BARSTOW COMMUNITY COLLEGE
FRIDAY, MAY 17, 2024

JAMES R. PARKS GYMNASIUM
2700 BARSTOW RD., BARSTOW, CA 92311

COMMENCEMENT CEREMONY DECORUM AND COURTESY

The faculty and staff at Barstow Community College congratulate you on your academic achievement and wish to ensure the commencement ceremony will be a fitting conclusion to this phase of your education!

The Barstow Community College Commencement ceremony is, by its very nature, a festive occasion. The festivity manifests itself in many ways including the dress of the students; the faculty adorned in academic regalia; and the warmth, joy and satisfaction of accomplishment.

The ceremony is also marked by seriousness where the actual conferring of degrees signifies hard work on the part of everyone involved: students, faculty, staff, administrators, parents, and spouses. As a consequence of the serious nature of the ceremony, students and guests are expected to maintain a measure of decorum consistent with the occasion.

The college community requests that audience participation be of respectful celebration honoring the commitment to learning and the fulfillment of dreams shared by all degree candidates who today walk across the stage. This element of respectful celebration also extends to the parents, guardians and spouses whose labor and support brings pride to the fulfillment of these dreams, and to the family members aspiring to one day have their moment of “walking across the stage.”

MISSION STATEMENT

Barstow Community College is committed to providing an equitable, accessible, and affordable education to its diverse student body, including local, military, distance education, and historically marginalized student populations. Through a variety of high-quality and comprehensive degree, certificate, and job skills training programs, we provide holistic student support with clear and diverse educational pathways that provide students with life-long learning and networking opportunities, critical thinking skills, and success in a globalized world.

ALMA MATER

Hail to our alma mater dear,
To you we sing this hymn.
Happy of heart and strong of limb,
We serve always heeding your call.
Though we may leave your fair grand halls,
We'll always sing of you,
Forever wave the blue and gold,
We pledge our hearts to you.

Bles'd with the desert's golden sun,
Under a sky of blue,
We hold your honor dear to heart,
Our love never failing, but true.
When we are gone from thy grand halls,
There's still the blue and gold,
We'll never falter in our pride,
We pledge our love to you.

LIVE-STREAM/CLOSED CAPTIONS

With closed captioning, students and families can view the live-streaming graduation: www.barstow.edu/grad-ceremony24. The graduation ceremony will be live-streamed on YouTube during the event and will also be accessible for replay after the ceremony has concluded. Closed captioning is available through your desktop, smartphone or tablet device.

PHOTOGRAPHS

Photographs of graduates as they walk across the stage are available through a professional group who has contracted with the college to provide these services. Ceremony, on and off stage photographs, will be available from Grad Images. Graduates will be emailed a link to view their photos by the end of June.

FERNANDO “FRED” BACA: HONORING YEARS OF SERVICE AND LEADERSHIP

In recognition of Trustee Fred Baca’s dedication and invaluable contributions to Barstow Community College and its students, we proudly honor his years of service and leadership. For over 28 years, Trustee Baca’s commitment to the College’s mission has been demonstrated through his roles as President, Vice President, Secretary, County Representative, and Foundation Representative. His leadership has shaped policies and initiatives that have left a mark on countless generations of students and faculty.

Trustee Baca’s connection to the Barstow community, spanning back to 1960, goes far beyond his tenure at the college. As a former BCC student and business owner, his roots in the community reflect a commitment to its growth and prosperity. His leadership extends beyond the College campus, proven by his pivotal roles in organizations such as New Hope Village and the Barstow Area Chamber of Commerce, where his contributions have been honored with distinctions such as Man of the Year in 1994 and Small Business of the Year in 2006.

Trustee Baca serves as an example of dedication, vision, and a commitment to the betterment of his community and our college. His impact will resonate for years to come, as he continues to inspire future generations to strive for excellence and embody the spirit of service that he exemplifies.

ACADEMIC REGALIA

In the 12th Century, as scholars began to organize themselves into guilds called “universities,” a distinctive costume called the “scholar’s gown” also began to emerge. The gown was originally black to better hide ink stains and voluminous for warmth. It also had a hood that could be pulled over the head for protection from rain and served in fair weather as a carrying pouch for such scholarly essentials as chalk, spare pens, or boar’s tooth for smoothing the surface of parchment, a creamy or yellowish material made from dried and treated sheepskin, goatskin, or other animal hide, used in former times for books and documents. The square mortarboard worn today is a stylized representation of a stocking cap especially designed to hold a small book secure atop a scholar’s head.

Scholarly rank and discipline are indicated by the cut of the gown and color of the hood and tassel:

- The associate’s and bachelor’s gown is black and untrimmed, has pointed sleeves, and reaches only to the knees.
- The master’s gown is black and untrimmed but has closed sleeves in the shape of an arc.
- The doctoral gown is black with black velvet panels and having three velvet bars on bell shaped sleeves.
- The color of the silk or velvet band on the border of the hood indicates the discipline:
 - light blue for education,
 - white for liberal arts,
 - golden yellow for science,
 - brown for fine arts,
 - crimson for journalism,
 - lemon for library science,
 - pink for music,
 - apricot for nursing,
 - silver gray for speech,
 - dark blue for philosophy,
 - sage green for physical education,
 - peacock blue for public administration,
 - drab for business,
 - and copper for economics.
- The lining of the hood signifies the school colors of the degree granting institution.

SUPERINTENDENT-PRESIDENT'S MESSAGE

I am honored to congratulate Barstow Community College (BCC) Class of 2024 graduates. I also want to sincerely offer my warmest and most enthusiastic congratulations to the families. These unsung heroes have supported our graduates from the beginning of their postsecondary education to the final stages of earning a certificate or an associate degree.

As Superintendent-President, I have had the privilege to meet with students and learn their unique trajectories. Your stories have shown me your resilience, commitment to your dream of pursuing a higher level of career and education, and ambition to lead a life centered on purpose, achievement, attainment of academic excellence, social justice, and service learning. Although each of our graduate stories is different, each represents a mosaic of triumphs that intersect the role and education Barstow Community College provides to our graduates in the next stage of their lives.

I want to share a few of our proud milestones with you. This year's commencement events offer more opportunities for students and families to partake in two graduation ceremonies. The Class of 2024 is the largest number of students who have applied for graduation. Today is the first time in the 64 years of BCC that the institution has hosted two graduation ceremonies on the same day. Additionally, BCC offered graduates free regalia this year due to the categorical funding available to support our graduates with this important milestone.

Our graduates had the pleasure of decorating their caps to celebrate this milestone and to signify their unique identities through visual representation. The commencement program also features the significance of stoles, academic achievements, and honor cords and why these special recognitions matter. We hope you see the beauty of our diverse student population and that Barstow Community College is positively transforming the lives and communities it proudly serves.

Thank you to all the graduates and families who traveled to be here today. Your success is our success.

Thank you to the fantastic faculty, staff, administrators, and Board of Trustees who supported each student through their journey.

ARYIANNA PETTY

CLASS OF 2024, STUDENT SPEAKER

Aryianna Petty is earning an associate degree in psychology from Barstow Community College and earning her high school diploma from Barstow High School. Aryianna enrolled in BCC’s dual enrollment program that allowed her to earn college credits while simultaneously enrolled in high school. Aryianna was a high school cheerleader where she was part of the junior varsity and varsity teams. She also worked part-time at Starbucks. Aryianna joined the California Scholarship Federation club that accepts students

with 3.0 grade point averages or higher. She is a proud local Barstowian success story. She is one of six siblings who were raised by her grandparents. She is planning to enroll into a four-year postsecondary institution, major in Criminology, and pursue a Ph.D. while pursuing a career with the Federal Bureau of Investigation (FBI).

“I think it’s important people know my story so they can understand that they can do the dual enrollment program, too. If more high school students knew that this kind of opportunity is given, we can save them thousands of dollars of student debt and put them ahead of the game when it comes to receiving your degree(s). I was lucky enough to learn about this opportunity at an early stage of my high school education. Being able to graduate with both my high school diploma and my associate degree is such a great accomplishment and I want to be able to see more high school students doing this dual program as well.”

-Aryianna Petty, BCC Class of 2024

VHANYK COVARRUBIAS

CLASS OF 2024, STUDENT SPEAKER

Vhanyk Covarrubias is a first-generation Barstow Community College (BCC) graduate. At the beginning of his educational journey at BCC, Vhanyk did not see himself as college material. Vhanyk considered himself an uninterested student and did not know what classes to enroll in or which major to select. Vhanyk was employed as a student worker in the Counseling department. In 2023-2024, he also was elected to Associated Student Government as Senator of Event Coordination.

In ASG, he hosted and led podcasts on various student topics centered on empowering student voices and experiences. At BCC, Vhanyk majored in Communications; he is graduating with honors with a 3.26 grade point average. Vhanyk was accepted to the California State University, Bakersfield where he will start in fall 2024.

“At a young age, I have had to deal with a lot of difficult life situations. I was the complete opposite of what you wanted in a student. Just two years ago, I was uninterested, did not care at all and always thought college was never for me. Fast forward to the present day, I am a full-time student who is working and maintaining a grade point average above 3.0. If you told me that I am graduating, I would have never believed you. It’s true and unbelievable. If I am able to do this, so can anyone.”

-Vhanyk Covarrubias, BCC Class of 2024
