

**PRE-BID PRODUCT SUBSTITUTION REQUEST FORM**

Failure to submit a Substitution Request Form with information required including signature, will result in the District's summary rejection of a request to substitute a Specified Product.

TO: Barstow Community College District

PROJECT: BCC BLDG. D HVAC REPLACEMENT

BIDDER: \_\_\_\_\_

The above-identified Bidder hereby submits for the District's consideration the proposed Alternative Products for Specified Products.

<b>Project Document Reference</b> (Page Number and/or Specifications Section)	<b>Specified Product</b>	<b>Proposed Alternative Product</b>

1. For each proposed Alternative Product set forth above, the Bidder certifies to each of the following (check all applicable boxes).
- ☐ The proposed Alternative Product(s) comply with the requirements of the Specified Product(s).
  - ☐ The quality, performance capability and functionality (including aesthetics) of the proposed Alternative Product(s) meet or exceed the quality, performance capability and functionality of the Specified Product(s).
  - ☐ Use of the Alternative Product(s) will not delay completion of the Project.
  - ☐ The cost to furnish and install the Alternative Product(s) is equivalent or less than the cost to furnish and
-

install the Specified Product(s).

2. This Pre-Bid Product Substitution Request is submitted with the following (check all applicable boxes):

- ☐ Complete technical data, including engineering, construction, dimension, visual, aesthetic and performance data laboratory test results, if applicable, for proposed Alternative Product(s) is attached. The Bidder acknowledges that failure to attach complete technical data will result in summary rejection of the proposed Alternative Product(s).
- ☐ All necessary samples and substantiating data for proposed Alternative Product(s) which establish that the proposed Alternative Product(s) is/are an "or equal" to the Specified Product(s) are attached. The Bidder acknowledges that failure to attach samples and substantiating data will result in summary rejection of the proposed Alternative Product(s).
- ☐ Manufacturer product literature and specifications for proposed Alternative Product(s) are attached. The Bidder acknowledges that failure to attach manufacturer product literature and product specifications will result in summary rejection of the proposed Alternative Product(s).

I am authorized by the above-identified Bidder to complete, execute and submit this Pre-Bid Product Substitution Request Form on behalf of the Bidder. I have reviewed all of the foregoing and have confirmed that all of the information set forth above and the attachments hereto are complete, accurate, true and correct.
