Student Information

The amount of Federal Pell Grant funds a student may receive over his or her lifetime is limited by a new federal law to be the equivalent of six years of Pell Grant funding. Since the maximum amount of Pell Grant funding a student can receive each year is equal to 100%, the six-year equivalent is 600%, this is based off your enrollment being 12 credits or more each semester. Complete this form if you would like to decline your Federal Pell Grant.

Choosing to cancel your Pell Grant will cancel all other potential aid (excluding the California College Promise Grant) as well. By submitting this form, you are acknowledging you are aware that you will be cancelling all grants and loans you have been awarded for the aid year. If you are an out-of-state resident, and do not qualify for the California College Promise Grant (CCPG), then you will be responsible for all tuition & fees owed.
