Motion to approve by Scott Godfrey; 2nd by Eva Bagg

1. Public Comment – Public comment will be allowed on any topic relevant to the BACAE. Pursuant to BACAE Policy, comments are limited to 3 minutes per person. Please begin your comment by stating your name.

2. Closed Session – None Requested

3. Consortium Director’s Report

- 3.1. California Adult Education Program: Notice of Selection of Targeted Technical Assistance (TTA) for Consortia Effectiveness
 - A. Analysis of CAEP data (student outcomes, persistence, enrollment etc. in CASAS TE, local MIS, LaunchBoard, etc.)
 - B. CAEP Consortium Self-Assessment (update to the CAEP Consortium Self-Assessment document from the 2019 Three-Year Plan)
 - C. Program Improvement Plan (July 2021 – December 2022)
- Due Date: Jun 30, 2021

CAEP has offered technical assistance to our Consortium, welcoming Ryan De La Vega who observed the meeting today, will be the coach for the TTA. P. Alaimalo will not be the primary of contact for the TTA. Three things will be covered by Ryan in the next couple of weeks due in June. 1st an analysis of the CAEP Data, 2nd updating the consortium self-assessment, 3rd program improvement plan. R.De La Vega assigned to Barstow is here to learn about us to better understand how to coach us through the tasks assigned for June.

4.2 CAEP Deadlines – Upcoming

4.3 CAEP Updates

- Introduction to CAEP State Priorities (PPT and Handout)
- Student Funding in Adult Education Programs (CDE Memo)
- AB1491: Proposed State Legislation on Unspent Carryover Funds

4.4 Member Program Update: BAS

S. Godfrey- happy to report 12 graduates from their program, graduation is being planned for May 22nd and are hoping for a live in person format, however they have planned an alternative virtual graduation if a live face to face is not possible. 6 more students who will hopefully meet the requirements to be able to graduate on May 22nd. The district is looking at the possibility to extend the next school year (2021-2022) for the K-12 which will be applied to the Adult school.

4.5 Member Program Update: BCC

E. Bagg- As part of the three year plan it will talk about an entrepreneurship program, partnering with Barstow Unified, who is the only high school in our region who we can identify such a large number of students who we can consider including in our future entrepreneurship program. The Adult ed. plan had included recommendation was to establish an entrepreneurship pathway. BCC Board will meet tomorrow and they will receive an update on the Entrepreneur Center to be established on the main campus in an existing facility. Elena has been working with Dr. Helga Wild and she is asking to update the Community Needs assessment, to get a fresh look and the affects on Covid-19 to get our students back on campus.

J. Diaz- working closely with Amy McLaren our Adult Ed./ESL counselor, and she has assisted 12-14 students enroll in our program> ESL CASAS testing is ongoing and April 23rd and 24th is the next scheduled date for testing via Zoom. We continue to work around our ESL students schedule.

4.6 Member Program Update: BVUSD

No report

4.7 Member Program Update: SVUSD

B. Scott- 10 graduates we are projecting 16 graduates in total if they continue to work hard. Continuing CASAS testing through Zoom virtual testing, focusing on testing on many students as they can. Our enrollment is up to 130 students, the highest it has ever been in our district.

4.8 BCC Fiscal Agent Report

T. Walker- Submitted invoices for May to Elena for approval accounting will process those and receive payment before May 1stand everyone has cashed their checks.

4.9 Marketing & Social Media Update: Phoenix Design

M. Rosin- In the last 30 days we have had just about 2500 post reaches which is down in 55% their will be a discussion about this in the next committee meeting. We have however, maintained a balance between male and female who are tapping into our network, the website traffic is significantly lower than usual.

CAEP State Priorities Defined

Equity - Equity is about being fair and impartial with learners, partners, and the communities we serve. Programs aligned to this area may focus on methods for building cultural awareness and responsiveness, addressing equity in the classroom, addressing the achievement gap, or creating access, success, and transfer opportunities for historically disadvantage populations.

Leadership – Leadership deals with important things leaders need to know about successfully managing a consortium or managing an adult education K-12 Adult or noncredit agency. Programs aligned to this area might focus on regional and local policies, developing systems, supervision and management of staff, organizational change, leveraging resources, or capacity building.

Learner Transition – Moving learners along in educational, career, or other paths is one measure of how we determine success. Programs aligned to this area may focus on college and career pathways, transition supports, or counseling and support services. Some examples include short-term CTE, integrated education and training, pre-apprenticeship, bridges and boot camps, and mirrored courses.

Marketing - Marketing programs and learner recruitment are ongoing responsibilities for consortium members. It is also vital that local communities understand and support regional consortia. Programs aligned to this area should share successful marketing strategies and practices, such as employing social media in marketing, budgeting for marketing, using data to target marketing efforts, or strategies for keeping marketing current and effective.

Program Development/Curriculum/Classroom - Constant program improvement is at the core of building stronger and relevant consortia and agencies. Programs in this area could focus on any of the approved CAEP program areas, annual and 3-year planning, building partnerships, leveraging funding, or implementing specialized programs, such as programs built around the immigrant integration framework.

Program Evaluation – Ongoing assessment of programs is at the core of building stronger and relevant consortia and agencies. Programs aligned to this area could focus on using data to inform consortia annual and 3-year planning, programming, and instruction, evaluation design, or engaging stakeholders in the evaluation process.

Technology and Distance Learning – This state priority focuses on the integration of technology into the educational and work environments as well as the implementation of blended or distance learning programs. Programs aligned to this area might include anything relating to reaching and serving adult learners at a distance, whether synchronously or asynchronously. Programs might also relate to a technology goal(s) that agencies or consortium have identified and implemented.

April 30, 12 Noon: Understanding and Using the Adult Education Pipeline (AEP) Dashboard for Continuous Improvement

AE Pipeline

- Resource for adult educators, colleges, and consortia to improve student outcomes
- Metrics are aligned to the student journey including entry, progress, transition, completion of credentials, and employment
- Includes college MIS and K12 Adult Ed (TOPSpro) enrollment data and matching to EDD wage data
- Only complete source of college noncredit and K12 AE student data and outcomes
- Consortia and institutions are expected to use the AE Pipeline as the data source for the development of their three year plans (NOVA)

Review of Changes & Updates

2019-2020

REPORTABLE INDIVIDUAL SERVED

Changes

- ▶ Excluded Supervised Tutoring (493009) & Study Skills (493014) COMIS TOP codes
- ▶ All students who receive services included (regardless of enrollment)

What Does This Mean

- ▶ Corrects for overreporting of noncredit students
- ▶ Counts for all learners who receive some kind of service provided through an adult education program

PARTICIPANTS W/ 12+ INSTRUCTIONAL CONTACT HRS

Changes

- ▶ Only enrollment or positive attendance hours in courses in any of the six major CAEP program areas are included in this build.

What Does This Mean

- ▶ Aligns with CAEP priorities
- ▶ Influences any metric where Participant is the Denominator (e.g., Transitions)

Demographic Changes

Changes

- ▶ Gender: Added Non-Binary option
- ▶ Age: updated categories to align with WIOA reporting
- ▶ Adults with Disabilities: Additional criterion CASAS TE “Vocational Rehabilitation Services” and COMIS “SD01”
- ▶ Social Security Number additional matching efforts

COMPLETED AN IMMIGRATION INTEGRATION MILESTONE

Changes

- ▶ Previous Label: Participants Who Completed an ESL Milestone
- ▶ Includes completed a COMIS EL Civics course
- ▶ Includes Immigrant Integration Indicators (I3) outcomes relating to EL Civics COAAPs
- ▶ Denominator changed to All Participants

What Does This Mean

- ▶ More closely aligns with Immigrant Integration initiative and CAEP priority
- ▶ Expands the student universe to include any learner, rather than those just identified as ESL

Additional Changes

Metrics

- Completed a Postsecondary Credential
- Earned a Low-Unit Credit Certificate
- Earned a HIGH-UNIT Credit Certificate
- Earned a Postsecondary Noncredit CTE Certificate

What Does This Mean

- Expanded student universe to all participants
- Outcomes counted where students were a participant
- Added or refined courses
- Added or refined Awards

Exploring Data

Interesting data: alerts you to an issue or establishes a framework

Useful data: provides aggregated information on outcomes that highlights structural issues

Actionable data: provides specific information that can be used to guide service delivery

NORC Case Study

The purpose of the evaluation is to understand what the implementation of CAEP for NOCRC looks like, what strategies/activities are implemented by NOCRC workgroups in the 2019-20 academic year, what CAEP and internal outcomes they are achieving, and to identify areas for growth. The evaluation will also help identify strategic adjustments that could contribute to increasing statewide outcomes for the consortium. (p. 4)

CAEP Outcomes

Adults Served

Adults served by members of the consortium will be disaggregated into three categories:

- Service only students.
- Students receiving 1-11 instructional contact hours in any combination of the CAEP program areas over a single program year.
- Students receiving 12 or more instruction contact hours (known as participants) in any combination of the CAEP program areas over a single program year.

Progress

Participants who have demonstrated the following measures of progress:

- Literacy Gains: gains in Educational Functioning Level (EFL) in Reading, Math, or ESL as measured by federally approved National Reporting System (NRS) instruments among Adult Basic Education (ABE [grades K-8]), Adult Secondary Education (ASE [grades 9-12]), or English as a Second Language (ESL) participants
- Improved Basic Skills: includes completion of a course in ABE, ASE, or ESL for levels below transfer or a CDCP certificate in basic skills or ESL.
- Transition to a New Program: from ABE to ASE or from ESL to ASE or from ABE/ESL/ASE to Career Technical Education (CTE).
- Occupational Skills Gain/Workforce Preparation: includes a successful noncredit CTE or workforce prep course completion

Completion

Participants who have demonstrated the following measure of completion:

- Completion of High School Diplomas or Recognized Equivalents (GED, HiSET, TASC)
- Completion of Postsecondary Certificates, Degrees, or Training Programs: CDCP CTE certificates (48+ hours), locally approved certificate eligible for inclusion on the Eligible Training Provider List (ETPL) or certificates that meet the threshold or Title IV Federal Student Aid, any credit college award, certificate, degree that is not developmental.

Placement into Jobs

Participants who have demonstrated the following measure:

- Employment (new or continuing) after two or four quarters post exit.
- Entrance into Military Services

Improved Wages

Participants who have demonstrated the following measure:

- Wage gain four quarters after exit.
- Median wage attainment two quarters after exit.
- Attainment of a living wage.

Transition to Postsecondary

Participants who have demonstrated the following measure:

- Transition to noncredit or credit CTE program.
- Transition to credit courses that are not developmental.

NORC Case Study

Data Sources included:

- CAEP data and documentation for NORCC
- Consortium documentation (e.g., proposals, email exchanges, meeting notes, budgets)
- NOCCCD student information system
- Electronic Class Record module of iTendance
- Workgroups data tracking logs (e.g., ESL workgroup, Transition workgroup, K-12 Student Success Workgroup)

Key Evaluation Questions

1. What types of instructional and supportive services are provided to students through the North Orange County Regional Consortium?
2. What data elements is NOCRC capturing through the implementation of the strategies/activities funded by the California Adult Education Program?
3. How are NOCRC workgroup strategies contributing to Adult Education LaunchBoard outcomes?

What consortium leaders are saying

Helps us identify gaps or areas to target.

We use the AEP Dashboard data to set a common understanding of our work. It brings all the pieces of the work from different members together. It offers a unified picture of what we are doing and what we should be doing.

The drilldowns help us ask questions about who we are serving and who we should be serving.

We compare it to local census data to help increase services and recruitment efforts.

The AEP helps us ask and explore questions.

LaunchBoard Overview

The LaunchBoard: A suite of dashboards that help track progress toward economic mobility

The LaunchBoard, a statewide data system supported by the California Community Colleges Chancellor's Office and hosted by Cal-PASS Plus, provides data on progress, success, employment, and earnings outcomes for California community college students. The LaunchBoard

What: A suite of web-based data dashboards that brings education, employment, and labor market data together to inform decision making and planning

Purpose: Help/connect practitioners and decision makers at different levels to answer key questions like:

- *How many and what type of students are in which programs?*
- *Are graduates earning a living wage for the region?*
- *How do transition and completion rates compare across different student populations and programs?*

LaunchBoard Provides

Planning Tools

- Instructional program level data for in-depth program review
- Dashboards: Community College Pipeline and Adult Education Pipeline

Accountability Tools

- Initiative specific metrics to track progress and/or to allocate funding
- Dashboards: Student Success Metrics, Strong Workforce Program, Guided Pathways

How Does CAEP Data Reporting Work?

A Tale of Two Data Systems

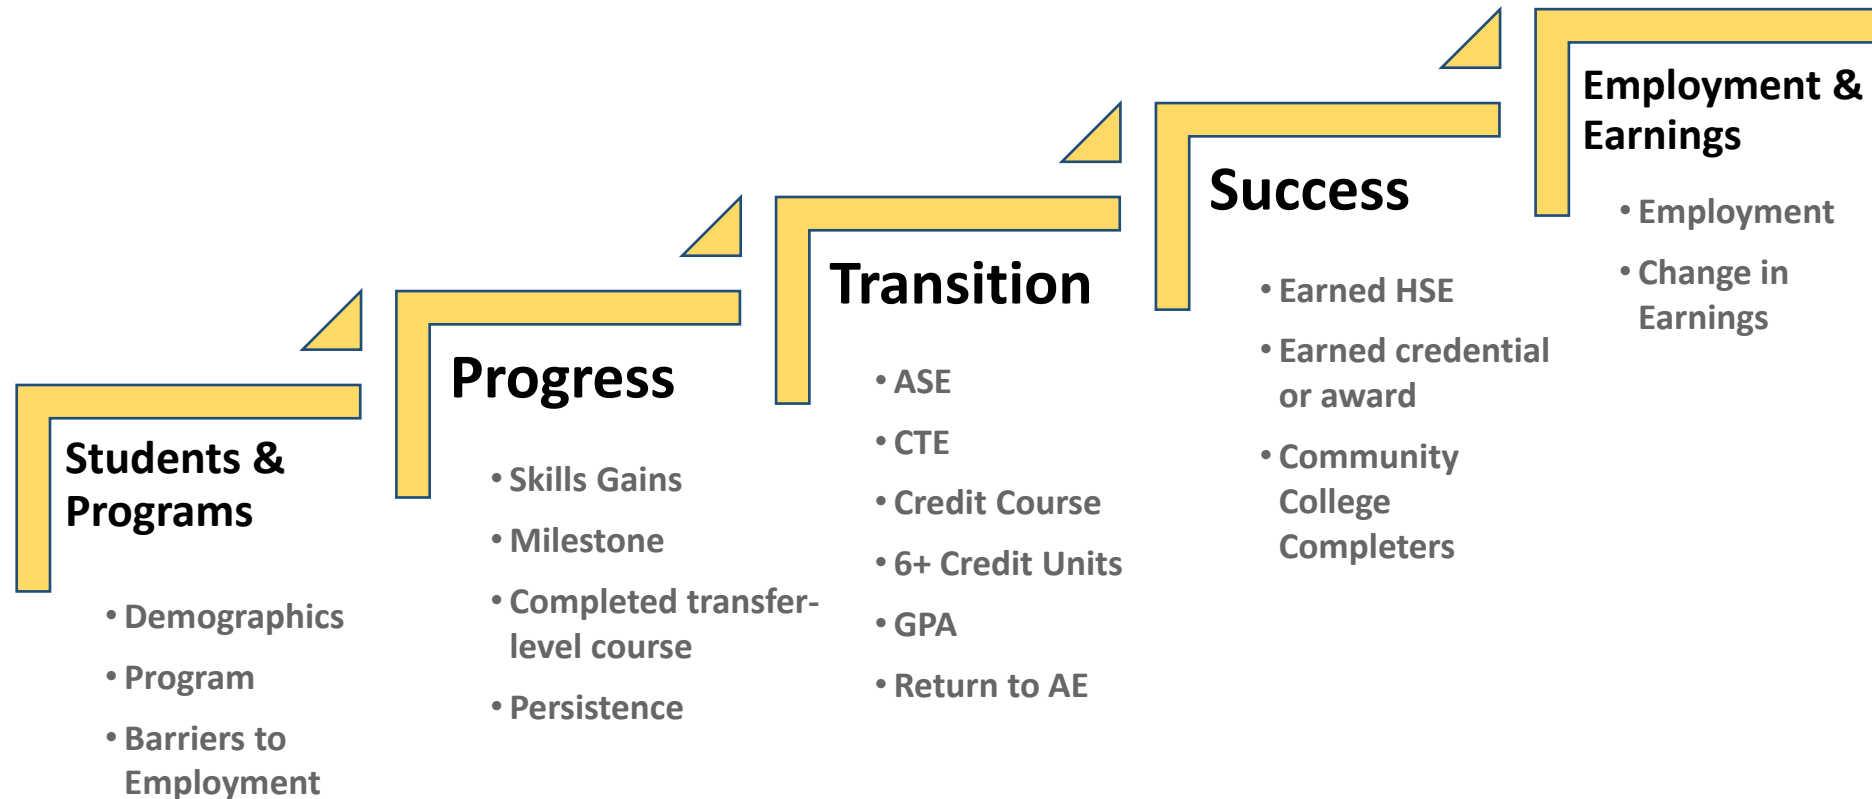

LaunchBoard dashboards use a **derived key (last, first, DOB, gender)** to identify unique students across multiple data sources.

How CAEP Data Reporting Works

- MIS Data Collection: College Districts required to collect and enter all CAEP adult learner student, enrollment, and other data into MIS
- MIS Data Uploads: Data uploads occur as part of the colleges regular data upload to COMIS. There is no separate reporting process for college noncredit data.
- WIOA Title II Reporting: Colleges receiving WIOA Title II funds must report quarterly through TOPSpro Enterprise as required by CDE
- TE Reporting for Non-WIOA II Colleges: Colleges may *ALSO* use TOPSpro to report students who do not have a record in MIS
- Primary Data Source: For every student with an MIS record, MIS is the PRIMARY VALIDATED source for student, course, enrollment, and outcome data

De-Duplication or Student Matching

- LaunchBoard dashboards use a **derived key (last, first, DOB, gender)** to identify unique students across multiple data sources.
- Students appear only once in the dashboard.

Denominator: The total number of students who can be identified in a metric (e.g., all students who identify as female and enrolled in ESL)

Numerator: The total number of students who MEET the criteria of the metric.

Example: Educational Functioning Level

- **Denominator:** Participants, Enrolled in ESL, ABE, or ASE programs
- **Numerator:** Denominator + Completed an EFL Level by Pre-test vs Post-test OR Course progression in the same program area

Student Category

Reportable Individual

- Received 1 hour of instruction or any other service

Participant

- Received 12+ hours of instructional hours
- Most commonly used denominator
- Cumulative across CAEP Program Areas
- Across institutions (colleges or adult schools)

prompted to ask?

Exploring Data

Explore a question

Are we meeting our target goals?

Are our students accessing jobs?

Prompt us to ask a question

Why are women doing better in transitioning to postsecondary?

We have seen an increase in our students completing a workforce development milestone, are all our students performing at the same level?

Dig into a Question

How are we doing transitioning students into college credit pathways?

- Are there particular demographics that are outperforming others?
- How do we compare to other consortia?
 - How do we compare to other consortia in identified demographics?
- Who appears to be performing well in obtaining transition outcomes?
 - Who appears to be doing well in obtaining transition outcomes in identified demographics?

What are follow up questions we can ask or steps we can take?

SB 554: DUAL ENROLLMENT LEGISLATION THAT IS EXPLICITLY EQUITY-FOCUSED

Senate Bill No. 554

CHAPTER 528

An act to amend Sections 76001 and 76002 of, and to add Article 7 (commencing with Section 52620) to Chapter 10 of Part 28 of Division 4 of Title 2 of, the Education Code, relating to public schools.

[Approved by Governor October 04, 2019. Filed with Secretary of State October 04, 2019.]

LEGISLATIVE COUNSEL'S DIGEST

SB 554, Roth. Public schools: adult school students: Advanced Scholastic and Vocational Training Program.

Existing law authorizes the governing board of a school district to allow pupils whom the district has determined would benefit from advanced scholastic or vocational work to attend community college as special part-time or full-time students, subject to parental permission.

This bill would authorize the governing board of a school district overseeing an adult education program or the governing board of a community college district overseeing a noncredit program to authorize a student pursuing a high school diploma or a high school equivalency certificate to enroll as a special part-time student at a community college, as provided. The bill would credit or reimburse the community college through the apportionment process for the student's attendance at the college, as specified.

SB 554 authorizes "a student pursuing a high school diploma or a high school equivalency certificate to enroll as a special part-time student at a community college..."

COLLECTING APPORTIONMENT FOR NONRESIDENT FTES

Assembly Bill No. 2364

CHAPTER 299

AB 2364 (2016) clarified that colleges can waive nonresident fees for special part-time admits and collect FTES apportionment on those enrollments.

An act to amend Sections 76004 and 76140 of the Education Code, relating to public postsecondary education.

[Approved by Governor September 12, 2016. Filed with Secretary of State September 12, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2364, Holden. Public postsecondary education: community colleges: exemption from nonresident tuition.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law establishes community college districts throughout the state, and authorizes them to operate campuses and provide instruction to students. Existing law authorizes community college districts to admit nonresident students, and requires that nonresident students be charged a nonresident tuition fee unless an exemption is applicable. Existing law authorizes a community college district to exempt from all or parts of the fee a special part-time student admitted pursuant to a specified concurrent or dual enrollment program.

This bill instead would require a community college district to exempt a special part-time student, other than a nonimmigrant alien, as defined, from paying all or parts of the fee if that student is admitted pursuant to one of additionally specified concurrent or dual enrollment programs. Because the bill would require community college districts to determine whether students qualify for exemption from nonresident tuition, it would constitute a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

Ability-to-Benefit (ATB) students are those who do not possess a high school diploma, GED, or recognized equivalent and are beyond the California State age of compulsory school attendance. If eligibility is established, these students may apply for Title IV Financial Aid (AKA Pell Grant).

The WHY? Over 5 million adults in CA don't have a high school diploma. Over 30% of adults 25-60 are in poverty.

How? Three ways to meet ATB eligibility.

- Accuplacer ATB test (Not widely available at CCs)
- State defined plan (CA plan not yet approved)

RE: Senate Bill 554 Public Schools: Adult School Students - Advanced Scholastic and Vocational Training Program

Senate Bill 554 by Senator Richard D. Roth was signed by the Governor on October 4, 2019 and became effective on January 1, 2020. The legislation expands dual enrollment to include students attending a noncredit or adult education high school diploma or equivalency program.

The bill authorizes the governing board of a school district overseeing an adult education program or the governing board of a community college district overseeing a noncredit program to authorize a student pursuing a high school diploma or a high school equivalency certificate to enroll as a special part-time student at a community college. This change allows adult students to participate in dual enrollment under Education Code section 76001. In order to receive apportionment for this new category of dual enrollment student, a community college district must add reference to students enrolled under Education Codes §52620 in the district's report of FTES.

Chaffey Adult School &
Chaffey College:

How SB 554 has helped transition adult students to college

Vision:

After completing an informed and goal driven program of study, Chaffey Adult School students will successfully transition to continuing education, additional training or advancement in the workforce.

What constitutes success?

- Reducing or removing barriers
- Providing easy access to the curriculum
- Modeling clear instructions and offering "how-to" guides
- Implementing tutoring/extra intervention supports
- Having counselors for guidance/support

The page features a decorative border with various elements: a string of colorful triangular flags (red, yellow, blue) at the top; a vertical line of red dots on the right; a magnifying glass icon on the right; a pencil icon on the left; a globe icon on the left; a blue wavy shape at the bottom left; and a yellow shape with a blue leaf-like pattern at the bottom right. The main text is centered in a teal color.

The Application

Application Process

- Student completes application without tutorial provided
- Assumption is placed that student knows how to indicate correct semester start date
- Student is ineligible to register if one part of application is incomplete
- Student is dropped from course if the application is completely incorrectly
- Student must be added manually by completing an add/drop slip
- No guidance how to interpret questions
- Disconnect between college and adult school practices

RESULTS

9 students **registered**
3 students indicated incorrect semester date and are **ineligible**
1 student had an inactive CC ID and was **ineligible**
14 students incorrectly completed the form and missed the deadline --> **ineligible**

Goals for Today

Learn about:

1. Key features of the AEP Dashboard, COMIS Data Sets, & CASAS TOPSpro Enterprise.
 2. Uses of the AEP Dashboard, & CASAS TOPSpro Enterprise reports.
 3. How CASAS TOPSpro Enterprise metrics map to the AEP metrics.

Inquiring Minds Want to Know...

On the Adult Education Pipeline:

- How are metrics identified?
- How are metrics calculated?
- Why are metrics added?
- Why are metrics changed?

So then... How do TOPSpro Enterprise metrics translate to the AEP Dashboard metrics?

<p>TOPSpro Data Source Elements</p>	<p>CurrentAge (Calculated) TotalPYHours IsAEBGProgramAreaESL ProgramYear</p>
<p>TOPSpro Calculations</p>	<p>AE 202 Students who met all of the following criteria:</p> <ul style="list-style-type: none"> • An adult education student age 16+ <p>WHERE CurrentAge ≥ 16</p> <ul style="list-style-type: none"> • AND with 12 or more hours across all program areas <p>AND TotalPYHours ≥ 12 across program year</p> <ul style="list-style-type: none"> • In the selected year <p>AND ProgramYear is within the selected year</p> <ul style="list-style-type: none"> • Who Enrolled in an ESL (or ELL) program area <p>WHERE IsAEBGProgramAreaESL = 1</p> <ul style="list-style-type: none"> • In the selected year <p>AND ProgramYear is within the selected year</p>

So then... How do you make them match

<p>TOPSpro Data Source Elements</p>	<p>CurrentAge (Calculated) TotalPYHours IsAEBGProgramAreaESL ProgramYear</p>
<p>TOPSpro Calculations</p>	<p>AE 202 Students who met all of the following criteria:</p> <ul style="list-style-type: none"> • An adult education student age 16+ <p>WHERE CurrentAge ≥ 16</p> <ul style="list-style-type: none"> • AND with 12 or more hours across all program areas <p>AND TotalPYHours ≥ 12 across program year</p> <ul style="list-style-type: none"> • In the selected year <p>AND ProgramYear is within the selected year</p> <ul style="list-style-type: none"> • Who Enrolled in an ESL (or ELL) program area <p>WHERE IsAEBGProgramAreaESL = 1</p> <ul style="list-style-type: none"> • In the selected year <p>AND ProgramYear is within the selected year</p>

What will you learn today?

- Why a new recruitment lens is needed for our “interim” pandemic recovery.
- A deep dive look into using personas to develop effective recruitment messages for adult learners.
- Tailor the national adult education campaign toolkit to deploy a localized campaign called #MoveAheadWithAdultEd.
 - Overview of all tools
 - eMarketing (DRIP) campaigns
 - PR strategies to engage reporters using social media

Why a new recruitment lens is needed...

Challenges during COVID

- Device & Internet Access
- Health Concerns
- Childcare Issues
- Lack of trust in the value of education
- Challenges with “in-person outreach”
- Changing Media Patterns

Why a new recruitment lens is needed...

Times Have Changed

- Device & Internet Access **Declining**
- Health Concerns **Declining**
- Childcare Issues **Declining**
- Lack of trust in the value of education **Increasing**
- Challenges with “in-person outreach” **Declining**
- Changing Media Patterns ??????
- **Self-Reflection Increasing**

Closing The Digital Divide

- Millions of Chromebooks distributed
- Globally PC purchases increased by 55%
- California putting \$\$ behind universal broadband
- 82% of adult school students in one survey indicated that their digital literacy and technology skills had improved since the pandemic!

How many students per digital learning device were there in your district at the following grade levels?

● High School (Grades 9-12) ● Middle School (Grades 6-8) ● Elementary School (Grades Prek-5)

*Results show responses from district leaders.

a) Represents licenses that are not inactive or temporarily closed.

- 20% of working parents had to leave work or reduce their work hours solely due to a lack of childcare
- California has lost 57,394 child care slots to permanent closures since the start of the pandemic

Changes in Learning Preferences

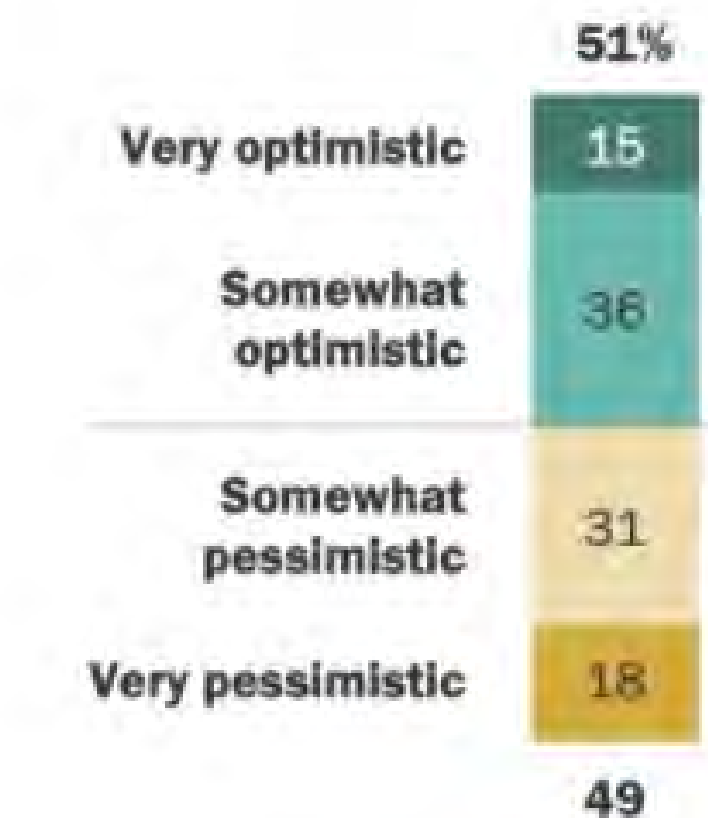

Reevaluating Work

- Although a lot of workers are interested in reskilling and transitioning to a new field, they often aren't interested in moving into where the jobs are
- So part of what's going on here is what I would call an “**interest gap**” in where workers want to work and the kind of work that's actually available

Unemployed adults have mixed views about their future job prospects; most say they've thought seriously about changing their field or occupation

Among unemployed adults, % saying ...

Their current outlook on finding a job in the near future is ...

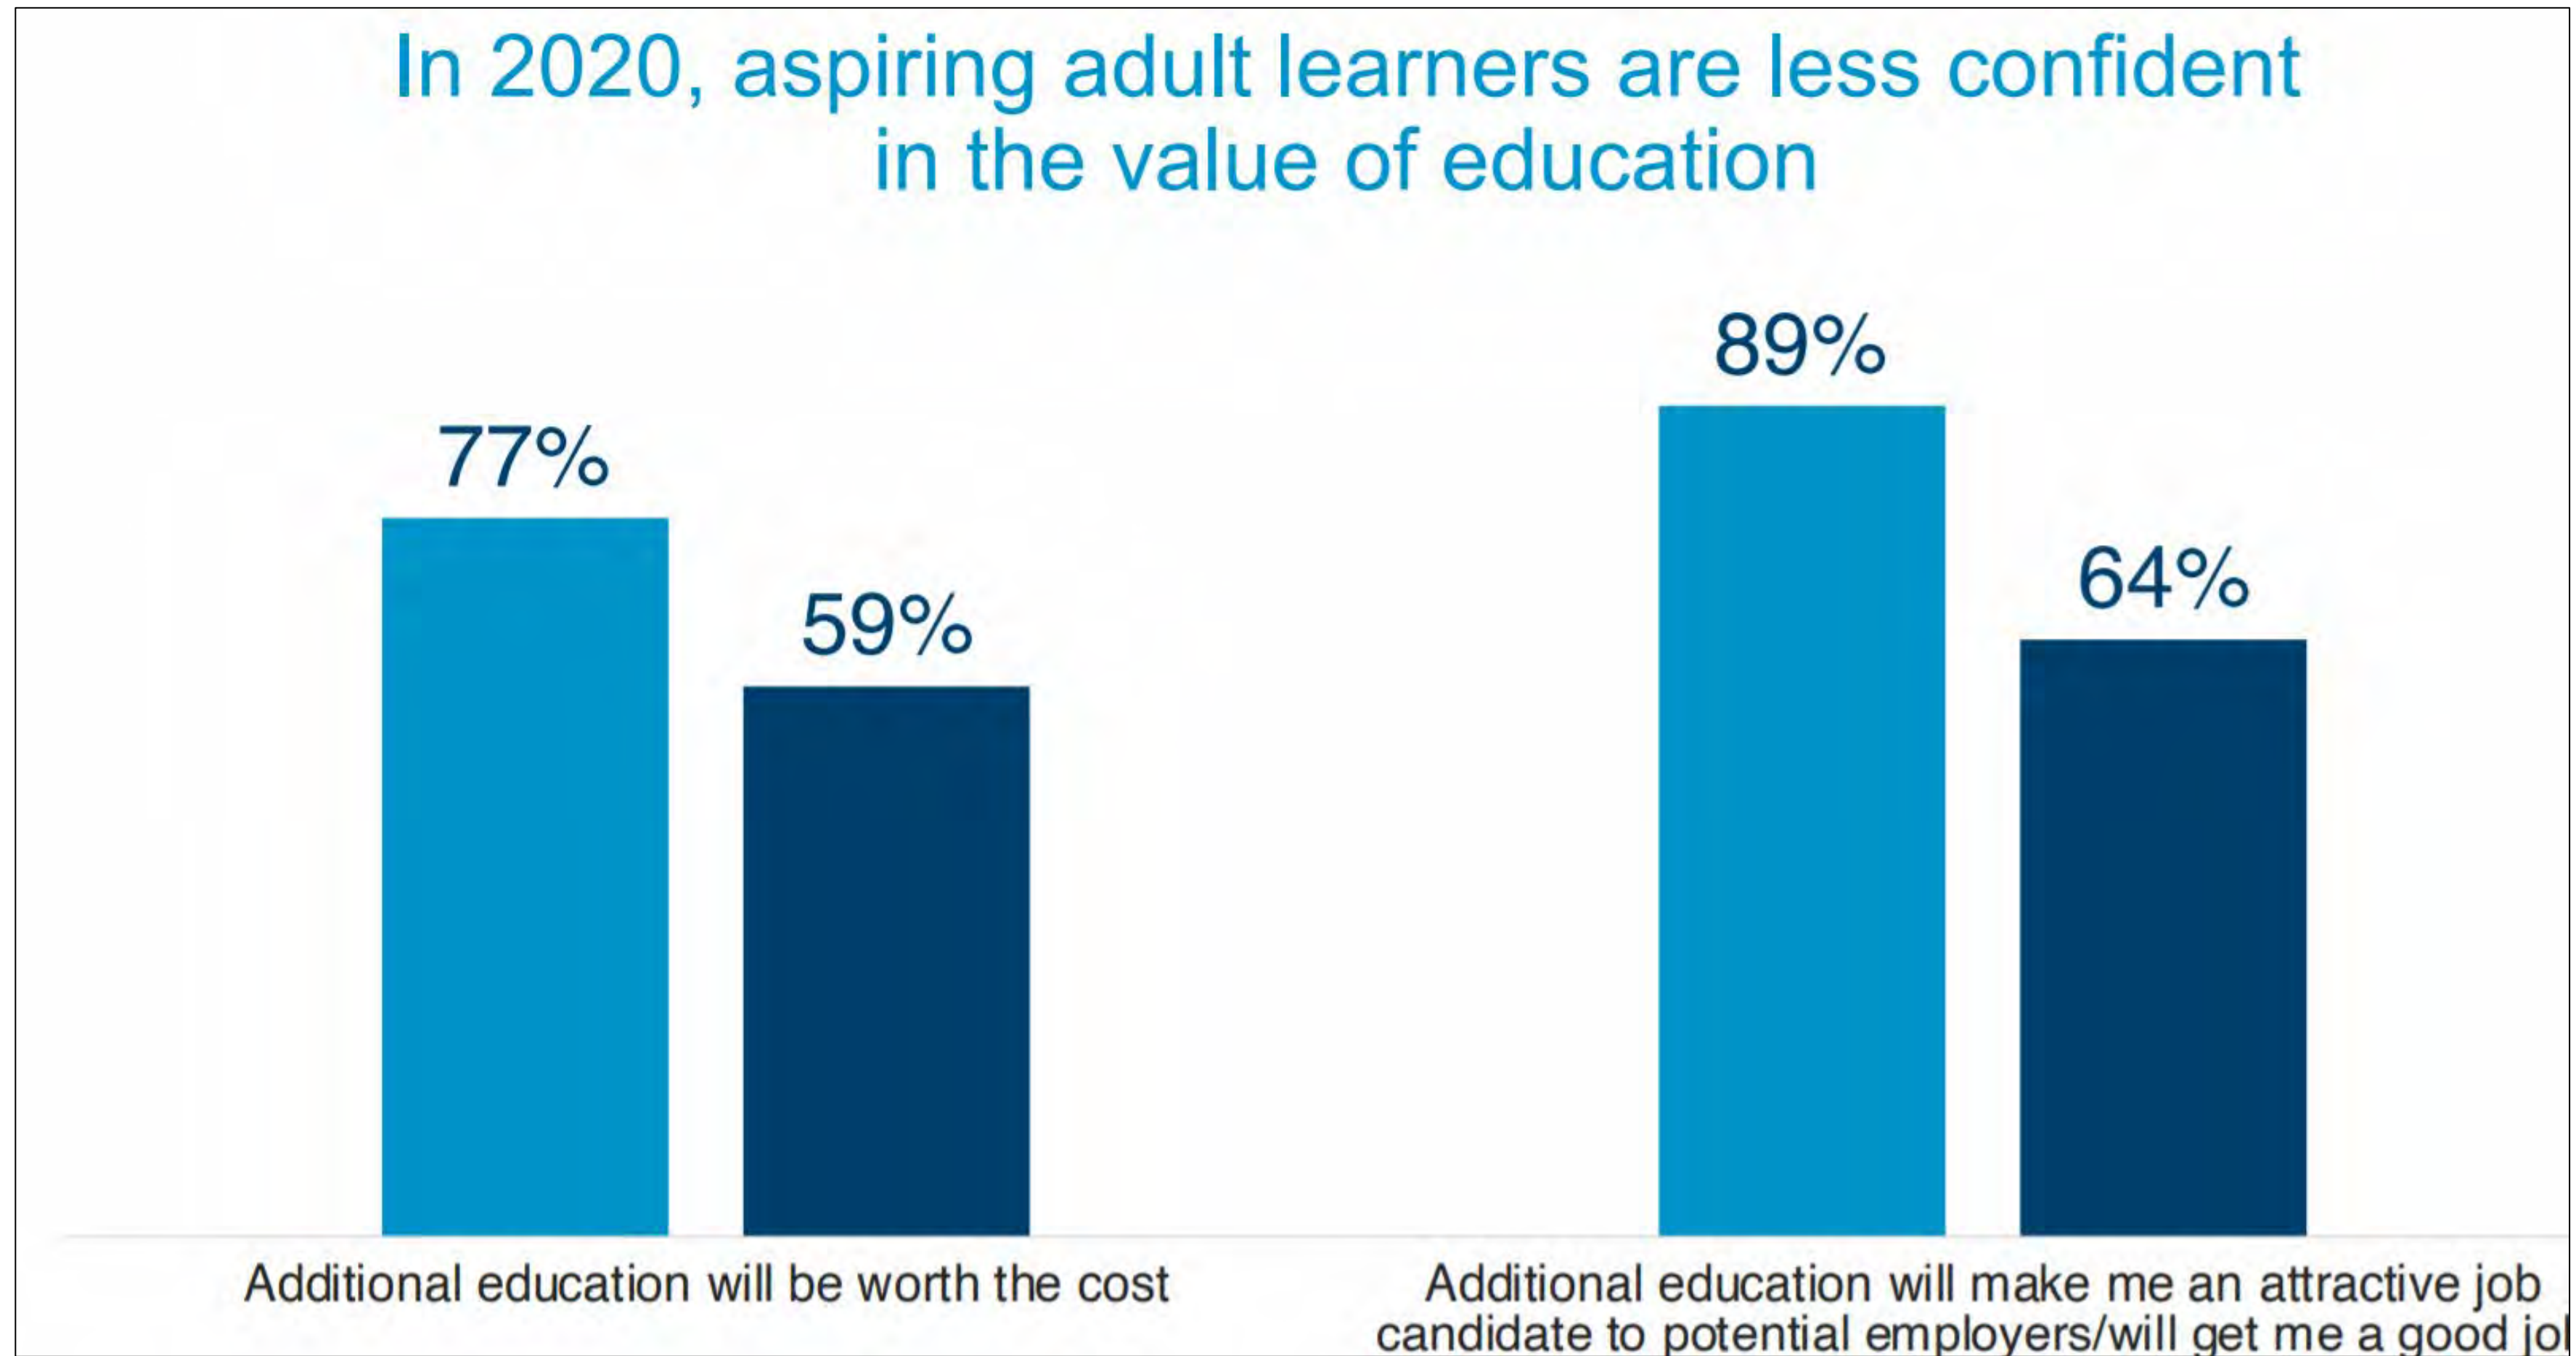

That, since they have been unemployed, they seriously considered changing their occupation or field of work

Note: Based on adults who are unemployed, furloughed or temporarily laid off and who are currently looking for work. Share of respondents who didn't offer an answer not shown. Source: Survey of U.S. adults conducted Jan. 19-24, 2021.

MESSAGES

MESSAGES

MESSAGES

Breaking Through the Noise: COVID-19 Context

The Importance of Emotional Messaging

How Do We Get To Emotional Messaging

Psychographics

Psychographic Analysis: Our “Interim” Recovery

- The **key motivators**: goals, belief in success and pathway to better job/life have been tested during this past year.
- It's **unclear how much hope** will be restored as vaccine distribution increases and people get back to work.
- **Workers' confidence** in the availability of jobs of any type will continue to be a hurdle.
- As students return to the classroom, for many **belief in their ability to succeed will increase.**
- On the other hand: A new cohort of people **see online learning as a new pathway to meet their goals.**

Steps: How to Create Emotional Messages

1. Understand what's in your population's head.
2. Create fictional characters called personas to represent different user types of your workforce services.
3. From the persona create the message strategy for the population you want to target.
4. Now develop the message using the 3 parts to the Communication Platform!

Students are most likely to enroll when they have

GOALS

I know I will get frustrated trying to learn online!

A BELIEF IN SUCCESS

When would I be able to study? The kids aren't in school, I'm working. I don't know how long I'll have a job!

SEE CLEAR PATHWAYS TO JOBS

I can't think about going to school now, I'm worried about my job, my health and my family!

What difference will going back to school make? I see people with really good jobs getting laid off!

What's in your population's head?

The Importance of Emotional Messaging

Step 1 Psychographics

I'd like to go to school, but I'd need to go online. I can use a computer now, but I don't think there are classes I need online.

What difference will it make? I see people with jobs but the pay isn't good!

When would I do this? My kids **STILL** aren't in school.. We're just trying to keep it together...

I can't think about training now, I have to get back to work!

Student Personas

Student personas are fictional, generalized representations of the ideal student, those members of the target population most likely to enroll and succeed in adult education.

Step 2

Develop Your Own Personas

*To create the right message to get **populations** to engage*

Consider your **target populations** and write a description of them. Answer these questions in your description

- Think about a “typical” person that has interacted with your program.
- Give that person a fictitious name.
- Describe the persona’s life details such as lifestyle, interests, values, goals, needs, limitations, desires, attitudes, and patterns of behaviors.
- Describe what this persona fears and what he/she is worried about. Unemployment? Health concerns? Bills? Childcare?
- How much has the current crisis impacted their day-to-day lives? Do they have stable housing? A job? A health crisis in their family? Kids home from school/daycare without childcare?
- How do they see online learning? Foreign and beyond them? Not like YouTube, but maybe they could try? Helping their kids has been so frustrating they can't see doing it themselves?
- Now develop the message using the 3 parts to the Communication Platform!

The Tight-Rope Walker: Encarnacion

Encarnacion has always been able to work since she arrived in the U.S. five years ago, first in the fields, then at a local tienda. Encarnacion is smart, though she has limited schooling. She is quick at managing the register drawer but doesn't read well and speaks very little English – she has rarely had to.

Things were going well, until the pandemic hit. She was saving money and thought she could soon get her own apartment. Then the store where she worked closed and when she had her son last April, she wasn't sure what she was going to do. Her daughter's school closed and she's struggling to help her do classes on the Chromebook the school gave her.

She lives with her prima and abuelita and another family, but the hotspot is shared with 4 kids and often goes out. With the cheapest cell plan, she often runs out of minutes but usually someone in line at the church pantry lets her use their phone for calls.

Everywhere she looks, people are out of work. She doesn't know anyone who feels secure.

We Know The Success Factors For ABE/ELLs:

Strong efficacy beliefs (motivators to exert control over one's motivation, behavior, social environment)

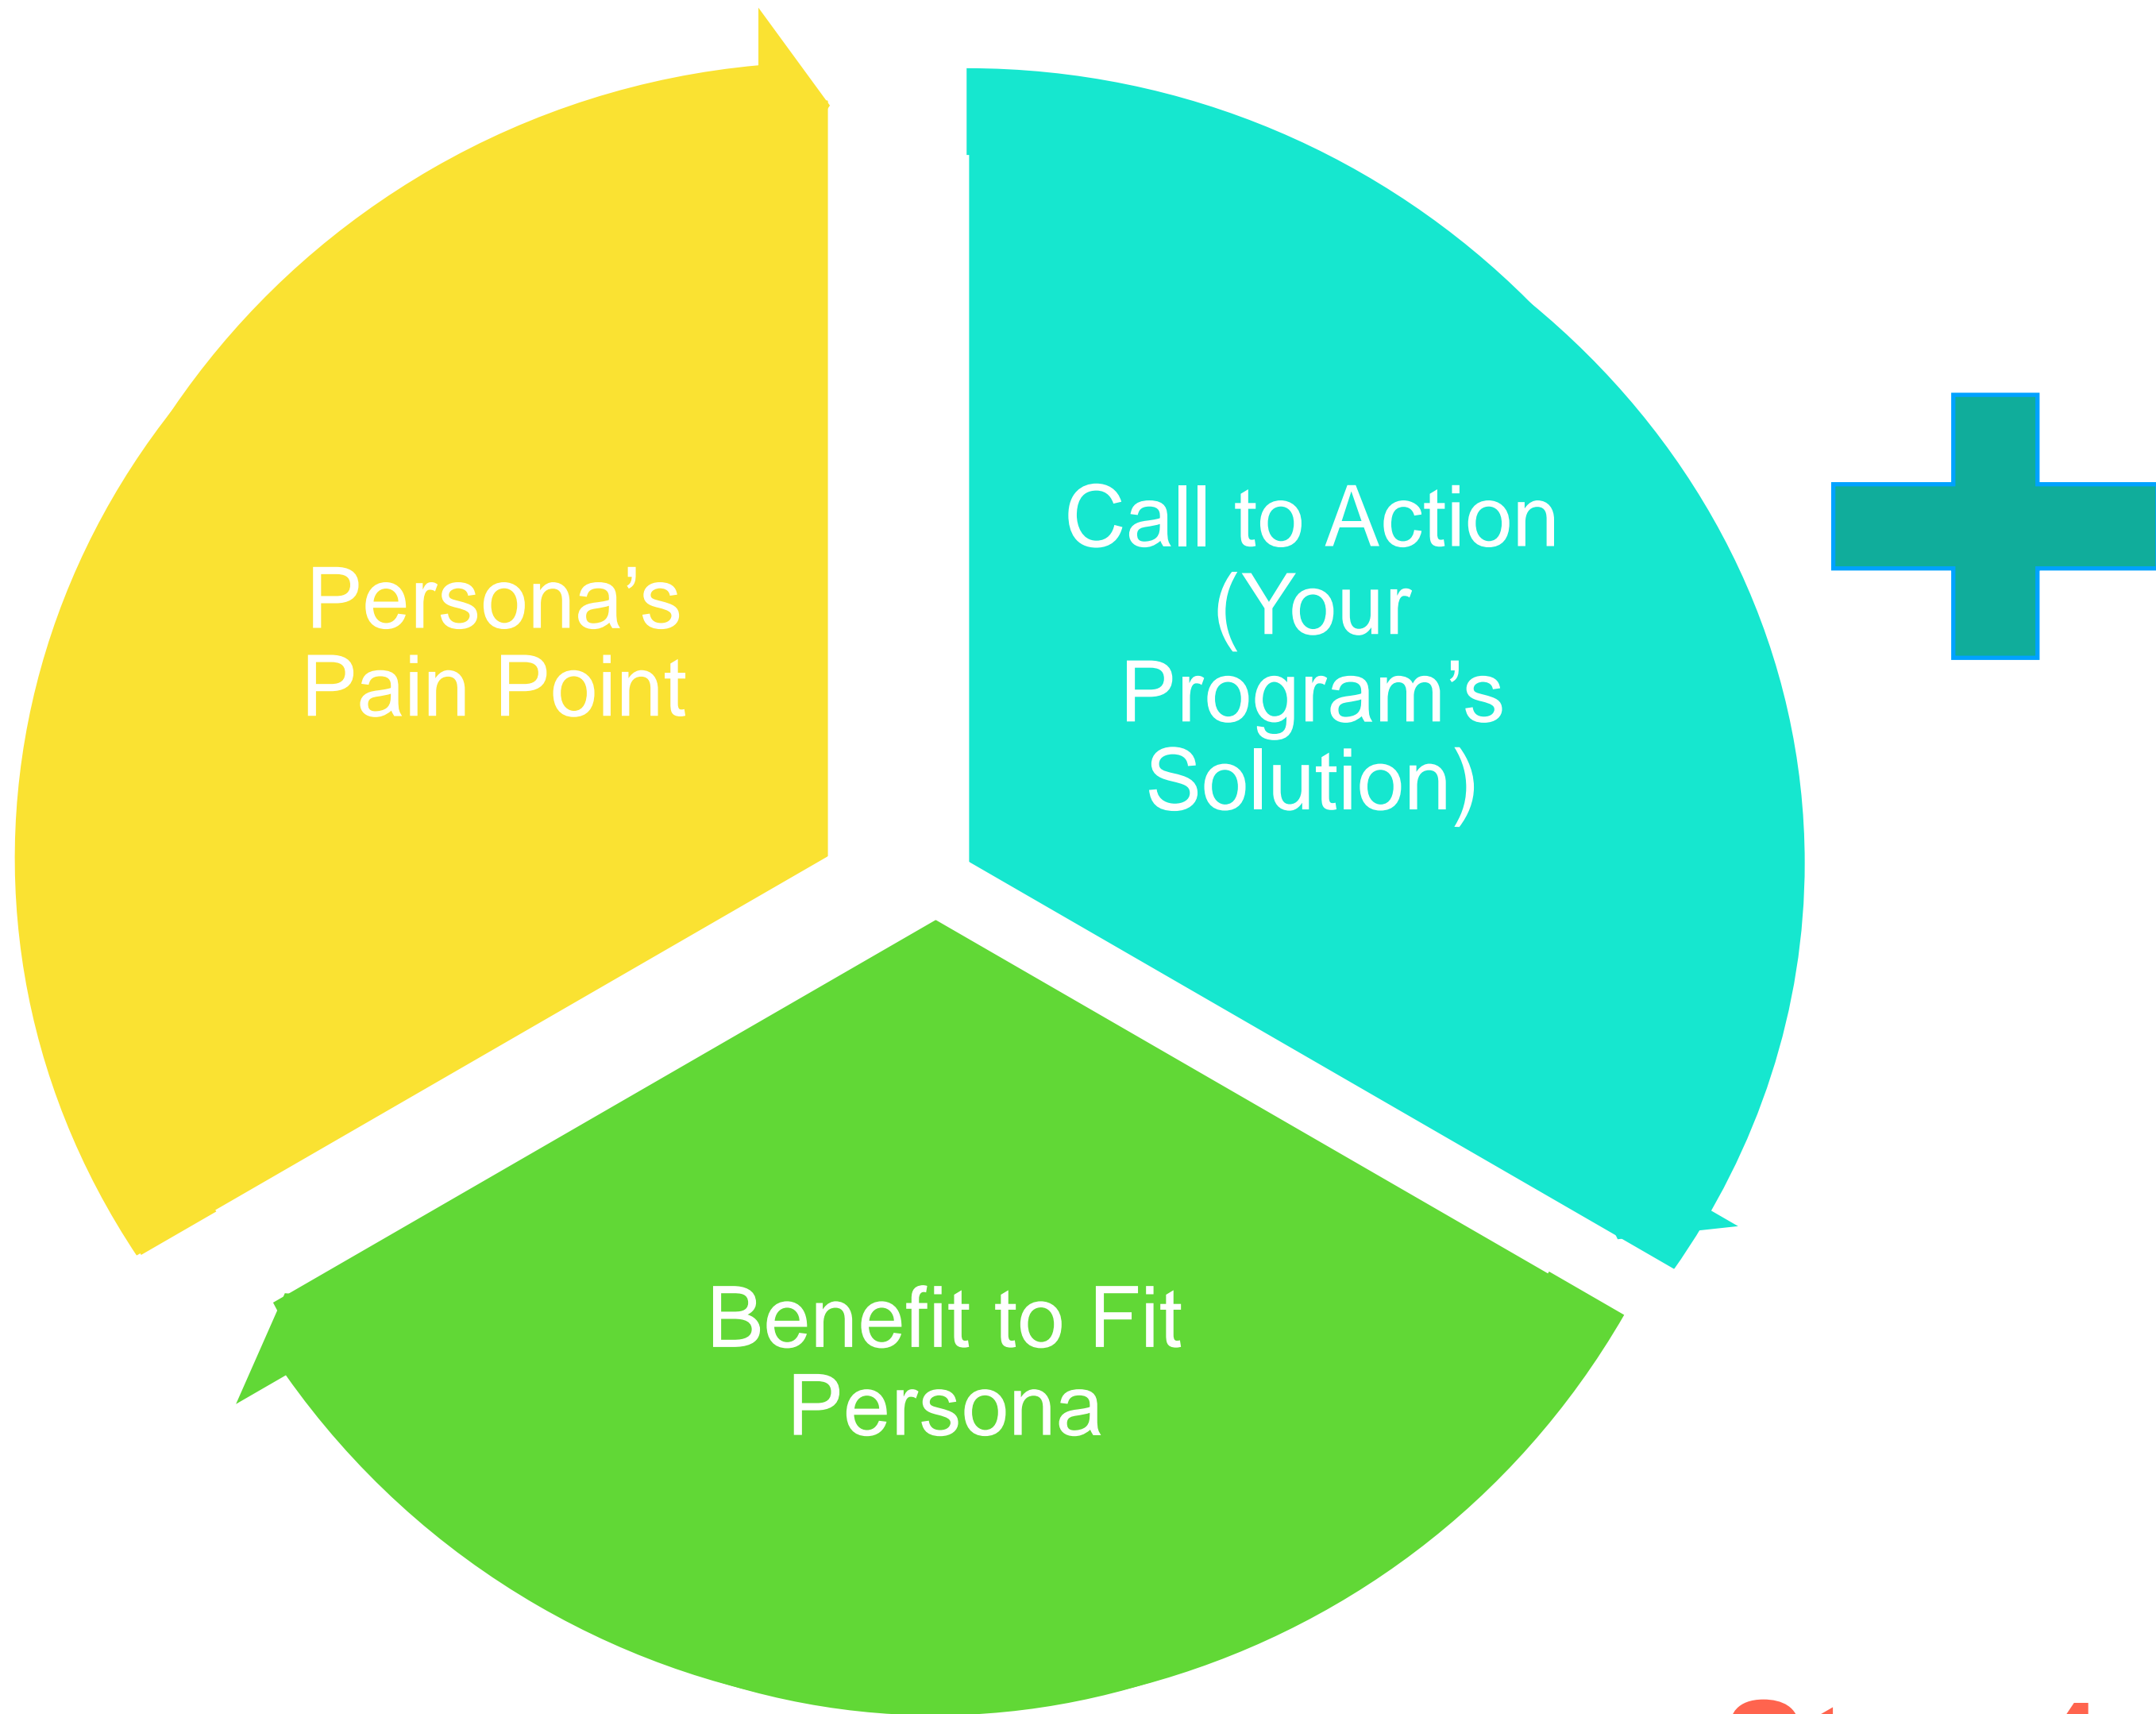

Robust motivation to build a better life

A clear understanding of an institutional pathway and portability (how do I get there?)

The message strategy must address Encarnacion's belief in her intelligence (efficacy beliefs) and goals (motivation) and show her a clear pathway to success

Step 3

Now that you have a persona & message strategy... The Communication Platform

The message must address Encarnacion's belief in her intelligence (efficacy beliefs) and goals (motivation) and show her a clear pathway to success

Step 4

Applying the Communication Platform to Encourage & Engage Encarnacion

Do you feel like life just keeps getting harder? Do you feel like you don't know where to turn to make things better or if you should even try?

(Pain Point)

Our program is for hard-working people who speak little English. We can provide a pathway to a better job and life – improving your English and helping you gain new skills for the post COVID-19 world.

(Benefit to Fit Persona)

There is a new way forward for you!

(Addresses Encarnacion efficacy beliefs)

(Your Organization Name) - A New Way Forward

(Directs Encarnacion to a clear pathway to success)

Go to www.ANewWayForward.com or Text HELP to (number)
(Calls to Action & Directs to Collaborative Microsite or Landing Page)

Your Turn

In the chat box:

1. Think about your enrollment numbers and what area you need to increase.
2. What market segment do you need to attract to increase enrollments (e.g. those that need to improve English; those who need to increase skills with CTE, etc)
3. Think about their biggest barriers and challenges during this “interim” recovery?
4. We will brainstorm messages once we see your info!

GUDELIA CONTRERAS

Gudelia came to the United States almost 25 years ago. Earning her GED in Spanish at Oregon Adult Basic Skills and improving her English reading and writing skills propelled her from the brutal work on the processing floor of a fish cannery to a job in human resources. Five years ago, she was hired by a nonprofit to provide health outreach to low-income clients. Her good work earned her a spot on the boards of Seaside Providence Foundation and the Clatsop Community College Foundation. In 2018, she earned an associate degree from Clatsop Community College and is now enrolled full-time at Portland State University with a goal to become a professor.

New Beginnings Striver

Jake left high school five years ago.

He doesn't remember going to class much, but he remembers it being easy – he just wasn't interested in finishing when he could get a good job at his uncle's auto shop.

The past year has been tough. He sees some of his friends from his math class who went to college with good jobs working from home. He KNOWS he is smarter than them and wonders if he could still go to college.

He knows he has to get his high school diploma, but figures it will be easy. He's not sure how long it will take to get a degree though.

Strong efficacy beliefs (motivators to exert control over one's motivation, behavior, social environment)

Robust motivation to build a better life

A clear understanding of an institutional pathway and portability (how do I get there?)

The message strategy must address Jake's belief in his intelligence (efficacy beliefs) and goals (motivation) and show him a clear pathway to success

Applying the Communication Platform to Encourage & Engage Jake, Fleur and Luz

Are you feeling turned around by this last year? Are taking a second look at your job, your opportunities, your life? Do you feel like you don't know where to turn to make things better?

(Pain Point)

¿Por qué la educación es importante para avanzar?

Los buenos trabajos y la mayoría de los programas de formación requieren más que un diploma de escuela secundaria. Las personas con un diploma de escuela secundaria ganan **\$ 6,000 + más al año** que las que no lo tienen. Mejore sus habilidades de lectura, escritura y matemáticas para una vida mejor o prepárese para una nueva carrera a través de la educación para adultos.

As a result of the toolkit items, we have **increased our media exposure**, as one of our local newspapers picked up the story and is going to run with it. Also, we have seen **only a 15% decrease in enrollments over this time last year, as compared to the 42% statewide decrease**. We had a **local company** contact us to begin a new workforce education initiative.

So, I encourage all of our programs to join me in the #MoveAheadwithAdultEd campaign, and let's move our state ahead....together!

[YOUR ORGANIZATION NAME] JOINS 'MOVING AHEAD WITH ADULT ED' CAMPAIGN TO GET ADULTS BACK TO SCHOOL AND WORK

Reskilling, Upskilling Will Help Move Adults Into Family-Sustaining Jobs for Economic Recovery from Pandemic

[Insert city, state] – With reskilling and upskilling programs in place, adult education is an economic catalyst to help low-skilled adults and their communities recover from the financial impacts of the COVID-19 pandemic. Our programs provide numerous options for participation, including working from home or receiving in-person instruction.

[insert your organization's name] joins more than 65,000 adult educators in "Moving Ahead with Adult Ed," a new national campaign to enroll adult learners into programs that equip them with skills that lead to high school equivalency and jobs that pay a family-sustaining wage. Millions of Americans are out of work or underemployed and need to reskill or upskill to re-enter the workforce or pursue their education. The pandemic has exacerbated the need for services.

[insert your organization's name] adult education programs currently are providing instruction [insert ways in which instruction is provided: e.g., online and in-person]. CDC guidelines and sanitation protocols are in place for in-person instruction to ensure a safe learning environment.

An international study indicated approximately 43 million working-age Americans lack the skills needed for many of the nation's fastest-growing and highest-paying jobs. According to the U.S. Census, there are over 22 million adults in the U.S. without a high school diploma.

"Adult education provides on-ramps to better jobs and to community college," said [insert name and title of local leader]. "With adult education, the infrastructure is in place to reskill and upskill Americans and not only get them back into the workforce but get them into better jobs than they had before the pandemic."

Campaign partners [Coalition on Adult Basic Education](#) and the [National Association of State Directors of Adult Education](#) also estimate that for every dollar invested in adult education, a community receives \$60 back in increased income, property taxes and savings on public assistance and legal-system expenses.

The #MovingAheadWithAdultEd campaign focuses on re-engaging the millions of Americans who are in need of additional skills to compete in the workforce to recover financially from the pandemic. In addition to providing industry skills training, adult education programs teach literacy, numeracy and digital literacy, as well as offer high school equivalency classes.

In [insert your state/region], [insert # for your region] people are enrolled in adult education programs, among them is [insert name of a learner who enrolled in adult education after losing their job due to the pandemic]

[Add copy to expand on the student's situation, including information about their previous situation, how they found out about adult education, what their goal is now that they are enrolled and how they feel it is changing their life.]
