d. Calendar Committee: Karen Morales

K. Morales reported to the group that there was more discussion about In-Service for the 23-24 school year, as well as more talk about the 8-week calendar and possibly bringing back Saturday classes, which would be mostly for the general ed courses. Before doing that, it is likely that student surveys would need to be sent out in order to gather how many would be interested in this. We will be having another Committee meeting at the end of this month, where we will be making our final decisions on the

23-24 Calendar (so mostly again, about the date for In-Service) and we will be looking over the draft for the 24-25 school year.
