Barstow Community College enrollment records indicate that you have dropped or failed all of your classes for fall 2023 or spring 2024 prior to disbursement of aid for which you were eligible. Federal regulations require that eligibility for federal aid be recalculated for a student who has totally withdrawn from all courses. The student's eligibility is determined by their need and by the number of days they were in attendance. Based on this recalculation, you may be eligible for a post-withdrawal disbursement.

You have the right to accept or decline these funds. You must notify the Financial Aid Office of your intent by the next paperwork deadline per the Disbursement Schedule found online at <https://www.barstow.edu/admissions-aid/financial-aid/financial-aid-forms>. If we do not receive this letter by the deadline we will assume you wish to decline this aid. If you choose to accept this aid, any outstanding fees due to BCC will be paid with the disbursement and the remainder will be mailed to you on the next disbursement date.

Should you have any questions regarding the above information, please contact Financial Aid by email at finaid@barstow.edu or by phone at 760-252-7205.

Please remember that any Pell funds received will count towards your Pell LEU (Lifetime Eligibility Used) and will reduce Pell eligibility in future years.

___ I certify that I am not receiving financial aid at another institution.

___ I request disbursement of these funds.

___ I decline disbursement of these funds (you must pay the outstanding fees listed above).
