

Barstow College - 2024-2025 Basic Needs Center and Coordinator Support Plan (2024-25) CERTIFIED

Details

Plan Title *

Barstow College - 2024-2025 Basic Needs Center and Coordinator Support Plan (2024-25)

Plan Description

The Basic Needs Center is a hub for students to find food, housing, transportation, and technology resources. Also, they can receive hygiene, child care and clothing items.

The most important outcome is that a student has the knowledge where to go when is facing basic needs insecurities. All the events and resources are published campus wide to achieve the outcome.

Basic Needs Services Plan Updates

1. Please reflect on efforts to expand services and/or expand the number of students served

Please select all that apply and use the "Other" option to add additional information as needed

- Expanded hours (beyond 5pm) access to food pantry and/or basic needs center
- Locating events/services in high foot traffic areas on campus
- Strong inter-campus collaboration with identity-based programs
- Online intake process/appointment scheduling systems
- Multi-lingual outreach materials
- Canvas shell integration/outreach via social media campaigns
- Faculty/college including basic needs resource information in college catalog, class syllabi and/or classroom announcements

2. Please provide details regarding the features and physical location of the basic needs center *

- The basic needs center is visible, accessible and has sufficient space to adequately serve students
- The basic needs center is co-located with other support service programs
- The basic needs center has adequate storage space

3. Please provide information about existing intercampus partnerships and/or types of institutional support available to the basic need center and staff *

- Faculty/staff support
- Support and collaboration with other categorical programs
- Support from college administration
- Two-way referrals with Financial Aid office
- Proactive income screening support from Financial Aid office
- Support from student government and/or other student organizations

4. Please describe relevant professional development opportunities available through the college/district that support efforts to operate the basic needs center

We have access to different kind of trainings such customer service, DEIA trainings on diversity, equity, and inclusion. Also, staff participates in leardership trainings with management.

5. Please share information regarding local- regional collaboration meetings that are hosted in your region

The college regularly participates in local Community Based organizations (CBOs) collaboration meetings in the High Desert, the Barstow Chamber of Commerce and with the San Bernardino County.

6. Please share the types of professional development and/or regional collaboration meetings that would help efforts to operate the basic needs center at your campus

All the CBOs that we currently meet provides current resource opportunities for the students. We have been able to bring health resources, screening and additional organizations that an provide utility assistance.

7. Please indicate the total number of permanent staff that are employed to support basic needs services on campus *

3

8. Please indicate the total number of student workers that are employed (paid or unpaid) to support basic needs services on campus

5

9. Please indicate the total number of peer ambassadors or interns that are utilized (paid or unpaid) to support basic needs services on campus

0

10. Please briefly describe any on campus services that are provided by county or community based organization staff that offer co-located services

None. We provide referrals to CBOs or country to case by case according to their specific needs.
