PROGRAMS OF STUDY

Business & Entrepreneurship

Business & Entrepreneurship Cluster

Associate of Science Degree for Transfer, Business Administration 2.0

The Associate of Science in Business Administration 2.0 for Transfer degree is intended for students who plan to complete a bachelor's degree in Business Administration at a California State University system. This degree includes lower division coursework that is required for transfer and provides students with solid, foundational insight into the complexities of the contemporary business environment. Coursework in the areas of accounting, business law, and economics will equip students to recognize and analyze business, ethical, and financial issues in order to make informed decisions. Students who transfer to a California State University campus will be able to pursue degrees in areas such as accounting, finance, human resources management, international business, management, operations management, and marketing.

Upon completion of the Associate of Science in Business Administration for Transfer, students will have a strong academic foundation in the field and be prepared for upper division baccalaureate study. Students who have completed the Associate in Science in Business Administration 2.0 for Transfer will have satisfied the lower division requirements for transfer into Business Administration or similar major for many campuses in the California State University system.

Students who have completed the Associate in Science in Business Administration 2.0 for Transfer will have satisfied the lower division requirements for transfer into a Business Administration or similar major for many campuses in the California State University system. Students must complete the following Associate Degree for Transfer requirements: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements. (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0. ADTs also require that students must earn a C or better in all courses required for the major or area of emphasis. A "P" (Pass) grade is an acceptable grade for courses in the major.

Program Level Outcomes

Upon successful completion, the student will be able to:

- Evaluate the performance business environments and their impact on organizational growth.
- Demonstrate a basic understanding of monetary and legal aspects of the business environment.
- Analyze the functions of businesses and their impact on organizational performance.
