Certificate of Completion, Basic Skills Education Program

This program is primarily designed for military service members to improve scores on the TABE test and AFCT test (Armed Forces Competency Test). Unlikely to succeed students will improve their success rates in college courses after completing this certificate.

This program is for students to improve their study of mathematics, reading, grammar, writing, and vocabulary skills. Students will learn mathematics skills including the following mathematical concepts: whole numbers, fractions, decimals, percents, conversion of measures, story problems, basic geometry, and basic algebra. The reading skills include main ideas, restatement, inference, and supporting details. Vocabulary skills include Latin and Greek roots and prefixes and utilizing vocabulary in context. Students will learn how to identify and use effective grammar and sentence structure. They will learn how to express meaning and use effective grammar and sentence structure.

Program Learning Outcomes

Upon successful completion, the student will be able to:

- Attain proficiency on an evaluation test such as the TABE or CASAS test: Math Section
- Attain proficiency on an evaluation test such as the TABE or CASAS test: English Section
- Attain GT score to 110 on the Armed Forces Competency Test.
