INSTITUTION-SET STANDARDS

Unduplicated Headcount

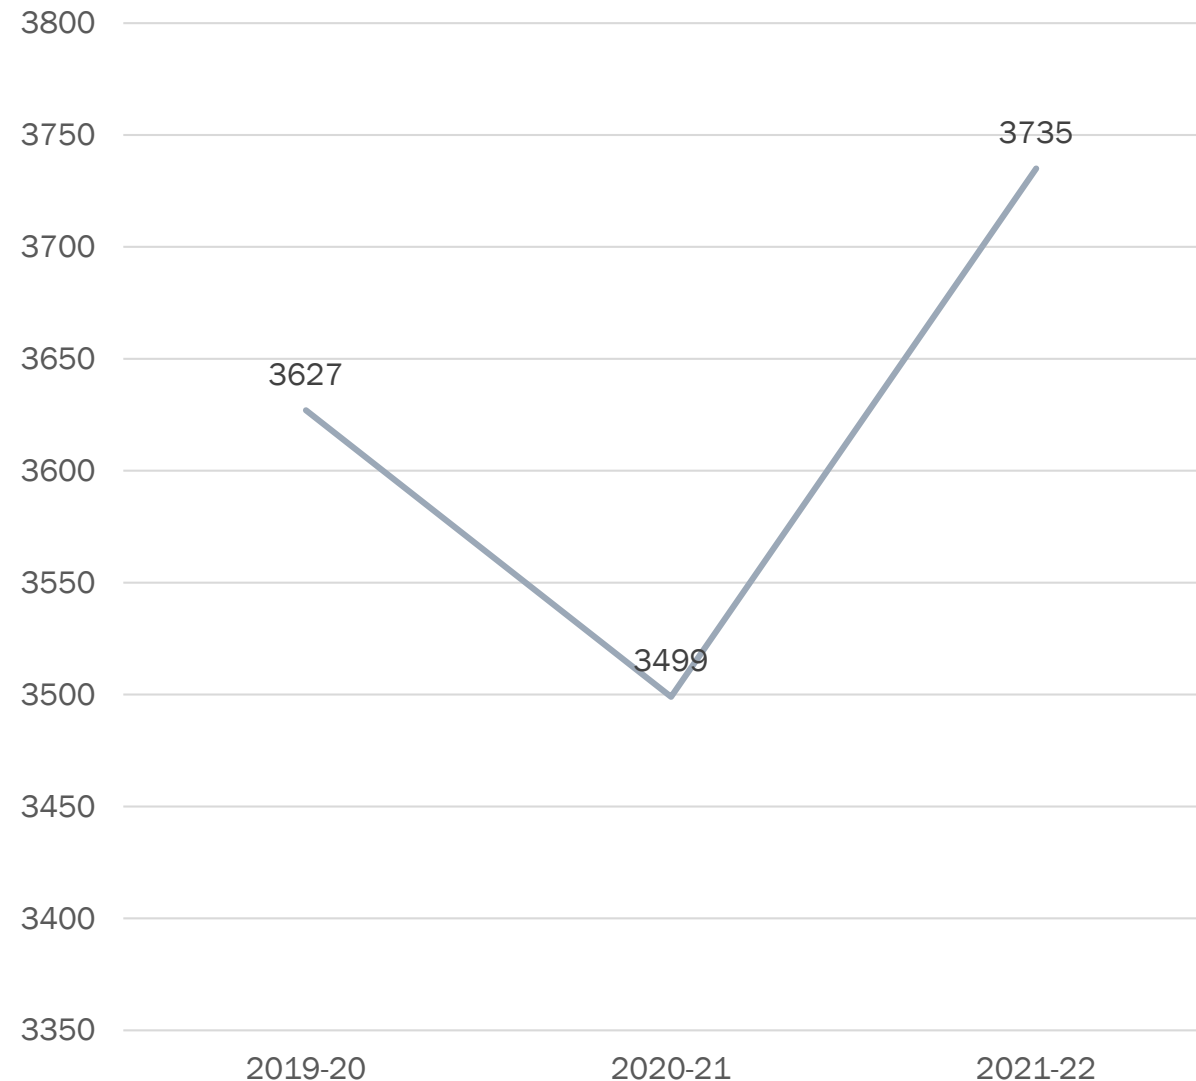

Unduplicated Headcount- Degree Applicable Credit Courses

Unduplicated Headcount- Distance Education*

*Only those courses that were 100% online are included in this calculation; hybrid, ITV and face-to-face courses are excluded per the instructions from ACCJC. Additionally, for spring 2020 headcount, only courses that were originally scheduled as 100% online were included; any courses that shifted to a distance modality due solely to the COVID-19 pandemic were excluded.

Graduation Rate per the US Education Department College Scorecard

The graduation rate for degree granting schools is the proportion of entering students that graduated at this school within 8 years of entry, regardless of their full-time/part-time status or prior postsecondary experience. Graduation is measured 8 years after entry, irrespective of the award sought or award obtained (Source: [US. Department of Education](https://nces.ed.gov/ipeds/data/graduation-rates/)).
