Enrollment Retention and Success

Overall Success  
**74.4%**

Online Instruction  
Success  
**74.3%**  
⬆️ 0.1%

Traditional  
Instruction Success  
**86.4%**  
⬆️ 12%

Overall Retention  
**93.7%**

Online Instruction  
Retention  
**94.0%**  
⬆️ 0.3%

Traditional  
Instruction Retention  
**91.2%**  
⬆️ 2.5%

Success rates in traditionally taught courses (face-to-face) were 12% higher than overall success rates. Retention rates in these same classes were 2.5% lower than overall retention rates. The data shows that retention is better in online courses however, success rates are lower.

\*Instructional methods included in the overall rates but not shown in the disaggregated rates include hybrid, traditional with Hyflex, web conferencing, and all others.
