It's time to celebrate the great traditions, languages and stories of Native American, Alaska Native, Native Hawaiian, and affiliated Island communities and ensure their rich histories and contributions continue to thrive with each passing generation. This November and every month, we celebrate the culture and heritage of these remarkable Americans who deeply enrich the quality and character of our Nation.

**CELEBRATING NATIVE
AMERICAN HERITAGE MONTH!**

This year's national theme is **Celebrating Tribal Sovereignty and Identity.**

Tribal sovereignty ensures that any decisions about Tribes with regard to their property and citizens are made with their participation and consent. The Department of the Interior plays a key role in strengthening Tribal sovereignty, living up to trust and treaty responsibilities, and conducting robust Tribal consultation. Much of the Department's work under Secretary Haaland's leadership also centers on acknowledging the impact that relocation, forced assimilation, and lack of critical funding has on Indigenous communities across the country.
