours
Prerequisite: Photography 2A with a “C” grade or better and an adjustable camera
Introduction to color photography. Transparency and negative materials with emphasis on print making from slides. Color design and composition. Print presentation and color photography as art. Field trips are required. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis Applicable. CSU. Non-Repeatable.

PHOT 4  HAND COLORED BLACK & WHITE PRINTS
4 Units
Lecture: 3 hours; Lab: 3 hours
Prerequisite: Photography 2B or equivalent with a “C” grade or better
Hand coloring black and white prints with oil colors, watercolors, pencils, and dyes in the old style color prints. This is a vocational skill. Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis Applicable. CSU. Non-Repeatable.
PHOT 9  INTRODUCTION TO ADOBE PHOTOSHOP
3 Units
Lecture: 2 hours; Lab: 3 hours
Prerequisite: Computer and Business Information Systems 1 or 2 with a "C" grade or better

This course is designed to introduce the student into the world of digital imaging and computer graphics. The student will learn photo editing, text overlays, multi-layer imaging, graphic design, and layouts. Adobe Photoshop will develop hands on skills to produce professional quality photographs and presentations for private and business applications. May be taken as Arts 9 or Computer and Business Information Systems 9 – credit granted for one course only. Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. CSU. Non-Repeatable.

PHOT 82  OCCUPATIONAL WORK EXPERIENCE IN PHOTOGRAPHY
1-8 Units
Also available as a hybrid course
See Cooperative Work Experience Education listing.

PHYSICAL EDUCATION—ACTIVITY (PEAC)

PEAC 3  CIRCUIT WEIGHT TRAINING – MACHINES ONLY
.5 or 1 Unit
Activity: 1.5 or 3 hours

Circuit weight training provides the student an opportunity to improve in cardiovascular endurance and muscular strength. Training is intended to improve cardiovascular and skeletal muscle function in a controlled workout setting. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

PEAC 4  BASIC WEIGHT TRAINING AND CONDITIONING
.5 or 1 Unit
Activity: 1.5 or 3 hours

Instruction on the basics of weight training and aerobic conditioning. Recommended for students interested in muscle toning, weight redistribution, physical rehabilitation, and aerobic conditioning. Individual workout programs developed at the basic level under supervision of the instructor. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

PEAC 11  BEGINNING VOLLEYBALL
.5 or 1 Unit
Activity: 1.5 or 3 hours

PEAC 12  INTERMEDIATE VOLLEYBALL
1 Unit
Activity: 3 hours
Prerequisite: Physical Education Activity 11 with a "C" grade or better
Review basic volleyball skills and begin work on more advanced skills and playing strategies. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

PEAC 13  FITNESS WALKING
.5 or 1 Unit
Activity: 1.5 or 3 hours

Cardiovascular training through aerobic walking. Start at your current level of fitness and add resistance in terms of speed, duration, and varied terrain. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

PEAC 14  JOGGING
.5 or 1 Unit
Activity: 1.5 or 3 hours

PEAC 15  LIFETIME FITNESS & DIETARY ANALYSIS
1 Unit
Activity: 3 hours
Students design, develop, refine, and execute individual fitness programs. Emphasis is on program design, development, and nutritional practices of the student. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

PEAC 16  LIFETIME FITNESS
1 Unit
Activity: 3 hours

PEAC 17  BEGINNING ADAPTIVE PHYSICAL FITNESS
.5 or 1 Unit
Activity: 1.5 or 3 hours
Recommended: Physician or OSS Coordinator referral
This physical education course for the disabled is designed to assist students in developing and maintaining the basic physical fitness skills, knowledge, and attitudes necessary for enjoyable and satisfactory participation in lifetime physical fitness activities. Designated “Special Class” (Title 5, Section 56028). Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

PEAC 20  TAI JI QUAN
1 Unit
Activity: 3 hours
Tai Ji Quan (Tai Chi) is a Chinese traditional exercise for the body and mind, which tones muscles, improves flexibility, and reduces stress. Tai Ji Quan, as a slow, rhythmic movement with meditation has been recognized by medical experts worldwide as an effective way to achieve relaxation, decrease high blood pressure, promote cardiovascular fitness, and slow the aging process. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

PEAC 21  BREATHING MEDITATION & RELAXATION
1 Unit
Activity: 18 hours total
Qi Gong is an ancient Chinese breathing exercise with meditation which is being developed today for therapy of chronic illness and stress in China. Although the physiological side effects produced by Qi Gong resemble those of meditation, there are certain features that are unique, effective, and often mysterious. The course will cover the theory, practice, physical and physiological relaxation, and other benefits of breathing meditation. Grades: P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

PEAC 23  Beginning Jazz Dance
1 Unit
Activity: 3 hours
Basic jazz dance instruction in the areas of Classical, lyrical, and contemporary styles. Instruction will include physical development in muscular strength, endurance, flexibility, coordination, rhythm, and balance. Degree applicable. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

PEAC 24  Beginning Modern Dance
1 Unit
Activity: 3 hours
Introduction to the basic fundamentals of modern Dance techniques and style through the development of muscular strength, flexibility, coordination, balance, alignment, endurance and rhythm. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.
**PEAC 29** CARDIOVASCULAR LAB  
.5 or 1 Unit  
**Activity:** 1.5 or 3 hours  
Instruction in performing vigorous aerobic exercise in cardiovascular training (Free runner, Stairmaster, Lifecycle, Row Machine, etc.). Individual workout programs will be developed based on required assessment tests and will be monitored through daily recording of workouts and weekly self-testing. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

**PEAC 30** GENERAL ACTIVITY  
1 Unit  
**Activity:** 3 hours  
**Also available online**  
Intended primarily for online students interested in furthering physical and mental wellbeing through meaningful experiences in physical activities. Activities offered will vary according to facilities available. Activities monitored by the instructor. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU. Non-Repeatable.

**PEAC 33** BADMINTON  
.5 or 1 Unit  
**Activity:** 1.5 or 3 hours  
Activity course in which students will develop the basic skills necessary to play the game of badminton. Technical skills include the overhead and underhand clears, the short & low serve, drop shots and the smash. Emphasis on the fundamental strategies and rules used in both singles and doubles play. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. Non-Repeatable.

**PEAC 194** Fitness Walking for Seniors  
Non-Credit  
**Lab:** 1.5 hours  
A fitness walking class designed for seniors and adults with physical or health limitations. This course is designed to utilize walking to improve muscular strength and endurance, posture and mobility, and to general physical fitness. Non-Credit. Eligible to be repeated.

---

**PHYSICAL EDUCATION—LECTURE (PELC)**

**PELC 1** SPORT PSYCHOLOGY  
3 Units  
**Lecture:** 3 hours  
**Also available online**  
An introduction to sport psychology as well as an overview of sport psychology factors such as motivation, communication, imagery, management of psychic energy, stress management, relaxation, goal setting, and the implementation of psychological skills testing (PST). May be taken as Psychology 13 — credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis Applicable. CSU

**PELC 2** INTRODUCTION TO PHYSICAL EDUCATION  
3 Units  
**Lecture:** 3 hours  
An introduction to the philosophies and purposes of physical education. Examines the qualifications for various professional opportunities in the physical education field. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU

**PELC 3** PHYSICAL FITNESS AND WELLNESS  
1.5 Units  
**Lecture:** 1 hour; **Activity:** 1.5 hours  
Lifetime fitness and wellness through lecture, discussion, lifestyle assessment, and health risk management. Lifestyle components are cardiovascular fitness, nutrition, and stress management. Health factors above and beyond cardiovascular fitness, nutrition, stress, and other health-related issues (e.g., drug abuse, behavior modification, cardiovascular disease, and women’s issues). Grades: Option (A-F), P/NP. Degree Applicable Credit. CSU
PELC 5  PRINCIPLES OF ATHLETIC TRAINING
3 Units
Lecture:  3 hours

PHYSICAL EDUCATION–THEORY (PETH)

PETH 1  THEORY OF BASKETBALL
2 Units
Lecture:  1 hour; Activity:  3 hours

History, terminology, and strategy of the game. Practice organization and drill progressions for offenses, defenses, and fast break. Responsibilities of the coach in the organization and administration of basketball. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU. Non-Repeatable.

PETH 3  THEORY OF BASEBALL
2 Units
Lecture:  1 hour; Activity:  3 hours

Detailed study of the fundamental skills, rules, statistics, terminology, and coaching of baseball, with emphasis on the role of the coach. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU. Non-Repeatable.

PETH 4  THEORY OF VOLLEYBALL
2 Units
Lecture:  1 hour; Activity:  3 hours
Recommended: Physical Education Activity 11 with a “C” grade or better

In-depth study and analysis of terminology, structure, strategies and coaching of the game. Skill development, on-court application, position responsibilities and coaching. Historical aspects for comprehension on any level of competition. Grades: Option (A-F), P/NP. Degree Applicable Credit. UC/CSU. Non-Repeatable.

PHYSICAL SCIENCE (PHSC)

PHSC 1  PHYSICAL SCIENCE FOR GENERAL EDUCATION
4 Units
Lecture:  3 hours; Lab:  3 hours

Basic principles of physics to tie geology, chemistry, meteorology, and astronomy into one logical and meaningful structure. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

PHSC 2  INTRODUCTION TO EARTH SCIENCE
3 Units
Lecture:  3 hours

Introduction to geology, astronomy, meteorology, climatology, and oceanography. Earth’s place in the universe. Scientific method and tools of scientific investigation. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

POLITICAL SCIENCE (POLI)

POLI 1  AMERICAN POLITICAL INSTITUTIONS
3 Units
Lecture:  3 hours
Recommended: Eligibility for English 1A
Also available online

The fundamental principles of American federal, state, and local government. Governmental structure, political parties, and public policies. Offered every semester. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU
POLI 2  COMPARATIVE GOVERNMENT
3 Units
Lecture: 3 hours
Also available online
Fundamental political principles, structure, political parties, and public policies of major foreign governments. Comparison of western democracies and past and present totalitarian systems. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

POLI 3  INTRODUCTION TO INTERNATIONAL RELATIONS
3 Units
Lec: 3 hours
Recommended: Reading 60 or pass Reading 102
Also available online/hybrid
An introduction to international relations theory with an examination of national, international, transnational, and sub-national actors and their institutions, interactions and processes as they relate to global issues-focusing on the nature of political relations among nations, including the basic factors which influence international relations. Emphasis is placed on an examination of contemporary world politics. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

POLI 5  Introduction to Modern Terrorism
3 Units
Lecture: 3 hours
An introductory course on modern terrorism with an analytical approach to the study of terrorism, the identification of terrorist groups and tactics and finally an examination of governmental responses to reduce or eliminate the incidence of terrorism. Graded Option (ABCDEF) and Pass/No Pass (P/NP) Non-Repeatable.

PSYCHOLOGY (PSYC)

PSYC 1  INTRODUCTION TO PSYCHOLOGY
3 Units
Lecture: 3 hours
Also available online
Consideration of the development of psychology, sensation and perception, learning and memory, motivation, emotion, state of consciousness, stress, health and adjustment, abnormal behavior and psychotherapy, sex roles and sexual behavior. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

PSYC 2  DEVELOPMENTAL PSYCHOLOGY
3 Units
Lecture: 3 hours
Also available online
Theories, research methods and findings concerning physical, cognitive, and psychosocial development of the individual from conception through the entire life span. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

PSYC 3  PERSONAL PSYCHOLOGY
3 Units
Lecture: 3 hours
Factors which affect human motivation, emotion, frustration, conflict, and adjustment as related to interpersonal relationships. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

PSYC 4  CHILD GROWTH AND DEVELOPMENT
3 Units
Lecture: 3 hours
Also available online
This course examines the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative
research methodologies, students will observe children, evaluate individual differences and analyze characteristics of development at various stages. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major, Area of Emphasis. UC/CSU

**PSYC 5**  
**INTRODUCTION TO CAREER AND LIFE PLANNING**  
3 Units  
Lecture: 3 hours  
*Also available online*

Development of tools to assess the skills, interests, values, and motivation needed to make career decisions. Includes decision making, educational planning, and college survival. May be used to meet Orientation requirement for graduation. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. CSU

**PSYC 6**  
**ADULT DEVELOPMENT & AGING**  
3 Units  
Lecture: 3 hours  
*Also available online*

Basic principles in the field of adult development and aging from adolescence to the aged, including phases of aging, transitions, coping, and constructive or positive adaptation. Theoretical and research methodological issues in the study of adult maturation will be reviewed. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**PSYC 11**  
**HUMAN SEXUALITY**  
3 Units  
Lecture: 3 hours  
*Also available online*

Human anatomy, physiology, and behavior as related to sexual reproduction, including fertilization, pregnancy, childbirth, and birth control. Consideration will also be given to genetics, homosexuality, sexually transmitted diseases, and sexual intercourse and response. May be taken as Biology 11 - credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**PSYC 12**  
**RESEARCH IN SOCIAL SCIENCES**  
3 Units  
Lecture: 3 hours  
Prerequisite: Introduction to Psychology 1 or Introduction to Sociology 1 with a “C” grade or better.

Recommended: Eligibility for ENGL 1A.

*Also available online*

Surveys various research methods with an emphasis on research design, experimental procedures, instrumentation, and the collection, analysis, interpretation and reporting of research data. Research selected review of research in neurophysiology, sensation, learning, memory and social psychology as well as sociology. Grades. Options (A-F), P/NP. Degree applicable. CSU

**PSYC 13**  
**INTRODUCTION TO SPORT PSYCHOLOGY**  
3 Units  
Lecture: 3 hours  
*Also available online*

An introduction to sport psychology as well as an overview of sport psychology factors such as motivation, communication, imagery, management of psychic energy, stress management, relaxation, goal setting, and the implementation of psychological skills testing (PST). May be taken as Physical Education Lecture 1 – credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis Applicable. CSU

**PSYC 14**  
**INTRODUCTION TO DRUG/ALCOHOL STUDIES**  
3 Units  
Lecture: 3 hours  
*Also available online*

A historical perspective on drug/alcohol abuse, its impact on the individual, the family, the community, and society. Definitions of use, abuse, and addiction as well as the disease concept of addiction. Effectiveness and economics of various models of treatment and rehabilitation. May be taken as Sociology 14 - credit granted for one course only.
Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**PSYC 15**  INTRODUCTION TO GUIDANCE AND COUNSELING

3 Units  
Lecture: 3 hours  
*Also available online*

A survey of the guidance process, communication, functions of counseling, and various counseling theories. Introduction to the whole guidance process. Integrated approach to basic helping skills utilizing theory, practice, and case application. Development of skills needed to establish effective helping relationships. May be taken as Sociology 15 – credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. CSU

**PSYC 33**  Marriage and Family

3 Units  
Lecture: 3 hours  
*Also available online*

Human relationships in anticipation of, preparation for, and participation in marriage. Social change as it affects marriage and family life. Psychological and sexual aspects and implications which make for success or failure in marriage. May be taken as Sociology 3 – credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable.

**READING (READ)**

**READ 100**  ACADEMIC READING

3 Units  
Lecture: 3 hours  
Lab: 1 hour  
*Also available online*

Introductory reading course for students from a variety of backgrounds and learning skill levels who are having extreme difficulties with reading. Emphasis on phonics, basic sight vocabulary, lower level reading comprehension strategies, following directions, and introductory writing skills. Eighteen hours of supplemental instruction the lab that supports this course is required. Grades: P/NP. Non Degree Applicable Credit.

**READ 101**  INTERMEDIATE READING

3 Units  
Lecture: 3 hours  
Lab: 1 hour  
Prerequisite: Reading 100 with a “P” grade or assessment recommendation for Reading 101

Preparatory reading and study skills course for students from a variety of backgrounds and learning skill levels who are having difficulties with reading. Focus on improvement of reading and study skills abilities, with emphasis on reading comprehension, vocabulary development, and study techniques. Eighteen hours of supplemental instruction in the lab that supports this course is required. Grades: P/NP. Non Degree Applicable Credit.

**READ 102**  INTERACTIVE READING AND LITERATURE

3 Units  
Lecture: 3 hours  
Lab: 1 hour  
Prerequisite: Reading 101 with a “P” grade or assessment recommendation for Reading 102

Reading course for students to focus on reading comprehension, literacy terminology, and vocabulary development using literature as a basis. Eighteen hours of supplemental instruction in the lab that supports this course is required. Grades: P/NP. Non Degree Applicable Credit.

**RELIGIOUS STUDIES (RLGS)**

**RLGS 1**  INTRODUCTION TO THE BIBLE

3 Units  
Lecture: 3 hours  
*Also available online*

A preparation for informed study of the Bible. Contemporary interpretive stances, history, methods, and major themes will be examined. Significant portions of the Bible will be studied in the process. May be taken as Philosophy 6 - credit granted for one course only. Grades: Option (A-F),
RLGS 5  
**BIBLE AS LITERATURE**

3 Units  
Lecture: 3 hours  
*Also available online*

Introduction to the literature of the Bible, including the Apocrypha. A study of the literary and human dimension of scripture through selected readings in English from the various books of the Old and New Testaments and the Apocrypha. May be taken as English 6 - credit granted for one course only.  
Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

RLGS 10  
**COMPARATIVE RELIGION**

3 Units  
Lecture: 3 hours  
*Also available online*

An introduction to the major world religions: Hinduism, Buddhism, Judaism, Christianity, Islam, Confucianism, Taoism, and Shintoism. A critical study of the fundamental religious beliefs of each religion and an examination of their philosophical presuppositions. May be taken as Philosophy 5 - credit granted for one course only.  
Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

**SOCIOMETRY (SOCI)**

SOCI 1  
**INTRODUCTION TO SOCIOLOGY**

3 Units  
Lecture: 3 hours  
*Also available online*

Characteristics of social life and human behavior in social interaction. Selected sociological concepts. The social structure and processes of institutions and communities. Social stratification and social change in contemporary society. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

SOCI 2  
**AMERICAN SOCIAL PROBLEMS**

3 Units  
Lecture: 3 hours  
*Also available online*

SOCI 3  
**MARRIAGE AND FAMILY**

3 Units  
Lecture: 3 hours  
*Also available online*

Human relationships in anticipation of, preparation for, and participation in marriage. Social change as it affects marriage and family life. Psychological and sexual aspects and implications which make for success or failure in marriage. May be taken as Psychology 33 - credit granted for one course only.  
Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

SOCI 6  
**CHILD, FAMILY, COMMUNITY**

3 Units  
Lecture: 3 hours  
*Also available online*

An examination of the developing child in a societal context focusing on the interrelationship of family, school and community and emphasizes historical and socio-cultural factors. The processes of socialization and identity development will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families. Grades: Option (A-F), P/NP. Degree Applicable Credit. Major, Area of Emphasis, and Gen Ed Applicable. UC/CSU (Cross-listed with CHLD 6)

SOCI 8  
**JUVENILE CRIME AND DELINQUENCY**

3 Units  
Lecture: 3 hours  
*Also available online*

Major types of juvenile crime, role careers of offenders, and factors which contribute to production of criminality or delinquency. Methods for dealing with justice system violators and the
changing role of police and the courts. Aftercare process of sentence, probation, prisons, and parole. Changes of law in crime control and treatment processes. May be taken as Administration of Justice 8 - credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. CSU

SOCI 12  RESEARCH IN SOCIAL SCIENCES
3 Units
Lecture: 3 hours
Prerequisites: Introduction to Psychology 1 or Introduction to Sociology1 with a grade "C" or better. Recommended eligibility for ENGL 1A.

Also available online/hybrid

Surveys various research methods with an emphasis on research design, experimental procedures, instrumentation, and the collection, analysis, interpretation and reporting of research data. Research design and methodology will be illustrated through a selected review of research in neurophysiology, sensation, learning, memory and social psychology as well as sociology. Grades. Option (A-F), P/NP. Degree applicable. CSU

SOCI 14  INTRODUCTION TO DRUG/ALCOHOL STUDIES
3 Units
Lecture: 3 hours

Also available online

A historical perspective on drug/alcohol abuse, its impact on the individual, the family, the community, and society. Definitions of use, abuse, and addiction as well as the disease concept of addiction. Effectiveness and economics of various models of treatment and rehabilitation. May be taken as Psychology 14 - credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

SOCI 15  INTRODUCTION TO GUIDANCE AND COUNSELING
3 Units

Lecture: 3 hours

Also available online

Survey of the guidance process, communication, functions of counseling, and various counseling theories. Introduction to the whole guidance process. Integrated approach to basic helping skills utilizing theory, practice, and case application. Development of skills needed to establish effective helping relationships. May be taken as Psychology 15 - credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. CSU

SOCI 18  FUNDAMENTALS OF PROBATION AND PAROLE
3 Units
Lecture: 3 hours

Also available online

Overview of the history and philosophical foundations of probation and parole. Organization and operations of probation. Issues and problems relating to the pre-sentence report, determinate versus indeterminate sentencing, role of the probation and parole officer, legal decisions affecting probation and parole practice. May be taken as Administration of Justice 18 – credit granted for one course only. Grades: Option (A-F), P/NP. Degree Applicable Credit. CSU

SPANISH (SPAN)

SPAN 1A  BEGINNING SPANISH
4 Units
Lecture: 3 hours
Lab: 3 hours

Proficiency-oriented approach to Spanish, designed to give students skill in understanding, speaking, reading, and writing the language. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

SPAN 1B  ELEMENTARY SPANISH
4 Units
Lecture: 3 hours
Lab: 3 hours

Prerequisite: Spanish 1A with a “C” grade or better
Continuation of Spanish 1A. Pronunciation, vocabulary, sentence structure, grammar, dialogues, and cultural exercise. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

SPAN 2A INTERMEDIATE SPANISH
4 Units
Lecture: 3
Lab: 3
Prerequisite: Spanish 1B or acceptable placement test score.
Continuation of Spanish 1B. Review of grammar. Conversation, idioms, and selected readings. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU.

SPAN 2B INTERMEDIATE SPANISH
4 Units
Lecture: 3
Lab: 3
Prerequisite: Spanish 2A or acceptable placement test score.
Continuation of Spanish 2A. Review of grammar. Conversation, idioms, and selected readings. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU.

SPEECH (SPCH)

SPCH 1 ELEMENTS OF PUBLIC SPEAKING
3 Units
Lecture: 3 hours

SPCH 3 INTERPERSONAL COMMUNICATION
3 Units
Lecture: 3 hours
Also available online
Blend of the important areas of interpersonal communication and the art of platform speaking. Theory and practical skills are analyzed and practiced as they apply to all forms of communication, including one-to-one situations, small group situations, and public speaking situations. The creative processes of informative and persuasive deliveries. Grades: Option (A-F), P/NP. Degree Applicable Credit. Gen Ed Applicable. UC/CSU

THEATRE ARTS (TART)

TART 1 BEGINNING ACTING
3 Units
Lecture: 3 hours
Introduction to the basic techniques of acting, theory, terminology, and movement. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

TART 3 THEATRE APPRECIATION
3 Units
Lecture: 3 hours
Also available online
Study of the art, craft, and business of the theatre. Emphasis on the audience’s appreciation of the work of the playwright, director, actor, designer, producer, and critic. Grades: Option (A-F). Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU

TART 4 THE BROADWAY VOICE
1 Unit
Lab: 2 hours
Establishing basic vocal technique including posture, vocal exercises, and breathing. Application of technique through the study of different genres of music using musical theatre literature. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU. Non-Repeatable.
TART 4B  Intermediate Broadway Voice
1 Unit
Lab:  2 hours
Prerequisite:  TART 4 with a grade of “C” or better.
Establishing improved, basic vocal technique, including posture, vocal exercises, and breathing. Application of technique through the study of different genres of music using musical theatre literature. Grades. Option (A-F), P/NP. Degree Applicable Credit.  Area of Emphasis and Gen Ed Applicable. UC/CSU.  Non-Repeatable.

TART 4C  Advanced Broadway Voice I
1 Unit
Lab:  2 hours
Prerequisite:  TART 4B with a grade of “C” or better.
Establishing advanced improvement in basic vocal technique, including posture, vocal exercises, and breathing. Application of technique through the study of different genres using musical theatre literature. Grades. Option (A-F), P/NP. Degree Applicable Credit.  Area of Emphasis and Gen Ed Applicable. UC/CSU.  Non-Repeatable.

TART 4D  Advanced Broadway Voice II
1 Unit
Lab:  2 hours
Prerequisite:  TART 4C with a grade of “C” or better.
Establishing advanced basic vocal technique, including posture, vocal exercises, and breathing. Application of technique through the study of different genres of music using musical theatre literature. Grades. Option (A-F), P/NP. Degree Applicable Credit.  Area of Emphasis and Gen Ed Applicable. UC/CSU.  Non-Repeatable.

TART 5B  Intermediate Modern Theatre Production
.5 – 4 Units
Lab:  1 – 8 hours
Prerequisite:  TART 5 with a grade of “C” or better.

TART 5C  Advanced Modern Theatre Production II
.5 – 4 Units
Lab:  1 – 8 hours
Prerequisite:  TART 5B with a grade of “C” or better.

TART 5D  Advanced Modern Theatre Production II
.5 – 4 Units
Lab:  1 – 8 hours
Prerequisite:  TART 5C with a grade of “C” or better.
TART 6       INTERMEDIATE ACTING
3 Units
Lecture: 3 hours
Prerequisite: Theatre Arts 1 or 5 with a “C” grade or better

Further studies in acting stressing the importance of character analysis and development. Emphasis on extensive scene and monologue study. Grades: Option (A-F), P/NP. Degree Applicable Credit. Area of Emphasis and Gen Ed Applicable. UC/CSU. Non-Repeatable.

TART 12      CLASSICAL THEATRE PRODUCTION
1-4 Units
Activity: 36 hours total per unit of credit

TART 13      MUSICAL THEATRE PRODUCTION
1-4 Units
Activity: 36 hours total per unit of credit

TART 13B     Intermediate Musical Theatre Production
.5 – 4 Units
Lab: 1 – 8 hours
Prerequisite: TART 13 with a grade of “C” or better.

TART 13C     Advanced Musical Theatre Production II
.5 – 4 Units
Lab: 1 – 8 hours
Prerequisite: TART 13B with a grade of “C” or better.

TART 13D     Advanced Musical Theatre Production III
.5 – 4 Units
Lab: 1-8 hours
Prerequisite: TART 13C with a grade of “C” or better.

TART 82      OCCUPATIONAL WORK EXPERIENCE IN THEATRE ARTS
1-8 Units
Also available as a hybrid course

See Cooperative Work Experience Education listing.
WAREHOUSING AND LOGISTICS (WARE)

WARE 51 INTRODUCTION TO OPERATIONS AND SUPPLY CHAIN MANAGEMENT
3 Units  Lecture 3 hours  
Also Available online

WARE 52 INTRODUCTION TO WAREHOUSING AND DISTRIBUTION
3 Units  Lecture: 3 hours  
Also available online

Concepts in warehousing and distribution processes and techniques, including distribution planning and terminology; Occupational Safety and Health Administration (OSHA) safety rules and regulations; shipping; marketing and receiving procedures; and inventory control. Grades: Option (A-F), P/NP. Degree Applicable Credit.

WARE 53 INTERNATIONAL LOGISTICS
3 Units  Lecture 3 hours  
Also available online

Provides study in globalized business, the economic value of ecommerce, service characteristics of international transportation providers, roles of the US and foreign governments, international security provisions, documentation/terms of sales used in export/import markets and fundamentals of effective logistics in the international market. Grade: Option (A-F). Degree Applicable.

WARE 54 MATERIAL HANDLING
3 Units  Lecture: 3 hours  
Also Available online

Study various applications of automated material handling systems in the warehousing and distribution industry. Applications studied explore the dynamics of inventory movement as it pertains to the functionality and infrastructure of mechanized warehousing and distribution facilities. Grade: Option (A-F). Degree Applicable.

WARE 55 PRINCIPLES OF LOGISTICS
3 Units  Lecture: 3 hours  
Also available online

Concepts in product distribution, including supply chain management, integrated logistics and activities. Grades: Option (A-F), P/NP. Degree Applicable Credit.

WARE 57 MATERIALS MANAGEMENT
3 Units  Lecture: 3 hours  
Also available online

Covers the basics of supply chain management, manufacturing planning and control systems, purchasing, and physical distribution. Grades: Option (A-F), P/NP. Degree Applicable Credit.

WARE 59 INTRODUCTION TO PURCHASING
3 Units  Lecture: 3 hours  
Also available online

Basics of purchasing principles and management, including objectives and organizations, key purchasing variables, applications, and systems and controls. Grades: Option (A-F), P/NP. Degree Applicable Credit.
WARE 61  PROJECT MANAGEMENT  
3 Units  
Lecture:  3 hours  
Provides study in project selection, concept identification, development, implementation, and project closeout. Students will gain experience, knowledge and abilities to analyze strategic goals, gather data, perform network analysis, develop schedules, plans, develop work breakdown structure, perform network analysis, and project scope verification. Grades:  Option (A-F), P/NP. Degree Applicable Credit.

WARE 82  OCCUPATIONAL WORK EXPERIENCE IN WAREHOUSING AND LOGISTICS  
1-8 Units  
Also available as a hybrid course  
See Cooperative Work Experience Education listing.

WELDING (WELD)  

WELD 50  OXYACETYLENE WELDING AND CUTTING  
3 Units  
Lecture:  2 hours; Lab:  3 hours  

WELD 51  SHIELDED METAL ARC WELDING AND CUTTING  
3 Units  
Lecture:  2 hours; Lab:  3 hours  
Use of electrodes, metals, welding machines in arc welding and cutting. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

WELD 52  POSITION WELDING (ARC WELDING)  
3 Units  
Lecture:  2 hours; Lab:  3 hours  
Prerequisite:  Welding 51 with a “C” grade or better  

WELD 53  SOLDERING, BRAZING, AND BRAZE WELDING  
3 Units  
Lecture:  2 hours; Lab:  3 hours  
Prerequisite:  Welding 50 (or equivalent) with a “C” grade or better  
Special welding processes and applications. Grades:  Option (A-F), P/NP. Degree Applicable Credit. Major Applicable.

WELD 54  GAS METAL-ARC WELDING  
3 Units  
Lecture:  2 hours; Lab:  3 hours  
Prerequisite:  Welding 51 and 52 or equivalent with a “C” grade or better  

WELD 55  GAS TUNGSTEN-ARC WELDING  
3 Units  
Lecture:  2 hours; Lab:  3 hours  
Prerequisite:  Welding 50 and 51 or equivalent with a “C” grade or better
