Clery Act Overview & History

The *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act* (the Clery Act), codified at 20 U.S.C. § 2092(f) as a part of the *Higher Education Act of 1965* (HEA), is a federal law that requires colleges and universities to disclose certain timely and annual information about campus security and crimes that take place on or adjacent to campus. All public and private postsecondary educational institutions participating in federal student aid programs are required to comply with the Clery Act.

In 1990, Congress amended the HEA by enacting the Crime Awareness and Campus Security Act (CACSA). Howard and Connie Clery advocated for this legislation following the death of their daughter, Jeanne Clery, who was murdered in 1986 while attending Lehigh University. In 1998, the CACSA amendments renamed the law in her memory.

Clery Act Requirements

The Clery Act requires institutions of higher education to do the following:

- Collect, classify, and count crime reports and statistics.
- Publish an Annual Security Report (ASR) by October 1st of each year, which must include security policies and crime statistics for the three most recent calendar years.
- Issue campus alerts and warning notices.
- Disclose missing student notification procedures, when applicable.
- Disclose procedures for institutional disciplinary actions.
- Keep a daily crime log, when applicable.
- Submit crime and fire statistics to the Department, when applicable.
- Disclose fire safety information, when applicable.
- Provide educational programs and campaigns.

Clery Act Crimes

In accordance with the Clery Act, Barstow Community College publishes an annual security report and submits crime statistics to the U.S. Department of Education as part of the annual data collection and survey (AP 3515 Reporting of Crimes). The reported data include the number of each crime listed in **Table A** below that occurred on or adjacent to campus and were reported to Barstow Community College, campus security, or the Barstow Police Department. This information is also included in the Annual Security Report (ASR). As outlined in 34 C.F.R. § 668.46(c)(2), the Clery Act does not require Barstow Community College to initiate an investigation or disclose personally identifiable information (PII) about a victim.

Barstow Police Department (Barstow PD) is the primary local law enforcement agency serving the Barstow Community College District. While the Department is not a Campus Security Authority under the Clery Act solely by virtue of its law enforcement role, the District maintains a cooperative working relationship with Barstow PD through written agreements that define operational responsibilities for the investigation of violent crimes occurring on District property (AP 3520 Local Law Enforcement). Members of the campus community may report crimes directly to the Barstow Police Department, and the District works closely with local law enforcement in the investigation of criminal incidents, emergency response, and the collection of crime statistics for Clery Act reporting purposes.

Campus Security Authorities: 34 CFR 668.46(a)

Campus Security Authorities include: campus police or security department personnel; individuals or organizations identified in institutional security policies; and individuals with security-related responsibilities.
