MICROSOFT CYBERSECURITY SCHOLARSHIP PROGRAM

POWERED BY LAST MILE EDUCATION FUND

The Microsoft Cybersecurity Scholarship Program supports community college degree and industry certificate completion through scholarships (up to $500) and subsidies for cybersecurity certification exam costs (up to $375). Financial assistance is intended to cover short-term basic needs, such as food, rent, health-related, transportation/car issues, and/or a laptop/device. Applications are accepted on a rolling basis.

- Who is eligible to apply?
  - Residents of the United States AND
  - Students currently enrolled in a cybersecurity-related program at a two-year institution, such as a community college or technical school, AND
  - Students who have documentation showing evidence of need: which can include Pell Grant eligibility, financial aid award letter, or other explanation of need

- What kind of assistance is available?
  - Financial assistance up to $500, OR
  - Subsidies to cover the cost of cybersecurity certification licensing exams up to $375
  - AND free LinkedIn Premium accounts to help close the networking gap
  - AND access to local GitHub sponsored events and GitHub Education benefits, including the Student Developer Pack

All students with financial need are eligible to apply. Students from groups who are underrepresented in cybersecurity are especially encouraged to apply, including those who identify as women, non-binary, and/or Black/LatinX/Indigenous, veterans, and/or have a disability.
