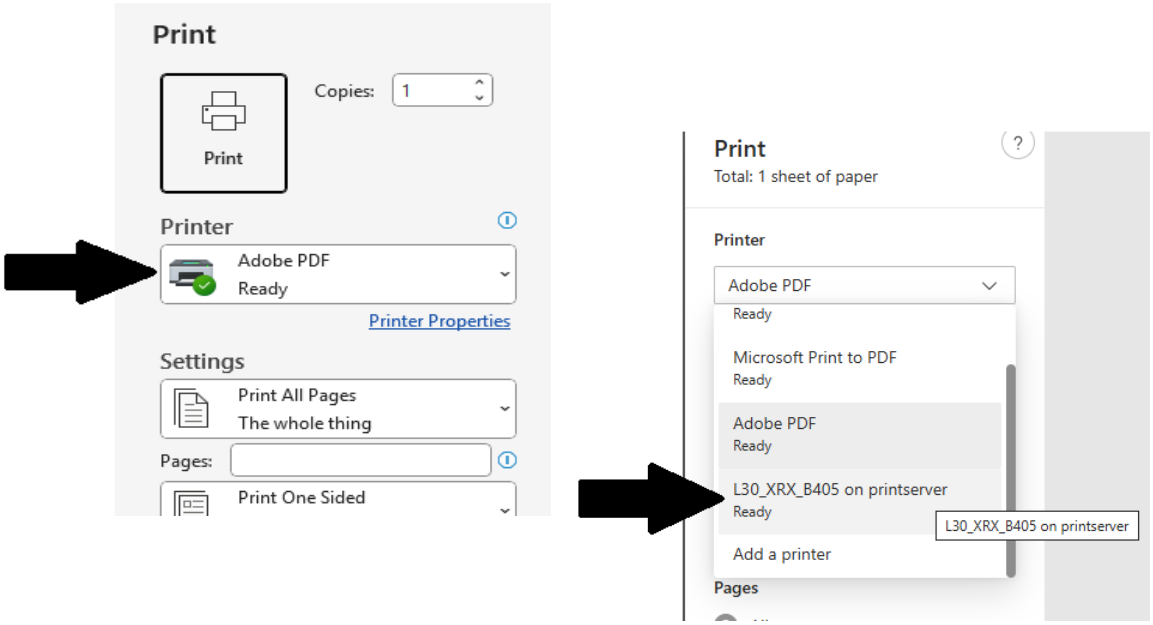
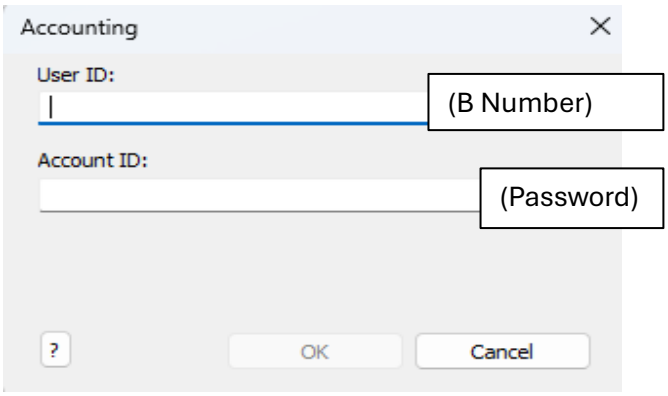
How to Print at the Library

Note: Every semester you are an active student you will have $10.00 on your account which is 100 pages total.

- To print on a student computer, you must select L30 printer.
  Click Ctrl+P or select Print.

The correct printer is not automatically listed and is set by default to Adobe PDF.
Click **Adobe PDF** and select **see more** or find and select the L30 Printer





- After you click L30 you will need to put in your B# and password. This will list as User ID and Account ID.
