Barstow Community College will be hosting an in-person watch party for the 6th Annual CCC LGBTQ+ Summit.

Join and collaborate with members of California Community Colleges at all levels. The summit is a space for students, faculty, classified professionals and administrators where we will focus on this year's theme: "The Unstoppable Movement for Queer & Trans Liberation" and on improving not only individual community college campuses but encouraging changes at structural levels as well. We will learn from each other's innovative and successful ideas that will transform campuses so that we better serve and affirm LGBTQ+ students.
